Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Epic Healthcare Management, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Epic Healthcare Management, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Epic Healthcare Management, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Epic Healthcare Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Epic Healthcare Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Epic Healthcare Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Epic Healthcare Management, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Epic Healthcare Management, LLC 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020

1. Description of the Plan

The Epic Healthcare Management, LLC 401(k) Plan (the "Plan") is a contributory multiple-employer 401(k) plan which was established July 1, 2012 to provide deferred compensation and profit sharing benefits to employees of (the "Sponsors"). The Plan sponsor is Epic Healthcare Management, LLC (EPIC) and includes the following control group: Park Manor Acquisition II, LLC (Park Manor), Sky View Rehabilitation and Healthcare Center, LLC (Sky View), LLMD Associates, LLC d/b/a Water's Edge Health Care & Rehabilitation Center (Water's Edge - separate plans for Union and non-union employees), Waterview Acquisition I, LLC (Waterview), Salem Acquisition I, LLC (Salem) and HBL SNF, LLC d/b/a Epic Rehabilitation and Nursing at White Plains (HBL). The following description of the Plan provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Effective April 1, 2015, Putnam Operation Acquisition I, LLC d/b/a Putnam Nursing and Rehabilitation (Putnam) has adopted the Plan for the benefit of its eligible employees.

Effective March 1, 2017, Epic Senior has adopted the Plan for the benefit of its eligible employees.

Effective January 1, 2020, HBL has adopted the Plan for the benefit of its eligible employees.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was enacted into law. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants including:

- Distributions up to the lesser of vested account balance or \$100,000
- Increased loan limits up to the lessor of 100% the vested account balance or \$100,000
- Loan repayment extension allowing payments to be deferred up to one year
- Waivers of Required Minimum Distributions that would otherwise have been payable during 2020

The provisions of the CARES Act were effective and operationalized immediately, prior to amending the plan document. Plan management has adopted certain relief provisions included in the CARES Act.

General

The Plan is a defined contribution 401(k) plan. The Plan covers substantially all employees of the Sponsors and provides for a deferred compensation arrangement as described in Section 401(a) and 501(a) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Any employee who is scheduled to complete 1,000 hours of service during the plan year ended December 31, 2012, was automatically enrolled in the Plan as of July 1, 2012 (the date of the Plan Merger). Employees are eligible to participate in the Plan once they have met the following requirements:

- Epic – three months service time and attained age 21
- Epic Senior – three months service time and attained age 21
- Park Manor – three months service time and attained age 18
- Sky View – one year service time and attained age 21
- Water's Edge (Non-union employees) – three months service time

Years Ended December 31, 2021 and 2020

1. Description of the Plan (continued)

- Water's Edge (Union employees) – one year service time
- Waterview – one year service time and attained age 21
- Salem – one year service time and attained age 21
- Putnam – one year service time and attained age 21
- HBL – three months of service and attained age 21

Contributions

For Epic, Epic Senior, Park Manor, Waterview, Salem and HBL, each participant may elect to defer from 1% up to 85% of his compensation not to exceed the maximum amount allowable under the Internal Revenue Code. Each participant at Water's Edge may elect to defer from 1% up to 25% of his compensation not to exceed the maximum amount allowable under the Internal Revenue Code. For Sky View and Putnam, each participant may elect to defer from 1% up to 50% of his compensation not to exceed the maximum amount allowable under the Internal Revenue Code. For plan years beginning January 1, 2021 and 2020, the individual maximum allowable contribution was \$19,500 for both years and the maximum catch-up contribution for employees' over age 49 were \$6,500 for both years. Employees may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. All administrative costs are paid out of the Plan.

Participants direct the investments of all contributions into various investment options offered by the Plan. Participants may redirect these investments at any time during the year. The sponsor may contribute a discretionary matching contribution and a discretionary profit-sharing equal to a percentage of the participants' contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of the administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their voluntary 401(k) Accounts. The following vesting schedules apply to Employer Matching Contributions and Employer Contributions:

Forfeited Accounts

Forfeitures result from a participants' termination of service prior to achieving full vesting in the Plan contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$22,569 and \$27,845, respectively. Forfeited non-vested accounts are first used to re-instate prior forfeitures of participants who are re-employed by the Company, then, if elected by the Company, to pay for the Plan's administrative expenses. Then, they are used to fund contributions. In 2021, \$13,448 was used to reduce employer contributions and \$100 was used to pay Plan expenses. In 2020, \$8,763 was used to reduce employer contributions and \$100 was used to pay Plan expenses.

Payment of Benefits

Upon termination of service, a participant is entitled to receive the value of his or her account in a lump sum or other payment methods.

The Plan adopted certain relief provisions included in the CARES Act, including allowing penalty-free distributions up to \$100,000 through December 31, 2020 for qualifying reasons.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become fully vested regardless of the vesting schedule.

Hardship Withdrawal

In cases of immediate and heavy financial need, as defined by the Plan, participants may be eligible to receive an emergency withdrawal from a certain portion of their vested account balance.

Notes Receivable from Participants

The Plan provides for participant loans of not greater than \$50,000. The minimum loan amount a participant may borrow is \$1,000. However, in no event may participants borrow more than 50% of their vested account balance. Generally, the participant must be an active employee to apply for a loan. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%. Principal and interest is paid ratably through payroll deductions. Loans are repaid over a period selected by the participant; however, such a period may not exceed five years (with the exception of principal residence real estate loans which may be longer).

Plan management also approved changes related to the CARES Act in 2020, including the deferral of loan repayments for up to one year.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Investment Fees and Expenses

Several of the investment fund options are subject to investment fees based upon a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's performance and thus are not separately disclosed in the accompanying financial statements. All other administrative expenses related to the plan may not be paid by the Plan. The Plan Sponsor may, in its discretion, pay any or all expenses. The amount paid by the Plan amounted to \$108,042 and \$107,669 in 2021 and 2020.

2. Summary of Significant Accounting Policies (continued)

Date of Management's Review

In preparing these financial statements, the Company has evaluated events and transactions through November 1, 2022, which is the date the financial statements were available to be issued.

3. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, a qualified institution, has certified the following information as complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends, other income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- All investment information included in the supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions, as of December 31, 2021.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - o Quoted prices for similar assets or liabilities in active markets.
 - o Quoted prices for identical or similar assets or liabilities in inactive markets.
 - o Inputs other than quoted prices that are observable for the assets or liabilities.
 - o Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

4. Fair Value Measurements (continued)

- *Pooled Separate Accounts (PSA)* – Valued at its net asset value (NAV) based on the market value of its underlying investments but the PSA NAV is not a publicly quoted price in an active market. Prices are validated through an investment analyst review process including direct interaction with external sources or review of recent trade activity. The net asset value is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Level 1	Level 2	Level 3	Total
Investments in securities at fair value	\$ -	\$ -	\$ -	\$ -

5. Investment Contract with Insurance Company

In 2021 and 2020, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Financial Life Insurance Company (TFLIC) totaling \$1,225,386 for 2021 and \$1,375,358 for 2020. TFLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TFLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

6. Income Tax Status

The Internal Revenue Service has determined and informed the plan by a letter dated March 31, 2008, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is a pre-approved Volume Submitter Plan. The Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

7. Related Party Transactions

Certain Plan investments are shares of mutual funds that were managed by Transamerica Financial Life Insurance Co. during the plan years ended December 31, 2021 and 2020. These transactions are considered to be party-in-interest transactions.

8. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

COVID-19

In March 2020, the World Health Organization designated COVID-19 a pandemic. COVID-19 had a significant effect on overall economic conditions in nearly all regions around the world. The COVID-19 pandemic has caused volatility in financial markets and may continue to affect the market price of plan assets. Due to the uncertainty of the duration and the continued effects of this pandemic, the near- and long-term financial effects cannot be reasonably estimated at this time.

9. Delinquent Contributions

In 2021 and 2020, the sponsor failed to remit participant contributions in a timely manner. The sponsor identified 48 instances for a total of \$66,682 in 2021 and 52 instances for a total of 93,208 in 2020, in which participant contributions were remitted to the Plan in violation of the Department of Labor (DOL) regulations. For 2020, the sponsor calculated the amount of lost earnings and remitted it to the plan in 2020. For 2021, the amount of lost earnings due to the plan was calculated and remitted to the plan.
