REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
KRBA Holdings, LLC 401(k) Profit Sharing Plan Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of KBRA Holdings, LLC 401(k) Profit Sharing Plan Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the KBRA Holdings, LLC (the Company or Employer) 401(k) Profit Sharing Plan Trust (the Plan) is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have performed at least one month of service (as defined by the Plan document) and are age 21 or older. The Plan was established effective January 1, 2020. Ascensus Trust Company ("Ascensus") is the trustee of the Plan's assets and Ascensus, LLC provides recordkeeping services as subcontracted by Vanguard. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Amendments

The Plan was amended and restated effective November 15, 2021 to include the most recent federal regulations.

Contributions

Unless otherwise elected, new participants are automatically enrolled in the Plan at a deferral rate of 5% of eligible compensation, not to exceed a maximum of \$19,500 for the year ended December 31, 2021. Participants may also contribute Roth contributions to the Plan. Participants who are 50 years of age and older may also make additional catch-up contributions of or up to \$6,500 for the year ended December 31, 2021.

Employer matching contributions are discretionary. The Employer matching contribution is 50% of the first 5% of an employee's total eligible compensation for each employee who made a pre-tax deferral or a Roth deferral Plan during the year, worked 1,000 hours during the Plan year, and was still employed on the last day of the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contribution, if any, and an allocation of the Plan investment results. Allocations of the earnings or losses are based on participant's account balances. The benefit to which a participant is entitled is the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and Employer contributions plus actual earnings thereon.

Notes Receivable from Participants

The Plan permits participants to borrow a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balances or \$50,000. All loans are secured by the borrowing participant's vested account balance. The loans may be repaid through payroll deductions over the period of the loan. The interest rate for monies borrowed is equal to the Prime rate per the Wall Street Journal, plus 1%. As of December 31, 2021, notes receivable from participants had maturities through 2028 at interest rates ranging from 4.25% to 6.75%. The Plan permits participants to have a maximum of 2 loans outstanding at any given time.

Payment of Benefits

Upon termination of service due to death, disability, termination or retirement, the vested interest of the account balance is payable to the participant (or beneficiary, if participant is deceased). Participants may also receive in-service distributions upon attaining age 59½, or for financial hardship. The form of payment available includes partial payments, single lump-sum payments or a direct rollover distribution into an eligible retirement plan.

Cares Act

On March 27, 2020, in response to COVID-19, the Coronavirus Aid, and Economic Security (CARES) Act was signed into law. The CARES Act permits qualified Plan participants to withdraw penalty free distributions of up to \$100,000 during 2020 and waives the required minimum distributions for 2021. The Plan administrator adopted these provisions of the CARES Act and will amend the Plan pursuant to the regulations.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are used to reduce future Employer contributions. There were no forfeited non-vested amounts as of December 31, 2021 and 2020, or applied to reduce Employer contributions in 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Investments and Income Recognition

The investments of the Plan are held by Ascensus. The Plan's investments are stated at fair value (see Note 3 for additional information). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Security transactions are accounted for on the trade-date basis. Dividend income is accrued on the ex-dividend date. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation/depreciation is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Risks and Uncertainties

The Plan's investment strategies include investments that are exposed to varying degrees of risk, such as interest rates, credit and overall market volatility risks. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The COVID-19 outbreak, which was declared a pandemic by the World Health Organization on March 11, 2020, has negatively impacted the world economy and most companies, including the Company. The Plan is stated at fair value based on the closing price of registered investments as of December 31, 2021. The impact of COVID-19 on companies continues to evolve rapidly and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses is recorded as of December 31, 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, including recordkeeping fees, investment advisory fees, and fees for participants' withdrawals, are generally paid out of the Plan assets; however, the Company may elect to pay expenses. Investment-related fees are included in the net appreciation on fair value of investments. In 2021, audit fees and investment advisory fees were paid by the Plan sponsor.

NOTE 3 - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy are as described as follows, the hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

KBRA Holdings, LLC 401(k) Profit Sharing Plan Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair measurement at the reporting date.

The fair value measurement level of assets or liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

The Plan's mutual funds are traded in active markets. The Plan's principal markets for these investments are the NYSE and the NASDAQ Stock Exchange. Accordingly, the mutual funds are considered Level 1 assets and are carried at their quoted market values, or net asset value (NAV) of shares held by the Plan at year-end.

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 41,096,780	\$ -	\$ -	\$ 41,096,780

NOTE 4 - CERTIFIED FINANCIAL INFORMATION

The information in the financial statements and supplemental schedule was summarized from information supplied and certified as complete and accurate by Ascensus, LLC, as agent for Ascensus, the trustee. Ascensus holds the Plan's assets and executes transactions thereon.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Ascensus, LLC has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value and contract value, and noted receivable from participants, as shown in the statements of net assets available for benefits at December 31, 2021 and 2020;

KBRA Holdings, LLC 401(k) Profit Sharing Plan Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

NOTE 5 - PLAN TERMINATION

The Company has the right, at any time, to terminate the Plan, subject to the provisions of ERISA, by delivering to the Trustee written notice of such termination. Upon termination, all amounts credited to the affected participants' accounts shall become 100% vested and will not thereafter be subject to forfeiture, and all unallocated amounts shall be allocated to the accounts of all participants in accordance with the plan provisions.

The Company has no intention to terminate the Plan at this time.

NOTE 6 - INVESTMENTS, AT CONTRACT VALUE

The Prudential Retirement and Insurance Annuity Company (Prudential) Guaranteed Income Fund is a fully benefit-responsive traditional investment contract with Prudential. As of December 31, 2021 and 2020, the contract value of the investment with Prudential was \$2,293,307 and \$1,715,360, respectively. Prudential maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Prudential may not terminate the contract at any amount less than contract value. Prudential is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The guaranteed interest rate is announced in advance and is guaranteed for a six-month period. A minimum rate will apply of 2% was in effect for January 1, 2021 through June 30, 2021 and 1.9% for July 1, 2021 through December 31, 2021. The Plan may terminate the contract at any time subject to a market value adjustment as specified in the contract, however, under certain emergency conditions, the issuer may defer payment for a period of up to 365 days. Additionally, the Plan may also terminate the contract without a market value adjustment by making withdrawals of the entire amount over a four-year period.

Because the guaranteed interest contract is a fully benefit-responsive, contract value is the relevant measurement attribute. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, minus participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value with Prudential. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal for the Plan, or (4) the failure of the trust to qualify for exemption under ERISA. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 7 - INCOME TAX STATUS

The Plan has not obtained a determination letter from the IRS stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). However, the Plan is relying on IRS approval of the prototype plan document. The IRS has determined and informed Ascensus, LLC by a letter

KBRA Holdings, LLC 401(k) Profit Sharing Plan Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

dated January 1, 2018, that the prototype plan document was designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax exempt.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets consist of certain investment managed by Vanguard, an affiliate of the recordkeeper. The Plan pays asset management and recordkeeping fees to Vanguard. These transactions qualify as party-in-interest transactions as defined by ERISA.

NOTE 9 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	2021	2020
