INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
the Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from, the certified investment information, including its form and content, are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedules related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

Predecessor auditors performed an audit of the 2020 financial statements of Omni Ophthalmic Management Consultants 401(k) Profit Sharing. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2021 indicated that (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2020 supplemental schedules, other than the information in the 2020 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA; and the information in the 2020 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION:

The Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan ("Plan") is administered by Omni Ophthalmic Management Consultants LLC ("Company" or "Plan Sponsor"). The following description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General:

The Plan is a voluntary, participant-directed, defined-contribution savings plan that became effective January 1, 1999. The following employers have adopted the Plan: Omni Eye Surgery of New York; Essex Specialized Surgical Institute; Delaware Valley Vision Associates Group Practice, LLC; TLC Management (Delaware Valley), LLC and Ludwick Eye Center. Thus, when reference is made to the Company, it will include all employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Effective October 1, 2020, the Ludwick Eye Center 401(k) merged into the Plan. All employee assets were transferred from Ludwick Eye Center 401(k) Plan (Ludwick 401(k) Plan), due to acquisitions, into the Plan for an aggregated total of \$2,431,979. All benefits accrued under the Ludwick 401(k) Plan were incorporated into the Plan to the extent required by law. The transfer of the assets is reflected in the statement of changes in net assets for the year ended December 31, 2020.

Eligibility:

All employees are eligible to participate in the Plan, except for nonresident aliens, leased, part-time, seasonal, temporary, or employees covered by a collective bargaining agreement. The minimum age requirement is 21 years old and a service requirement of three months is required for employee contributions and employer discretionary matching contributions. The minimum age requirement is 21 years old and a service requirement of six months is required for employer discretionary profit sharing contributions. The Plan has an automatic enrollment feature. Under the automatic enrollment feature, an employee will be automatically enrolled as a participant with an election to contribute 3% of their compensation to the Plan unless they elect to opt out.

Contributions:

Participants may make voluntary pretax contributions and Roth 401(k) contributions to the Plan up to 100% of eligible compensation, up to the annual Internal Revenue Service ("IRS") dollar limit. The Plan accepts rollover contributions from other qualified retirement plans in accordance with ERISA. Participants, who have attained age 50 before the end of the Plan Year, are eligible to make catch-up contributions in accordance with, and subject to, IRS limitations.

DECEMBER 31, 2021 AND 2020

NOTE 1 - PLAN DESCRIPTION: (Continued)

Contributions: (Continued)

The Plan allows the Company to make discretionary matching and profit sharing contributions. For the period from January 1, 2020 through March 6, 2020, the Company made discretionary matching contributions equal to 50% of the first 6% of eligible compensation that a participant contributes to the Plan. The discretionary matching contributions were suspended for the rest of the 2020 Plan year. The discretionary matching contributions were reinstated for the 2021 Plan year. For the years ended December 31, 2021 and 2020, employer discretionary matching contributions of \$709,811 and \$146,148, respectively, were made to the Plan. For the years ended December 31, 2021 and 2020, there were no employer discretionary profit sharing contributions made.

Investment Options:

Upon enrollment in the Plan, participants may direct their employee and Company contributions by percentages into any of the investment options available. A separate account is maintained for each participant, and dividends earned by each fund are reinvested in that fund. Participants may change their investment options daily.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's discretionary matching and profit sharing contributions; (b) Plan earnings, gains, or losses; and (c) charged with an allocation of administrative expenses. Allocations are based on participant's compensation or account balances, as defined in the Plan Document.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100% vested in their voluntary employee contributions and rollover contributions, plus earnings thereon. Vesting of the Company's discretionary matching and profit sharing contributions are based on years of vesting service. A participant with less than two years of credited service is 0% vested. Vesting increases 20% per year from year one through year six. Participants become 100% vested upon attainment of age 65, or upon death or disability of the participant.

NOTE 1 - PLAN DESCRIPTION: (Continued)

Noted Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of their vested account balances or \$50,000 (reduced by the highest value of any outstanding loan balance in the preceding 12 months). During 2020, participants may borrow from their accounts up to 100% of their vested account balances, not to exceed \$100,000. Loans are repaid within a period not to exceed five years, except for the purchase of a primary residence, which may be repaid over a 15-year period. The loans are secured by one-half of the participant's vested balance and bear interest at a rate of prime plus 2%, as determined on the origination date of the loan. Principal and interest are paid ratably through payroll deductions. Only one loan per participant can be outstanding at a time. If a participant is terminated prior to repayment of the loan balance, the remaining balance on the loan is considered to be a deemed distribution to the participant.

Payment of Benefits:

After retirement, death, or disability, participants are entitled to receive a lump-sum distribution. Partial withdrawals or installments are only permitted for participants or beneficiaries who receive required minimum distributions. Participants have the option to leave amounts in the Plan up to the mandatory distribution date, which is defined as the later of April 1 following the calendar year of attaining the age of 72 or age at retirement. Upon termination, vested benefits can be rolled over to another qualified plan or an individual retirement account ("IRA"), or distributed in a lump-sum payment or partial withdrawals. If the vested balance is \$5,000 or less, the participant will receive a lump-sum distribution without consent.

Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding and penalties.

In-service Withdrawals:

Participants attaining the age of 59½ may request a withdrawal of all or part of the vested portion of their account.

Retirement:

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

Forfeitures:

Forfeitures are used to pay for administrative expenses or reduce employer discretionary matching and discretionary profit sharing contributions. The balance in the forfeiture account at December 31, 2021 and 2020, was \$214,906 and \$118,981, respectively. For the years ended December 31, 2021 and 2020, \$0 and \$16,300, respectively, were used to pay administrative expenses. No forfeitures were used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and management determine the Plan's valuation policies utilizing information provided by the investment adviser and Custodian. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefit Payments:

Benefits are recorded when paid.

Administrative Expenses and Participant Transaction Fees:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, investment fees, and certain Plan administration fees not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Mutual Fund Fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads, or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and, thus, not separately identifiable as an expense.

Subsequent Events:

The Company has evaluated its subsequent events and transactions occurring after December 31, 2021, through October 31, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INVESTMENTS CERTIFIED BY THE PLAN CUSTODIAN:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and certain ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC, from September 1, 2020 through December 31, 2021, and Transamerica Life Insurance Company Inc., from January 1, 2020 through August 31, 2020, the Custodians of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

OMNI OPHTHALMIC MANAGEMENT CONSULTANTS

401(k) PROFIT SHARING PLAN

STATEMENTS OF CHANGES NET ASSETS AVAILABLE FOR BENEFITS

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Money Market Fund: Valued at the closing price reported on the active market on which individual securities are traded (Level 1 input).

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

OMNI OPHTHALMIC MANAGEMENT CONSULTANTS

401(k) PROFIT SHARING PLAN

STATEMENTS OF CHANGES NET ASSETS AVAILABLE FOR BENEFITS

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

Common Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner (Other inputs).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Assets at Fair Value as of</u> <u>December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 287,374	\$ -	\$ -	\$ 287,374

Investments at Fair Value	\$ 12,838,287	\$ -	\$ -	\$ 24,895,691

(a) – Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS:

The Plan's investments are held by John Hancock Trust Company LLC and Transamerica Life Insurance Company Inc., the Custodians, as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION:

Although the Company has not expressed intent to terminate the Plan, it may do so at any time under the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company contributions, as of the termination date.

NOTE 7 - TAX STATUS:

The Plan Sponsor obtained an opinion letter from the Internal Revenue Service on June 30, 2020, in which the IRS stated that the prototype Plan Document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan has since been amended; however, the Plan Administrator believes the Plan is being designed and operated in compliance with the Plan Document and applicable requirements of the IRC.

STATEMENTS OF CHANGES NET ASSETS AVAILABLE FOR BENEFITS

DECEMBER 31, 2021 AND 2020

NOTE 7 - TAX STATUS: (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events that could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Subsequent to December 31, 2021, the Plan's investments depreciated in value by approximately 23%.

NOTE 9 - CONCENTRATIONS:

As of December 31, 2021 and 2020, the Plan held three and two investments that represented 38% and 25%, respectively, of total investments.

NOTE 10 - DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS:

During the Plan years ended December 31, 2019 through 2021, the Company did not remit various employee salary deferred contributions and loan repayments, totaling \$64,881, in a timely manner required by the Department of Labor regulations, and the lost earnings of \$75, is calculated through the date of this report. The Plan Sponsor computed the lost earnings to the Plan outside of the Delinquent Filer Voluntary Compliance Program ("VFCP"), with the Department of Labor.

NOTE 11 - SUBSEQUENT EVENTS:

In March 2022, Erie Retinal 401(k) merged into the Plan. All employee assets were transferred, due to an acquisition, into the Plan for an aggregated total of \$4,829,226.
