REPORT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and 401(k) Plan Committee of
Austal USA, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Austal USA, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and 401(k) Plan Committee of
Austal USA, LLC 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Austal USA, LLC 401(k) Plan, as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the 2020 financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Prudential Insurance Company of America and Prudential Trust Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustees as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Austal USA, LLC 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the Austal USA, LLC 401(k) Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General

The Plan, adopted January 1, 2002, is a defined contribution plan established by Austal USA, LLC (the Sponsor). The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The administration of the Plan is the responsibility of the Plan Administrator appointed by the Board of Directors of the Sponsor. The 401(k) Plan Committee (the Committee) determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors of the Sponsor.

Some administrative functions are performed by employees of the Sponsor. No compensation is remitted to the Sponsor for these services.

Plan assets were held and managed by VOYA Financial (the trustee) which invests contributions and Plan earnings, makes investment transactions as directed by the Committee and provides certain recordkeeping services. VOYA Financial, performs certain plan administration and annual ERISA compliance testing. Prior to January 23, 2021, Plan assets were held and managed by Prudential Insurance Company of America and Prudential Trust Company (the trustees) which also performed certain recordkeeping services through date of transfer to VOYA.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the CARES Act) was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add Coronavirus related distributions (CRDs) of up to \$100,000 for eligible participants, (ii) permit employees to repay CRDs within three years of the date of distribution as a rollover contribution, and (iii) suspend required minimum distributions for 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025 deadline.

Eligibility

Any hourly, salaried or commissioned employee of the Sponsor who has completed 90 days of service is eligible to participate in the Plan. An eligible employee may enter the Plan on the next monthly entry date after all entry requirements have been met.

Contributions

Contributions to the Plan by participants are limited to a maximum of 20%, but not less than 1%, of compensation. Catch-up contributions are permitted for participants who have attained age 50 before the end of the Plan year and are subject to employer match. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor makes discretionary matching contributions of up to 3% of employee compensation, which totaled \$4,305,744 for the year ended December 31, 2021.

Austal USA, LLC 401(k) Plan Notes to Financial Statements (Continued)

Note 1: PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their contributions and the earnings thereon. Vesting in employer matching and profit sharing is based on years of continuous service. Participants are entitled to the value of their accrued benefits upon termination of employment or retirement due to the attainment of age 65 or older, based on the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1	33%
2	67%
3	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. A participant may have one loan outstanding at a time. Loans are secured by the balance in the participant's account and bear interest at 1% plus the bank prime rate reported by the U.S. Federal Reserve on the last business day of a calendar quarter effective for loans made on and after the first business day of the subsequent quarter. The interest rate for all participant loans ranged from 4.25% to 6.50% at December 31, 2021. Loan repayments are made through payroll deductions, generally over periods ranging up to five years unless it is for the purchase of a primary residence. Participant loans are measured at the amount of unpaid principal plus any material accrued and unpaid interest. There is a 14-day waiting period between satisfying a participant loan and submitting a new loan request.

Plan management approved changes related to the CARES Act in 2020, increasing the limit on Plan loans for eligible participants to the lesser of \$100,000 or 100% of the participant's vested account balances in 2020 and permitting eligible participants to suspend payments on Plan loans otherwise due in 2020.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive a lump sum amount equal to the value of the participant's account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Any unvested benefits at the time of withdrawal of funds will revert back to the Sponsor as forfeitures. Participants may also withdraw from their vested account balance once they reach 59½ years of age.

Plan management approved changes related to the CARES Act in 2020, permitting eligible participants to take CRDs of up to \$100,000 without a 10% early withdrawal penalty in 2020 and suspended required minimum distributions for 2020.

Austal USA, LLC 401(k) Plan

Notes to Financial Statements (Continued)

Note 1: PLAN DESCRIPTION (Continued)

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$189,014 and \$83,824 respectively. These accounts will be used to reduce future employer contributions and fund expenses paid by the Plan. Total forfeitures for the year ended December 31, 2021 were \$120,487. Also, in 2021, the Sponsor used \$6,340 of existing nonvested forfeitures toward employer contributions and \$11,886 toward plan administration fees and the account earned dividends and interest of \$2,929.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for further discussion of fair value measurements, contract value, and NAV. The Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants before March 15, 2022.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Expenses attributable to the general Plan administration were paid by the Plan and allocated among the accounts of all participants, in proportion to their account balances, unless paid by the Employer. During the year ended December 31, 2021, expenses of \$118,342 were paid by the Plan and allocated to participant accounts.

Offset Arrangements with Third Parties (Revenue Sharing)

The Plan participates in a revenue credit program with its trustee, whereby the trustee reimburses the Plan quarterly for a portion of the fees charged by certain funds in excess of agreed-upon amounts. These credits accumulate in a separate account within the forfeiture section of the Plan, where they remain until plan administration applies the funds toward payment of plan expenses or allocates them to participant accounts. During 2021, the Plan received credits under this program of \$71,289 and used credits towards employer matching contributions of \$51,277 with a total available for future use of \$35,759, which is included in the guaranteed interest account.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 17, 2022, and determined there were no events that occurred that require disclosure.

Note 3: INFORMATION CERTIFIED BY TRUSTEES (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the trustees under such regulation:

- a) Total investments, at fair value and contract value, included in the statements of net assets available for benefits at December 31, 2021 and 2020.
- b) Notes receivable from participants, included in the statement of net assets available for benefits at December 31, 2020.
- c) Investment income included in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- d) All amounts included in Note 4, *Fair Value Measurements (Unaudited)*.
- e) All amounts included in Note 5, *Investments Reported at Contract Value (Unaudited)*.
- f) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Austal USA, LLC 401(k) Plan
Notes to Financial Statements (Continued)

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Common collective trusts (CCTs): Valued at the daily closing price as reported by the fund. Funds held by the plan are approved funds on the NASDAQ listing. These funds are required to publish their daily NAV and to transact at that price. The CCTs held by the Plan are deemed to be actively traded, therefore they have a readily determinable fair value.

Pooled separate accounts: The Plan's pooled separate account funds are valued based on NAV or equivalent per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
December 31, 2021				
Mutual funds	\$ 21,435,260	\$ -	\$ -	\$ 21,435,260
Common collective trusts	85,095,145	-	-	85,095,145
Total investments at fair value				\$ 106,530,405
December 31, 2020				
Mutual funds	\$ 54,336,489	\$ -	\$ -	\$ 54,336,489
	\$ 54,336,489	\$ -	\$ -	\$ 54,336,489
Pooled separate accounts ^(A)				20,466,484
Total investments at fair value				\$ 74,802,973

(A) Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes information related to the pooled separate accounts measured at fair value based on NAV per share as of December 31, 2020. The pooled separate accounts are maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

Year-End	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2020	\$ 20,466,484	\$ -	Immediately	None

Note 5: INVESTMENTS REPORTED AT CONTRACT VALUE (UNAUDITED)

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Prudential Insurance Company of America (PICA) totaling \$14,701,343 for 2020. PICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3.00%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by PICA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

Austal USA, LLC 401(k) Plan

Notes to Financial Statements (Continued)

Note 5: INVESTMENTS REPORTED AT CONTRACT VALUE (UNAUDITED) (Continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 6: TAX STATUS

The Sponsor has adopted a prototype non-standardized plan. The prototype plan document has obtained an opinion letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For those not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of CCTs managed by Voya Institutional Trust Company (VITC). VITC is the Trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$46,567 for the year ended December 31, 2021.

As discussed in Note 2, the Plan receives credits from its trustee through a revenue sharing agreement which also qualifies as a permissible party-in-interest transaction.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9: RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan's financial statements at December 31, 2021 and 2020, to the Plan's Form 5500:

<u>December 31,</u>	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 110,519,087	\$ 93,931,610
Participant contribution receivable	(143,245)	(147,322)
Employer contribution receivable	(66,415)	(72,314)
Excess contributions payable	109,060	161,426
<u>Net assets available for benefits per the Form 5500</u>	<u>\$ 110,418,487</u>	<u>\$ 93,873,400</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2021, to Form 5500:

<u>December 31,</u>	<u>2021</u>
Net increase in net assets available for benefits per the financial statements	\$ 16,587,477
Less: change in participant contribution receivable	4,077
Less: change in employer contribution receivable	5,899
Less: change in excess contributions payable	(52,366)
<u>Net income per the Form 5500</u>	<u>\$ 16,545,087</u>

Differences between the Form 5500 and the financial statements are caused by contributions receivable and excess contributions payable accruals recorded for financial statement reporting versus cash basis Form 5500 reporting. Other immaterial classification differences by the third-party plan administrator may exist, but do not significantly change the financial statements.
