## INDEPENDENT AUDITOR'S REPORT

To the Pension Committee of  
Bloom Engineering Company, Inc.

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of the Bloom Engineering Company, Inc. Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (collectively "ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Voya Retirement Insurance and Annuity Company, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by qualified institution agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion on the 2021 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the 2021 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### *Other Matters*

#### *2021 Supplemental Schedule Required by ERISA*

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 Financial Statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BLOOM ENGINEERING COMPANY, INC.  
SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The Bloom Engineering Company, Inc. Savings Plan ("Plan") was established by Bloom Engineering Company, Inc. ("Company") effective January 1, 1992. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution profit sharing plan established to provide retirement benefits for substantially all eligible employees of the Company, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers all employees (hourly and salaried) of the Company. All employees become eligible to participate in the Plan after one month of service. Participants are automatically enrolled into the Plan in the amount of 2% of his or her compensation, unless the participant makes an election not to enroll in the Plan. The amount of such automatic enrollment will increase by 1% annually to a maximum of 12%.

Contributions

Participating eligible employees may elect to contribute up to 75% of their annual compensation, as defined in the Plan agreement and subject to Internal Revenue Code limitations (\$19,500 for 2021 and 2020). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021 and 2020). Hourly employees are required to contribute some amount of pretax annual compensation in order to be eligible for Company matching contributions.

Company matching contributions

The Company may, in its sole discretion, make matching contributions up to 9.25% of eligible compensation annually for hourly participants who have made elective compensation deferral contributions during the Plan year.

Profit sharing contributions

The Company may, in its sole discretion, make a Profit Sharing Contribution to salaried participants who have completed at least one hour of service during the Plan year. Profit Sharing Contributions are allocated to each participant eligible to share in such an allocation based on an allocation group determined by the age of the participant.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant rollover contributions

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's matching and profit sharing contributions, and Plan gains and losses. Allocations of earnings and losses for each fund are based on the ratio of weighted average participant account balances per fund to the total weighted average of all participant account balances. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions and Company profit sharing contributions, and actual earnings thereon. However, vesting in Company matching contributions is based on years of service. Prior to normal retirement age, a participant's interest in the Company matching contributions vests at a rate of 20% per year until fully vested at 5 years.

Notes receivable from participants

Participants may borrow from their accounts up to the lesser of 50% of their vested account balance or \$50,000. Loans are repaid by regular payroll deductions over a maximum period of five years, unless the loan has been used to acquire a principle residence. Outstanding loans that are not repaid when a participant withdraws from the Plan are classified as benefits paid to participants in the statements of changes in net assets available for benefits. Interest rates on notes receivable from participants ranged from 5.25% to 7.50% as of December 31, 2021.

Payment of benefits

Upon retirement or other termination of employment, the participant will receive a lump sum distribution of their vested benefit subject to Plan provisions. In the event of the death of the participant, the participant's beneficiary will be entitled to the option of a lump-sum or installment distributions, subject to Plan provisions.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Plan termination

Although it has not expressed any interest to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of Plan activity during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments in mutual funds are stated at fair value, as determined by quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in pooled separate accounts are tracked by participation units in sub-accounts offered by Voya Retirement Insurance and Annuity Company ("VRIAC"), with each sub-account representing a mutual fund investment option. Each sub-account holds shares of a single underlying mutual fund, and the sub-accounts reinvest any mutual fund distributions received into additional shares of the underlying mutual fund. Thus, no distributions of dividends or interest are made to the participation unit holders. The participation unit values are adjusted daily to reflect investment results based on the quoted market prices of the underlying mutual funds for the sub-accounts. Pooled separate accounts are measured using the unit value calculated based on the net asset value ("NAV") of the underlying pool of securities as a practical expedient. The NAV is based on the fair value of the underlying investments held by each fund less liabilities. Purchases and sales may occur daily within these accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

The Plan's investment in the Voya Fixed Account is an obligation of the VRIAC general account, which supports all of VRIAC's insurance and annuity commitments. The Voya Fixed Account guarantees a minimum interest rate for the life of the contract. The Plan's investment in the Voya Fixed Account is a fully benefit-responsive investment contract and is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan's investment in the Guardian Insurance Company Pension Series Universal Life is presented at its cash surrender value as determined by Mass Mutual Insurance Company.

The Plan invested in investment contracts through a common collective trust. The Plan's investment in the common collective trust fund was valued at the NAV of units held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent notes receivable from participants are recorded as benefits paid to participants in accordance with the terms of the Plan document.

Subsequent events

The Plan's management evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 17, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - FEDERAL INCOME TAX EXEMPTION

The Plan is operating under a non-standardized pre-approved plan document of that was established to comply with the applicable requirements of the Internal Revenue Code. The Plan obtained its latest opinion letter dated July 13, 2021, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2018.

NOTE 4 - INVESTMENTS

The Plan provides participants the opportunity to direct both participant and employer contributions into separate investment funds. However, investment managers have the authority to make investment decisions within each fund.

NOTE 4 - INVESTMENTS (continued)

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily determinable available quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment in measuring fair value. Investments measured and reported at fair value, except for those which use NAV as a practical expedient, are classified and disclosed in one of the following categories based on the extent of market price observability.

Fair value measurement

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market price observability:

Level I – Inputs are quoted prices for identical assets in active markets for identical assets as of the reporting date. The Plan's investment in certain mutual funds and interest-bearing cash accounts are classified Level I.

Level II – Inputs are other than quoted market prices included in Level I, however are observable either directly or indirectly for the investments. The Plan does not carry any of these investments.

Level III – Inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into determination of fair value require significant management judgment or estimation. The Plan's investment in an insurance policy is classified as Level III.

The valuations of the Plan's investments by the above fair value hierarchy levels as of December 31 are as follows:

NOTE 5 - INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive investment, the Voya Fixed Account (“Fixed Account”), offered by VRIAC. The Fixed Account is included in the financial statements at contract value. The Fixed Account is an obligation of VRIAC’s general account, which supports all of VRIAC’s insurance and annuity commitments. All payment guarantees of contractual interest and redemption of invested funds are based on the financial strength and claims-paying ability of VRIAC, who is solely responsible for all obligations under its contracts.

The nature of the Fixed Account is such that Plan participants may withdraw assets without restriction; however, the custodian may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the Plan to transact at contract value between the custodian and a participant holding the investment is not probable.

The Fixed Account guarantees principal and a guaranteed minimum interest rate for the life of the contract. Interest rates are determined and declared by a VRIAC. The interest crediting rate is reset quarterly. There is no stated minimum or maximum interest rate for the fixed account.

NOTE 6 - CERTIFICATION

The information contained in the financial statements related to investments and notes receivable from participants, with the exception of the Guardian Life Insurance Company Pension Series Universal Life, is certified as complete and accurate, in accordance with 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, by AdvisorTrust, Inc., the Plan trustee for the period from January 1, 2020 through July 15, 2021 and Voya Retirement Insurance and Annuity Company, the Plan custodian for the period July 16, 2021 through December 31, 2021.

NOTE 7 - RELATED PARTY TRANSACTIONS

The Plan holds notes receivable from participants, which qualify as party-in-interest transactions. Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to \$75,141 and \$75,647 for the years ended December 31, 2021 and 2020, respectively.
