INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
NHLRA Member 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of NHLRA Member 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Delinquent Participant Contributions and Loan Repayments for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Other Matters (continued)

2021 Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of NHLRA Member 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 20, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Note 1 Description of Plan

The following description of the NHLRA Member 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan’s provisions. The Plan is a multiple-employer plan with New Hampshire Lodging & Restaurant Association (NHLRA) as the “Principal Participating Employer”.

General

The Plan is a multiple-employer defined contribution plan, established to provide eligible employees with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Participating in the Plan are certain employers, collectively referred to as the “Participating Employers”.

Eligibility

All employees of the Participating Employers are eligible to participate in the Plan who have met the age and service requirements as described in each joinder agreement. Age requirements range from attainment of ages 18 to 21. Service requirements range from no service requirement to one year of service.

Certain employees are not eligible such as employees covered by collective bargaining agreements, non-resident aliens, and leased employees as more fully described in each joinder agreement.

Participant contributions

Eligible participants may make voluntary contributions through salary reductions from 1% up to 100% of their eligible compensation, as defined, limited to the maximum amount allowable under the provisions of the IRC (\$19,500 in 2021). Participants who are 50 years of age or older as of December 31, 2021 may contribute an additional “catch up” contribution (\$6,500 in 2021). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, and a guaranteed investment contract as investment options for participants. Participants may contribute funds from another qualified retirement plan (“rollover contributions”), subject to certain requirements. Certain employers have elected automatic enrollment features for participant contributions. Additionally, certain employers allow voluntary after-tax contributions.

The Plan also allows participants to defer funds into a “Roth 401(k) deferral”. These deferrals are subject to federal income taxes, and the maximum allowable combined contributions of the Roth 401(k) and pre-tax deferrals is \$19,500.

Employer contributions

Participating Employers may make discretionary contributions at their sole discretion, within the limits of the IRC. In addition, the Participating Employers may elect to make Safe Harbor matching contributions on participants’ contributions.

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 **Description of Plan (continued)**

Employer contributions (continued)

Participating Employers may also elect to make Safe Harbor non-elective contributions, discretionary matching contributions, nonelective profit sharing contributions, or a non-elective prevailing wage contribution. The Participating Employers made contributions of \$569,490 for the year ended December 31, 2021.

Plan transfers

The Plan allows for new participating employers to integrate the assets in their existing qualified retirement plan into the Plan. The Plan also allows terminated participating employers to transfer assets out of the Plan into another qualified retirement plan. There were no transfers in or out during the year ended December 31, 2021.

Participants' accounts

Each participant's account is credited with their respective contributions and its allocation of (a) employer contributions and (b) Plan earnings or losses.

Vesting

Participants' voluntary contributions, rollover contributions and earnings thereon vest immediately. In the event of termination of employment due to death, disability, or attainment of retirement age (as defined) or termination of the Plan, participants' accounts become fully vested. A participant's interest in the Employers' contributions and earnings thereon vests according to one of the following schedules as determined by the Participating Employers:

1. Immediate 100% vesting.
2. 100% vesting after the completion of two or three years of service.
3. Various graded vesting over periods from four to six years.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Participants may borrow up to 50% of their vested account balance with a minimum of \$1,000 and a maximum of \$50,000. Participant loans must bear a reasonable rate of interest. Loan terms range from one to five years.

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 Description of Plan (continued)

Notes receivable from participants (continued)

However, if the loan is to acquire the principal residence of the participant, the term may be extended. Loans are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions.

During the year ended December 31, 2020, the Plan adopted the loan provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, effective for qualified participant loans initiated on or after March 27, 2020 and before September 23, 2020. The CARES Act provided Plan participants with the option to borrow up to 100% of their vested account balance, up to a maximum of \$100,000. Participants also have the option of suspending loan payments due between March 27, 2020 and December 31, 2020 for up to one year, however, originally scheduled payments must resume beginning on January 1, 2021. The Plan has not been formally amended to reflect these provisions. Plan amendments related to participant loans taken under the CARES Act must be adopted by December 31, 2025.

Payment of benefits

Upon termination of employment, retirement, death, or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum, in accordance with Internal Revenue Service ("IRS") regulations and Plan provisions. Further, withdrawals from the Plan before leaving the employment of certain Participating Employers are available for special "hardship" reasons, as defined, or after attaining the age of 59 ½. Distributions to participants are recorded when paid.

During the year ended December 31, 2020, the Plan adopted the distribution provisions of the CARES Act. A CARES Act distribution allows certain eligible participants to take a coronavirus related distribution up to \$100,000 from the Plan retroactive to January 1, 2020 and through December 30, 2020. The Plan has not been formally amended to reflect these provisions. Plan amendments related to coronavirus related distributions must be adopted by December 31, 2025.

Forfeitures

The Plan provides that forfeitures, the unvested portion of the Participating Employers' contributions for terminated participants, may be used to pay administrative expenses of the Plan or reduce future Participating Employers' contributions. As of December 31, 2021 and 2020, the balance in the forfeiture account was \$22,513 and \$36,564, respectively. During the year ended December 31, 2021, forfeitures totaling \$14,649 were used to pay administrative expenses.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 2 Summary of significant accounting policies

The following is a summary of significant accounting policies followed by the Plan.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fully benefit-responsive investment contract is stated at contract value (see Note 8). The Plan's Principal Participating Employer determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 9 for discussions of fair value measurements.

Realized gains and losses on investments sold and the unrealized appreciation of investments held are reported on an average current cost basis, based on fair market value of the investments at the beginning of the Plan year or at the time of purchase during the Plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative expenses

Administrative expenses of the Plan are paid by either the Principal Participating Employer, the Plan, or plan participants as provided in the Plan document.

Fair value

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 9).

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 2 Summary of significant accounting policies (continued)

Subsequent events

The Plan has evaluated subsequent events through October 31, 2022, which is the date the financial statements were available to be issued.

New adopting employers continue to be added each year. At their discretion, they may merge in funds from their previous plan. Subsequent to year end there were two new employers added to the plan, however there were no assets transferred into the Plan.

Note 3 Information certified by the Plan's custodian

The Principal Participating Employer, acting in its capacity as the Plan Administrator, has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The investment assets, notes receivable from participants, investment transactions, investment income, interest income on notes receivable from participants and other income presented in the Plan's financial statements and supplemental schedule was prepared or derived from information prepared by Hand Benefits & Trust Company, the custodian, and furnished to the Principal Participating Employer. The Principal Participating Employer has obtained a certification from the custodian as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate. The employers' contributions receivable of \$137,869 and \$106,393 as of December 31, 2021 and 2020, respectively, and the participants' contributions receivable of \$135,719 and \$25,021 as of December 31, 2021 and 2020, respectively, are not certified.

Note 4 Tax status

The Plan operates under a volume submitter multiple employer plan sponsored by Benefit Plans Administrative Services, LLC which has been adopted by the Principal Participating Employer. The Plan has been amended since receiving the opinion letter, however, the Principal Participating Employer and plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Financial Accounting Standards Board has issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 5 **Related party transactions**

Certain Plan investments are managed by Hand Benefits & Trust Company. As of December 31, 2021, Hand Benefits & Trust Company is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules, as defined by ERISA.

Note 6 **Risks and uncertainties**

The Plan provides for various investment options in accounts which invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 7 **Plan termination**

Although it has not expressed any intent to do so, the Principal Participating Employer has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8 **Fully benefit-responsive investment contract**

The Plan holds an investment contract that meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value. The plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact with Plan participants is not probable.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, at December 31, 2021 the rate was set at 2.20%. Such interest rates are reviewed on a quarterly basis for resetting.

NHLRA MEMBER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 9 Fair value measurements

Accounting standards require that financial assets and liabilities, recognized or disclosed in financial statements on a recurring basis (at least annually), be measured at fair value. These standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

These standards also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. These standards describe three levels of inputs that may be used to measure fair value:

- Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.
- Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when higher level inputs are not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: At December 31, 2020, the value is based on the underlying unit value of the assets held. The assets of the underlying fund are invested primarily in certain investment contracts, asset-backed securities, corporate bonds, and other securities. The fair value of the contracts is determined using the market approach based on market prices of similar contracts. The NAV is used as a practical expedient to estimate value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business matter. At December 31, 2020 there were no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
