The Administrative Committee of
The Prutech Solutions Inc, 401K Profit Sharing Plan & Trust
Iselin, NJ 08830

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Prutech Solutions Inc, 401(k) Profit Sharing Plan ("The Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company (a qualified institution) as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Prutech Solutions Inc, 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Prutech Solutions Inc 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the

participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Prutech Solutions Inc, 401K Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Prutech Solutions Inc 401(k)

Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) at December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Prutech Solutions Inc, 401(k) Profit Sharing Plan. As permitted by 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Prutech Solutions, 401k Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan was established on March 1st, 2010. The Plan covers eligible employees of Prutech Solutions, Inc (the "Company"). All employees are eligible to participate in the plan from the 1st pay period provided they are twenty and one years of age or older. The Plan, which is a defined contribution plan under the Employee Retirement Income Security Act of 1974 (ERISA), is administered by Fidelity Investments Institutional Operational Company LLC, the third-party administrator. Employee entry date will be the first date of the month that is or next follows the date the employee satisfies the applicable eligibility requirements.

Contributions: The Plan allows employees to contribute 1 % to 50% of their salary up to the legal limit as set by section 402 of the Internal Revenue Code (the "Code") and the employer makes no matching contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. All contributions are made through payroll deductions.

Vesting: Participants are 100% vested in the value of their cumulative regular and additional contributions and earnings thereon and non-matching contributions.

Participant Accounts: Each participant's account is credited with the (a) participant's contributions and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits: Payments from the Plan that are eligible rollover distributions may be taken in two ways. Participants may have all or any portion of their eligible rollover distributions either (1) paid in a direct rollover to an individual account or another employer plan or (2) paid to the participant. Participants who choose to be paid directly will only receive 80%; 20% will be withheld and sent to the IRS to be credited against the participants' taxes.

Notes to Financial Statements
December 31, 2021 and 2020

Participants or their beneficiary must file a written request with the Company in order to start receiving benefits when they become eligible or when the participant dies. Participants must begin taking required minimum distributions at age 72 years.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the plan at year-end.

Notes Receivable from Participants: Participants may borrow against their individual accounts under certain conditions. Loan may not exceed the lesser of one half of your vested account balance or \$ 50,000. A participant may not initiate a loan for less than \$ 500.

All loans are secured by the remaining account balance. Loans must typically be repaid within five years. Loans taken for first time residence purchases may be repaid over as many as 20 years. Interest is charged at a rate of the prime rate Plus 1%. Loans can be paid back through payroll deductions.

Plan Termination: The Company currently intends to continue the Plan indefinitely; however, it may terminate the Plan at any time. In the event of Plan termination, all participants have non-forfeitable right to the entire value of the Company contributions.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law, and as a result the Plan was amended for qualified individuals effective May 14, 2020. Qualified individuals are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experience "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic. Section 2202(a) of the CARES Act allows for qualified individuals to take up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years.

Prutech Solutions, Inc., 401k Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2021 and 2020

The ability to request coronavirus-related distributions under the CARES Act was applicable from May 15, 2020 to December 31, 2020.

Forfeitures

Forfeitures, resulting from application of the vesting provisions, are maintained separately by the plan. Forfeiture can only be used to reduce employer-matching contributions in the future. Currently there is no matching contribution from the employer. In the event of the Plan termination, any unused forfeiture balance will be allocated to participant account.

2. Investment Options

Participants may choose to have their contributions made on their behalf invested in each and any fund concurrently in any whole percentage multiple. Participants may change their investment elections and/ or transfer amounts between funds by contacting the Trustee directly.

The ultimate benefit to be received by a participant depends on the aggregate amount contributed by and for the participant over the years and the investment result allocated to the participant's individual account.

3. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments: Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Prutech Solutions, Inc., 401k Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2021 and 2020

Payment of Benefits: Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Subsequent Events - Subsequent events have been evaluated through October 12, 2022, which is the date the financial statements were available to be issued. No reputable subsequent have occurred through October 12, 2022 which would have a significant effect on the financial statements as of December 31, 2021 except as otherwise disclosed.

4. Income Tax Status:

The Plan has adopted the Paychex Inc prototype non-standardized Profit-Sharing Plan. The Internal Revenue Service has determined and informed Paychex, by a letter dated June,30, 2020 that the Prototype non-standardized

Prutech Solutions, Inc., 401k Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2021 and 2020

profit sharing 401(k) Plan is designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

5. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company the Plan's custodian, as of December 31:

	2021	2020
Investments, at fair value	\$ 4,515,310	\$ 3,546,522
Interest and dividends from investments	400,357	172,965
Net appreciation in fair value of investments	113,760	335,585

6. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Prutech Solutions, Inc., 401k Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2021 and 2020

Level 1 - Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 - Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 - Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for investments measured at fair value on the statement of net assets available for benefits, and the classification of such investments pursuant to the valuation hierarchy. The money market fund and the mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

At December 31, 2021, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

		December 31, 2021		
Assets	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 4,402,769	\$ 4,402,769	\$ -	\$ -

At December 31, 2020, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

		December 31, 2020		
Assets	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 3,346,876	\$ 3,346,876	\$ -	\$ -
Money Market Fund	199,646	199,646	-	-
Total	\$ 3,546,522	\$ 3,546,522	\$ -	\$ -

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Fidelity bond

The Plan is adequately covered by a fidelity bond as required by ERISA.

9. Excess Contribution

The Plan is subjected to nondiscrimination testing by the Plan Administrator. During the year 2021, the Plan passed the non-discrimination testing. Corrective distributions of \$3298 were made for the Plan year 2021.

10. Related Party and Party-in-Interest Transactions

The Plan is funded with a trust agreement with Fidelity Management Trust Company. As Fidelity Management Trust Company is the custodian for the Plan and Fidelity Investments Institutional Operations Company LLC is recordkeeper for the Plan, these are party-in-interest transactions. In addition, Wilmington Trust National Assoc and Strategic Advisors, Inc are the third-party advisors, and thus a parties-in-interest. Fees incurred by the Plan for the investment management services are

Prutech Solutions, Inc., 401k Profit Sharing Plan & Trust
Notes to Financial Statements

included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to the third-party advisors of \$ 18,262 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.
