INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Participants,
The Lenkin Companies 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Lenkin Companies 401(K) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, part IV, Line 4i - schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We have audited the 2020 financial statements of The Lenkin Companies 401(K) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprised the statement of net assets available for benefits - modified cash basis as of December 31, 2020, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2020, and the related notes to the financial statements. In our report dated October 5, 2021, we expressed an unmodified opinion on those 2020 financial statements.

1. PLAN DESCRIPTION AND FUNDING

The following description of The Lenkin Companies 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of The Lenkin Company Management, Inc., The Lenkin Company Management/Residential, Inc., Fairmont Builders, Inc., The Lenkin Company, Pilot Management, Inc., Aspen Hill Tennis, Inc. and Aspen Hill Racquet Club Ltd. Partnership (collectively known as the "Companies"), who have completed one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Until April 1, 2021, the Plan was operated in accordance with adoption of the CCH Incorporated DBA FT William Company Volume Submitter Profit Sharing Plan with CODA. Effective April 1, 2021, the Plan adopted the Automatic Data Processing ("ADP") Defined Contribution Plan.

Administration

Effective April 1, 2021, the Plan is administered by ADP and Alliance Trust is the investment custodian and trustee for the Plan. For 2020 through March 31, 2021, the Plan was administered by Empower Retirement and Great-West Trust Company, LLC served as the investment custodian for the Plan.

Contributions

The Plan allows each participant to contribute up to 90% of his or her pre-tax compensation, pursuant to Internal Revenue Code guidelines. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also allows for Roth 401(k) deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Companies have the option to make discretionary matching contributions. For each of the years ending December 31, 2021 and 2020, management elected to make a matching contribution equal to 100% of each participant's deferral, up to 3% of compensation. The Companies have also elected to make optional contributions of 2% of compensation for each participant during each of the years ending December 31, 2021 and 2020. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the contributions from the Companies and an allocation of Plan earnings and is charged with benefits paid and an allocation of administrative expenses, as applicable. Allocations of Plan earnings and administrative expenses are based on account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in any contributions made by the Companies, plus actual earnings thereon, is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percent</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow up to 50% of the balance of their vested accounts, not to exceed \$50,000 at the time the loan is made. The minimum loan amount is \$1,000. Loans are secured by the balance in the participant account and must be repaid with a fixed interest rate based on prime plus 3%, as of the date of the loan. Loans must be repaid within 5 years, except that those loans taken for the purchase of a principal residence may be repaid within a reasonable period of time as determined by the plan administrator at the time the loan is made. Principal and interest are paid ratably through payroll deductions. At December 31, 2021, the interest rate on outstanding loans ranged from 4.25% to 8.5%.

During 2020, the Plan operated in conformity with loan provisions set forth under the Coronavirus Aid, Relief and Economic Security ("CARES") Act. Such provisions included the ability for participants to obtain a loan of up to the lesser of \$100,000 or 100% of the participant's vested balance between March 27, 2020 and September 23, 2020 if the participant determined he or she was a qualified individual under the CARES Act. A qualified individual could also delay repayments for up to 1 year for loan payments due between March 27, 2020 and December 31, 2020.

Benefits

Upon death, disability, retirement or termination of service, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual, quarterly or monthly installments for a set period of time. If a participant's account balance is greater than \$1,000 and less than \$5,000 at retirement, disability or severance from employment, the account balance will be automatically distributed as a direct rollover into an individual retirement account. Participants are permitted to take in-service distributions upon attainment of age 59-1/2 and may withdraw their rollover account balances at any time. Participants are permitted to take hardship distributions in the event of immediate and heavy financial need in accordance with the Plan's hardship withdrawal provisions. There were no amounts allocated to withdrawing participants that were requested by the participant prior to December 31, 2021 and 2020, but not yet paid as of that date.

During 2020, the Plan operated in conformity with distribution provisions set forth under the Coronavirus Aid, CARES Act. Such provisions included the ability for participants to withdraw up to \$100,000 tax-free and penalty-free between March 27, 2020 and December 31, 2020 if the participant determined he or she was a qualified individual under the CARES Act.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$25,503 and \$22,227, respectively. These accounts are used to reduce future employer contributions. In 2021 and 2020, employer contributions were reduced by \$85,488 and \$0, respectively, due to forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this modified cash basis of accounting, contributions, dividends and interest income, except for unpaid interest on participant loans, which is accrued, are recorded when received, expenses are recorded when paid, investments are presented at fair value and changes in fair value are recognized in the period in which they occur.

Accounting Estimates

The preparation of financial statements requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustees determine the Plan's valuation policies utilizing information provided by its investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income is recorded in the period received, except for interest on participant loans which is accrued. In accordance with the policy of presenting investments at fair value, net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held on the statement of changes in net assets available for benefits in the period in which it occurs.

Payment of Benefits

Benefits are recognized when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, based on the terms of the Plan Document, the participant loan balance is reduced and a benefit payment is recorded.

Subsequent Events

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2021 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 10, 2022, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN AND TRUSTEE

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Great-West Trust Company, the custodian for the period January 1, 2021 through March 31, 2021, and Reliance Trust Company, the trustee for the period April 1, 2021 through December 31, 2021 (the "trustees"), except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustees, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020. Accordingly, the trustees of the Plan assets have certified to the completeness and accuracy of:

Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021 and 2020.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodology used at December 31, 2021 and 2020. During the years ended December 31, 2021 and 2020, there were no transfers into or out of Level 3.

Investments are presented at fair value, determined as follows:

The Plan holds registered investment company funds, which are valued at the daily closing price as reported by the fund and are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The Lenkin Companies 401(k) Retirement Plan
Notes to Financial Statements - Modified Cash Basis
December 31, 2021 and 2020

As of December 31, 2021 and 2020, assets measured at fair value on a recurring basis are summarized by level within the fair value hierarchy as follows:

2021				Total Fair Value
	Level 1	Level 2	Level 3	
Registered investment company funds	\$ 29,727,609	\$ -	\$ -	\$ 29,727,609

2020				Total Fair Value
	Level 1	Level 2	Level 3	
Registered investment company funds	\$ 27,758,174	\$ -	\$ -	\$ 27,758,174

5. PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their account balances.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment company funds managed by the investment custodian. The Plan holds notes receivable from participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, and are not readily determinable as they are paid through revenue sharing, rather than a direct payment. To the extent that expenses are not covered by revenue sharing, the Plan sponsor is responsible for direct payment of fees relating to the Plan's operations with the exception of investment fees, which are deducted directly from the individual participants' accounts.

7. TAX STATUS

On October 6, 2020, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualified under Internal Revenue Code ("IRC") Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management has evaluated the income tax positions taken by the Plan and concluded that as of December 31, 2021 and 2020, no uncertain tax positions have been taken that more likely than not would not be sustained upon examination by the Internal Revenue Service and would, therefore, require disclosure of a liability in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of these securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The 2019 novel coronavirus (or “COVID-19”) has adversely affected, and may continue to adversely affect, economic activity globally, nationally, and locally. Following the COVID-19 outbreak in March 2020, the financial markets have experienced significant volatility, therefore affecting the values of investment securities. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of any adverse impact of the COVID-19 outbreak on the Plan's net assets available for benefits and changes therein cannot be predicted as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
