Exhibits

Exhibit A – Internal Control Matters

Exhibit B – Significant Written Communications Between Management and Our Firm

Required Communications

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated April 13, 2022. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated April 13, 2022, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Management is responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued based on the NAV of units of the collective trust fund. The NAV as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

These valuation methodologies have been consistently applied by management from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

Uncorrected misstatements are summarized below:

Description	Debit	Credit
Net assets	\$12,401	
Excess contributions refundable		\$12,401

To record QNEC receivable related to 2020 compliance testing

Uncorrected misstatements or matters underlying these uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if we have concluded that the uncorrected misstatements are immaterial to the financial statements under audit.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule(s)

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

Significant Written Communications Between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit B.

Exhibit A

Internal Control Matters

To the Board of Directors
Technicote, Inc.
Employee Retirement Plan
Miamisburg, Ohio

In planning and performing our audit of the financial statements of the Technicote, Inc. Employee Retirement Plan (the Plan) as of and for the year ended December 31, 2021, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing our audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Contributions

During our testing of contributions, we discovered that not all deferrals are being remitted in the same frequency from payday to payday. The Department of Labor (DOL) requires that the employer remit withheld employee deferrals on the earliest date on which they can be reasonably segregated from the company's general assets (as soon as administratively feasible). We understand that in investigations, the DOL has been looking at the history of an employer's deposit schedule, applying the earliest deposit after payroll date as the standard for all contribution deposits. Failure to remit participant contributions to the plan in a consistently timely manner results in a prohibited transaction that must

be separately reported to the DOL and may result in penalties to the plan sponsor. We recommend that you consider transmitting the contributions within the same number of days for each pay date in order to provide a consistent basis.

Compliance Testing

During our audit, we were notified the Plan could not have compliance testing completed before the issuance of the audit report due to missing census data. We recommend plan management submit the appropriate data to the third party administrator so that compliance testing can be completed in accordance with the IRC, which requires that the compliance testing be completed by March 15 of the year following the Plan year.

Excess Contributions

For the Plan year ended December 31, 2020, the Plan failed the Actual Deferral Percentage (ADP) test and corrective distributions were required to be made within six months after the plan year-end. It is our understanding that the Plan has not yet made these corrections. We recommend that plan management work with the third party administrator to take corrective action as soon as possible.

Forfeiture Utilization

The Plan document provides that forfeited nonvested accounts be used to reduce employer contributions, to pay administrative expenses, or to re-allocate as additional employer contributions amongst participant accounts by the end of the year following the year in which they occur. During our review of forfeiture account activity, we noted that forfeiture balances of \$69,460 and \$48,973 as of December 31, 2021 and 2020, respectively, were not sufficiently used in the manners required under the Plan document. We recommend that Plan management work with the TPA to self-correct this issue as soon as administratively possible. We also recommend that the Plan establish procedures for tracking forfeitures to ensure the Company is not paying more employer contributions and/or the Plan participants are not paying administrative expenses, than necessary, or that any remaining unused applicable amounts are re-allocated to participant accounts in accordance with the terms of the Plan document.

This communication is intended solely for the information and use of the Plan Administrator, Board of Directors, management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of the Technicote, Inc. Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated April 13, 2022, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued based on the NAV of units of the collective trust fund. The NAV as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.

12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. With respect to the accounting services performed in the course of the audit:
- We have made all management decisions and performed all management functions;
 - We have assigned an appropriate individual to oversee the services who possesses suitable skills, knowledge, and/or expertise;
 - We have evaluated the adequacy and results of the services performed, and made an informed judgment on the results of the services performed;
 - We have accepted responsibility for the results of the services; and
 - We have accepted responsibility for all significant judgments and decisions that were made.
14. As of and for the year ended December 31, 2021, we believe that the effects of the uncorrected misstatements aggregated by you and summarized below are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. For purposes of this representation, we consider items to be material, regardless of their size, if they involve the misstatement or omission of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Supplementary Information

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule(s) in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
- We believe such schedule(s), including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - The methods of measurement or presentation have not changed from those used in the prior period.
 - There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.

- d. We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

16. We have provided you with:

- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
- b. Additional information that you have requested from us for the purpose of the audit;
- c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
- d. The currently effective version of the Plan document, including the pre-approved plan document and the adoption agreement, the trust agreement, and all related amendments. The Plan was most recently amended and restated on and effective as of July 30, 2021;
- e. A draft of the Form 5500 that is substantially complete;
- f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status,
- g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
- h. All minutes of the meetings of the Plan's Board of Directors, or summaries of actions of recent meetings for which minutes have not yet been prepared.

17. All transactions have been recorded in the accounting records and are reflected in the financial statements. The Plan Sponsor's management designated an individual with sufficient skills, knowledge, and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements consisting of the following procedures:

- Reconciliation of the trust activity to the financial statements.
- Review and approval of all journal entries proposed by you, including review of supporting documentation and explanations.
- Review of the adequacy of financial statement disclosures by review and approval of the disclosure checklist completed by you.
- Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
- Applying analytical procedures to financial statements.

18. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:
 - a. Management.
 - b. Employees who have significant roles in internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
21. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
22. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
23. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.
24. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
25. The Plan has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed.
26. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
27. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.
28. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
29. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
30. We are not aware of any instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
31. The Plan has adopted a Non-Standardized Defined Contribution Pre-Approved Plan Document sponsored by Great-West Trust Company (Empower). The pre-approved plan provider has received an opinion letter from the IRS as to the prototype plan's qualified status. The pre-approved plan opinion letter has been relied upon by the Plan. The Plan has not been amended since the pre-approved plan received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

32. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Reports for the Defined Contribution Plan Recordkeeping Services of Great-West Trust Company (Empower) dated November 1, 2021 for the period ended September 30, 2021 with a gap letter to December 31, 2021, and we believe all applicable controls are properly designed and implemented and operating effectively.
33. There are no:
- a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule.
 - c. Material period-end adjusting entries affecting prior annual periods.
 - d. Reportable transactions that were not disclosed in the supplemental schedule.
34. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
35. Forfeitures for Plan years ended December 31, 2021 and 2020 have not yet been used to reduce administrative expenses or offset employer contributions. We will work with our providers and take necessary steps to self-correct the issue of forfeitures not being timely utilized.
36. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
37. We acknowledge our responsibility for verifying appropriate control groups are applied during the completion of annual compliance testing.
38. Forfeitures for Plan years ended December 31, 2021 and 2020 have not yet been used to reduce administrative expenses or offset employer contributions. We will work with Empower and take necessary steps to self-correct the issue of forfeitures not being timely utilized.
39. Compliance testing is not yet completed for plan year 2021. For plan year 2020, the Plan failed the Actual Deferral Percentage (ADP) test and corrections are required. The Plan will work with Empower to take necessary corrective action with respect to this issue.
40. Those charged with governance did not authorize discretionary matching employer contributions to the Plan for the 2021 plan year. Profit sharing contributions authorized for 2021 were \$150,000.
