INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Sciens Building Solutions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sciens Building Solutions 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Sciens Building Solutions 401(k) Plan

Notes to Financial Statements

1. Summary Plan Description:

The following description of the Sciens Building Solutions 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Sciens Building Solutions, LLC. (the “Company”) established the Plan effective as of January 1, 2019. The Plan operates as a defined contribution plan. It is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

The trustee of the Plan is Ascensus Trust Company (the “Trustee”). The assets of the Plan are held by the Trustee in individual accounts directed by individual participants. The Trustee has been given the authority and power to, among other things, make investment decisions, borrow funds and take any other action it believes to be beneficial to the Plan so long as its authority does not exceed or restrict the primary authority of the individual participants of the Plan.

On January 1, 2020, the Plan adopted certain changes to comply with the Bipartisan Budget Act of 2018. These changes included allowing partial repayment of Plan loans and allowing participants to take a hardship withdrawal (i) from earnings on safe harbor contributions and corrective contributions, (ii) without first taking a plan loan, and (iii) for expenses or losses incurred on account of a FEMA-declared disaster. The Plan was amended January 1, 2021 for these changes.

Acquisitions

During 2020, the Company acquired Electronic Security Solutions (“ESS”). Effective January 1, 2021, all ESS employees became eligible to participate in the Plan. Effective February 22, 2021, balances from the employees benefit plans of the acquired company totaling \$2,771,558 were transferred to the plan.

Eligibility

Participants may contribute to the Plan the first day of the month following the date of hire and following the attainment of age 21.

Contributions

Participants may make salary deferral contributions in any percentage of their salary up to limits as defined in the Plan and other limits according to the Internal Revenue Service (“IRS”). In addition, employees who have attained age 50 by the end of the Plan year may make catch-up contributions up to limits defined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company at its discretion may make matching contributions, as well as a discretionary profit sharing contribution. For the Plan year 2021, the Company matched 50 percent of the first four percent of eligible compensation that each participant contributed to the Plan.

Sciens Building Solutions 401(k) Plan

Notes to Financial Statements

1. Summary Plan Description (Continued):

Investment Options

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and a money market fund as investment options for participants.

Participant Accounts

An individual account is maintained for each participant's interest in the Plan's net assets. Each participant's account is credited with the participant's contribution and the Company's matching contribution. Profit sharing contributions by the Company and forfeitures, if any, are allocated to individual accounts based on the ratio of each eligible employee's annual compensation to the total such compensation of all eligible participants.

Participant Loans Receivable

Participants may borrow from their accounts an amount not to exceed the lesser of one-half of the participant's non-forfeitable interest under the Plan or \$50,000. The loans are collateralized by the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon and rollover contributions. Participants have a right to a percentage of their account resulting from employer contributions. In the event of death or total and permanent disability while under the Company's employment, all amounts are considered fully vested. Participants' vesting percentage will be 100% once retirement age is reached.

Vesting in the Company's contribution and portion of their accounts plus earnings thereon is based on whole years of continuous service using the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	33%
2	66%
3	100%

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant/beneficiary may receive either a lump sum or an annuity amount equal to the vested value of his or her account. For any other termination of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants that have terminated employment but have not withdrawn their account balance due to Plan requirements, continue to participate in the earnings of the Plan. The Plan also permits withdrawals due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Notes to Financial Statements

1. Summary Plan Description (Continued):

Forfeited Accounts

Forfeitures from nonvested participant accounts transferred into the Plan can be used to reduce future Company contributions or pay Plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$31,611 and \$37,020, respectively. The Plan used \$28,739 of forfeitures to pay administrative expenses during 2021.

2. Summary of Accounting Policies:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are recorded at fair value as described in Note 3. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are reflected as a reduction of investment return for such investments. The Plan's administrative expenses may be paid by either the Plan or the Company as provided by the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Participant Loans Receivable

Participant loans receivable are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans receivable are reclassified as distributed based upon the terms of the Plan document.

2. Summary of Accounting Policies (Continued):

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

The Financial Accounting Standards Board, Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Money market fund: The money market fund invests in short-term, high quality money market securities issued by US government agencies and maintains a stable net asset value (NAV) of \$1.00 per share which is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (Continued):

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2021 and 2020:

<i>December 31,</i>		Fair Value	
	Level	2021	2020
Mutual funds	1	\$ 24,718,419	\$ 19,839,749
Money market	(a)	1,711,204	2,009,008
Total investments at fair value		<u>\$ 26,429,623</u>	<u>\$ 21,848,757</u>

(a) In accordance with ASC Subtopic 820-10, investments that were measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item, total investments at fair value, in the statements of net assets available for benefits.

4. Information Prepared and Certified by the Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following investments included in the statements of assets available for benefits as of December 31, 2021 and 2020, and the interest and dividends and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2021, are complete and accurate.

<i>December 31,</i>	2021	2020
Mutual funds	\$ 24,718,419	\$ 19,839,749
Money market	1,711,204	2,009,008
Participant loans receivable	334,369	215,921

<i>Year ended December 31,</i>	2021
Interest and dividend income	\$ 388,790
Net appreciation in fair value of investments	2,407,310
Interest on participant loans receivable	14,567

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

5. Party-In- Interest Transactions:

Certain Plan investments in mutual funds are managed by Vanguard Retirement Services. Vanguard is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. During 2021, fees paid \$129,194 to Vanguard Retirement Services for recordkeeping and investment advisory services

Sciens Building Solutions 401(k) Plan

Notes to Financial Statements

6. Income Tax Status:

The Plan was restated under the Ascensus Prototype Non-standardized Profit Sharing Plan with CODA (the "Prototype Plan"). The Internal Revenue Service issued a determination letter dated April 02, 2012 stating that the Prototype Plan was in accordance with the applicable plan designed requirements as of that date. The Plan as adopted and amended has not requested a determination letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Management has evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the accompanying financial statements. The Plan is not subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2019.

7. Financial Instruments:

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investments in mutual funds and a money market fund. The Plan limits its credit risk by maintaining its accounts with what it believes to be high quality financial institutions.

8. Non-Exempt Transactions:

During the Plan years ended December 31, 2020 and 2019, the Company failed to remit employee deferrals within the appropriate time period totaling \$21,598 and \$70,749, respectively. Late or delinquent deferrals constitute prohibited transactions as defined by ERISA and are include in the accompanying supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. Lost earnings related to these late remittances were remitted during 2021. The Company is reviewing its procedures to ensure all deferrals are remitted within the prescribed period of time.

9. Reconciliation of Financial Statements to the Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021 and 2020:

<i>December 31,</i>	2021	2020
Net assets reflected on Form 5500	\$ 26,783,816	\$ 22,231,488
Loans discharged	(982)	(60,295)
Net assets reflected in the financial statements	<u>\$ 26,782,834</u>	<u>\$ 22,171,193</u>

The following is a reconciliation of the increase in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2021:

<i>Year ended December 31,</i>	2021
Net increase in per Form 5500	\$ 1,781,686
Loans discharged in prior year	57,633
Net change in interest on discharged loans	764
Net increase per financial statements	<u>\$ 1,840,083</u>

10. Subsequent Events:

Effective January 11, 2022, participant balances from the benefit plan of Absolute Protective Systems, Inc totaling of \$2,937,050 were transferred into the Plan.

Effective January 12, 2022, participant balances from the benefit plan of Time and Alarm Systems, Inc., totaling of \$3,418,952 were transferred into the Plan.

Effective May 12, 2022, participant balances from the benefit plan of Fire Alarm Control Systems, Inc totaling of \$1,057,661 were transferred into the Plan.

Management has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be filed and has determined that, other than the information disclosed above, there were no material events requiring recognition or disclosure.
