INDEPENDENT AUDITORS' REPORT

To the Members of the VEBA Oversight Committee
And Participants of IAP Worldwide Services Employee Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the IAP Worldwide Services Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) and of benefit obligations as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) and changes in benefit obligations for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Modified Cash Basis

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Reportable Transactions for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The follow description of the IAP Worldwide Services (the "Company") Employee Benefit Plan (the "Plan") provides only general information. Participants should refer to their individual project's plan agreements for a more complete description of the Plan's provisions.

General

The Plan is a welfare benefit plan providing medical and dental benefits under designated benefit programs to eligible full-time and part-time salaried, hourly, and union employees of the Company, plan sponsor and administrator. The Plan also provides for the payment of fully insured vision, short-term disability, long-term disability, life and accidental death and dismemberment benefits for certain employees of the Company under the provisions of a group insurance policy. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Employee and employer contributions to the Plan are based on the cost sharing provisions of the various benefit programs offered under the Plan.

Payment of Benefits

Blue Cross/Blue Shield ("BCBS") is the third-party administrator for all the self-insured medical plan options, self-insured prescription drug program, and processed and paid fully insured life, accidental death and dismemberment, short-term disability, and long-term disability claims. Delta Dental administered the self-insured dental plan. Vision Service Plan processed and paid fully insured vision claims. Wageworks administered the flexible spending accounts and also administered a Health Savings Accounts ("HSA") option. The Plan also offers fully insured HMOs, an HRA, and project specific policies. Benefits are paid according to the provisions of the coverage applicable to each claim submitted.

Stop Loss Coverage

The Plan has a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits. It covers individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits are presented on the modified cash basis of accounting. The principal difference between the modified cash basis of accounting for the Plan and the accrual basis of accounting is that health benefits paid are recorded when funded by the Plan rather than at the time a claim is authorized for payment. Premiums paid to insurance carriers are reported when paid.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Stop Loss

Premiums for stop loss insurance are included in insurance premiums in the accompanying Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis). Stop loss refunds totaling $91,922 have been netted with claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2021.

Refunds

Refunds from the Plan's service providers are recorded when paid. Pharmacy rebates totaling $483,908 have been netted with claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2021.

Benefit Obligations

The Plan's liabilities for estimated health claims incurred but not reported as of December 31, 2021 and 2020 approximated $357,000 and $419,000, respectively, and represent the amounts estimated collectively by BCBS, TASC and Delta Dental for self-insured and end of contract claims which were incurred prior to December 31, 2021 and 2020, respectively, but not reported to them as of that date.

Expenses

Expenses are paid by the Plan to the limits allowed by plan provisions. All remaining administrative expenses are paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TMI Trust Company, the custodian, has provided certifications that the financial information included in the financial statements as of December 31, 2021 and 2020 and the supplemental schedule for the year ended December 31, 2021 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021 and the supplement schedule for the year ended December 31, 2021 is covered by such certification and has not been audited by independent auditors.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 – TAX STATUS

The Voluntary Employees Beneficiary Association ("VEBA") Plan trust funding the Plan received an exemption letter from the Internal Revenue Service ("IRS") dated July 27, 2010, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2021 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan's cash balance is exposed to credit risk. At times, cash balances exceed federally insured amounts. The Plan believes it reduces risks associated with balances in excess of federally insured amounts by maintaining its cash with major financial institutions with sound financial standing. If liquidity issues arise in the global credit and capital markets, it is at least reasonably possible that these changes in risks, that include global events such as a pandemic or international conflict, could materially affect the amounts reported in the accompanying financial statements.

The Plan's benefit obligations are estimated and reported based on assumptions pertaining to historic claims experience, which is subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in these estimates in the near future would be material to the financial statements.

NOTE 7 – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the custodian, actuary and accounting. These expenses are reported on the Statement of Changes in Net Assets Available for Benefits – Modified Cash Basis as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
