INDEPENDENT AUDITOR'S REPORT

401(k) Committee
Dana Innovations, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Dana Innovations, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DANA INNOVATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Dana Innovations, Inc. 401(k) Plan (the “Plan”) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan established under the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Plan covers substantially all employees of Dana Innovations, Inc., William R. Valentine, LLC, Strut, LLC, and Strut Marine, LLC (collectively, the “Sponsor” or “Employer”). The Plan is administered by management of the Sponsor and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Principal Trust Company, custodian and recordkeeper, is responsible for the custody and management of the Plan’s assets. NFP Corporation is used by the Plan as an investment advisor.

Eligibility

An employee is eligible for participation in the Plan 30 days after hire with entrance into the Plan occurring on the first of every month.

Participant Contributions

Unless an eligible employee elects otherwise, employee’s compensation will be reduced by 6% (automatic enrollment rate) for employee contributions to the Plan and their contributions will be invested in a designated fund until changed by the participant. At any time, participants may elect to contribute, on a tax-deferred or Roth basis, up to 100% of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC. Participants who have attained the age of fifty (50) before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021).

Employer Contributions

The Sponsor may make a discretionary matching contribution based on 50% of each participant’s deferral up to the first 6% of eligible compensation, as defined, and the participant must be active on the last day of the Plan year. For the year ended December 31, 2021, the Sponsor made discretionary matching contributions of \$465,813. The Sponsor may also make a qualified nonelective discretionary contribution based on 50% of each participant’s deferral up to the first 6% of participant deferrals, and the participant must be active on the last day of the Plan year. The qualified nonelective discretionary contribution shall be equal to the qualified nonelective discretionary contributions multiplied by the ratio of such participant’s annual pay to the total annual pay for all eligible participants. For the year ended December 31, 2021, the Sponsor made no qualified nonelective discretionary matching contributions. All Sponsor contributions are invested in the manner in which a participant directs his or her investments. Rollover contributions representing qualified Plan distributions and individual retirement accounts are permitted.

DANA INNOVATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participants' contributions, rollovers from qualified plans of the participants' previous employers, rollovers from individual retirement accounts, allocation of the Sponsor's contributions, and allocations of the Plan's earnings, losses, and administrative expenses. Each participant's account is credited with the participant's contribution and the Sponsor's matching contribution. Allocations of earnings, losses and expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Vesting of Sponsor discretionary matching contribution and Sponsor qualified nonelective discretionary contribution and actual earnings thereon are based upon the participant's continuous years of service with the Sponsor as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	33%
2	66%
3	100%

Investment Options

The investments of the Plan are self-directed by the participants into various investment options offered by the Plan. Investment elections may be changed online or through telephone access on a daily basis.

Forfeitures

Forfeitures of terminated participants' nonvested accounts are used to pay administrative expenses or applied against future Sponsor contributions. For the year ended December 31, 2021, forfeitures applied to Plan expenses were \$5,903 and forfeitures applied to Plan employer contributions were \$10,208. As of December 31, 2021 and December 31, 2020, there were \$10,609 and \$15,530 forfeitures available to be used, respectively.

Benefit Payments

Upon normal retirement, retirement due to permanent disability, death, termination, the participant or the participants' beneficiaries are eligible to receive their vested interest in funds in a lump-sum payment. The Plan can distribute all participant balances under \$5,000 without the request of the participant.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

DANA INNOVATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance (not to exceed \$50,000 less the highest outstanding note balance during the prior twelve-month period). Participants may only have two (2) notes outstanding at any time. All notes shall bear a reasonable rate of interest as determined by the Plan Administrator. Notes must be paid back within five (5) years of the date of issuance in accordance with terms established by the Plan Administrator. However, if the note is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. The notes are secured by the balance in the participant's account and bear interest ranging from 4.25% to 7.50% maturing through April 6, 2051 as of December 31, 2021 and 2020. Principal and interest are paid ratably through biweekly payroll deductions. Defaulted participant notes are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Management fees and operating expenses charged to the Plan are charged and reflected separately to individual participant accounts. The Sponsor pays substantially all other out-of-pocket administrative expenses of the Plan, which are excluded from these financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2021 and 2020, there were no delinquent participant notes. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

DANA INNOVATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits, and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020, the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021; and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") Topic No. 820 ("ASC 820") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

DANA INNOVATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transfer at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common collective trusts: the common collective investment trusts (flexPath Index CITs) represent the Plan's investments that are held in common collective trust funds, which invest primarily in a variety of common collective trusts. The fair values of all of these investments are used in determining the NAV, as provided by flexPath Strategies, of the collective investment trusts, which are not publicly quoted. The NAV is used as a practical expedient to estimate fair value. Each flexPath strategy, offered through flexPath Strategies, LLC, seeks to provide long-term investors with an asset allocation strategy designed to maximize assets for retirement consistent with the risk level and projected retirement date associated with each fund. The funds are designed to reduce exposure to risk over time by shifting gradually from a focus on capital appreciation to one of capital preservation, while maintaining some exposure to capital appreciation asset classes. The common collective investment trusts have daily redemption frequency, no redemption period or restrictions and have no unfunded commitments.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Stable value fund: The Principal Stable Value Fund, held in a collective trust fund, invests in conventional and synthetic guaranteed investment contracts (“GICs”) issued by life insurance companies, banks and other financial institutions with excess cash invested in cash equivalents. The objective of the stable value fund is to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets. The investments are valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets owned by the fund, minus its liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are currently no redemption restrictions or unfunded commitments on these investments.

Pooled separate accounts: pooled separate accounts contain observable quoted pricing inputs or quoted prices for similar assets in active or non-active markets. While the underlying assets of pooled separate accounts may have publicly quoted pricing inputs, the account values of separate accounts are not classified in the fair value hierarchy as NAV is being used as a practical expedient. These pooled separate accounts are not publicly quoted, and the investments may be redeemed at their NAV as of the measurement date. The NAV is based on the value of the underlying assets owed by the pooled separate account, minus any liabilities, and then divided by the number of shares outstanding. The pooled separate accounts have daily redemption frequency, no redemption period or restrictions and have no unfunded commitments.

Self-directed brokerage accounts: all holdings in the Principal self-directed brokerage accounts are publicly traded securities for which holding detail and pricing are publicly available.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – INTERNAL REVENUE SERVICE STATUS

Effective November 1, 2018, the Plan adopted a non-standardized form of a prototype plan sponsored by Principal Life Insurance Company. The prototype plan has received an opinion letter from the Internal Revenue Service (“IRS”) as to the prototype plan’s qualified status. The prototype plan opinion letters have been relied upon by this Plan. Although the Plan has been amended since the prototype plan received the opinion letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

U.S. GAAP requires the Plan’s management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments (pooled separate accounts and a stable value fund) are managed by Principal Global Investors Trust Company, a related party of Principal Trust Company, the Custodian of the Plan. Fees paid by the Plan to Principal Life Insurance Company, an affiliate of the custodian of the Plan, amounted to \$9,018 for the year ended December 31, 2021. Notes receivable from participants and the related interest income of \$7,995 are also considered related-party transactions.

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Sponsor, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Thus, net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended December 31, 2020, the Sponsor failed to remit certain participant contributions totaling \$21,722 of participant deferrals within the required timeframe as stated by the DOL. In October 2021, the Sponsor paid lost earnings on \$18,914 of the \$21,722 of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program, which were paid from the Sponsor's assets and not from assets of the Plan. In October 2022, the Sponsor paid lost earnings on \$2,808 of the \$21,722 of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program, which were paid from the Sponsor's assets and not from assets of the Plan.

During the Plan year ended December 31, 2021, the Sponsor failed to remit certain participant contributions totaling \$12,485 of participant deferrals within the required timeframe as stated by the DOL. In September 2022, the Sponsor paid lost earnings on \$12,310 of the \$12,485 of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program, which were paid from the Sponsor's assets and not from assets of the Plan. The Sponsor plans to deposit the lost earnings on the remaining late contributions with the Plan custodian in 2022.

NOTE 10 – SUBSEQUENT EVENTS

The 401(k) Committee has evaluated subsequent events through October 25, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
