Independent Auditors' Report

To the Administrative Committee of
Compañía Cervecera de Puerto Rico Retirement Plan - Unión

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Compañía Cervecera de Puerto Rico Retirement Plan – Unión (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, (qualified institutions), the custodians of the Plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compañía Cervecería de Puerto Rico Retirement Plan – Unión, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Acquired and Disposed of Within Year), for the year ended December 31, 2021 are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Compañía Cervecera de Puerto Rico Retirement Plan – Unión. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, (qualified institutions), the custodians of the Plan. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Compañía Cervecería de Puerto Rico Retirement Plan-Union (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan organized on October 15, 1990. It is a qualified plan, exempt from Puerto Rico income taxes in compliance with the Puerto Rico Internal Revenue Code of 2011, as amended, (2011 PR Code) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It covers all full-time unionized plant employees of Compañía Cervecería de Puerto Rico, Inc. (the Plan Sponsor) included under the collective bargaining agreement (the Agreement) between the Plan Sponsor and the "Union Independiente de Empleados de Cervecería India, Inc." (the Union).

The Plan's trustee services are managed by Oriental Bank. A & A Employee Benefits Consulting Corporation serves as third-party administrator.

Great-West Life & Annuity Insurance Company and its wholly owned subsidiary Great-West Trust Company, LLC are the custodians of the Plan's assets. Great-West Life & Annuity Insurance Company also served as the Plan's recordkeeper. Products and services offered in the retirement markets by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC are provided under the brand name of Empower Retirement.

2. Contributions

Participants must file a written election form with the Plan Administrator indicating the amount of pre-tax contribution they wish to make, up to \$15,000 (which is the maximum deferral amount applicable to 2021 as specified by the 2011 PR Code) and agreeing to reduce their compensation for such amount. The Plan does not allow for automatic enrollments. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, subject to the conditions and limitations set forth in the Plan agreement. The Employer may match pre-tax monthly contributions in amounts, if any, as established by the Collective Bargain Agreement with the Union. As stated in the current Agreement, which is effective from September of 2018 to September of 2021 (and still in force as of December 31, 2021), the Employer make a monthly contribution of \$104.50 if the employee contributes a minimum of \$52.28.

3. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's matching contribution, (b) investment earnings, (c) participant forfeitures and charged with an allocation of withdrawals. Allocations are based on the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. They become 100% vested in the Plan Sponsor's matching after completing three years of service. The participant will be 0%

vested until completing the years of service specified above. Notwithstanding the above, a participant will become fully vesting in his Matching Contributions, and earnings thereon, upon the earlier of (a) reaching normal retirement age while still employed by the employer, (b) retirement at normal or early retirement age, (c) disability, (d) death while employed by the employer, (e) termination of the plan, or (f) complete discontinuance of contributions by the employer.

5. Participant Loans

Participant loans are not permitted.

6. Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or the participants beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

7. Forfeited Accounts

Upon participant's termination from employment or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants not then vested are forfeited and are first used to pay for Plan's administrative expenses and then to reduce future employer contributions. Forfeited non-vested accounts amounted to \$104 and \$103, as of December 31, 2021 and 2020, respectively. During 2021, no forfeiture withdrawals were used to pay for Plan's administrative expenses.

8. In-service withdrawals

To the extent provided by the Plan, a Participant whose employment has not been terminated may make withdrawals from his pre-tax, after-tax or rollover contributions for financial hardship or after attaining age 59 ½. Withdrawal for financial hardship will be permitted if the Participant has an immediate and heavy financial need, as defined by the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America under the accrual basis of accounting.

2. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Contract value is the relevant measure for fully benefit-responsive investment contracts

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note E for discussion of contract value.

Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

4. *Employer's \ Participants' Contribution Receivables*

The Plan records as receivables the participants' contributions withheld from the last payroll of the year and the employer's match of last month of the year that are remitted to the Plan earlier in the following year.

5. *Payment of Benefits*

Benefit payments to participants are recorded when paid.

6. *Administrative Expenses*

The Plan's administrative expenses include administration, participant and asset fees and certain distribution fees charged against the Plan's assets or charged directly to the respective participants account balances. Other administrative and recordkeeping fees were paid by the Plan's Sponsor and therefore excluded from the statement of changes in net assets available for benefits.

7. *Benefits Payment Recognition*

As required by current standards, benefits payable to participants who have withdrawn from a defined contribution plan should be disclosed in the notes to financial statements rather than been recorded as a liability of the Plan. At December 31, 2021 and 2020 the benefits payable owed to the participants amounts to \$0, respectively.

8. *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* establish the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access.

**COMPAÑÍA CERVECERA DE PUERTO RICO
RETIREMENT PLAN-UNION**

Notes to Financial Statements
December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS – Continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u><u>\$ 4,094,352</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 4,094,352</u></u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u><u>\$ 3,423,995</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 3,423,995</u></u>

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimized the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Share Prices/Net Asset Values (NAVs) for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan provides participants the Key Guaranteed Portfolio Fund (KGPF) as an investment option. The KGPF is a general account product of Great-West Life & Annuity Insurance Company (Great-West), issued through a group annuity contract (the Contract) between the Plan and Great-West. Under this type of contract, principal and credited interest are fully guaranteed for participants-initiated withdrawals and transfers. The guarantee is backed by the entire general account assets of Great-West. The strength of the guarantee dependent on Great-West's ability to meet its financial obligations. Great West's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Contract does not have a maturity date, but either Great-West or the Plan may terminate the Contract with advance written notice to the other party or parties.

The Contract meets the criteria to be considered fully benefit-responsive investment contract, and therefore, is reported at contract value in the accompanying statements of net assets available for benefits. Contract value, as reported to the Plan by Great-West, represents all contributions made by or on behalf of the participants under the Contract, plus interest credited, less withdrawals and transfers, less any applicable charges and fees. This value represents the KGPF investment option balance reported in the participant's individual accounts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, less any applicable charges and fees. As of December 31, 2021, and 2020, the Plan reported the investment at a contract value of \$735,237 and \$673,198 respectively, in the statements of net asset available for benefits.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Contract's interest rate to be credited during the calendar year is determined by Great-West prior to the last day of the previous calendar year and should be reset annually, but it will never be less than 1%. The actual average yield earned by the Plan for years 2021 and 2020 is 1.15% and 1.40% respectively, and are derived by averaging the Plan's quarterly interest rates.

Certain events limit the ability of the Plan to transact at contract value with the Great-West. Such events include the following: (1) premature termination of the Contracts by either Great-West or the Plan, (2) plan termination, (3) plan sponsor bankruptcy, (4) contract modifications, (5) others (plant closings, layoffs, mergers, and early retirement incentives). Furthermore, certain events and circumstances that may permit Great-West to terminate the Contract and settle at amounts that differ from contract value including: (1) a modification of the Contract without written agreement with Great-West, (2) a violation of a material obligation under the Contract or a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants or with Great-West are probable of occurring.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

The following transactions performed during the year 2021, qualified as party-in-interest transactions:

1. Trustee, custodian and recordkeeping functions which are performed by Oriental Bank and Empower Retirement,
2. Certain administrative functions and transactions of the Plan, performed by A & A Employee Benefits Consulting Corporation and fiduciaries, including employees of the Plan Sponsor and the administrative committee,

**COMPAÑÍA CERVECERA DE PUERTO RICO
RETIREMENT PLAN-UNION**

Notes to Financial Statements
December 31, 2021 and 2020

NOTE F - PARTY-IN-INTEREST TRANSACTIONS – Continued

3. Key Guaranteed Portfolio Fund, offered through a group annuity contract by Great-West Life & Annuity Insurance Company, one of the custodians of the Plan,
4. Certain administrative and recordkeeping fees which were paid directly by the Plan's Sponsor. These fees, amounting to \$25,200 during 2021, are excluded from the statement of changes in net assets available for benefits.

Such transactions are exempt from being prohibited transactions under ERISA.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE H - TAX STATUS

Effective on March 17, 2017 the Plan adopted the A&A Employee Benefits Consulting Corporation Prototype Retirement Plan as amended and restated as of January 1, 2011 in compliance with the 2011 PR Code. The Plan obtained a favorable determination letter on May 25, 2018, in which the PRDT stated that the Plan, as then designed, was in compliance with the applicable requirements of the 2011 PR Code.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the PRDT. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 there are no other uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated the impact of subsequent events through October 21, 2022, which is the date the financial statements were available to be issued. Management is not aware of any subsequent event that requires adjustment or disclosure in the Plan's financial statements or its related notes, except for the following:

Impact of Hurricane Fiona

On September 18, 2022, Puerto Rico was directly impacted by Hurricane Fiona causing a level of widespread destruction in many areas of the island including infrastructure, housing, environment, and public and private property. The hurricane caused property damages which could not be currently determined. As a result of the massive impact of the hurricane, a series of actions and events have been taken by the Federal and Commonwealth governments.

NOTE I - SUBSEQUENT EVENTS – Continued

A major disaster declaration, FEMA-4671-DR-PR, was signed by the President of the United States on September 21, 2022. Under this declaration, all 78 Municipalities of the Commonwealth of Puerto Rico have been designated adversely affected by the disaster and eligible for Public Assistance (PA), Hazard Mitigation Grant (HMGP) and Individual Assistance (IA) programs, implemented under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act.

The IRS is offering relief to any area designated by the Federal Emergency Management Agency (FEMA). This means that individuals and households that reside or have a business anywhere in the Commonwealth of Puerto Rico qualify for tax relief. The tax relief postpones various tax filing and payment deadlines that occurred starting on September 17, 2022. As a result, affected taxpayers, including tax-exempt organizations responsible for filing of Form 5500 series returns, will have until February 15, 2023, to file returns and pay any taxes that were originally due during this period. IRS Tax Relief Memorandums PR-2022-10 of September 19, 2022 and IR-2022-161 of September 20, 2022 provide more detailed information on this matter. The Plan benefited from this extension.

On September 17, 2022, the Governor of Puerto Rico issued Executive Order No. OE-2022-045 to declare Puerto Rico to be in a state of emergency due to the threat of Hurricane Fiona. Accordingly, on September 27, 2022 the Puerto Rico Department of Treasury (PRDT) issued Administrative Determination No. 22-08 which postpones various tax filing and payment deadlines and allowing special distributions due to disaster reasons applicable to retirement plans from October 6, 2022 to December 31, 2022. The first \$10,000 distributed during the eligible period is exempt from income tax. Distributions in excess of the first \$10,000 are subject to a flat 10% income tax rate, including being exempt from the alternate basic tax (ABT) under the P.R. 2011 Code. An individual may make several eligible distributions within the eligible period, but total eligible distributions taken from retirement plans cannot exceed \$100,000. Each Plan sponsor will decide whether or not to apply this measure.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
