Independent Auditor's Report

To the Plan Administrator and the
Administrative Committee of
Converge Acquisition 401(k) Plan
Norcross, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Converge Acquisition 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Converge Acquisition 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Converge Acquisition 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Converge Acquisition 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Converge Acquisition 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Converge Acquisition 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and the supplemental schedule of delinquent participant contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CONVERGE ACQUISITION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Converge Acquisition 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. *General.* The Plan is a defined contribution plan covering all employees of Converge Acquisition, LLC (the “Company” or “Plan Sponsor”) who have one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2021, the retirement plans of companies acquired by the Plan Sponsor were merged into the Plan. Features of the plans were standardized with the features of the Plan prior to merger. The new participating employers and the plans merged are as follows:

Effective January 1, 2021, the Plan was amended to allow Datatrend Technologies, Inc.; Information Insights, LLC; Unique Digital Technology, Inc.; VSS Holdings, LLC; and VSS, LLC to be participating employers. The VSS Holdings, LLC 401(k) Salary Savings Plan and Datatrend Technologies, Inc. 401(k) Savings & Retirement Plan were merged into the Plan. Total assets received by the Plan were \$20,870,698.

Effective April 15, 2021, the Plan was amended to allow Workgroup Connections, Inc. to be a participating employer. The Workgroup Connections 401(k) and Retirement Plan was merged into the Plan. Total assets received by the Plan were \$1,732,966.

Effective December 1, 2021, the Plan was amended to merge the Vicom Computer Services, Inc. 401(k) Retirement Plan into the Plan. Total assets received by the Plan were \$7,128,175.

Effective December 14, 2021, the Plan was amended to merge the CarpeDatum 401(k) Profit Sharing Plan and Trust into the Plan. Total assets received by the Plan were \$2,818,985.

Coronavirus Aid, Relief, and Economic Security Act. The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law on March 27, 2020. The CARES Act allowed retirement plans to provide participants who were impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. The ability to utilize the provisions of the CARES Act ceased as of December 31, 2020. The Plan Sponsor adopted the provisions of this Act and is in the process of amending the plan document accordingly.

Under the CARES Act, qualifying participants are allowed to obtain “Coronavirus-related distributions” of up to \$100,000 through December 31, 2020, without an early withdrawal penalty, and these withdrawals are not subject to mandatory federal tax withholdings. Qualifying participants receiving one of these Coronavirus-related distributions can spread federal income taxes associated with the distribution ratably over a three-year period. Repayment is allowed within a three-year period to avoid federal income tax consequences on the distribution. Additionally, required minimum distributions that were due in 2020 are not required for the 2020 plan year.

- B. *Contributions.* Each year, participants may contribute from 1% up to 95% of pretax annual compensation, as defined by the Plan, except that no employee may make annual tax-deferred contributions in excess of amounts as provided by the Internal Revenue Code. As of January 1, 2020, new employees, except for contractors, are auto-enrolled with deferrals equal to 3% of compensation. Participants may also contribute amounts representing rollover distributions from other qualified plans. The Company may elect to make a discretionary match of a percentage of each participant's current pre-tax contribution up to a certain deferral percentage or dollar amount. The Company did not make any discretionary contributions to the Plan during 2021.
- C. *Participant Accounts.* Each participant's account is credited with the participant's deferral contribution and allocations of (a) the Company's contribution (if any) and (b) plan earnings including administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. *Vesting.* Participants are immediately vested in their salary deferral contribution plus actual earnings thereon. Vesting in the Company's contribution portion, if any, of their account plus actual earnings thereon is based on years of continuous service; a participant is 100% vested after three years of credited service with the vesting percentage accruing ratably each year of the period.
- E. *Notes Receivable from Participants.* Participants may borrow from their accounts a minimum of \$1,000 and up to fifty percent (50%) of their vested account balance, not to exceed \$50,000. Loans are secured by the balance in the participant's account and bear interest at a fixed rate comparable to the rates currently charged by commercial loans under similar circumstances. Principal and interest are paid ratably through biweekly payroll deductions. Participant loans are evaluated by management for default and write-offs are deemed as distributions.
- F. *Payment of Benefits.* Distributions from the Plan are made in the form of a lump sum of a Participant's entire vested account balance or a single sum distribution of a portion of the Participant's vested account balance. Optional forms of payment available upon termination of employment include lump sum distribution of entire vested account balance or single sum distribution of a portion of the vested account balance.
- G. *Forfeited Accounts.* Forfeited non-vested accounts can be used to pay administrative expenses. As of December 31, 2021 and 2020, forfeited nonvested accounts available for future use totaled \$123,466 and \$67,115, respectively. For the year ended December 31, 2021, \$37 was used to pay administrative expenses.

2. Summary of Accounting Policies

- A. *Basis of Accounting.* The financial statements of the Plan are prepared under the accrual method of accounting.
- B. *Use of Estimates.* The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

- C. *Investment Valuation and Income Recognition.* The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for discussion of fair value measurements.

The net appreciation in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

- D. *Notes Receivable from Participants.* Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are reclassified as distributions based on the terms of the plan documents.

- E. *Payment of Benefits.* Benefit payments are recorded when paid.

3. Information Certified by the Plan's Trustee

The plan administrator has elected to have the audit of Converge Acquisition 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and the notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the related investment activity and interest from notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the investments and the notes receivable from participants reflected on the schedule of assets (held at end of year).

4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

Converge Acquisition 401(k) Plan
Notes to Financial Statements

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following discussion describes the valuation methodologies used for assets measured at fair value on a recurring basis. The techniques utilized in estimating the fair values of financial instruments are reliant on the assumptions used. Care should be exercised in deriving conclusions based on the fair value information of financial instruments presented below.

Fair value estimates are made as of a specific point in time, based on available market information and judgments about the financial instrument. Such estimates do not consider the tax impact of the realization of unrealized gains or losses. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial instrument. No significant changes were made to the valuation process during 2021.

Mutual Funds - The mutual funds are held as individual plan assets. The mutual funds have publicly available prices that are quoted daily in active markets.

Self-Directed Brokerage Accounts – Participant directed accounts comprised of investments in common stock and mutual funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan investment assets at fair value as of December 31, 2021 and 2020. As required by ASC 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Description	Assets at Fair Value as of December 31, 2021		
	Total	Level 1	Level 2
Mutual Funds	\$ 101,266,943	\$ 101,266,943	\$ -
Self-Directed Brokerage Accounts	329,709	329,709	-
Total investments	<u>\$ 101,596,652</u>	<u>\$ 101,596,652</u>	<u>\$ -</u>

Description	Assets at Fair Value as of December 31, 2020		
	Total	Level 1	Level 2

Total investments	<u>\$ 68,364,859</u>	<u>\$ 68,364,859</u>	<u>\$ -</u>

5. Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the trustee. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment.

Converge Acquisition 401(k) Plan
Notes to Financial Statements

Certain administrative expenses are absorbed by the Plan's sponsor and are not included in these financial statements. Other administrative expenses and fees are paid by the Plan, including \$90,176 paid to the trustee and \$76,829 paid to the investment advisor. These payments are exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

7. Tax Status

The Plan utilized a service provider to handle administrative matters including plan design. An opinion letter from the Internal Revenue Service has been obtained by the service provider accepting the Plan as a prototype qualifying under the appropriate Internal Revenue Code Sections. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risk and Uncertainties

The Plan provides various investment options. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The 2019 novel coronavirus ("COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally, and locally. Since the COVID-19 outbreak, the values of investment securities have been volatile. These economic and market conditions and other effects of the COVID-19 outbreak may adversely affect the Plan. The extent of the adverse impact of the COVID-19 outbreak on the amounts reported in the Statement of Net Assets Available for Benefits as of December 31, 2021, cannot be predicted at this time. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

9. Delinquent Participant Contribution

In 2020, the plan sponsor failed to timely deposit contributions made by participants totaling \$73,379. All amounts have been remitted to the Plan. The Plan Sponsor has calculated the amount of lost earnings to deposit into the affected participants' accounts in 2021.

11. Subsequent Events

Plan management has evaluated the need for disclosures or adjustments resulting from subsequent events through October 18, 2022, the date the financial statements were available for issuance. No material events were identified which require disclosure in or adjustment to the financial statements, except for the following:

- A. On March 14, 2022, the Plan Administrator liquidated the plan's investments and transferred all plan assets to T. Rowe Price Retirement Plan Services, Inc., the new plan trustee. The Plan was renamed to Converge Technology Solutions US 401(k) Plan.
- B. Retirement plans of companies acquired by the Plan Sponsor were merged into the Plan. Features of the plans were standardized with the features of the Plan prior to merger. The new participating employers and the plans merged are as follows:

Effective August 15, 2022, the Plan was amended to merge the Accudata Systems, Inc. 401(k) Profit Sharing Plan into the Plan.

Effective August 17, 2022, the Plan was amended to merge the LPA Software Solutions, LLC 401(k) Plan into the Plan.

Effective September 1, 2022, the Plan was amended to merge the Infinity Systems Software, Inc. 401(k) Profit Sharing Plan and the Paragon Development Systems, Inc. Savings and Retirement Plan into the Plan.

Effective October 3, 2022, the Plan was amended to merge the exactlyIT Inc 401(k) Plan into the Plan.
