AIR NEW ZEALAND LIMITED 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Air New Zealand Limited 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Air New Zealand Limited 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

A. General

Air New Zealand Limited (the "Company") is the Plan Sponsor and plan administrator. The Plan is a defined contribution plan established by the Company for the purpose of providing retirement benefits for all eligible employees of the Company. There is no service requirement for eligibility to participate in the Plan. The service requirement for matching contributions and profit sharing contributions is thirty days of consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan funds are held by Prudential Bank & Trust Company, FSB and Prudential Retirement Insurance and Annuity Company (the "Trustees").

B. Contributions

Each year, participants may contribute up to 75% of their eligible compensation in pre-tax or Roth contributions, as defined in the Plan. Participants may also rollover amounts representing distributions from other qualified plans. The Company's safe harbor matching contribution is equal to 100% of the first 3% of participant contributions, and then 50% of the next 6% of participant contributions. The Company may also make profit sharing contributions at its discretion. Contributions are subject to Internal Revenue Code ("IRC") limitations. The Company did not make any profit sharing contributions in 2021.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, investment earnings and Company matching and profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Valuation of Investments

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs based on quoted prices in active markets.

Level 2 – Inputs based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,931,518	\$ -	\$ -	\$ 2,931,518
Total Assets in the Fair Value Hierarchy	<u>\$ 2,931,518</u>	<u>\$ -</u>	<u>\$ -</u>	2,931,518
Investments Measured at Net Asset Value ^A				<u>10,147,247</u>
				<u>\$ 13,078,765</u>
December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,345,583	\$ -	\$ -	\$ 4,345,583
Total Assets in the Fair Value Hierarchy	<u>\$ 4,345,583</u>	<u>\$ -</u>	<u>\$ -</u>	4,345,583
Investments Measured at Net Asset Value ^A				<u>8,039,124</u>
				<u>\$ 12,384,707</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Valuation of Investments (Continued)

Level 1 investments consist of mutual funds that are actively traded on a national exchange based on quoted market prices. The common/collective trusts and pooled separate accounts are valued at net asset value or its equivalent as a practical expedient. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts or pooled separate accounts. Net appreciation of investments includes realized and unrealized gains and losses on investments sold or held during the year.

The Plan maintains a fully benefit-responsive group annuity contract with Prudential Retirement Insurance & Annuity Co. through the guaranteed income fund. Contributions to the guaranteed income fund are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. Prudential Retirement Insurance & Annuity Co. is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The guaranteed income fund meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions to terms of the Plan.

D. Administrative Expenses

Most administrative expenses of the Plan are paid by the Company.

E. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company, in accordance with Plan rules.

F. Forfeiture of Benefits

If a participant terminates prior to vesting 100% in Company contributions, the forfeited balance will be used to offset administrative expenses or reduce Company matching contributions. During 2021, forfeitures totaled \$491; forfeitures of \$29 and \$6,172 were used to offset administrative expenses and Company matching contributions. Forfeitures available for future use as of December 31, 2021 and 2020 totaled \$14,678 and \$19,014, respectively.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - INCOME TAX STATUS

The Company has adopted the Prudential Non-Standardized Prototype 401(k) and Profit Sharing Plan. The Internal Revenue Service granted the Prototype Plan an opinion dated April 29, 2014, stating that it was designed in accordance with applicable Internal Revenue Code (IRC) requirements as of that date. The Plan's tax counsel believes that the Plan, as originally designed and as amended, is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS

Plan investments are managed by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 - PLAN AMENDMENTS

During the year ended December 31, 2020, the Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "Cares Act"), effective March 27, 2020.

During the year ended December 31, 2021, the Plan was amended to adopt hardship distribution provisions that include employee and employer contributions as hardship withdrawal sources effective September 1, 2021.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2022, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Air New Zealand Limited 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Air New Zealand Limited 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

A. General

Air New Zealand Limited (the "Company") is the Plan Sponsor and plan administrator. The Plan is a defined contribution plan established by the Company for the purpose of providing retirement benefits for all eligible employees of the Company. There is no service requirement for eligibility to participate in the Plan. The service requirement for matching contributions and profit sharing contributions is thirty days of consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan funds are held by Prudential Bank & Trust Company, FSB and Prudential Retirement Insurance and Annuity Company (the "Trustees").

B. Contributions

Each year, participants may contribute up to 75% of their eligible compensation in pre-tax or Roth contributions, as defined in the Plan. Participants may also rollover amounts representing distributions from other qualified plans. The Company's safe harbor matching contribution is equal to 100% of the first 3% of participant contributions, and then 50% of the next 6% of participant contributions. The Company may also make profit sharing contributions at its discretion. Contributions are subject to Internal Revenue Code ("IRC") limitations. The Company did not make any profit sharing contributions in 2021.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, investment earnings and Company matching and profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Valuation of Investments

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs based on quoted prices in active markets.

Level 2 – Inputs based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,931,518	\$ -	\$ -	\$ 2,931,518
Total Assets in the Fair Value Hierarchy	<u>\$ 2,931,518</u>	<u>\$ -</u>	<u>\$ -</u>	2,931,518
Investments Measured at Net Asset Value ^A				<u>10,147,247</u>
				<u>\$ 13,078,765</u>
December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,345,583	\$ -	\$ -	\$ 4,345,583
Total Assets in the Fair Value Hierarchy	<u>\$ 4,345,583</u>	<u>\$ -</u>	<u>\$ -</u>	4,345,583
Investments Measured at Net Asset Value ^A				<u>8,039,124</u>
				<u>\$ 12,384,707</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Valuation of Investments (Continued)

Level 1 investments consist of mutual funds that are actively traded on a national exchange based on quoted market prices. The common/collective trusts and pooled separate accounts are valued at net asset value or its equivalent as a practical expedient. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts or pooled separate accounts. Net appreciation of investments includes realized and unrealized gains and losses on investments sold or held during the year.

The Plan maintains a fully benefit-responsive group annuity contract with Prudential Retirement Insurance & Annuity Co. through the guaranteed income fund. Contributions to the guaranteed income fund are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. Prudential Retirement Insurance & Annuity Co. is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The guaranteed income fund meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions to terms of the Plan.

D. Administrative Expenses

Most administrative expenses of the Plan are paid by the Company.

E. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company, in accordance with Plan rules.

F. Forfeiture of Benefits

If a participant terminates prior to vesting 100% in Company contributions, the forfeited balance will be used to offset administrative expenses or reduce Company matching contributions. During 2021, forfeitures totaled \$491; forfeitures of \$29 and \$6,172 were used to offset administrative expenses and Company matching contributions. Forfeitures available for future use as of December 31, 2021 and 2020 totaled \$14,678 and \$19,014, respectively.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - INCOME TAX STATUS

The Company has adopted the Prudential Non-Standardized Prototype 401(k) and Profit Sharing Plan. The Internal Revenue Service granted the Prototype Plan an opinion dated April 29, 2014, stating that it was designed in accordance with applicable Internal Revenue Code (IRC) requirements as of that date. The Plan's tax counsel believes that the Plan, as originally designed and as amended, is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS

Plan investments are managed by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 - PLAN AMENDMENTS

During the year ended December 31, 2020, the Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "Cares Act"), effective March 27, 2020.

During the year ended December 31, 2021, the Plan was amended to adopt hardship distribution provisions that include employee and employer contributions as hardship withdrawal sources effective September 1, 2021.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2022, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Air New Zealand Limited 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of the
Air New Zealand Limited 401(k) Plan

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AIR NEW ZEALAND LIMITED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Air New Zealand Limited 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

A. General

Air New Zealand Limited (the "Company") is the Plan Sponsor and plan administrator. The Plan is a defined contribution plan established by the Company for the purpose of providing retirement benefits for all eligible employees of the Company. There is no service requirement for eligibility to participate in the Plan. The service requirement for matching contributions and profit sharing contributions is thirty days of consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan funds are held by Prudential Bank & Trust Company, FSB and Prudential Retirement Insurance and Annuity Company (the "Trustees").

B. Contributions

Each year, participants may contribute up to 75% of their eligible compensation in pre-tax or Roth contributions, as defined in the Plan. Participants may also rollover amounts representing distributions from other qualified plans. The Company's safe harbor matching contribution is equal to 100% of the first 3% of participant contributions, and then 50% of the next 6% of participant contributions. The Company may also make profit sharing contributions at its discretion. Contributions are subject to Internal Revenue Code ("IRC") limitations. The Company did not make any profit sharing contributions in 2021.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, investment earnings and Company matching and profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Valuation of Investments

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs based on quoted prices in active markets.

Level 2 – Inputs based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,931,518	\$ -	\$ -	\$ 2,931,518
Total Assets in the Fair Value Hierarchy	<u>\$ 2,931,518</u>	<u>\$ -</u>	<u>\$ -</u>	2,931,518
Investments Measured at Net Asset Value ^A				<u>10,147,247</u>
				<u>\$ 13,078,765</u>
December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,345,583	\$ -	\$ -	\$ 4,345,583
Total Assets in the Fair Value Hierarchy	<u>\$ 4,345,583</u>	<u>\$ -</u>	<u>\$ -</u>	4,345,583
Investments Measured at Net Asset Value ^A				<u>8,039,124</u>
				<u>\$ 12,384,707</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Valuation of Investments (Continued)

Level 1 investments consist of mutual funds that are actively traded on a national exchange based on quoted market prices. The common/collective trusts and pooled separate accounts are valued at net asset value or its equivalent as a practical expedient. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts or pooled separate accounts. Net appreciation of investments includes realized and unrealized gains and losses on investments sold or held during the year.

The Plan maintains a fully benefit-responsive group annuity contract with Prudential Retirement Insurance & Annuity Co. through the guaranteed income fund. Contributions to the guaranteed income fund are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. Prudential Retirement Insurance & Annuity Co. is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The guaranteed income fund meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions to terms of the Plan.

D. Administrative Expenses

Most administrative expenses of the Plan are paid by the Company.

E. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company, in accordance with Plan rules.

F. Forfeiture of Benefits

If a participant terminates prior to vesting 100% in Company contributions, the forfeited balance will be used to offset administrative expenses or reduce Company matching contributions. During 2021, forfeitures totaled \$491; forfeitures of \$29 and \$6,172 were used to offset administrative expenses and Company matching contributions. Forfeitures available for future use as of December 31, 2021 and 2020 totaled \$14,678 and \$19,014, respectively.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan.

DECEMBER 31, 2021 AND 2020

NOTE 4 - INCOME TAX STATUS

The Company has adopted the Prudential Non-Standardized Prototype 401(k) and Profit Sharing Plan. The Internal Revenue Service granted the Prototype Plan an opinion dated April 29, 2014, stating that it was designed in accordance with applicable Internal Revenue Code (IRC) requirements as of that date. The Plan's tax counsel believes that the Plan, as originally designed and as amended, is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. During 2020, due to reduction in force, management determined a partial plan termination had occurred and affected participants were made 100% vested.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS

Plan investments are managed by Prudential Bank & Trust Company, FSB, and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 - PLAN AMENDMENTS

During the year ended December 31, 2020, the Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "Cares Act"), effective March 27, 2020.

During the year ended December 31, 2021, the Plan was amended to adopt hardship distribution provisions that include employee and employer contributions as hardship withdrawal sources effective September 1, 2021.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2022, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
