Independent Auditor's Report

To the Plan Administrator
Conner Industries, Inc. 401(k) Profit Sharing Plan
Fort Worth, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Conner Industries, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) - as of December 31, 2021 and the Schedule of Delinquent Contributions - for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

General

Conner Industries, Inc. 401(k) Profit Sharing Plan (the "Plan") is a defined contribution plan that was established and adopted effective October 1, 1985, for the benefit of eligible employees of Conner Industries, Inc. and Conner Transportation, Inc. (collectively the "Company" or "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and is subject to limitations imposed by the Internal Revenue Code ("IRC").

The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Administration

Wells Fargo Bank, N.A. served as trustee and recordkeeper of the Plan until June 18, 2021. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company became the trustee and recordkeeper of the Plan effective June 19, 2021 ("Principal", "Trustee", or "Recordkeeper") as Principal Financial Group acquired the Wells Fargo Institutional Retirement and Trust Business. As Trustee, Principal is responsible for custody and management of the Plan's asset, and as Recordkeeper, they maintain the accounting of participant accounts and perform other services for the Plan.

Eligibility and Participant Accounts

Employees become eligible for participation at the age of twenty-one and upon completing six months of service, with the exception of non-resident aliens, those covered by a collective bargaining agreement, and highly compensated employees, as defined by the Plan document. Eligible employees may enter the Plan on the first day of the month following the date in which initial eligibility requirements are met. Each participant's account is credited with employee elective deferrals, Company matching contributions, Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Contributions

The Plan is funded through employee pre-tax deferrals and Company matching contributions. A participant may elect to contribute up to 100% of his or her eligible compensation, subject to certain maximum limitations imposed by IRC (\$19,500 for 2021). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$6,500 for 2021). Rollover contributions representing distribution from other qualified retirement plans are permitted. There is no limitation on the amount of rollover contributions a participant may make to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

The Plan also allows for employer matching contributions and employer discretionary profit sharing contributions in amounts to be determined by the Company. For 2021, the Company elected to match 50 percent of the participant's contribution, up to 3 percent of annual compensation. Employer matching contributions totaled \$218,927 for the year ended December 31, 2021. No employer discretionary profit sharing contributions were made for the year ended December 31, 2021.

The Plan has an automatic enrollment feature unless otherwise directed. An eligible employee will be automatically enrolled into the Plan at a pre-tax contribution rate of 3% of eligible compensation. The Plan also has an automatic deferral increase feature. The contributions will be mapped into the Plan's default funds. Accordingly, a participant's pre-tax deferral rate will automatically increase by 1% up to 10% every twelve months from the later of the participant's automatic enrollment date or the Plan entry date unless elected otherwise.

Vesting

Participants are immediately vested in elective deferrals and rollover contributions plus actual earnings, thereon. Vesting of employer contributions and earnings thereon is based on years of service, and vest 100% after three years of qualified service or upon occurrence of the participant's retirement, death, termination, or disability, as defined by the Plan document.

Forfeitures

Upon separation from service for any reason other than retirement, participants forfeit any unvested portion of their employer contributions. Forfeitures are used to reduce the Plan's expenses and then used to reduce any future employer contributions. Unallocated forfeitures of \$57,832 and \$15,878 were available for future use as of December 31, 2021 and 2020, respectively. During 2021, forfeitures in the amount of \$318 were used to pay administrative expenses and \$12,803 were used to reduce employer contributions.

Investment Options

The Plan provides for contributions to be invested by the participants among a variety of mutual funds of registered investment companies and common collective funds in accordance with participant investment elections and the provisions of the trust agreement. Participants should refer to the Plan website for additional fund information.

Notes Receivable from Participants

Borrowings are available for all participants. Notes receivable from participants are limited to a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Any note must be repaid within five years unless for the purchase of a primary residence, in which case the repayment period may not exceed ten years. Participants may have two outstanding notes at a time but may not refinance existing notes. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. Notes receivable are collateralized by the participant's vested account balance and bear interest at a reasonable rate as determined by the Plan Administrator which is fixed for the term of the note. Notes receivable from participants, as of December 31, 2021, have interest rates ranging from 5.25% to 7.50% and maturities through November 2026.

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Payment of Benefits

Upon attainment of normal retirement age, death, disability, or termination, a participant's benefits are payable in a lump-sum amount equal to 100% of the participant's vested account balance. If a participant's vested account balance is less than \$5,000, the vested accrued benefit is paid in a lump sum or rolled over to an IRA. If a participant's vested account is greater than \$5,000, the participant may elect to keep their funds in the plan or receive a lump sum payment, annuity, installment payments, or a combination thereof.

Immediate lump-sum distributions are generally made to terminated participants if the participant's vested account balance is \$1,000 or less.

Hardship withdrawals and certain other in-service withdrawals are also allowed by the Plan if certain criteria are met.

Withdrawals from the Plan may be made in accordance with the provisions specified in the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared under the accrual method in accordance with United States generally accepted accounting principles ("U.S. GAAP").

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

Cash

The Plan's cash is held in noninterest-bearing accounts that are used to process participant activity, outside vendor transactions, and administrative expenses.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset value (NAV) of shares held by the Plan at each year end. The fair value of investments in the common collective trust is measured by using net asset value (NAV) as a practical expedient to estimate fair value and is determined by each fund trustee at year end based on the fair value of the underlying securities within that trust.

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in fair value of its investments which consists of realized gains and losses and unrealized appreciation and depreciation on these investments.

Payment of Benefits

Benefit payments to participants are recorded upon distribution from the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Contributions

Employee and related company contributions are recorded in the period payroll deductions are made.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees paid related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. Fair Value Measurements

FASB Accounting Standards Codification ("ASC") Topic 820 - *Fair Value Measurements and Disclosures* provides the framework for measuring and reporting the fair value of investments. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that required inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Investments in mutual funds are valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded. These funds are classified as level 1.

Common Collective Trusts

The fair value of participation units held in collective trusts are based on the Net Asset Values ("NAV") reported by fund managers as of the financial statement dates and recent transaction prices. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is probable that the fund will sell the investment for an amount different from the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

<u>Investment Assets at Fair Value as of December 31, 2021</u>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,126,658	\$ -	\$ -	4,126,658
Investments, at net asset value*				2,161,340
Total investments, at fair value			\$	6,287,998

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,394,039	\$ -	\$ -	3,394,039
Investments, at net asset value*				1,485,914
Total investments, at fair value			\$	4,879,953

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Fair Value of Measurements in Entities that Use Net Asset Value

The fair value of the common collective trust funds based on net asset value per share as of December 31, 2021 and 2020 is \$2,157,127 and \$1,485,914, respectively. These investments held by the Plan provide for daily redemptions by the Plan at reported net asset value with no advance notice requirement; however for the Wells Fargo Stable Return Fund, if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that security liquidations will be carried out in an orderly manner. The Plan is permitted to redeem investment units at net asset value on the measurement date. There are no unfunded commitments.

4. Financial Information Certified by The Plan's Trustees

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net realized and unrealized gains on investments, interest and dividends income, and interest income from notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Wells Fargo Bank, N.A. for the period January 1, 2021 through June 18, 2021 and Principal for the period June 19, 2021 through December 31, 2021, as qualified institutions.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

5. Risks and Uncertainties

The Plan provides for various investment options in mutual funds of registered investment companies and common collective funds. Such investments are exposed to various risks, such as interest rate, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, each of the participants will have a nonforfeitable 100% vested interest in his or her account balance, including all Company contributions, subject to payment of liquidation costs and expenses.

7. Tax Status of The Plan

The Internal Revenue Service ("IRS") has determined and informed the Plan by a favorable opinion letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. Party-In-Interest Transactions

The Plan invests in certain mutual funds of registered investment companies and common collective funds. As Principal is the Plan's trustee and recordkeeper, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for various administrative expenses, including investment management services, amounted to \$73,511 for the year ended December 31, 2021. Notes receivable from participants qualify as a party-in-interest.

9. Investment Concentrations

There were four investments, which represented 64 percent and 66 percent of total investments at December 31, 2021 and 2020, respectively. See the Schedule of Assets (Held at End of Year) as of December 31, 2021 for a complete list of investments.

Conner Industries, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

10. Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but not later than the fifteenth business day of the month following the month in which the participant contributions are withheld by the Employer. During the Plan year ended December 31, 2021, the Plan had \$14,235, of contributions that were not remitted in a timely manner. The lost earnings will be paid by the Employer, not from the Plan assets, and will be remitted in 2022.

11. Subsequent Events

Effective July 27, 2022 the Plan was amended and restated for regulatory purposes. There were no significant changes to Plan provisions as part of the restatement. The restated Plan adopted a non-standardized prototype plan document, which has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the prototype plan is qualified under Section 401 of the IRC, and therefore, the related trust is tax-exempt.

Plan management has evaluated subsequent events that occurred after December 31, 2021 and through September 26, 2022, which is the date the financial statements and supplemental schedules were available to be issued.
