INDEPENDENT AUDITORS' REPORT

**To the Administrative Committee
Badillo Saatchi & Saatchi, Inc. Employees Saving Plan
San Juan, Puerto Rico**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Badillo Saatchi & Saatchi, Inc. Employees Saving Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note A to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Badillo Saatchi & Saatchi, Inc. Employees Saving Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Badillo Saatchi & Saatchi, Inc. Employees Saving Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Badillo Saatchi & Saatchi, Inc. Employees Saving Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Badillo Saatchi & Saatchi, Inc. Employees Saving Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), Schedule H, Line 4i – Schedule of Assets (Acquired and Disposed of Within Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Badillo Saatchi & Saatchi, Inc. Employees Saving Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement and Summary of Plan Description (SPD) for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan organized on April 1, 1993, covering substantially all employees of Badillo Saatchi & Saatchi, Inc. (the Company/Plan Sponsor) who have at least six months of service. Eligible employees are required to make a positive election to enter the Plan. Plan entry dates are the first day of the first, fourth, seventh and tenth months of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended, as applicable under Puerto Rico regulations.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Information Certified as permitted by 29 CFR 2520.103-5

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020 was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company under the brand name Empower Retirement (the Trustee and Custodian) following Section 29 CFR 2520.103-5.

The following information included in the accompanying financial statements and supplemental schedules was obtained or derived from data that has been prepared and certified by the custodian, Great-West as complete and accurate:

- Investments at fair value
- Investment at contract value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Fair value measurements included in Note B
- Contract value included in Note C
- Schedule of Assets (Held at End of Year)

NOTE A – DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Each year, participants may contribute from 1% to 10% of pretax annual compensation, as defined in the Plan. Contribution limits of \$15,000 are effective for the years ending on December 31, 2021 and 2020. Participants over 50 years old can contribute over the limit up to \$1,500 as catch-up contributions for years ending December 31, 2021 and 2020. Participants direct the investment of their contributions into various investment options offered by the Plan. During the year ended December 31, 2021, the Company contributed 100% of the first 5% of base compensation of participants that contributed during the plan year. However, during the year ended December 31, 2020 the plan was amended, as a response to the COVID-19 pandemic, to change the employer's matching formula to one that was discretionary. As such, the employer did not make any matching contributions for the period of September 1, 2020 through December 31, 2020.

After-tax contributions may not be less than 1% nor exceed 10% of compensation. Changes in the amount or percentage of pre-tax and/or after-tax contributions are requested to the plan sponsor prior to be effective on the first day of any given month. The Plan does not provide for any profit-sharing contributions.

Qualified Nonelective Contributions and Qualified Matching Contributions

The Company, at its discretion, may determine whether a Qualified Nonelective Contribution (QNEC) and/or Qualified Matching Contributions (QMAC) shall be made to the Trust for a Plan year only to non-highly compensated employees as necessary to comply with the Actual Deferral Percentage Test (ADP Test) as required on 1081.01(d) of the Internal Revenue Code for a New Puerto of 2011, as amended.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contributions is based on years of continued service. Participants are 100% vested on employer contribution after completing five years of service.

Participants' Accounts

Each participant's account is credited with the participant's contributions and allocations of the employer's contribution and Plan earnings including unrealized and realized appreciation or depreciation of investments. The participant's account is also charged with an allocation of administrative expenses, if any, and is deducted to reflect distributions and investment gains and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account. Forfeited accounts will be reallocated to participants in the same manner as employer contributions.

NOTE A – DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants and Basis for Accounting

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance for the years ended December 31, 2021 and 2020. The notes are secured by 50% of the eligible borrowers vested interest in the account. Notes bear interest at 1% above the prime rate. Principal and interest are paid ratably through payroll deductions and terms do not exceed five (5) years. Notes that are not repaid to the plan within 60 days will be classified as in default and as deemed distribution. The defaulted note could then be either be declared distributed to the participant which involves payment of taxes or offset against future distributions.

Notes are presented in the statement of net assets available for benefits at their unpaid principal balance plus interest accrued. Interest revenue on the notes are fully recorded at the time of the disbursement and presented in the statement of changes in net assets available for benefits.

The investments are made at the discretion of the participant. Upon enrollment in the Plan, contributions are invested in different investing options based on retirement strategy, with registered investment companies, as presented in the Schedule H of the supplemental schedules.

Forfeited Accounts

On December 31, 2021 and 2020, forfeited nonvested accounts totaled \$13,151 and \$9,279, respectively. These accounts will be used to reduce future employer contributions or reduce the Plan's administrative expenses. No forfeitures were used during the year ended December 31, 2021. However, subsequent to the December 31, 2021 the Plan sponsor used forfeitures amounting to \$8,200 to cover the fees for the audit of the 2021 financial statements of the Plan. During the year ended December 31, 2020 the Plan Sponsor used forfeitures amounting to \$17,018 to reduce the Company's matching contributions.

Participant Terminations and Payment of Benefits

Upon termination of services due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account less any outstanding principal plus accrued interests on notes receivable. A participant may receive the value of the vested interest in his or her account as a lump-sum distribution or on an installment basis if the participant reached retirement age. Benefits to participants are recorded when paid.

Investment Valuation and Income Recognition

Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan for each investment fund at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded when earned. Contract value represents contributions made under the contract plus earnings less any participant withdrawals and administrative expenses.

NOTE A – DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Net appreciation in value of investments includes realized gains or losses on investments sold as well as the change in appreciation from one year to the next.

Administrative Expenses

Administrative expenses include participant loan fees, monthly and quarterly assets fees, quarterly contract charges and withdrawal charges. Participants who take a loan from the Plan incur a one-time fee for establishing the loan as well as a quarterly loan administration fee. Expenses that are paid and absorbed by the Company are excluded from these financial statements.

NOTE B – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) (Topic 820): *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation on methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value.

NOTE B – FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The fair value information included in the table below and in the supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee and Custodian for the years ended December 31, 2021 and 2020.

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Observable Inputs of Quoted Prices For Similar Assets (Level 2)</u>
<u>December 31, 2021</u>			
Mutual Funds	\$ <u>8,420,795</u>	\$ <u>8,420,795</u>	\$ <u>-</u>
<u>December 31, 2020</u>			
Mutual Funds	\$ <u>7,313,397</u>	\$ <u>7,313,397</u>	\$ <u>-</u>

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies between the years ended December 31, 2021 and 2020:

Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC). Mutual funds are valued at the daily closing price as reported by the fund.

NOTE C – INVESTMENT AT CONTRACT VALUE - GROUP ANNUITY CONTRACT

As of December 31, 2021 and 2020, the Plan has a group annuity contract with Great-West Life & Annuity Insurance Company, the Plan's custodian, that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average interest yield earned by the Plan was .90% and 1.04 % for the years ended December 31, 2021 and 2020, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

**NOTE C – INVESTMENT AT CONTRACT VALUE GROUP ANNUITY CONTRACT
(CONTINUED)**

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include, but are not limited to, the Plan's failure to qualify under the Code; premature termination of the contract; Plan termination, merger, or abandonment; and bankruptcy of the Plan Sponsor or other events of the Sponsor.

The Plan Administrator believes that there are no events probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

**NOTE D – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF
FORM 5500**

The following is a reconciliation of net assets available for benefits per financial statements to net assets available for benefits per Schedule H of Form 5500 "Annual Return/Report of Employee Benefit Plan":

	<u>2021</u>	<u>2020</u>
Net Assets Available for Benefits per Financial Statements	\$ 9,490,671	\$ 8,322,972
Net Assets Available for Benefits per Schedule H of Form 5500	<u>9,490,671</u>	<u>8,322,972</u>
Difference	<u>\$ -</u>	<u>\$ -</u>

NOTE E – RISK AND UNCERTAINTIES

The Plan provides various investment options in any combination mostly of mutual funds and fixed annuities. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE F – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the investment custodian; therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE G – NONDISCRIMINATION TEST

The Plan passed the Average Deferral Percentage (ADP) test during the years ended December 31, 2021 and 2020; therefore, no corrections were necessary.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in the employer contribution.

NOTE I – INCOME TAXES

The Plan, as qualified under Section 1081.01 (a) of the 2011 Puerto Rico Internal Revenue Code, as amended, is exempt from income and other taxes.

The Puerto Rico Department of Treasury has determined and informed the Company under a letter dated January 30, 2014, that the Plan is designed in accordance with the applicable sections of the PR Code and therefore is exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J – CONTRIBUTIONS REMITTANCE

During the month of April of 2021, the U.S. Department of Labor's (DOL) Employees Benefit Security Administration, through the notice 2020-1, issued a guidance intended to relax the timely remittance requirement for employers unable to satisfy the general rule regarding the remittance of amount withheld to participants by the employer (15th business days for remittance). The DOL recognizes that some employers and service providers may not be able to forward participant payments and withholdings to employee pension benefit plans within prescribed timeframes during the period beginning on March 1, 2020 and ending on the 60th day following the announced end of the National Emergency, which was still in place for the year ended December 31, 2020.

In such instances, the DOL will not, solely on the basis of a failure attributable to the COVID-19 outbreak, take enforcement action regarding a temporary delay in forwarding such payments or contributions to the plan. Employers and service providers must act reasonably, prudently, and in the interest of employees to comply as soon as administratively practicable under the circumstances.

Considering the communication by the DOL through notice 2020-01, the Company believes it acted reasonably and prudently regarding all participants elective deferral and their respective matching contributions during the year ended December 31, 2020.

NOTE J – CONTRIBUTIONS REMITTANCE (CONTINUED)

During the year ended December 31, 2021, several remittances were considered delinquent and will be reported in the appropriate schedule of Form 5500. Management is in the process of taking all required corrective as well as preventive actions including but not limited to the payment of lost earnings.

NOTE K – DISTRIBUTIONS DUE TO EARTHQUAKES AND COVID-19

On February 19, 2020, in response to the earthquakes that occurred in Puerto Rico, the Puerto Rico Department of the Treasury issued the Administrative Determination letter No. 20-09 (the Determination) in order to establish: (i) the tax rules under the Code applicable to cash distributions due to the earthquakes for both retirement plans and IRA accounts; (ii) the responsibilities imposed on the fiduciaries, administrators and service providers of the retirement plans and IRA accounts in terms of compliance with their responsibilities as a retaining agent in eligible distributions; (iii) the preferential tax rates applicable to residents of Puerto Rico that receive the eligible distributions, and (iv) certain rules applicable to loans to participants in Retirement Plans.

On March 29, 2020, in response to the COVID-19 pandemic, the Puerto Rico Department of the Treasury, through the Administrative Determination letter No. 20-22, established that any distributions made because of the pandemic, would be subject to the same rules of the Administrative Determination letter 20-09. The Determination provides for eligible individuals to receive eligible distributions to cover for expenses and damages related to the earthquakes and COVID-19 pandemic. Individuals that receive an eligible distribution are not subject to the period of restriction to make contributions to the plan.

No additional or new emergency measures were issued during the year ended December 31, 2021 and 2020.

NOTE L – SUBSEQUENT EVENTS

Effective on September 26, 2022, the plan was amended to include and merge the defined contribution plan covering the employees of MediaNet Employees Savings Plan, a related party.

The Plan evaluated subsequent events through October 5, 2022, the date which the financial statements were available to be issued and no additional material subsequent events were identified requiring disclosure or adjustments in the financial statements of the Plan.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
