Report of Independent Auditors

To the Administrator of Kindred 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2021 financial statements of Kindred 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the Kindred 401(k) Plan (the “Plan”) provides only general information. Detailed descriptions of the Plan’s benefits and provisions are contained in the Summary Plan Description which can be obtained from Kindred Healthcare, LLC (the “Company” or “Employer”).

General

The Plan was established January 1, 1986 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Document was amended and restated effective January 1, 2019 whereby all previous amendments were consolidated into one restated document. The Plan is a defined contribution plan which provides retirement benefits to qualified employees of the Company and participating employers. The Company is the sponsor and a committee appointed by the Company’s Board of Directors is the administrator of the Plan (“Plan Administrator”). The Company appointed T. Rowe Price Retirement Plan Services, Inc. as the record keeper and T. Rowe Price Trust Company as the trustee (the “Trustee”) of the Plan. The Plan Administrator, as advised by an investment manager, determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Company’s Board of Directors. The Plan is funded with contributions from participants and the Company.

During March 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law. The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, and allows the Plan to increase the age for required minimum distributions from 70 ½ to 72. The Plan has implemented these changes.

On October 5, 2020, the Company announced a definitive agreement under which Select Rehabilitation, LLC (“Select”) acquired Kindred’s RehabCare business line. The transaction completed on December 1, 2020. As a result of the sale, approximately \$126 million in plan assets were transferred to Select’s 401(k) Plan and Trust during the first quarter of 2021.

On June 21, 2021, the Company announced that it had entered into a definitive agreement under which the Company is to be acquired by LifePoint Health. The transaction was completed on December 23, 2021. As a result of the transaction the Company, LifePoint Health, and a certain of their respective affiliates, entered into a reorganization agreement (the “LifePoint Reorganization”). Upon closing the LifePoint Reorganization, a new healthcare services company was established operating under the name ScionHealth (“Scion”). As a result of the LifePoint Reorganization, the Plan Sponsor, Kindred Healthcare LLC, was reorganized under the newly established entity Scion. LifePoint is a participating employer in the Plan through December 31, 2022.

Eligibility

Employees are eligible to participate in the Plan the first of the month following or coincident with one month of service with no age requirements. Participants are eligible for Employer matching contributions the first of the month following or coincident with one year of service.

Contributions

The Plan provides a savings feature allowed under Section 401(a) of the Internal Revenue Code (the “Code”). Participants can contribute through payroll deductions an amount not less than 1% but not more than 50% of their compensation as defined in the Plan document. Contributions may not exceed the Code annual limitation of \$19,500 in 2021 and 2020. The Plan also allows participants age 50 and older to make catch-up contributions up to \$6,500 in 2021 and 2020. Employee and employer contributions are invested according to the participant’s contribution investment elections.

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Effective January 1, 2020, the Plan was amended to add an option for contributions to be made to a Roth account.

The Plan allows controlled group participating employers to set the formula for Employer periodic matching contributions for employees of their control group, as approved by the Plan Administrator. Periodic matching contributions for the 2021 and 2020 years were 10% of the first 4% for all control group participating employers except for a few joint venture control groups. The periodic matching contributions for these joint venture participating employers for the 2021 and 2020 years was 50% of the first 6% of pay contributed to the Plan.

At the discretion of each participating employer and as approved by the Plan Administrator, a supplemental matching contribution may be allocated to each eligible participant actively employed on December 31 of a Plan year. Supplemental matching contributions are allocated on a pro-rata basis based on periodic matching contributions. If no periodic contributions are made, then the supplemental match is allocated pro-rata based on a "calculated" annual match using the matching formula of the periodic match. No supplemental matching contributions were made for 2021 or 2020.

Each participating employer, with approval by the Plan Administrator, may provide a divisional matching contribution to its eligible non-highly compensated participants actively employed on December 31 of a Plan year. No divisional matching contributions were made for 2021 or 2020.

The Company may also make profit-sharing contributions, as determined by the Company's Board of Directors, allocated to eligible participants actively employed on December 31 of a Plan year and who have been credited with at least 1,000 hours of service during the plan year. Allocations to eligible participants are based on the proportion of each participant's compensation to total compensation for all participants. No profit-sharing contributions were made for 2021 or 2020.

The Plan accepts rollovers of pre-tax distributions in cash from most qualified retirement plans, 403(b) plans, governmental 457 plans, and Individual Retirement Accounts. Participants may take in-service withdrawals of these funds at any time.

Investment Options

The Plan offers 11 mutual funds and 15 collective trusts as investment options for participants. Participants may change their investment of existing account balances and future contributions daily. In accordance with Code section 404(c), participants are responsible for investment decisions in all accounts, including participant funded and Employer funded accounts.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions (as applicable), and allocations of Plan earnings or losses. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based upon participant account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and earnings thereon. Vesting in Employer contributions (as applicable) is based upon the participant's years of service with the Company. A participant becomes fully vested following four years of service.

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

A participant generally vests in Employer matching contributions as follows:

Participant Years of Service	Vesting Percentage
Less than one	0%
One but less than two	25%
Two but less than three	50%
Three but less than four	75%
Four or more	100%

Vesting schedules for Employer contributions from merged plans may vary.

Forfeitures

Forfeiture of Employer contributions by participants who withdraw from the Plan prior to full vesting, first reduces future matching contributions by the Employer in accordance with the Plan document, and then is allocated in equal amounts to contributing participants who are actively employed at the end of the year. Forfeited account balances applied to reduce Employer contributions in 2021 and 2020 totaled \$185,568 and \$135,818, respectively. Forfeited account balances not yet applied to reduce future employer contributions totaled \$570 and \$3,188 at December 31, 2021 and 2020, respectively.

Payment of Benefits

Upon termination of service due to retirement, death, or disability, a participant or participant's beneficiary may receive a lump-sum distribution equal to the vested balance of their account, or if the account balance exceeds \$5,000, the participant may defer payment until April 1 following the attainment of age 70 ½ (age 72 if the participant was born after June 30, 1949). In the event of financial hardship, as defined in the Plan document, a participant may withdraw all or any part of their contributed amounts, regardless of age.

Participants are limited to two hardship withdrawal distributions per calendar year.

Employees age 59 ½ or older may request an in-service withdrawal of all or any part of their contributed or vested employer contributed amounts. All profit-sharing amounts are eligible for in-service withdrawal, regardless of age.

Notes Receivable from Participants

Although the Plan does not contain a provision that allows participants to take loans from the Plan, it does allow for repayment of loans acquired through plan mergers.

Principal and interest are paid through payroll deductions. In general, the interest rate charged to participants is a fixed rate equal to the Prime Rate, as stated in the Wall Street Journal as of the day the loan is initiated, plus 1%. Outstanding loans become due and payable in full upon the loan's maturity date. The loans are secured by the balance in the participant's account and bear interest rates of 4.25% for the years ended December 31, 2021 and December 31, 2020, respectively.

Plan Termination

Although the Company expects to continue the Plan, it reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Company elect to terminate the Plan, participants would become fully vested in their Employer matching contribution balances.

Notes to Financial Statements

December 31, 2021 and 2020

2. Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis in accordance with generally accepted accounting principles in the United States of America and may include amounts based upon the estimates and judgments of the Plan's management. Actual amounts may differ from those estimates.

Expenses

Certain Plan expenses are paid directly by the Company and are excluded from these financial statements. Administrative expenses not paid by the Company are paid by the Plan. Participant accounts are assessed a fixed quarterly fee. Any remaining expenses above the fixed fee are allocated to participant accounts on a pro-rata basis in proportion to their account balance.

Investment related expenses incurred for investment management services provided by mutual fund and collective trust service providers are included in net appreciation (depreciation) in fair value of investments.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

The Plan's Trustee determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

At December 31, 2021 and 2020, all Plan investments were held by the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized gains or losses on the sale of investments, together with unrealized appreciation or depreciation in investments, are presented as net appreciation or depreciation in fair value of investments in the accompanying Statements of Changes in Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Valuation of Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal plus accrued interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded at December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's note receivable balance is reduced and a benefit payment is recorded.

3. Fair Value Measurements

Mutual funds held by the Plan are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission (SEC). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Collective trusts held by the Plan are valued at the NAV of units of a bank or a trust company collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment manager reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

Fair value is defined as the price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The authoritative guidance establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The guidance describes three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs that are supported by little or no market activity that are significant to the fair value of the assets or liabilities. Fair value is determined using pricing models, discounted cash flows methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

There were no changes in valuation methodologies in the years ended December 31, 2021 and 2020

- a. In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

4. Risks and Uncertainties

The Plan provides various investment options in registered investment companies and collective trusts which invest in stocks, bonds, fixed income securities, and other securities. These investments are subject to various risks, including interest rate, market and credit risks. Due to the risks associated with certain investments, it is at least reasonably possible that changes in the value of these investments will impact participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits and Statements of Changes in Net Assets Available for Benefits.

5. Related-Party Transactions

Certain Plan investments are mutual funds and collective trusts managed by the Trustee. Transactions in these investments qualify as party-in-interest transactions. These balances totaled \$996,007,424 and \$1,013,323,466 at December 31, 2021 and 2020, respectively.

The Trustee provides certain administrative services to the Plan pursuant to a Plan Recordkeeping Agreement between the Company and the Trustee.

The Trustee receives revenue from mutual fund service providers for services the Trustee provides for those funds. The revenue is remitted to the Plan and is allocated quarterly to the accounts of the participants who invest in those funds. Trustee remittances to the Plan for revenue received in 2021 and 2020 totaled \$663,783 and \$411,739, respectively.

6. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the financial information as set forth below and as included in the accompanying financial statements and the supplemental schedule is complete and accurate.

Kindred 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

7. Income Tax Status

The Plan Administrator received a favorable tax determination letter from the Internal Revenue Service ("IRS") dated June 4, 2014. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan, as amended, is designed and is currently being operated in accordance with the applicable provisions of the Code. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements at December 31, 2021 or 2020. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods and the Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

8. Subsequent Events

On May 12, 2022, Scion announced it has signed a definitive agreement to acquire Cornerstone Healthcare Group, a diversified provider of quality post-acute care services. Scion anticipates the transaction will complete following the normal regulatory approvals and other closing conditions. There has been no determination on the effect of the transaction on the Plan.

The Plan Administrator has determined that no other events through October 31, 2022, the date on which the financial statements were available for issuance, were deemed necessary for disclosure.
