INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
SARCO Employees Retirement Plan
Guaynabo, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **SARCO Employees Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of **SARCO Employees Retirement Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SARCO Employees Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **SARCO Employees Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **SARCO Employees Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **SARCO Employees Retirement Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the SARCO Employees Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

On July 1, 2006, South American Restaurants Corp. ("the Company") adopted a Savings and Retirement Plan in the form of the UBS Trust of Puerto Rico Standard Prototype Cash and Deferred Profit Sharing Plan, as amended, for the purpose of providing retirement benefits to its employees and to encourage and assist them in adopting a regular savings program by means of payroll deduction through a plan that qualifies under applicable laws of the Commonwealth of Puerto Rico. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The employer and participants commenced contributing to the Plan in September 2006. On April 1, 2017, the Plan Agreement was amended to adopt the Oriental Pension Consultants, Inc. Prototype Defined Contribution Retirement Plan, as amended.

Eligibility

Employees of the Company are eligible to participate in the Plan after six months of service, have attainment eighteen years of age, and are residents of the Commonwealth of Puerto Rico.

Contributions

Each year, participants may contribute pre-tax annual compensation, excluding Christmas Bonus, year bonus, lump-sum payment of vacations, sick, and maternity leave, up to the maximum deferral amount of $15,000, as defined in the Plan based on the Puerto Rico Internal Revenue Code, as amended. Participants who have attained age 50 before the end of the plan year may contribute an additional $1,500 catch-up contribution, annually. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches participants' saving contributions at the rate of one dollar for each dollar of a participant's pre-tax contribution, up to a maximum of 3% of participant's compensation. Additionally, the Company can make additional contributions to the Plan as determined by the Board of Directors such as the profit-sharing contribution, as defined.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service according to the following vesting schedule:

Years of continuous service at date of termination	Vested benefit
Less than 1	0%
Between 1 and 2	20%
Between 2 and 3	40%
Between 3 and 4	60%
Between 4 and 5	80%
5 or more years	100%

Notwithstanding the above, a participant will become fully vested in his or her Company's contributions and their earnings upon the earlier of (i) reaching normal retirement age while still employed by the Company, (ii) retirement at normal or early retirement age, (iii) disability, (iv) death while employed by the Company, (v) termination of the Plan, or (vi) complete discontinuance of contributions by the Company.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the participant's vested interest in his or her account in either a lump-sum amount or periodic installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants' Hardship Withdrawals

A participant may not retire money from his/her Plan account, until the participant is capable of receiving payments for benefits on the Plan. The only circumstances in which the participant may retire money from his/her Plan account are the following:

- The purchase (excluding mortgage payments) of a principal residence for the participant;
- major medical expenses of the participant or his spouse, or dependent that is not covered by insurance or otherwise;
- payment of tuition and related expenses for the following twelve months of post-secondary education for the participant, spouse, or children or dependent;
- payment of amounts necessary to prevent the eviction of the participants from his principal residence or foreclosure on the mortgage of the participant's principal residence; and

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Hardship Withdrawals (Continued)

- any other event or circumstance that the Secretary of the Treasury of Puerto Rico allows through regulations and is authorized by the Plan's administrator.

If a participant makes an in-service hardship withdrawal of Pre-Tax Contributions, such participant cannot make future Pre-Tax Contributions for a 12-month period following the in-service withdrawal. In addition, in-service withdrawals after the participant has attained the age of 59 1/2 will not be subject to the limitation on future contributions. For the year ended December 31, 2020, due to financial hardship caused by COVID-19, in-service withdrawals were allowed without penalty. Withdrawals were allowed until December 31, 2020 from the total vested account balances for this type of withdrawal, not to exceed $100,000.

Forfeited Accounts

As of the years ended December 31, 2021 and 2020, there were no outstanding forfeited non-vested accounts. These accounts when available, are used to reduce the Plan's administrative expenses and employer matching or profit-sharing contributions. During the years ended December 31, 2021 and 2020, the Plan used forfeited accounts to reduce employer contributions by $214,738 and $83,486, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The Plan's fiscal year ends on December 31st of each year. All references to years in these notes to financial statements represent calendar years unless otherwise noted.

Basis of Accounting

The accompanying financial statements have been prepared following the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date, while interest income is recorded when earned. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. Separated participant's vested benefit may not be paid without written consent if the value exceeds $5,000.

Benefits Payable

The Plan accounts for benefits payable in accordance with the guidelines provided by the *AICPA Audit and Accounting Guide, Audits of Employee Benefit Plans*. This guidance requires that benefits payable to persons who have withdrawn from participation in the defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration, participants, and assets fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 21, 2022, the date the financial statements were available to be issued. The Plan has determined that there are no events occurring in this period that required disclosure in or adjustment to the accompanying financial statements.

3. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Oriental Bank and Trust (the trustee of the Plan) as agent for Mid Atlantic Capital Corp (custodian of the Plan).

4. FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASB 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	***Level 2***	***Level 3***	***Total***

Money market	1,002,720	-	-	1,002,720
	$21,015,595	$ -	$ -	$21,015,595

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly any other fees related to the Plan's operations.

6. TAX STATUS

The Plan is exempt from United States income taxes by Section 1022 (i)(1) of the Employment Income Security Act of 1974. In addition, the Plan is exempt from Puerto Rico income taxes as part of the exemption granted by the Puerto Rico Internal Revenue Code of 2011 (the Code), as amended. Upon the enactment of the Code, the Puerto Rico Treasury Department released Circular 11-10, that stated that pension plans that had obtained an administrative determination letter qualifying the plan under the prior Internal Revenue Code, will be considered as qualified under the Section 1801.01 of the Code. Notwithstanding the above, to maintain the qualified status, the Plan is required to ascertain new provisions of the current code are being met; otherwise, a recertification will need to be filed. On February 11, 2014, the Plan filed a request for a favorable Determination Letter regarding the qualified status of the Plan under Section 1801.01 of the Code. On April 1, 2017, the Plan adopted the Oriental Pension Consultants, Inc. Prototype Defined Contribution Retirement Plan, as amended (Oriental Master Trust). The Oriental Master Trust had already obtained a favorable determination letter from the Puerto Rico Treasury Department as to its qualified status under the Code, as amended. On July 12, 2018, the Plan received a letter from the Puerto Rico Treasury Department which indicates that the Department has no objection to the participation of the Plan in the Oriental Master Trust Plan.

In addition, to maintain the tax-exempt status, the Plan must comply with certain Minimum Coverage and Nondiscrimination test. The Plan complied with said test requirements after using the available correction method, as of December 31, 2021 and 2020.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the taxing authorities. The Plan administrator has evaluated the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would that require recognition of an asset or liability or disclosure in the financial statements. In addition, the Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan Agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. RISK AND UNCERTAINTIES

The Plan invests in various investments securities, including mutual funds within various markets. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 has significantly subsided; however, it is impracticable to determine if new variants may still emerge. Although the long-term financial impact and duration of the pandemic cannot be reasonably estimated, based on current facts and circumstances, management expects no significant impact from COVID-19 that could negatively affect the Plan's statement of net assets available for benefits and statement of changes in net assets available for benefits in the foreseeable future.
