Independent Auditors' Report

To the Plan Management
Cendyn 401(k) Plan
Boca Raton, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit - 2021 Financial Statements

We have performed audits of the accompanying financial statements of Cendyn 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements. (2021 Financial Statements)

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL'S") Rules and Regulations for Reporting

and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion - 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Continued from previous page

Basis for Opinion - 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management - 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit - 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Continued from previous page

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Continued from previous page

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of Plan

The Cendyn 401(k) Plan (the “Plan”) was established January 1, 2009, to allow eligible employees of Central Dynamics, LLC d/b/a Cendyn (“the “Plan Sponsor”) to defer a portion of their compensation to supplement retirement income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description, which is available from the Plan Administrator, for a more complete description of the Plan’s provisions.

Plan Administration

The Plan is administered by the Plan Sponsor and Professional Capital Services, LLC (“PCS”). AdvisorTrust, Inc. (“AdvisorTrust” or the “Custodian”) has been appointed the Custodian of the Plan’s assets. Under the terms of the Trust agreement, the Custodian holds and invests the funds of the Plan subject to the direction of the participants. Bell Rock Capital, LLC, (“Bell Rock”), is the investment advisor for the Plan.

Plan Amendments

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2022.

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan (or from any other eligible retirement plan) may repay all or any portion of the distribution to the plan within the three (3) year period beginning on the date after the distribution.
- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments be deferred through December 31, 2020. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one (1) year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

Eligibility

An employee of the Plan Sponsor is eligible for participation the Plan after completing three (3) months of service and has attained the age of 21. The entry date for the Plan is on the first day of the calendar month, coinciding with or next following the date on which an employee meets the eligibility requirements.

Note 1 – Description of Plan, continued

Contributions

Each year a participant may defer up to 85% of eligible compensation through periodic payroll deductions up to contribution limits specified by the Internal Revenue Code ("IRC"). The maximum total pre-tax and Roth contributions participants could defer for the year ended December 31, 2021 was \$19,500. In addition, participants over 50 years of age were permitted to make an additional annual catch-up contribution for the year ended December 31, 2021 of up to \$6,500.

The Plan allows for the Plan Sponsor to make discretionary employer matching contributions, profit sharing contributions and qualified non-elective contributions ("QNEC's") into the Plan. The Plan Sponsor did not make any discretionary, profit-sharing matching contributions for the year ended December 31, 2021.

Rollovers

The Plan allows participants to roll over amounts into the Plan from other qualified plans, subject to the provisions of the Plan.

Participant Accounts

Each participant's account is credited with participant's contributions, Plan Sponsor and Company contributions as well as Plan investment results and is charged with an allocation of administrative expenses and deductions for participant withdrawals. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant account.

Vesting

Participants are immediately 100% vested in their contributions, rollover contributions and QNEC contributions plus earnings thereon. Vesting in the Plan Sponsor's matching contributions and profit-sharing contributions portion of their accounts is based on years of continuous service. A year of service is granted for each Plan year in which the participant is credited with 1,000 hours of service. Participants vest 20% per year of credited service beginning in year two (2) and are 100% vested after six (6) years of credited service.

Forfeited Accounts

Forfeited balances of terminated participant's non-vested accounts may be used to first pay plan expenses then reduce employer contributions.

Payment of Benefits

Upon meeting certain criteria specified in the Plan document, a participant may elect to receive a lump sum distribution of his/her account, or a portion of his/her account. A participant may receive a hardship distribution based on IRC approved expenses. A participant may withdraw all or a portion of an after-tax account and rollover account at any time, and may take an in-service withdrawal of all or a portion of his/her account held in the Plan upon attainment of age 59 ½. Upon termination of service due to death, disability or retirement, a participant or their beneficiary immediately becomes 100% vested in their account, and may take a distribution as a lump sum payment. If a participant does not elect to receive a rollover or distribution upon termination, then the Plan allows for mandatory distributions of account balances of less than \$1,000.

Note 1 – Description of Plan, continued

Notes Receivable from Participants

Participants may borrow a minimum loan amount of \$1,000 up to the maximum loan amount of the lesser of \$50,000 or 50% of the participant's vested account balance. The term of the loan must not exceed five (5) years, except for a home loan for which the term is determined by the Plan Administrator in a non-discriminatory manner, up to a maximum of thirty (30) years. The loans are collateralized by the balance in the participant's account and bear interest at a reasonable rate of interest at the current prime lending rate plus 1% (4.25% at December 31, 2021 and 2020, respectively). A participant may not have more than one (1) outstanding loan at any given time. Principal and interest are paid through payroll deductions, however, a loan may be repaid in full at any time outside of payroll deductions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting in accordance with generally accepted accounting principles United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies, continued

Date of Management's Review

Subsequent events were evaluated through October 27, 2022, which is the date that these financial statements were available to be issued.

Note 3 – Investments as Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5 (C) (Certification) and 29 CFR 2520.103-8 (Limited Scope) of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the Custodian of the Plan has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020, and the schedule of assets (held at end of year) at December 31, 2021, as well as the related investment activity reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

Note 4 – Fair Value Measurements

Financial Accounting Standards Board ("FASB") and Accounting Standards Codification ("ASC") 820, *Fair Market Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three (3) levels of the fair value hierarchy under FASB ASC 820 are defined as follows:

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Note 4 – Fair Value Measurements, continued

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those considered by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis:

At December 31, 2021				
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 6,286,731	\$ 6,286,731	\$ -	\$ -
At December 31, 2020				
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 6,335,268	\$ 6,335,268	\$ -	\$ -

Note 5 – Income Tax Status

The Plan is a volume submitter profit-sharing plan, sponsored by PCS, designed in accordance with applicable sections of the IRC. PCS received an advisory letter from the Internal Revenue Service ("IRS"), dated November 30, 2014, which states that the Plan satisfies the applicable provisions of the IRC. The Plan has been amended since receiving the determination letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan qualified, and the related trust was tax-exempt as of the financial statement date.

Note 5 – Income Tax Status, continued

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Related Party and Party-In-Interest Transactions

PCS, AdvisorTrust and Bell Rock qualify as parties-in-interest and certain investments and investment activity presented in the accompanying financial statements are considered transactions with parties-in-interest according to the DOL guidelines. However, these transactions are exempt from the prohibited transaction rules under ERISA. Administrative expenses paid by the Plan for the investment management services amounted to \$77,926 for the year ended December 31, 2021.

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2021 and 2020. These loans are considered party-in-interest transactions according to the DOL Labor guidelines. Total outstanding loans at December 31, 2021 and 2020 were \$18,932 and \$32,922, respectively.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. If the Plan were terminated, participants would become 100% vested in the Plan Sponsor's matching contributions and their related earnings.

Note 8 – Risks and Uncertainties

Investment Risks

The Plan has investments that are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. The Plan, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to Schedule H of the Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for Plan benefits per the financial statements	\$ 6,347,284	\$ 6,394,918
Contributions receivable from participants'	(37,875)	(26,728)
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 6,309,409</u>	<u>\$ 6,368,190</u>

The following is a reconciliation of participants' contributions per the financial statements to Schedule H of Form 5500 at December 31, 2021:

	<u>2021</u>
Contributions received from participants per the financial statements	\$ 723,954
Contributions receivable from participants' in prior year	26,728
Contributions receivable from participants' in current year	(37,875)
Contributions received from participants per Schedule H of Form 5500	<u>\$ 712,807</u>

Note 10 – Subsequent Events

Plan Amendments

Effective January 1, 2022, the Plan was amended to adopt certain provisions of the CARES Act.

Plan Administration

On March 1, 2022, the Plan changed investment advisors from Bell Rock to USI Advisors. Effective June 1, 2022, the Plan switched from using PCS Retirement Services, Inc. to Charles Schwab as Custodian and Record-keeper of the Plan.
