### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the accompanying financial statements of the 403(b) Thrift Plan of Gateway Community Health Center, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2022 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The 403(b) Thrift Plan of Gateway Community Health Center, Inc.'s 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Gateway Community Health Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Gateway Community Health Center, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Gateway Community Health Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Gateway Community Health Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Supplemental Schedules Required by ERISA (Continued)**

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter – Auditor's Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the 403(b) Thrift Plan of Gateway Community Health Center, Inc., As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

---

**1. Description of Plan**

---

The following description of the 403(b) Thrift Plan of Gateway Community Health Center, Inc. (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The type of plan is a 403(b) Plan with the Plan original effective date of January 1, 2008, and a year-end of March 31<sup>st</sup>. The custodian of the Plan is Mutual of America Life Insurance Company (“Mutual of America”). The Company and/or Participants, in accordance with the Plan terms, can make Pre-Tax Deferral Contributions to the Plan. Employer contributions are increased by Elective Deferral through the employee’s W-2 wages. The Plan was restated as of April 1, 2013 and amended on March 25, 2020 to comply with the Bipartisan Budget Act of 2018 and amended again July 1, 2021 to include an automatic contribution arrangement beginning on August 1, 2021 and increase employer matching contributions to four percent.

**General Eligibility**

The Plan is a defined contribution plan covering all full and part-time employees of the Gateway Community Health Center (the “Center”) except for those who are non-resident aliens, classified or treated as independent contractors or other non-employees by the Center.

**Contributions**

Employees may elect to contribute on a pre-tax basis, subject to an annual limit of the lesser of 90% of the eligible compensation or \$19,500 in a calendar year. Participant contributions may not exceed the limits established by Internal Revenue Service guidelines which were \$20,500 for 2022 and \$19,500 in 2021. A participant's pre-tax deferrals will be separately accounted for, as will gains and losses attributable to each. Participants who are at least age 50 or will attain age 50 before the end of a calendar year are eligible to defer additional amounts (“catch-up contribution”) to the Plan. The maximum catch-up contribution that one eligible participant can make was \$6,500 in 2022 and 2021, respectively. Eligible employees may also contribute amounts representing distributions from other plans and certain IRAs. Participants directed the investment of their contributions into the various investment options offered by the Plan.

The Company elected a discretionary non-elective contribution of 4% of participant’s compensation not to exceed \$1,000 regardless of the amount of service employee’s complete from April 1 through June 30, 2021. From July 1, 2021 and onward the Plan was amended so the Employer makes discretionary matching contributions equal to the sum of 100% of the first 4% of annually contributions made to the Plan by the participant.

**1. Description of Plan (Continued)**

---

**Contributions (continued)**

As a result, discretionary matching contributions in the amount of \$295,835 and \$115,760 were recorded for years ended March 31, 2022 and 2021, respectively. Employer contributions are subject to certain statutory limitations. Participants are eligible for the employer contribution upon completion of on year of employment service.

**Investment Options**

Upon enrollment in the Plan, a participant directs both the participant and Center contributions in any or all of the investment options offered by the Plan. Participants may change their investment options at will.

**Administration of Plan Net Assets**

The Plan's assets are held by the Custodian of the Plan which invests cash received, interest, and dividend income and makes distributions to participants.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Center's contribution, if any, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants have a 100% Vested interest at all times in their accounts attributable to elective deferrals, employee contributions, and rollover contributions. Participants' vesting in employer matching contributions are based on years of service as follows:

| <u>Years of Service</u> | <u>Vesting Percentage (%)</u> |
|-------------------------|-------------------------------|
| Less than 1             | 0%                            |

**Participant Loans**

Except as permitted by the CARES Act described in Note 9, Plan loans are subject to limitations of the Investment Arrangement Documentation and the Plan's loan policy. As of April 1, 2013, the Plan does not permit Participant Loans.

**Rollover Contributions**

The Plan permits rollover contributions subject to approval by the Plan Administrator.

**Payment of Benefits**

Vested benefits are paid to participants upon death, disability, retirement or termination of employment by either arranging for a rollover to another plan, lump sum payment, or installments. Hardship withdrawals are available and are subject to certain limitations.

Upon attaining age 59 1/2 a participant employed by the Center may elect certain in-service withdrawals from their vested account balance. Such distributions are subject to certain taxes, fees, and other restrictions. For terminated participants' account balances that are less than \$5,000, the Plan administrator may distribute the entire amount in a lump sum without the participant's consent. If the participant's vested portion is greater than \$5,000, the participant may elect to maintain the vested portion in the Plan.

**Forfeited Accounts**

Forfeited accounts may be applied to reduce future employer contributions. For the Plan years ending March 31, 2022 and 2021, forfeitures applied were \$10,308 and \$7,421, respectfully. There were no forfeiture balances as of March 31, 2022 and 2021.

**Administrative Expenses**

The Plan Sponsor pays for certain direct Plan administrative and other expenses, but this is discretionary, and such expenses are excluded from these financial statements. Additionally, Plan Sponsor employees provide certain administrative duties at no charge to the Plan. At the Plan Sponsor's option, Plan administrative expenses may be paid by the Plan Sponsor or charged to the Plan and deducted from participant's individual accounts. Participants are charged directly for loan and distribution fees.

Certain fees are also paid through revenue sharing from Plan investments to Mutual of America and the Plan's investment advisor and the third-party administrator, which are generally included in the investment appreciation. For the years ended March 31, 2022 and 2021, the Plan paid \$1,607 and \$1,645, respectively, in administrative expenses.

**2. Summary of Significant Accounting Policies**

---

**Basis of Presentation and Use of Estimates**

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

**Excess Contributions**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to contributions. There were no excess contributions in 2022 or in 2021.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in mutual funds are valued at net asset value (NAV) and calculated by the fund manager based on underlying investments.

The fair value of the above investments is disclosed further in Note 3.

Purchases and sales of mutual funds are recorded on a trade-date basis. Capital gains and dividends are recorded on the ex-dividend date on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefits Paid to Participants**

Benefits are recorded when paid.

**Terminated Employees with Vested Benefits**

As of March 31, 2022 and 2021, terminated participants with vested balances in the amount of \$73,964 and \$174,789, respectively, remains in the Plan. The benefit payments are not reflected in the financial statements until benefit claims have been processed and approved for payment.

**3. Fair Value Measurements**

---

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is description of the valuation methodologies used for assets measured at fair value:

*Mutual Funds:* Reported at fair value based on quoted market price of the fund classified within Level 1 of the valuation hierarchy, as of March 31, 2022 and 2021. Mutual funds held by the plan are open end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

**5. Tax and Plan Status**

---

The Internal Revenue Service (IRS) has determined and informed the Center that the 403(b) Thrift Plan of Gateway Community Health Center, Inc. Plan and related trust are designated in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the Plan's effective date, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognized a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities, however, there are currently no audits for any tax periods in progress.

**Gateway Community Health Center Employees Retirement Plan**  
**Notes to Financial Statements**  
**March 31, 2022 and 2021**

---

**6. Plan Termination**

---

Although the Center had not expressed intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts and distributions would be made as soon as administratively practicable after the Plan terminates.

---

**7. Risk and Uncertainties**

---

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the near-term could materially affect participants' account balances and the amount reported in the statements of net assets available for plan benefits.

---

**8. Party-in-Interest and Related-Party Transactions**

---

Certain Plan investments are shares of mutual funds managed by Mutual of America. Mutual of America is the plan custodian as defined by the Plan and, therefore, these transactions qualify as a party-in-interest transactions. Fees paid by the Plan for the custodial and record-keeping services amounted to \$1,607 and \$1,645 for the years ended March 31, 2022 and 2021, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

---

**9. COVID-19 Impact**

---

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic. The pandemic has generated significant uncertainty in the global economy and volatility in financial markets. The COVID-19 pandemic has affected and may continue to affect the market price of Plan assets. Due to the ongoing economic uncertainty and volatility caused by COVID-19, the resulting financial impact to the Plan and to the Plan's participants' account balances cannot be reasonably estimated.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants.

Plan management has adopted the Coronavirus-related distribution and participant loan provisions of the CARES Act as of the date of these financial statements.
