Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Piramal Critical Care, Inc. 401(k) Plan.

Scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Piramal Critical Care, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s responsibilities for the audit of the 2021 financial statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of the 2021 financial statement for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021

financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, is presented for purposes of additional analysis and not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial

NOTE 1: DESCRIPTION OF PLAN

The following description of Piramal Critical Care, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan with salary reduction features as permitted under Section 401 (k) of the Internal Revenue Code (“IRC”) and is sponsored by Piramal Critical Care, Inc. (“the Company/ Plan Sponsor”). The Plan is funded by employee and employer contributions and covers substantially all employees of the Company who are age eighteen or older., except those who are covered under a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Broker commissions associated with investment transactions are paid by the Plan and netted against earnings on investments. Administrative expenses are paid by the Plan or the Plan Sponsor.

Contributions

Participants may authorize an elective deferred contribution rate up to the maximum annual limitations as provided by the IRC. Participants immediately enter the Plan as of their hire date, solely with respect to making participant contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 90% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant.

The Company may make a discretionary employer contribution. Participants must be credited with one year of service to receive employer contributions. Effective January 1, 2010, the Plan was amended for the Company to increase its match to 100% of the participants' elective deferrals that do not exceed 5% of the participants' annual compensation. The Company may make a discretionary profit-sharing contribution and a supplemental matching contribution.

Administration

Piramal Critical Care, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. For the years ended December 31, 2021, and December 31, 2020, the Plan has engaged Automatic Data Processing Retirement Services (“ADP”) as third-party plan administrator.

For the year ended December 31, 2021, and December 31, 2020, Reliance Trust Company (“Reliance”) served as trustee of the Plan pursuant to the Plan agreement. The trustee received all contributions made under the Plan and held Plan assets.

December 31, 2021, and December 31, 2020

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	113,617	92,466
Total	113,617	92,466

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan Sponsor to their 401(k) account balances are 100% vested.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates equal to the prime rate as published in the Wall Street Journal on the 14th day of each month, plus one percent (4.25% to 6.50%). Principal and interest are paid ratably through monthly payroll deductions.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. On termination of service due to death, disability, retirement or for reasons other than death, disability or retirement, if the balance of the participant account exceeds \$5,000, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account; a participant may elect to receive installments over a period of not more than the assumed life expectancy (or the assumed life expectancies of the participant and his or her beneficiary) or participant may elect to make partial withdrawals. The participant may elect to limit the source of such a partial withdrawal to amounts attributable to (1) the participant's rollover account, including amounts attributable to rollovers of Roth elective deferrals (2) the participant's Roth elective deferral account, including rollovers of Roth elective deferrals held in the rollover account.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United

Piramal Critical Care, Inc. 401(k) Plan

Financial Statements

December 31, 2021, and December 31, 2020

States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in registered investment companies ("mutual funds"). The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the years ended December 31, 2021, and December 31, 2020, net appreciations in the fair values of investments totaled \$1,966,182 and \$2,166,871, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition

Investments in mutual funds are valued at quoted market prices as provided by the trustee. Net appreciation in the fair value of mutual funds represents the change in fair value during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements, and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period

December 31, 2021, and December 31, 2020

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2021, and December 31, 2020. There were no changes in the methods used at December 31, 2021, and December 31, 2020.

Mutual funds: Valued at the net asset value of shares held by the Plan at year-end, quoted in an active market.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, except for comparing such information certified by Reliance Trust Company to information included in the Plan's financial statements and supplemental schedule.

	As at	
	December 31, 2021	December 31, 2020

NOTE 7: INCOME TAX STATUS

The Plan Sponsor entered into a non-standardized adoption agreement of the *ADP, LLC Prototype Non-Standardized Profit-Sharing Plan* (“the prototype plan”). The prototype plan received a favorable opinion letter from the Internal Revenue Service (“IRS”) on *July 16, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan’s attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require the Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more

Financial Statements

likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Reliance performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Plan. ADP provides services to the Plan as a third-party Plan administrator for which administration fees are charged to the Plan. Apart from this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 10: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 11: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

NOTE 12: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
