Independent Auditor's Report

To the Plan Administrator and Plan Participants of the
PARPRO Technologies, Inc. 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of PARPRO Technologies, Inc. 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements.")

Management, having determined it is permissible in the circumstances, has elected to have the audit of PARPRO Technologies, Inc. 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PARPRO Technologies, Inc. 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PARPRO Technologies, Inc. 401K Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PARPRO Technologies, Inc. 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PARPRO Technologies, Inc. 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statements of PARPRO Technologies, Inc. 401K Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any audited procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PARPRO Technologies, Inc. 401K Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1. Plan Description and Summary of Significant Accounting Policies

The following description of the PARPRO Technologies, Inc. 401K Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2002 to qualify as a defined contribution retirement plan for PARPRO Technologies, Inc.’s (the “Company” or “Employer”) eligible employees. The Plan has a pre-tax salary reduction provision as defined under Section 401(k) and an employer matching contribution under Section 401(m) of the Internal Revenue Code (the “IRC”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Eligibility

All employees of the Company are eligible to participate in the Plan except those covered by a collective bargaining agreement and bonafide residents of Puerto Rico. No age or service is required to be eligible to participate in the Plan. Participants may enter the Plan immediately.

Contributions

Under the terms of the Plan, participating employees may contribute between 1% and 50% of their annual compensation not to exceed the amount allowable under federal limitations. Participants may also rollover amounts representing distributions from other qualified retirement or profit sharing plans. Also, under the terms of the Plan, the Company may make a matching and/or discretionary contribution to each participant’s account. The Company chose to make matching contributions for the year ended December 31, 2021, based on 75% of each participant’s contribution up to the first 4% of their eligible compensation.

The Company may also make non-elective contributions which are not matching contributions. The non-elective contributions may be discretionary or may be utilized to satisfy certain administrative provisions relating to the Plan’s operations.

Participants direct the investment of all contributions to their account into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contributions, (b) the Company’s discretionary contributions and (c) Plan earnings less an allocation of investment and operating expenses charged to the Plan. Allocations of Company discretionary contributions are allocated to participants who are active participants on the last day of the Plan year.

Note 1. Plan Description and Summary of Significant Accounting Policies (continued)

Vesting

Participants are 100% vested in their contributions, rollover contributions and earnings on their contributions. Participants shall become vested in their Company discretionary contribution, Company matching contributions and earnings on Company discretionary and matching contributions as follows:

<u>Periods of Service for Vesting</u>	<u>Percent Vested</u>
Less than one year	0%
One year but less than two years	33%
Two years but less than three years	66%
Three years or more	100%

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Company matching contribution accounts and earnings on Company contributions may be used to reduce future Company contributions, pay Plan expenses or allocated to participant accounts. For the year ended December 31, 2021, no amounts were used to reduce Company contributions or to pay Plan expenses. As of December 31, 2021 and 2020, there was approximately \$12,600 and \$8,600, respectively, of forfeitures available for use.

Plan Benefits

Plan benefits are distributed in a lump sum or in the form of a deferred payout upon normal retirement age of 65, death or total disability prior to retirement. Upon termination of employment by reason other than retirement, death or total disability, a participant may request to receive a cash distribution from their account. Active participants may withdraw any part of their account in a single sum in the event of undue financial hardship or attainment of age 59 ½.

Upon termination but prior to attaining the age of 62 or normal retirement age, a participant's total vested benefit of less than \$1,000 (excluding participant rollovers) is subject to an involuntary cash-out distribution even if the participant does not consent to a distribution. Any distribution greater than \$1,000 but less than \$5,000 (including participant rollover) that is made with the participant's consent will be rolled over to an individual retirement plan with an affiliate of Prudential Retirement Insurance and Annuity Company.

Plan Administrative Expenses

The Company provides or pays for certain accounting, legal and management services without charge to the Plan. Fees related to the administration of notes receivable from participants and certain fees related to distributions are charged directly to participant's accounts and are included in administration expenses. Additionally, plan recordkeeping fees are paid by the Company. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Note 1. Plan Description and Summary of Significant Accounting Policies (continued)

Basis of Presentation

The accompanying financial statements for the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Except for unutilized forfeitures (Note 1), the net assets of the Plan are allocated entirely to participants' accounts.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Revenue Recognition

All investments are carried at fair value or an approximation of fair value except for fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Non-Distributed Benefits

The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Funding Policy

Contributions for participant deferrals and Company matching contributions are funded on a bi-weekly basis concurrent with each pay period.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

Note 1. Plan Description and Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants (continued)

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest.

Concentrations

As of December 31, 2020, one investment accounted for approximately 24% of Plan net assets.

Subsequent Events

The Company has evaluated all events subsequent to December 31, 2021, the date of the statement of net assets available for benefits, through the date of the Independent Auditor's Report, the date which the financial statements were available for issuance.

Note 2. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all amounts credited to their accounts.

Note 3. Tax Status

The Company has adopted a standardized prototype plan which obtained its latest opinion letter on April 29, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision was made for federal income taxes in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

Note 4. Information Certified by the Trustee and Investment Contract Issuer

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Prudential Bank and Trust, F.S.B., the trustee of the Plan, and by Prudential Retirement Insurance and Annuity Company, an investment contract issuer, as complete and accurate, except for comparing such information certified by the trustee and investment contract issuer to information included in the Plan's financial statements and supplemental schedule:

b) Notes receivable from participants*	<u>\$ 123,723</u>	<u>\$ 170,076</u>

**Notes receivable from participants are participant loans allowed under the related regulations. The participant loans are certified by the trustee, and are included as investments on the supplemental schedule, Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.*

d) Supplemental Schedule:

Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 5. Fair Value Measurements

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020:

Mutual funds: These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5. Fair Value Measurements (continued)

The following tables set forth by level within the fair value hierarchy the investments held by the Plan as of December 31, 2021 and 2020:

Fair Value Measurements Using Input Type				
<u>December 31, 2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments measured at fair value	<u>\$ 7,410,625</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 7,410,625</u>

Fair Value Measurements Using Input Type				
<u>December 31, 2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments measured at fair value	<u>\$ 5,591,204</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 5,591,204</u>

Note 6. Investment Contract with Insurance Company

The Plan participates in a contract with Prudential whereby the assets of the Plan are part of the general assets of Prudential. This contract is identified and accounted for as a guaranteed interest account. The guaranteed interest account is a fully benefit-responsive investment contract that offers a guarantee on principal and interest by Prudential Retirement Insurance and Annuity Company (“the Issuer”), an affiliate of the trustee.

This investment is valued at contract value which represents the deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the Plan. The guaranteed interest account promises contract value for a benefit event (termination, death, disability and retirement), and upon discontinuation of the contract. There are no market value adjustments when funds are withdrawn.

The guaranteed interest account provides guaranteed interest rates for specified periods of time as determined or allowed by the contract. The rate credited is the rate in effect on the day when each deposit is directed to the funds.

Note 6. Investment Contract with Insurance Company (continued)

The interest crediting rate is determined semi-annually. The minimum crediting rate is 1.50%. The interest crediting rate is calculated based upon many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. The guarantees made with regard to the guaranteed interest account are supported by Prudential's general account. There are no reserves against contract value for credit risk of the Issuer or otherwise.

Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 8. Related Party and Party-In-Interest Transactions

The Plan has an investment in a guaranteed interest account which is part of the general assets of Prudential Retirement Insurance and Annuity Company, the Plan's investment contract issuer.

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to Prudential Bank and Trust, F.S.B., other investment custodians and investment advisors.

Additionally, as noted in Note 1, certain administrative expenses related to participant related activities are paid directly to an affiliate of Prudential Bank and Trust, F.S.B. In addition, certain plan recordkeeping fees may be paid by the Plan. All fees paid directly by the Plan to Prudential Bank and Trust, F.S.B. are included in administration expenses.

The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

Note 9. Excess Contributions Payable

Contributions received from participants for the plan year ended December 31, 2020 include \$174 of excess contributions that were distributed in 2021 to an active participant. The excess contributions, originally contributed during the year ended December 31, 2020, were received by the Plan as a payment on a note receivable from a participant in excess of the balance due. The excess contributions were held by the Plan in a non-interest bearing cash account as of December 31, 2020. The amounts are included in the Plan's statements of net assets available for benefits as excess contributions payable as of December 31, 2020.

Note 10. Reconciliation of Financial Statements to the Form 5500

The differences between the Form 5500 and the financial statement reporting is primarily due to the Form 5500 being prepared on a modified cash basis of accounting while the financial statements are prepared on the accrual basis accounting.

The following is a reconciliation of net assets available for benefit per the financial statements to the Form 5500:
