f	Balance at the end of the current year (subtract line 7e(5) from line 7d)	7f	569302
----------	--	-----------	--------

Part III Welfare Benefit Contract Information

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

8 Benefit and contract type (check all applicable boxes)

- a** ☐ Health (other than dental or vision)
 b ☐ Dental
 c ☐ Vision
 d ☐ Life insurance
e ☐ Temporary disability (accident and sickness)
 f ☐ Long-term disability
 g ☐ Supplemental unemployment
 h ☐ Prescription drug
i ☐ Stop loss (large deductible)
 j ☐ HMO contract
 k ☐ PPO contract
 l ☐ Indemnity contract
m ☐ Other (specify) ▶

9 Experience-rated contracts:

a Premiums: (1) Amount received	9a(1)		
(2) Increase (decrease) in amount due but unpaid	9a(2)		
(3) Increase (decrease) in unearned premium reserve	9a(3)		
(4) Earned ((1) + (2) - (3))		9a(4)	
b Benefit charges (1) Claims paid	9b(1)		
(2) Increase (decrease) in claim reserves	9b(2)		
(3) Incurred claims (add (1) and (2))		9b(3)	
(4) Claims charged		9b(4)	
c Remainder of premium: (1) Retention charges (on an accrual basis) --			
(A) Commissions	9c(1)(A)		
(B) Administrative service or other fees	9c(1)(B)		
(C) Other specific acquisition costs	9c(1)(C)		
(D) Other expenses	9c(1)(D)		
(E) Taxes	9c(1)(E)		
(F) Charges for risks or other contingencies	9c(1)(F)		
(G) Other retention charges	9c(1)(G)		
(H) Total retention		9c(1)(H)	
(2) Dividends or retroactive rate refunds. (These amounts were ☐ paid in cash, or ☐ credited.)		9c(2)	
d Status of policyholder reserves at end of year: (1) Amount held to provide benefits after retirement		9d(1)	
(2) Claim reserves		9d(2)	
(3) Other reserves		9d(3)	
e Dividends or retroactive rate refunds due. (Do not include amount entered in line 9c(2).)		9e	

10 Nonexperience-rated contracts:

a Total premiums or subscription charges paid to carrier	10a	
b If the carrier, service, or other organization incurred any specific costs in connection with the acquisition or retention of the contract or policy, other than reported in Part I, line 2 above, report amount. Specify nature of costs.	10b	

Part IV Provision of Information

11 Did the insurance company fail to provide any information necessary to complete Schedule A? ☐ Yes ☒ No

12 If the answer to line 11 is "Yes," specify the information not provided. ▶

SCHEDULE C (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500. SCHEDULE H (Form 5500) <small>Department of the Treasury Internal Revenue Service</small> <small>Department of Labor Employee Benefits Security Administration</small> <small>Pension Benefit Guaranty Corporation</small>	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection
--	--	---

For calendar plan year 2021 or fiscal plan year beginning <u>01/01/2021</u> and ending <u>12/31/2021</u>		
A Name of plan <u>OVERHEAD DOOR CORPORATION RETIREMENT PLAN FOR HOURLY EMPLOYEES</u>	B Three-digit plan number (PN) ►	<u>060</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>OVERHEAD DOOR CORPORATION</u>	D Employer Identification Number (EIN) <u>35-0564120</u>	

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a		
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)	107324	100298
(2) Participant contributions.....	1b(2)	8643	7361
(3) Other	1b(3)		
c General investments:			
(1) Interest-bearing cash (include money market accounts & certificates of deposit)	1c(1)		
(2) U.S. Government securities	1c(2)		
(3) Corporate debt instruments (other than employer securities):			
(A) Preferred	1c(3)(A)		
(B) All other	1c(3)(B)		
(4) Corporate stocks (other than employer securities):			
(A) Preferred	1c(4)(A)		
(B) Common	1c(4)(B)		
(5) Partnership/joint venture interests	1c(5)		
(6) Real estate (other than employer real property)	1c(6)		
(7) Loans (other than to participants)	1c(7)		
(8) Participant loans	1c(8)	604537	532827
(9) Value of interest in common/collective trusts	1c(9)		
(10) Value of interest in pooled separate accounts	1c(10)	16237386	616975
(11) Value of interest in master trust investment accounts	1c(11)		
(12) Value of interest in 103-12 investment entities	1c(12)		
(13) Value of interest in registered investment companies (e.g., mutual funds)	1c(13)	824966	18161284
(14) Value of funds held in insurance company general account (unallocated contracts).....	1c(14)	400841	569302
(15) Other.....	1c(15)		

		(a) Beginning of Year	(b) End of Year
1d	Employer-related investments:		
(1)	Employer securities.....	1d(1)	
(2)	Employer real property.....	1d(2)	
e	Buildings and other property used in plan operation	1e	
f	Total assets (add all amounts in lines 1a through 1e)	1f	18183697 19988047
Liabilities			
g	Benefit claims payable	1g	
h	Operating payables	1h	
i	Acquisition indebtedness.....	1i	
j	Other liabilities.....	1j	
k	Total liabilities (add all amounts in lines 1g through 1j)	1k	0 0
Net Assets			
l	Net assets (subtract line 1k from line 1f)	1l	18183697 19988047

Part II Income and Expense Statement

2 Plan income, expenses, and changes in net assets for the year. Include all income and expenses of the plan, including any trust(s) or separately maintained fund(s) and any payments/receipts to/from insurance carriers. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 2a, 2b(1)(E), 2e, 2f, and 2g.

		(a) Amount	(b) Total
Income			
a	Contributions:		
(1)	Received or receivable in cash from: (A) Employers	2a(1)(A)	394383
	(B) Participants	2a(1)(B)	457818
	(C) Others (including rollovers).....	2a(1)(C)	
(2)	Noncash contributions.....	2a(2)	
(3)	Total contributions. Add lines 2a(1)(A) , (B) , (C) , and line 2a(2)	2a(3)	852201
b	Earnings on investments:		
(1)	Interest:		
	(A) Interest-bearing cash (including money market accounts and certificates of deposit).....	2b(1)(A)	
	(B) U.S. Government securities	2b(1)(B)	
	(C) Corporate debt instruments	2b(1)(C)	
	(D) Loans (other than to participants)	2b(1)(D)	
	(E) Participant loans.....	2b(1)(E)	30299
	(F) Other	2b(1)(F)	8032
	(G) Total interest. Add lines 2b(1)(A) through (F)	2b(1)(G)	38331
(2)	Dividends: (A) Preferred stock.....	2b(2)(A)	
	(B) Common stock	2b(2)(B)	
	(C) Registered investment company shares (e.g. mutual funds).....	2b(2)(C)	301326
	(D) Total dividends. Add lines 2b(2)(A) , (B) , and (C)	2b(2)(D)	301326
(3)	Rents	2b(3)	
(4)	Net gain (loss) on sale of assets: (A) Aggregate proceeds	2b(4)(A)	
	(B) Aggregate carrying amount (see instructions).....	2b(4)(B)	
	(C) Subtract line 2b(4)(B) from line 2b(4)(A) and enter result	2b(4)(C)	0
(5)	Unrealized appreciation (depreciation) of assets: (A) Real estate	2b(5)(A)	
	(B) Other	2b(5)(B)	
	(C) Total unrealized appreciation of assets. Add lines 2b(5)(A) and (B)	2b(5)(C)	0

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts.....	2b(6)		
(7) Net investment gain (loss) from pooled separate accounts.....	2b(7)		800638
(8) Net investment gain (loss) from master trust investment accounts.....	2b(8)		
(9) Net investment gain (loss) from 103-12 investment entities.....	2b(9)		
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds).....	2b(10)		1095004
c Other income.....	2c		1139
d Total income. Add all income amounts in column (b) and enter total.....	2d		3088639
Expenses			
e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers.....	2e(1)	1252579	
(2) To insurance carriers for the provision of benefits.....	2e(2)		
(3) Other.....	2e(3)		
(4) Total benefit payments. Add lines 2e(1) through (3).....	2e(4)		1252579
f Corrective distributions (see instructions).....	2f		
g Certain deemed distributions of participant loans (see instructions).....	2g		-661
h Interest expense.....	2h		
i Administrative expenses: (1) Professional fees.....	2i(1)		
(2) Contract administrator fees.....	2i(2)		
(3) Investment advisory and management fees.....	2i(3)		
(4) Other.....	2i(4)	32371	
(5) Total administrative expenses. Add lines 2i(1) through (4).....	2i(5)		32371
j Total expenses. Add all expense amounts in column (b) and enter total.....	2j		1284289
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d.....	2k		1804350
l Transfers of assets:			
(1) To this plan.....	2l(1)		
(2) From this plan.....	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: GRANT THORNTON LLP

(2) EIN: 36-6055558

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a	X		419

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

<div>SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation</div>	<div>Retirement Plan Information</div> <div>This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code).</div> <div>► File as an attachment to Form 5500.</div>	<div>OMB No. 1210-0110</div> <div>2021</div> <div>This Form is Open to Public Inspection.</div>
---	--	---

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021

A Name of plan OVERHEAD DOOR CORPORATION RETIREMENT PLAN FOR HOURLY EMPLOYEES	B Three-digit plan number (PN) ► 060
C Plan sponsor's name as shown on line 2a of Form 5500 OVERHEAD DOOR CORPORATION	D Employer Identification Number (EIN) 35-0564120

Part I	Distributions
--------	---------------

All references to distributions relate only to payments of benefits during the plan year.

1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....	1	0
2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): 22-1211670		
Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year	3	

Part II	Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)
---------	--

4 Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)?	☐ Yes	☐ No	☐ N/A
If the plan is a defined benefit plan, go to line 8.			
5 If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. Date: Month _____ Day _____ Year _____ If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.			
6 a Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived)	6a		
b Enter the amount contributed by the employer to the plan for this plan year	6b		
c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount)	6c		
If you completed line 6c, skip lines 8 and 9.			
7 Will the minimum funding amount reported on line 6c be met by the funding deadline?	☐ Yes	☐ No	☐ N/A
8 If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change?	☐ Yes	☐ No	☐ N/A

Part III	Amendments
----------	------------

9 If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box.....	☐ Increase	☐ Decrease	☐ Both	☐ No
--	-----------------------------------	-----------------------------------	-------------------------------	-----------------------------

Part IV	ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.
---------	--

10 Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan?	☐ Yes	☐ No
11 a Does the ESOP hold any preferred stock?	☐ Yes	☐ No
b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.)	☐ Yes	☐ No
12 Does the ESOP hold any stock that is not readily tradable on an established securities market?	☐ Yes	☐ No

For Paperwork Reduction Act Notice, see the Instructions for Form 5500.

Schedule R (Form 5500) 2021
v. 201209

Part V Additional Information for Multiemployer Defined Benefit Pension Plans

13 Enter the following information for each employer that contributed more than 5% of total contributions to the plan during the plan year (measured in dollars). See instructions. *Complete as many entries as needed to report all applicable employers.*

a Name of contributing employer

b EIN

c Dollar amount contributed by employer

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box ☐ and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

e Contribution rate information (If more than one rate applies, check this box ☐ and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) _____

(2) Base unit measure: ☐ Hourly ☐ Weekly ☐ Unit of production ☐ Other (specify): _____

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Pension Plan Administrative Committee
Overhead Door Corporation Retirement Plan for Hourly Employees

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Overhead Door Corporation Retirement Plan for Hourly Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial

statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Overhead Door Corporation Retirement Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Overhead Door Corporation Retirement Plan for Hourly Employees is a defined contribution plan that covers substantially all bargaining unit hourly employees of Overhead Door Corporation (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

(b) Plan Document

Since December 2012, the Plan has used the Prudential Bank & Trust Company prototype plan document.

(c) Plan Administration

The Plan is administered by a committee (the “Pension Plans Administrative Committee”) whose members are appointed by the Company’s board of directors. Under the Plan document, Prudential Bank & Trust Company, FSB (the “Trustee”) is responsible for the custody of all trust asset and trust financial matters. Recordkeeping for the Plan members is performed by Prudential Retirement Insurance and Annuity Company (“PRIAC” or “Custodian”). Fiducient Advisors is the investment consultant.

(d) Eligibility

Hourly employees represented by a bargaining agreement who have bargained to participate in the Plan are eligible to participate in the Plan on the first January 1 on which they are employed by the Company.

(e) Contributions

Each year, participants may make pretax or Roth 401(k) contributions from 1% to 50% of their annual compensation, as defined, to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. There is no company match provision in the Plan; however, the Company makes discretionary quarterly contributions based on each participant’s compensated hours or compensation during a quarter at a rate defined in the adoption agreement.

Participants direct the investment of their employee contributions, rollover contributions and any Employer contributions into a variety of mutual funds, separate accounts, and a Guaranteed Income Fund.

(f) Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and allocations of Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or losses, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) Vesting

Participants are vested immediately in their contributions and rollover contributions, plus actual earnings or losses thereon. Vesting of Company contributions and related earnings or losses begins at 20% after completion of two years of service and at 20% per year thereafter until fully vested after six years.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested account balances totaled \$103,775 and \$43,793, respectively. Amounts are to be used to pay for administrative expenses and then to reduce Employer contributions. During 2021, \$6,643 of forfeitures was used to pay administrative expenses, \$8,522 was used for participant corrective contribution and earnings adjustments, and \$1,258 was used as Employer contributions.

(i) Payment of Benefits

Participants have the right to withdraw the vested portion of their account balance upon retirement, termination, death, or disability, subject to Plan provisions. Participants also may make withdrawals due to financial hardship, as defined by the Plan.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan adopted a measure included in the CARES Act which allows qualified participants to delay certain loan repayments due in 2020 for up to one year.

(j) Notes Receivable From Participants

Participants with a vested deferral account balance of at least \$2,000 may borrow from their deferral account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the highest outstanding loan balance in the previous 12 months or 50% of their vested savings account balance. Participants may have up to two loans outstanding at any time. The loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined in the Plan document. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years from the date of the loan, unless used to acquire a principal residence. Interest rates range from 4.25% to 6.50% as of December 31, 2021 and 2020.

(k) Investment Contract with Insurance Company

The Guaranteed Income Fund is the Plan's fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (the "Investment Contract

with Insurance Company”). At December 31, 2021, there were no events that allowed the Investment Contract with Insurance Company to terminate the contract. The insurance company is obligated to pay the contract value no later than 90 days from the date the Plan provides notice to discontinue and pays interest at guaranteed crediting rates that are determined in advance. Contract value represents contributions made under the contract, plus earnings at the guaranteed crediting rates, less losses, participant withdrawals, and administrative expenses. Investment Contract with Insurance Company is carried at contract value because that is the amount equal to the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

(b) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are recorded at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for a discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis.

Interest is recorded as earned and dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year, as well as, any changes in the value of the investments held at the end of the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution from the Plan.

(f) Administrative Expenses

Certain administrative expenses of the Plan may be paid by the Company at its discretion and are excluded from these financial statements. If not paid by the Company, the expenses shall be paid by the Plan. During 2021, Trustee and investment fees were paid by the Plan and remaining fees were paid by the Company, with the exception of \$6,643 paid through forfeitures, and participant loan origination and maintenance fees.

3. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the information which was certified by the Trustee and Custodian as being complete and accurate:

- Investments at fair value and contract value and notes receivable from participants reported in the statements of net assets available for plan benefits as of December 31, 2021 and 2020,
- Net investment income and interest income on notes receivable from participants, as reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021,
- All information presented in the schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

4. FAIR VALUE MEASUREMENTS

Valuation techniques used to measure fair value use a hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Separate accounts: Plan assets are represented by a "unit of account" and a per unit value whose value is the result of the accumulated values of underlying investments. The underlying investments are valued using NAV as a practical expedient in the following ways:

Equity securities (stock): Valued at the closing price reported on the active market on which individual securities are traded.

Bonds: Securities are priced by industry standard vendors, such as Interactive Data Corporation, using inputs such as benchmark yields, reported trades, broker/dealer quotes, and issuer spreads. The pricing vendor also monitors market indices and industry and economic events, including credit rating agency actions. Prices are reviewed to ensure comfort and can be challenged with the vendor and/or overridden if the advisor believes that the different price would be more reflective of fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021

Level 1	
Mutual Funds	\$ 18,161,283
Total investments in the fair value hierarchy	18,161,283
Investments measured at NAV	616,975
Total Investments	<u>\$ 18,778,258</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Investments at Fair Value as of December 31, 2020

Level 1	
Mutual Funds	\$ 824,966
Total investments in the fair value hierarchy	824,966
Investments measured at NAV	16,237,386
Total Investments	<u>\$ 17,062,353</u>

For years ended December 31, 2021, and 2020, there were no significant transfers between levels.

5. FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Type	Year Ended	Net Asset Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Separate Account	12/31/2021	\$616,975	None	Daily	Daily
Separate Account	12/31/2020	\$16,237,386	None	Daily	Daily

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into an Investment Contract with Insurance Company which is maintained by PRIAC. PRIAC holds the contributions in a general account and is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis.

The table below outlines the contract value held by the Plan at December 31.

	<u>2021</u>	<u>2020</u>
Traditional investment contract	\$ 569,302	\$ 400,841

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The contract is directly between the Plan and PRIAC. The repayment of principal and interest credited to participants is a financial obligation of PRIAC. Given these provisions, PRIAC considers this contract to be benefit-responsive. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. PRIAC may not terminate the contract or require the Plan to settle at an amount different than the contract value.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of registered mutual fund investment companies, separate accounts, and annuity contract managed by the Trustee or Custodian; therefore, these transactions qualify as party-in-interest with respect to the Plan. Administrative expenses include trustee fees paid to the Trustee, and therefore, these payments qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code (the "IRC").

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants become fully vested and the net assets of the Plan are to be distributed by the Trustee in accordance with the provisions of ERISA.

10. INCOME TAX STATUS AND PLAN AMENDMENTS

By letter dated April 29, 2014, the Internal Revenue Service ("IRS") determined that the prototype sponsored by Prudential Insurance Company of America, and adopted by the Plan, was qualified under Section 401(a) of the IRC and is entitled to favorable tax treatment. The Plan was restated as of October 1, 2015. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and

being operated in compliance with applicable requirements of the IRC and, therefore, believes the Plan qualifies under Section 401(a) of the IRC and the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan does not have any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated up to October 17, 2022, the date the financial statements were available to be issued.

Effective January 14, 2022, the Won-Door Retirement Income Security Plan merged with the Plan, transferring net assets totaling approximately \$1.7 million.

In April 2022, the retirement plan business of Prudential Financial Inc. was acquired by Empower Retirement.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Pension Plan Administrative Committee
Overhead Door Corporation Retirement Plan for Hourly Employees

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Overhead Door Corporation Retirement Plan for Hourly Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial

statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Overhead Door Corporation Retirement Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Overhead Door Corporation Retirement Plan for Hourly Employees is a defined contribution plan that covers substantially all bargaining unit hourly employees of Overhead Door Corporation (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

(b) Plan Document

Since December 2012, the Plan has used the Prudential Bank & Trust Company prototype plan document.

(c) Plan Administration

The Plan is administered by a committee (the “Pension Plans Administrative Committee”) whose members are appointed by the Company’s board of directors. Under the Plan document, Prudential Bank & Trust Company, FSB (the “Trustee”) is responsible for the custody of all trust asset and trust financial matters. Recordkeeping for the Plan members is performed by Prudential Retirement Insurance and Annuity Company (“PRIAC” or “Custodian”). Fiducient Advisors is the investment consultant.

(d) Eligibility

Hourly employees represented by a bargaining agreement who have bargained to participate in the Plan are eligible to participate in the Plan on the first January 1 on which they are employed by the Company.

(e) Contributions

Each year, participants may make pretax or Roth 401(k) contributions from 1% to 50% of their annual compensation, as defined, to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. There is no company match provision in the Plan; however, the Company makes discretionary quarterly contributions based on each participant’s compensated hours or compensation during a quarter at a rate defined in the adoption agreement.

Participants direct the investment of their employee contributions, rollover contributions and any Employer contributions into a variety of mutual funds, separate accounts, and a Guaranteed Income Fund.

(f) Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and allocations of Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or losses, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) Vesting

Participants are vested immediately in their contributions and rollover contributions, plus actual earnings or losses thereon. Vesting of Company contributions and related earnings or losses begins at 20% after completion of two years of service and at 20% per year thereafter until fully vested after six years.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested account balances totaled \$103,775 and \$43,793, respectively. Amounts are to be used to pay for administrative expenses and then to reduce Employer contributions. During 2021, \$6,643 of forfeitures was used to pay administrative expenses, \$8,522 was used for participant corrective contribution and earnings adjustments, and \$1,258 was used as Employer contributions.

(i) Payment of Benefits

Participants have the right to withdraw the vested portion of their account balance upon retirement, termination, death, or disability, subject to Plan provisions. Participants also may make withdrawals due to financial hardship, as defined by the Plan.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan adopted a measure included in the CARES Act which allows qualified participants to delay certain loan repayments due in 2020 for up to one year.

(j) Notes Receivable From Participants

Participants with a vested deferral account balance of at least \$2,000 may borrow from their deferral account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the highest outstanding loan balance in the previous 12 months or 50% of their vested savings account balance. Participants may have up to two loans outstanding at any time. The loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined in the Plan document. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years from the date of the loan, unless used to acquire a principal residence. Interest rates range from 4.25% to 6.50% as of December 31, 2021 and 2020.

(k) Investment Contract with Insurance Company

The Guaranteed Income Fund is the Plan's fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (the "Investment Contract

with Insurance Company”). At December 31, 2021, there were no events that allowed the Investment Contract with Insurance Company to terminate the contract. The insurance company is obligated to pay the contract value no later than 90 days from the date the Plan provides notice to discontinue and pays interest at guaranteed crediting rates that are determined in advance. Contract value represents contributions made under the contract, plus earnings at the guaranteed crediting rates, less losses, participant withdrawals, and administrative expenses. Investment Contract with Insurance Company is carried at contract value because that is the amount equal to the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

(b) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are recorded at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for a discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis.

Interest is recorded as earned and dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year, as well as, any changes in the value of the investments held at the end of the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution from the Plan.

(f) Administrative Expenses

Certain administrative expenses of the Plan may be paid by the Company at its discretion and are excluded from these financial statements. If not paid by the Company, the expenses shall be paid by the Plan. During 2021, Trustee and investment fees were paid by the Plan and remaining fees were paid by the Company, with the exception of \$6,643 paid through forfeitures, and participant loan origination and maintenance fees.

3. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the information which was certified by the Trustee and Custodian as being complete and accurate:

- Investments at fair value and contract value and notes receivable from participants reported in the statements of net assets available for plan benefits as of December 31, 2021 and 2020,
- Net investment income and interest income on notes receivable from participants, as reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021,
- All information presented in the schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

4. FAIR VALUE MEASUREMENTS

Valuation techniques used to measure fair value use a hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Separate accounts: Plan assets are represented by a "unit of account" and a per unit value whose value is the result of the accumulated values of underlying investments. The underlying investments are valued using NAV as a practical expedient in the following ways:

Equity securities (stock): Valued at the closing price reported on the active market on which individual securities are traded.

Bonds: Securities are priced by industry standard vendors, such as Interactive Data Corporation, using inputs such as benchmark yields, reported trades, broker/dealer quotes, and issuer spreads. The pricing vendor also monitors market indices and industry and economic events, including credit rating agency actions. Prices are reviewed to ensure comfort and can be challenged with the vendor and/or overridden if the advisor believes that the different price would be more reflective of fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021

Level 1	
Mutual Funds	\$ 18,161,283
Total investments in the fair value hierarchy	18,161,283
Investments measured at NAV	616,975
Total Investments	<u>\$ 18,778,258</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Investments at Fair Value as of December 31, 2020

Level 1	
Mutual Funds	\$ 824,966
Total investments in the fair value hierarchy	824,966
Investments measured at NAV	16,237,386
Total Investments	<u>\$ 17,062,353</u>

For years ended December 31, 2021, and 2020, there were no significant transfers between levels.

5. FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Type	Year Ended	Net Asset Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Separate Account	12/31/2021	\$616,975	None	Daily	Daily
Separate Account	12/31/2020	\$16,237,386	None	Daily	Daily

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into an Investment Contract with Insurance Company which is maintained by PRIAC. PRIAC holds the contributions in a general account and is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis.

The table below outlines the contract value held by the Plan at December 31.

	<u>2021</u>	<u>2020</u>
Traditional investment contract	\$ 569,302	\$ 400,841

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The contract is directly between the Plan and PRIAC. The repayment of principal and interest credited to participants is a financial obligation of PRIAC. Given these provisions, PRIAC considers this contract to be benefit-responsive. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. PRIAC may not terminate the contract or require the Plan to settle at an amount different than the contract value.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of registered mutual fund investment companies, separate accounts, and annuity contract managed by the Trustee or Custodian; therefore, these transactions qualify as party-in-interest with respect to the Plan. Administrative expenses include trustee fees paid to the Trustee, and therefore, these payments qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code (the "IRC").

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants become fully vested and the net assets of the Plan are to be distributed by the Trustee in accordance with the provisions of ERISA.

10. INCOME TAX STATUS AND PLAN AMENDMENTS

By letter dated April 29, 2014, the Internal Revenue Service ("IRS") determined that the prototype sponsored by Prudential Insurance Company of America, and adopted by the Plan, was qualified under Section 401(a) of the IRC and is entitled to favorable tax treatment. The Plan was restated as of October 1, 2015. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and

being operated in compliance with applicable requirements of the IRC and, therefore, believes the Plan qualifies under Section 401(a) of the IRC and the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan does not have any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated up to October 17, 2022, the date the financial statements were available to be issued.

Effective January 14, 2022, the Won-Door Retirement Income Security Plan merged with the Plan, transferring net assets totaling approximately \$1.7 million.

In April 2022, the retirement plan business of Prudential Financial Inc. was acquired by Empower Retirement.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Pension Plan Administrative Committee
Overhead Door Corporation Retirement Plan for Hourly Employees

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Overhead Door Corporation Retirement Plan for Hourly Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial

statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Overhead Door Corporation Retirement Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Overhead Door Corporation Retirement Plan for Hourly Employees is a defined contribution plan that covers substantially all bargaining unit hourly employees of Overhead Door Corporation (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

(b) Plan Document

Since December 2012, the Plan has used the Prudential Bank & Trust Company prototype plan document.

(c) Plan Administration

The Plan is administered by a committee (the “Pension Plans Administrative Committee”) whose members are appointed by the Company’s board of directors. Under the Plan document, Prudential Bank & Trust Company, FSB (the “Trustee”) is responsible for the custody of all trust asset and trust financial matters. Recordkeeping for the Plan members is performed by Prudential Retirement Insurance and Annuity Company (“PRIAC” or “Custodian”). Fiducient Advisors is the investment consultant.

(d) Eligibility

Hourly employees represented by a bargaining agreement who have bargained to participate in the Plan are eligible to participate in the Plan on the first January 1 on which they are employed by the Company.

(e) Contributions

Each year, participants may make pretax or Roth 401(k) contributions from 1% to 50% of their annual compensation, as defined, to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. There is no company match provision in the Plan; however, the Company makes discretionary quarterly contributions based on each participant’s compensated hours or compensation during a quarter at a rate defined in the adoption agreement.

Participants direct the investment of their employee contributions, rollover contributions and any Employer contributions into a variety of mutual funds, separate accounts, and a Guaranteed Income Fund.

(f) Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and allocations of Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or losses, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) Vesting

Participants are vested immediately in their contributions and rollover contributions, plus actual earnings or losses thereon. Vesting of Company contributions and related earnings or losses begins at 20% after completion of two years of service and at 20% per year thereafter until fully vested after six years.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested account balances totaled \$103,775 and \$43,793, respectively. Amounts are to be used to pay for administrative expenses and then to reduce Employer contributions. During 2021, \$6,643 of forfeitures was used to pay administrative expenses, \$8,522 was used for participant corrective contribution and earnings adjustments, and \$1,258 was used as Employer contributions.

(i) Payment of Benefits

Participants have the right to withdraw the vested portion of their account balance upon retirement, termination, death, or disability, subject to Plan provisions. Participants also may make withdrawals due to financial hardship, as defined by the Plan.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan adopted a measure included in the CARES Act which allows qualified participants to delay certain loan repayments due in 2020 for up to one year.

(j) Notes Receivable From Participants

Participants with a vested deferral account balance of at least \$2,000 may borrow from their deferral account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the highest outstanding loan balance in the previous 12 months or 50% of their vested savings account balance. Participants may have up to two loans outstanding at any time. The loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined in the Plan document. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years from the date of the loan, unless used to acquire a principal residence. Interest rates range from 4.25% to 6.50% as of December 31, 2021 and 2020.

(k) Investment Contract with Insurance Company

The Guaranteed Income Fund is the Plan's fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (the "Investment Contract

with Insurance Company”). At December 31, 2021, there were no events that allowed the Investment Contract with Insurance Company to terminate the contract. The insurance company is obligated to pay the contract value no later than 90 days from the date the Plan provides notice to discontinue and pays interest at guaranteed crediting rates that are determined in advance. Contract value represents contributions made under the contract, plus earnings at the guaranteed crediting rates, less losses, participant withdrawals, and administrative expenses. Investment Contract with Insurance Company is carried at contract value because that is the amount equal to the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

(b) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are recorded at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for a discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis.

Interest is recorded as earned and dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year, as well as, any changes in the value of the investments held at the end of the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution from the Plan.

(f) Administrative Expenses

Certain administrative expenses of the Plan may be paid by the Company at its discretion and are excluded from these financial statements. If not paid by the Company, the expenses shall be paid by the Plan. During 2021, Trustee and investment fees were paid by the Plan and remaining fees were paid by the Company, with the exception of \$6,643 paid through forfeitures, and participant loan origination and maintenance fees.

3. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the information which was certified by the Trustee and Custodian as being complete and accurate:

- Investments at fair value and contract value and notes receivable from participants reported in the statements of net assets available for plan benefits as of December 31, 2021 and 2020,
- Net investment income and interest income on notes receivable from participants, as reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021,
- All information presented in the schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

4. FAIR VALUE MEASUREMENTS

Valuation techniques used to measure fair value use a hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Separate accounts: Plan assets are represented by a "unit of account" and a per unit value whose value is the result of the accumulated values of underlying investments. The underlying investments are valued using NAV as a practical expedient in the following ways:

Equity securities (stock): Valued at the closing price reported on the active market on which individual securities are traded.

Bonds: Securities are priced by industry standard vendors, such as Interactive Data Corporation, using inputs such as benchmark yields, reported trades, broker/dealer quotes, and issuer spreads. The pricing vendor also monitors market indices and industry and economic events, including credit rating agency actions. Prices are reviewed to ensure comfort and can be challenged with the vendor and/or overridden if the advisor believes that the different price would be more reflective of fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021

Level 1	
Mutual Funds	\$ 18,161,283
Total investments in the fair value hierarchy	18,161,283
Investments measured at NAV	616,975
Total Investments	<u>\$ 18,778,258</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Investments at Fair Value as of December 31, 2020

Level 1	
Mutual Funds	\$ 824,966
Total investments in the fair value hierarchy	824,966
Investments measured at NAV	16,237,386
Total Investments	<u>\$ 17,062,353</u>

For years ended December 31, 2021, and 2020, there were no significant transfers between levels.

5. FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Type	Year Ended	Net Asset Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Separate Account	12/31/2021	\$616,975	None	Daily	Daily
Separate Account	12/31/2020	\$16,237,386	None	Daily	Daily

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into an Investment Contract with Insurance Company which is maintained by PRIAC. PRIAC holds the contributions in a general account and is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis.

The table below outlines the contract value held by the Plan at December 31.

	<u>2021</u>	<u>2020</u>
Traditional investment contract	\$ 569,302	\$ 400,841

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The contract is directly between the Plan and PRIAC. The repayment of principal and interest credited to participants is a financial obligation of PRIAC. Given these provisions, PRIAC considers this contract to be benefit-responsive. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. PRIAC may not terminate the contract or require the Plan to settle at an amount different than the contract value.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of registered mutual fund investment companies, separate accounts, and annuity contract managed by the Trustee or Custodian; therefore, these transactions qualify as party-in-interest with respect to the Plan. Administrative expenses include trustee fees paid to the Trustee, and therefore, these payments qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code (the "IRC").

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants become fully vested and the net assets of the Plan are to be distributed by the Trustee in accordance with the provisions of ERISA.

10. INCOME TAX STATUS AND PLAN AMENDMENTS

By letter dated April 29, 2014, the Internal Revenue Service ("IRS") determined that the prototype sponsored by Prudential Insurance Company of America, and adopted by the Plan, was qualified under Section 401(a) of the IRC and is entitled to favorable tax treatment. The Plan was restated as of October 1, 2015. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and

being operated in compliance with applicable requirements of the IRC and, therefore, believes the Plan qualifies under Section 401(a) of the IRC and the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan does not have any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated up to October 17, 2022, the date the financial statements were available to be issued.

Effective January 14, 2022, the Won-Door Retirement Income Security Plan merged with the Plan, transferring net assets totaling approximately \$1.7 million.

In April 2022, the retirement plan business of Prudential Financial Inc. was acquired by Empower Retirement.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Pension Plan Administrative Committee
Overhead Door Corporation Retirement Plan for Hourly Employees

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Overhead Door Corporation Retirement Plan for Hourly Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial

statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Overhead Door Corporation Retirement Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Overhead Door Corporation Retirement Plan for Hourly Employees is a defined contribution plan that covers substantially all bargaining unit hourly employees of Overhead Door Corporation (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

(b) Plan Document

Since December 2012, the Plan has used the Prudential Bank & Trust Company prototype plan document.

(c) Plan Administration

The Plan is administered by a committee (the “Pension Plans Administrative Committee”) whose members are appointed by the Company’s board of directors. Under the Plan document, Prudential Bank & Trust Company, FSB (the “Trustee”) is responsible for the custody of all trust asset and trust financial matters. Recordkeeping for the Plan members is performed by Prudential Retirement Insurance and Annuity Company (“PRIAC” or “Custodian”). Fiducient Advisors is the investment consultant.

(d) Eligibility

Hourly employees represented by a bargaining agreement who have bargained to participate in the Plan are eligible to participate in the Plan on the first January 1 on which they are employed by the Company.

(e) Contributions

Each year, participants may make pretax or Roth 401(k) contributions from 1% to 50% of their annual compensation, as defined, to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. There is no company match provision in the Plan; however, the Company makes discretionary quarterly contributions based on each participant’s compensated hours or compensation during a quarter at a rate defined in the adoption agreement.

Participants direct the investment of their employee contributions, rollover contributions and any Employer contributions into a variety of mutual funds, separate accounts, and a Guaranteed Income Fund.

(f) Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and allocations of Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or losses, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) Vesting

Participants are vested immediately in their contributions and rollover contributions, plus actual earnings or losses thereon. Vesting of Company contributions and related earnings or losses begins at 20% after completion of two years of service and at 20% per year thereafter until fully vested after six years.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested account balances totaled \$103,775 and \$43,793, respectively. Amounts are to be used to pay for administrative expenses and then to reduce Employer contributions. During 2021, \$6,643 of forfeitures was used to pay administrative expenses, \$8,522 was used for participant corrective contribution and earnings adjustments, and \$1,258 was used as Employer contributions.

(i) Payment of Benefits

Participants have the right to withdraw the vested portion of their account balance upon retirement, termination, death, or disability, subject to Plan provisions. Participants also may make withdrawals due to financial hardship, as defined by the Plan.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan adopted a measure included in the CARES Act which allows qualified participants to delay certain loan repayments due in 2020 for up to one year.

(j) Notes Receivable From Participants

Participants with a vested deferral account balance of at least \$2,000 may borrow from their deferral account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the highest outstanding loan balance in the previous 12 months or 50% of their vested savings account balance. Participants may have up to two loans outstanding at any time. The loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined in the Plan document. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years from the date of the loan, unless used to acquire a principal residence. Interest rates range from 4.25% to 6.50% as of December 31, 2021 and 2020.

(k) Investment Contract with Insurance Company

The Guaranteed Income Fund is the Plan's fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (the "Investment Contract

with Insurance Company”). At December 31, 2021, there were no events that allowed the Investment Contract with Insurance Company to terminate the contract. The insurance company is obligated to pay the contract value no later than 90 days from the date the Plan provides notice to discontinue and pays interest at guaranteed crediting rates that are determined in advance. Contract value represents contributions made under the contract, plus earnings at the guaranteed crediting rates, less losses, participant withdrawals, and administrative expenses. Investment Contract with Insurance Company is carried at contract value because that is the amount equal to the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

(b) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are recorded at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for a discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis.

Interest is recorded as earned and dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year, as well as, any changes in the value of the investments held at the end of the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution from the Plan.

(f) Administrative Expenses

Certain administrative expenses of the Plan may be paid by the Company at its discretion and are excluded from these financial statements. If not paid by the Company, the expenses shall be paid by the Plan. During 2021, Trustee and investment fees were paid by the Plan and remaining fees were paid by the Company, with the exception of \$6,643 paid through forfeitures, and participant loan origination and maintenance fees.

3. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the information which was certified by the Trustee and Custodian as being complete and accurate:

- Investments at fair value and contract value and notes receivable from participants reported in the statements of net assets available for plan benefits as of December 31, 2021 and 2020,
- Net investment income and interest income on notes receivable from participants, as reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021,
- All information presented in the schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

4. FAIR VALUE MEASUREMENTS

Valuation techniques used to measure fair value use a hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Separate accounts: Plan assets are represented by a "unit of account" and a per unit value whose value is the result of the accumulated values of underlying investments. The underlying investments are valued using NAV as a practical expedient in the following ways:

Equity securities (stock): Valued at the closing price reported on the active market on which individual securities are traded.

Bonds: Securities are priced by industry standard vendors, such as Interactive Data Corporation, using inputs such as benchmark yields, reported trades, broker/dealer quotes, and issuer spreads. The pricing vendor also monitors market indices and industry and economic events, including credit rating agency actions. Prices are reviewed to ensure comfort and can be challenged with the vendor and/or overridden if the advisor believes that the different price would be more reflective of fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021

Level 1	
Mutual Funds	\$ 18,161,283
Total investments in the fair value hierarchy	18,161,283
Investments measured at NAV	616,975
Total Investments	<u>\$ 18,778,258</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Investments at Fair Value as of December 31, 2020

Level 1	
Mutual Funds	\$ 824,966
Total investments in the fair value hierarchy	824,966
Investments measured at NAV	16,237,386
Total Investments	<u>\$ 17,062,353</u>

For years ended December 31, 2021, and 2020, there were no significant transfers between levels.

5. FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Type	Year Ended	Net Asset Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Separate Account	12/31/2021	\$616,975	None	Daily	Daily
Separate Account	12/31/2020	\$16,237,386	None	Daily	Daily

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into an Investment Contract with Insurance Company which is maintained by PRIAC. PRIAC holds the contributions in a general account and is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis.

The table below outlines the contract value held by the Plan at December 31.

	<u>2021</u>	<u>2020</u>
Traditional investment contract	\$ 569,302	\$ 400,841

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The contract is directly between the Plan and PRIAC. The repayment of principal and interest credited to participants is a financial obligation of PRIAC. Given these provisions, PRIAC considers this contract to be benefit-responsive. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. PRIAC may not terminate the contract or require the Plan to settle at an amount different than the contract value.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of registered mutual fund investment companies, separate accounts, and annuity contract managed by the Trustee or Custodian; therefore, these transactions qualify as party-in-interest with respect to the Plan. Administrative expenses include trustee fees paid to the Trustee, and therefore, these payments qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code (the "IRC").

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants become fully vested and the net assets of the Plan are to be distributed by the Trustee in accordance with the provisions of ERISA.

10. INCOME TAX STATUS AND PLAN AMENDMENTS

By letter dated April 29, 2014, the Internal Revenue Service ("IRS") determined that the prototype sponsored by Prudential Insurance Company of America, and adopted by the Plan, was qualified under Section 401(a) of the IRC and is entitled to favorable tax treatment. The Plan was restated as of October 1, 2015. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and

being operated in compliance with applicable requirements of the IRC and, therefore, believes the Plan qualifies under Section 401(a) of the IRC and the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan does not have any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated up to October 17, 2022, the date the financial statements were available to be issued.

Effective January 14, 2022, the Won-Door Retirement Income Security Plan merged with the Plan, transferring net assets totaling approximately \$1.7 million.

In April 2022, the retirement plan business of Prudential Financial Inc. was acquired by Empower Retirement.
