

Form 5500 Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Annual Return/Report of Employee Benefit Plan This form is required to be filed for employee benefit plans under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and sections 6057(b) and 6058(a) of the Internal Revenue Code (the Code). ▶ Complete all entries in accordance with the instructions to the Form 5500.	OMB Nos. 1210-0110 1210-0089 2021 This Form is Open to Public Inspection
---	--	---

Part I	Annual Report Identification Information
For calendar plan year 2021 or fiscal plan year beginning <u>01/01/2021</u> and ending <u>12/31/2021</u>	

A This return/report is for: ☐ a multiemployer plan ☐ a multiple-employer plan (Filers checking this box must attach a list of participating employer information in accordance with the form instructions.)

☒ a single-employer plan ☐ a DFE (specify) _____

B This return/report is: ☐ the first return/report ☐ the final return/report

☒ an amended return/report ☐ a short plan year return/report (less than 12 months)

C If the plan is a collectively-bargained plan, check here. ☐

D Check box if filing under: ☒ Form 5558 ☐ automatic extension ☐ the DFVC program

☐ special extension (enter description) _____

E If this is a retroactively adopted plan permitted by SECURE Act section 201, check here. ☐

Part II	Basic Plan Information —enter all requested information		
1a Name of plan <u>CAMBREX CORPORATION SAVINGS PLAN</u> 2a Plan sponsor's name (employer, if for a single-employer plan) Mailing address (include room, apt., suite no. and street, or P.O. Box) City or town, state or province, country, and ZIP or foreign postal code (if foreign, see instructions) <u>CAMBREX CORPORATION</u> <u>ONE MEADOWLANDS PLAZA</u> <u>EAST RUTHERFORD, NJ 07073</u>	1b Three-digit plan number (PN) ▶ <u>003</u>	1c Effective date of plan <u>09/15/1976</u>	
	2b Employer Identification Number (EIN) <u>22-2476135</u>		
	2c Plan Sponsor's telephone number <u>201-804-3054</u>		
	2d Business code (see instructions) <u>325410</u>		

Caution: A penalty for the late or incomplete filing of this return/report will be assessed unless reasonable cause is established.

Under penalties of perjury and other penalties set forth in the instructions, I declare that I have examined this return/report, including accompanying schedules, statements and attachments, as well as the electronic version of this return/report, and to the best of my knowledge and belief, it is true, correct, and complete.

Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection
--	--	---

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021		
A Name of plan CAMBREX CORPORATION SAVINGS PLAN	B Three-digit plan number (PN) ►	003
C Plan sponsor's name as shown on line 2a of Form 5500 CAMBREX CORPORATION	D Employer Identification Number (EIN) 22-2476135	

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a	0	0

(2) From this plan.....	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: BDO USA, LLP

(2) EIN: 13-5381590

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a	X		59478

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
4d		X	
e Was this plan covered by a fidelity bond?	X		10000000
4e	X		10000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?	X		2874
4l	X		2874
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		X	
4n		X	
5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.			
5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)			
5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)	
5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

Independent Auditor's Report

To the Plan Administrator
Cambrex Corporation Savings Plan
East Rutherford, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cambrex Corporation Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cambrex Corporation Savings Plan

Notes to Financial Statements

1. Description of Plan

The following brief description of the Cambrex Corporation Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan to provide all eligible employees of Cambrex Corporation and its U.S. subsidiaries (Cambrex or the Company) a vehicle to accumulate savings. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The assets of the Plan are maintained, and transactions therein are executed, by Fidelity Management Trust Company (Fidelity or the Trustee). Fidelity also serves as record keeper and custodian of the Plan.

Eligibility for Participation

All U.S. employees of the Company, who work at least 20 hours per week or 1,000 hours per year, are eligible to participate in the Plan on the first of the month following completion of thirty consecutive days of service. Employees covered by a collective bargaining agreement, leased employees and employees not a citizen of the United States are excluded from participation in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and the participant's share of Plan earnings (losses), less fees associated with specific transactions or services associated with the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to make pre-tax contributions and/or Roth contributions to the Plan through payroll deductions in whole percentages of at least 1%, and not more than 50%, of their compensation on either a before-tax and/or after-tax basis. Pre-tax participant contributions may not exceed the smaller of 50% of the participant's base compensation or \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The catch-up contribution is limited to \$6,500 in 2021.

The Company matches 100% of employees' contributions on the first 3% of their compensation; an additional 50% of the contribution based on the succeeding 3%; and no match for contributions in excess of 6%. The Plan participants designate the investment funds to which the Company match will be made.

Rollovers

Rollovers represent transfers of account balances of certain participants into certain investments of the Plan from other qualified plans or from individual retirement accounts.

Cambrex Corporation Savings Plan

Notes to Financial Statements

Vesting

A participant's contributions plus corresponding actual earnings shall always be fully and immediately vested. Participants shall vest in the matching Employer contributions at 25% for each year of service completed. If not already fully vested under the preceding basis, participants shall be 100% vested in their matching employer contributions upon normal retirement date, permanent disability, or death. At the time of termination, any unvested employer contributions are applied to a forfeiture account within the Plan. These forfeited Company contributions are accumulated in the forfeiture account and are available to reduce subsequent Company contributions. The balance of forfeited accounts was \$4,508 and \$13 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$217,100 was forfeited by withdrawing participants, \$213,663 was used to offset the Employer matching contribution, and the forfeiture account earned \$1,058 in investment income.

Payment of Benefits

Upon retirement, disability, death, or termination of service, an election can be made to receive a lump-sum payment or rollover the distribution amount to an individual retirement account. Hardship distributions are also allowed. All vested amounts less than \$1,000 are immediately distributed. Other withdrawals from participants' accounts may be made under certain circumstances, as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, less the participants' highest outstanding loan balances over the previous 12 months, except for loans taken under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) during 2020, which increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance. Only one outstanding loan is allowed at any given time, and no more than one loan will be approved per calendar year for any participant.

There are two types of loans available: a regular loan, with a repayment period from one year up to five years; and a primary residence loan, with a repayment period from one year up to 15 years. Loans are collateralized by the balance in the participant's account and bear interest at 0.5% above the prime rate determined on October 1st, or the first business day thereafter at the time the loan is established. The amounts borrowed are transferred from the investment funds to the participant loan fund on a proportional basis. Repayments of principal and interest are collected ratably through payroll deductions and are transferred to the investment funds according to the participant's elections. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rate on loans outstanding at December 31, 2021 and 2020 were 3.75% to 9.50%

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Cambrex Corporation Savings Plan

Notes to Financial Statements

Plan Expenses

The majority of administrative expenses for the Plan are paid directly by the Company and are excluded from these financial statements. Additionally, certain other fees are charged directly to individual participant's accounts related to specific transactions or services associated with those participants.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued based on the published market value as quoted on a national securities exchange. Money market funds are valued at the closing price reported by the fund sponsor from an actively traded exchange.

Purchase and sale of securities are reflected on a trade date basis with the gain or loss recognized on the sale of securities being based on the average cost. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Fair Value Measurements

The Financial Accounting Standards Board's (FASB) fair value measurement guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- *Level 1* - This level consists of quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.
- *Level 2* - This level consists of observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data or other means.

Cambrex Corporation Savings Plan

Notes to Financial Statements

- *Level 3* - This level consists of unobservable inputs are used when little or no market data is available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs or minimize the use of unobservable inputs.

Financial assets carried at fair value are classified in the following tables in one of the three categories described above:

Fair Value Measurements at December 31, 2021

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 8,149,728	\$ 8,149,728	\$ -	\$ -
Mutual funds	\$ 141,761,844	\$ 141,761,844	-	-
	\$ 149,911,572	\$ 149,911,572	\$ -	\$ -

Fair Value Measurements at December 31, 2020

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 5,986,651	\$ 5,986,651	\$ -	\$ -
Mutual funds	\$ 119,147,731	\$ 119,147,731	-	-
	\$ 125,134,382	\$ 125,134,382	\$ -	\$ -

4. Parties-In-Interest Transactions

Fidelity serves as trustee, record keeper, and custodian of the Plan and, therefore, is a party-in-interest. Fees paid by the Plan for the investment management services amounted to \$57,484 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

5. Plan Termination

Although the Company has not expressed any intention to do so, the Company has the right under the Plan to temporarily or permanently discontinue its employer contributions to the Plan or to terminate or partially terminate the Plan at any time subject to the provisions set forth by ERISA. In the event of, and upon, the Company's termination or partial termination of the Plan or complete discontinuance of contributions, the interest in the portion of each affected participant's account balance attributable to employer contributions shall become fully vested. Unless the Company's Board of Directors (the Board) deems otherwise, termination of the Plan shall not accelerate any such payments for the benefit of the participants or their beneficiaries, but the assets shall continue to be held for distribution and application in the manner prescribed by the Plan.

Cambrex Corporation Savings Plan

Notes to Financial Statements

6. Tax Status

The Plan is a pre-approved plan from Fidelity (a Volume Submitter Plan), which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the pre-approved Volume Submitter Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has been amended since the effective date. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Certified Investments

The Company is party to a trust agreement with Fidelity Management Trust Company for the holding and administration of the Plan assets. The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividend income, and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

8. Risks and Uncertainties

The Plan invests in various publicly traded mutual funds and a money market fund. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Cambrex Corporation Savings Plan

Notes to Financial Statements

The Plan's exposure to a concentration of risk is limited by the diversification of investments across various participant-directed investment options. Additionally, the investments within each participant-directed investment option are further diversified into varied financial instruments.

9. Delinquent Participant Contributions

During the years ended December 31, 2019, 2020 and 2021, the Company did not remit various employee salary deferred contributions, totaling \$59,478 in a timely manner as required by U.S. DOL regulations. In the year ended December 31, 2021 the Company self-corrected the 2020 and 2019 late remittances with contributions totaling \$336 in lost earnings. The lost earnings include the amount the participants should have earned from the date the deferred contributions should have been made through the date of correction. The 2021 late remittance have not yet been corrected. The Company intends to self-correct these remittances in the subsequent period and does not expect the amount of lost earnings to be material.

The Company has not estimated the amount of potential fines or penalties related to these prohibited transactions.

10. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions from the Plan relating to 2020 were distributed to the applicable participants in May 2021.

11. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.

Independent Auditor's Report

To the Plan Administrator
Cambrex Corporation Savings Plan
East Rutherford, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cambrex Corporation Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cambrex Corporation Savings Plan

Notes to Financial Statements

1. Description of Plan

The following brief description of the Cambrex Corporation Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan to provide all eligible employees of Cambrex Corporation and its U.S. subsidiaries (Cambrex or the Company) a vehicle to accumulate savings. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The assets of the Plan are maintained, and transactions therein are executed, by Fidelity Management Trust Company (Fidelity or the Trustee). Fidelity also serves as record keeper and custodian of the Plan.

Eligibility for Participation

All U.S. employees of the Company, who work at least 20 hours per week or 1,000 hours per year, are eligible to participate in the Plan on the first of the month following completion of thirty consecutive days of service. Employees covered by a collective bargaining agreement, leased employees and employees not a citizen of the United States are excluded from participation in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and the participant's share of Plan earnings (losses), less fees associated with specific transactions or services associated with the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to make pre-tax contributions and/or Roth contributions to the Plan through payroll deductions in whole percentages of at least 1%, and not more than 50%, of their compensation on either a before-tax and/or after-tax basis. Pre-tax participant contributions may not exceed the smaller of 50% of the participant's base compensation or \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The catch-up contribution is limited to \$6,500 in 2021.

The Company matches 100% of employees' contributions on the first 3% of their compensation; an additional 50% of the contribution based on the succeeding 3%; and no match for contributions in excess of 6%. The Plan participants designate the investment funds to which the Company match will be made.

Rollovers

Rollovers represent transfers of account balances of certain participants into certain investments of the Plan from other qualified plans or from individual retirement accounts.

Cambrex Corporation Savings Plan

Notes to Financial Statements

Vesting

A participant's contributions plus corresponding actual earnings shall always be fully and immediately vested. Participants shall vest in the matching Employer contributions at 25% for each year of service completed. If not already fully vested under the preceding basis, participants shall be 100% vested in their matching employer contributions upon normal retirement date, permanent disability, or death. At the time of termination, any unvested employer contributions are applied to a forfeiture account within the Plan. These forfeited Company contributions are accumulated in the forfeiture account and are available to reduce subsequent Company contributions. The balance of forfeited accounts was \$4,508 and \$13 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$217,100 was forfeited by withdrawing participants, \$213,663 was used to offset the Employer matching contribution, and the forfeiture account earned \$1,058 in investment income.

Payment of Benefits

Upon retirement, disability, death, or termination of service, an election can be made to receive a lump-sum payment or rollover the distribution amount to an individual retirement account. Hardship distributions are also allowed. All vested amounts less than \$1,000 are immediately distributed. Other withdrawals from participants' accounts may be made under certain circumstances, as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, less the participants' highest outstanding loan balances over the previous 12 months, except for loans taken under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) during 2020, which increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance. Only one outstanding loan is allowed at any given time, and no more than one loan will be approved per calendar year for any participant.

There are two types of loans available: a regular loan, with a repayment period from one year up to five years; and a primary residence loan, with a repayment period from one year up to 15 years. Loans are collateralized by the balance in the participant's account and bear interest at 0.5% above the prime rate determined on October 1st, or the first business day thereafter at the time the loan is established. The amounts borrowed are transferred from the investment funds to the participant loan fund on a proportional basis. Repayments of principal and interest are collected ratably through payroll deductions and are transferred to the investment funds according to the participant's elections. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rate on loans outstanding at December 31, 2021 and 2020 were 3.75% to 9.50%.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Cambrex Corporation Savings Plan

Notes to Financial Statements

Plan Expenses

The majority of administrative expenses for the Plan are paid directly by the Company and are excluded from these financial statements. Additionally, certain other fees are charged directly to individual participant's accounts related to specific transactions or services associated with those participants.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued based on the published market value as quoted on a national securities exchange. Money market funds are valued at the closing price reported by the fund sponsor from an actively traded exchange.

Purchase and sale of securities are reflected on a trade date basis with the gain or loss recognized on the sale of securities being based on the average cost. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Fair Value Measurements

The Financial Accounting Standards Board's (FASB) fair value measurement guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- *Level 1* - This level consists of quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.
- *Level 2* - This level consists of observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data or other means.

Cambrex Corporation Savings Plan

Notes to Financial Statements

- *Level 3* - This level consists of unobservable inputs are used when little or no market data is available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs or minimize the use of unobservable inputs.

Financial assets carried at fair value are classified in the following tables in one of the three categories described above:

Fair Value Measurements at December 31, 2021

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 8,149,728	\$ 8,149,728	\$ -	\$ -
Mutual funds	\$ 141,761,844	\$ 141,761,844	-	-
	\$ 149,911,572	\$ 149,911,572	\$ -	\$ -

Fair Value Measurements at December 31, 2020

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 5,986,651	\$ 5,986,651	\$ -	\$ -
Mutual funds	\$ 119,147,731	\$ 119,147,731	-	-
	\$ 125,134,382	\$ 125,134,382	\$ -	\$ -

4. Parties-In-Interest Transactions

Fidelity serves as trustee, record keeper, and custodian of the Plan and, therefore, is a party-in-interest. Fees paid by the Plan for the investment management services amounted to \$57,484 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

5. Plan Termination

Although the Company has not expressed any intention to do so, the Company has the right under the Plan to temporarily or permanently discontinue its employer contributions to the Plan or to terminate or partially terminate the Plan at any time subject to the provisions set forth by ERISA. In the event of, and upon, the Company's termination or partial termination of the Plan or complete discontinuance of contributions, the interest in the portion of each affected participant's account balance attributable to employer contributions shall become fully vested. Unless the Company's Board of Directors (the Board) deems otherwise, termination of the Plan shall not accelerate any such payments for the benefit of the participants or their beneficiaries, but the assets shall continue to be held for distribution and application in the manner prescribed by the Plan.

Cambrex Corporation Savings Plan

Notes to Financial Statements

6. Tax Status

The Plan is a pre-approved plan from Fidelity (a Volume Submitter Plan), which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the pre-approved Volume Submitter Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has been amended since the effective date. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Certified Investments

The Company is party to a trust agreement with Fidelity Management Trust Company for the holding and administration of the Plan assets. The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividend income, and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

8. Risks and Uncertainties

The Plan invests in various publicly traded mutual funds and a money market fund. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Cambrex Corporation Savings Plan

Notes to Financial Statements

The Plan's exposure to a concentration of risk is limited by the diversification of investments across various participant-directed investment options. Additionally, the investments within each participant-directed investment option are further diversified into varied financial instruments.

9. Delinquent Participant Contributions

During the years ended December 31, 2019, 2020 and 2021, the Company did not remit various employee salary deferred contributions, totaling \$59,478 in a timely manner as required by U.S. DOL regulations. In the year ended December 31, 2021 the Company self-corrected the 2020 and 2019 late remittances with contributions totaling \$336 in lost earnings. The lost earnings include the amount the participants should have earned from the date the deferred contributions should have been made through the date of correction. The 2021 late remittance have not yet been corrected. The Company intends to self-correct these remittances in the subsequent period and does not expect the amount of lost earnings to be material.

The Company has not estimated the amount of potential fines or penalties related to these prohibited transactions.

10. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions from the Plan relating to 2020 were distributed to the applicable participants in May 2021.

11. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.

Independent Auditor's Report

To the Plan Administrator
Cambrex Corporation Savings Plan
East Rutherford, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cambrex Corporation Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cambrex Corporation Savings Plan

Notes to Financial Statements

1. Description of Plan

The following brief description of the Cambrex Corporation Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan to provide all eligible employees of Cambrex Corporation and its U.S. subsidiaries (Cambrex or the Company) a vehicle to accumulate savings. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The assets of the Plan are maintained, and transactions therein are executed, by Fidelity Management Trust Company (Fidelity or the Trustee). Fidelity also serves as record keeper and custodian of the Plan.

Eligibility for Participation

All U.S. employees of the Company, who work at least 20 hours per week or 1,000 hours per year, are eligible to participate in the Plan on the first of the month following completion of thirty consecutive days of service. Employees covered by a collective bargaining agreement, leased employees and employees not a citizen of the United States are excluded from participation in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and the participant's share of Plan earnings (losses), less fees associated with specific transactions or services associated with the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to make pre-tax contributions and/or Roth contributions to the Plan through payroll deductions in whole percentages of at least 1%, and not more than 50%, of their compensation on either a before-tax and/or after-tax basis. Pre-tax participant contributions may not exceed the smaller of 50% of the participant's base compensation or \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The catch-up contribution is limited to \$6,500 in 2021.

The Company matches 100% of employees' contributions on the first 3% of their compensation; an additional 50% of the contribution based on the succeeding 3%; and no match for contributions in excess of 6%. The Plan participants designate the investment funds to which the Company match will be made.

Rollovers

Rollovers represent transfers of account balances of certain participants into certain investments of the Plan from other qualified plans or from individual retirement accounts.

Cambrex Corporation Savings Plan

Notes to Financial Statements

Vesting

A participant's contributions plus corresponding actual earnings shall always be fully and immediately vested. Participants shall vest in the matching Employer contributions at 25% for each year of service completed. If not already fully vested under the preceding basis, participants shall be 100% vested in their matching employer contributions upon normal retirement date, permanent disability, or death. At the time of termination, any unvested employer contributions are applied to a forfeiture account within the Plan. These forfeited Company contributions are accumulated in the forfeiture account and are available to reduce subsequent Company contributions. The balance of forfeited accounts was \$4,508 and \$13 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$217,100 was forfeited by withdrawing participants, \$213,663 was used to offset the Employer matching contribution, and the forfeiture account earned \$1,058 in investment income.

Payment of Benefits

Upon retirement, disability, death, or termination of service, an election can be made to receive a lump-sum payment or rollover the distribution amount to an individual retirement account. Hardship distributions are also allowed. All vested amounts less than \$1,000 are immediately distributed. Other withdrawals from participants' accounts may be made under certain circumstances, as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, less the participants' highest outstanding loan balances over the previous 12 months, except for loans taken under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) during 2020, which increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance. Only one outstanding loan is allowed at any given time, and no more than one loan will be approved per calendar year for any participant.

There are two types of loans available: a regular loan, with a repayment period from one year up to five years; and a primary residence loan, with a repayment period from one year up to 15 years. Loans are collateralized by the balance in the participant's account and bear interest at 0.5% above the prime rate determined on October 1st, or the first business day thereafter at the time the loan is established. The amounts borrowed are transferred from the investment funds to the participant loan fund on a proportional basis. Repayments of principal and interest are collected ratably through payroll deductions and are transferred to the investment funds according to the participant's elections. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rate on loans outstanding at December 31, 2021 and 2020 were 3.75% to 9.50%.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Cambrex Corporation Savings Plan

Notes to Financial Statements

Plan Expenses

The majority of administrative expenses for the Plan are paid directly by the Company and are excluded from these financial statements. Additionally, certain other fees are charged directly to individual participant's accounts related to specific transactions or services associated with those participants.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued based on the published market value as quoted on a national securities exchange. Money market funds are valued at the closing price reported by the fund sponsor from an actively traded exchange.

Purchase and sale of securities are reflected on a trade date basis with the gain or loss recognized on the sale of securities being based on the average cost. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Fair Value Measurements

The Financial Accounting Standards Board's (FASB) fair value measurement guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- *Level 1* - This level consists of quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.
- *Level 2* - This level consists of observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data or other means.

Cambrex Corporation Savings Plan

Notes to Financial Statements

- *Level 3* - This level consists of unobservable inputs are used when little or no market data is available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs or minimize the use of unobservable inputs.

Financial assets carried at fair value are classified in the following tables in one of the three categories described above:

Fair Value Measurements at December 31, 2021

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 8,149,728	\$ 8,149,728	\$ -	\$ -
Mutual funds	\$ 141,761,844	\$ 141,761,844	-	-
	\$ 149,911,572	\$ 149,911,572	\$ -	\$ -

Fair Value Measurements at December 31, 2020

	Total	Level 1	Level 2	Level 3
Money market fund	\$ 5,986,651	\$ 5,986,651	\$ -	\$ -
Mutual funds	\$ 119,147,731	\$ 119,147,731	-	-
	\$ 125,134,382	\$ 125,134,382	\$ -	\$ -

4. Parties-In-Interest Transactions

Fidelity serves as trustee, record keeper, and custodian of the Plan and, therefore, is a party-in-interest. Fees paid by the Plan for the investment management services amounted to \$57,484 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

5. Plan Termination

Although the Company has not expressed any intention to do so, the Company has the right under the Plan to temporarily or permanently discontinue its employer contributions to the Plan or to terminate or partially terminate the Plan at any time subject to the provisions set forth by ERISA. In the event of, and upon, the Company's termination or partial termination of the Plan or complete discontinuance of contributions, the interest in the portion of each affected participant's account balance attributable to employer contributions shall become fully vested. Unless the Company's Board of Directors (the Board) deems otherwise, termination of the Plan shall not accelerate any such payments for the benefit of the participants or their beneficiaries, but the assets shall continue to be held for distribution and application in the manner prescribed by the Plan.

Notes to Financial Statements

6. Tax Status

The Plan is a pre-approved plan from Fidelity (a Volume Submitter Plan), which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the pre-approved Volume Submitter Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has been amended since the effective date. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Certified Investments

The Company is party to a trust agreement with Fidelity Management Trust Company for the holding and administration of the Plan assets. The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividend income, and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

8. Risks and Uncertainties

The Plan invests in various publicly traded mutual funds and a money market fund. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Cambrex Corporation Savings Plan

Notes to Financial Statements

The Plan's exposure to a concentration of risk is limited by the diversification of investments across various participant-directed investment options. Additionally, the investments within each participant-directed investment option are further diversified into varied financial instruments.

9. Delinquent Participant Contributions

During the years ended December 31, 2019, 2020 and 2021, the Company did not remit various employee salary deferred contributions, totaling \$59,478 in a timely manner as required by U.S. DOL regulations. In the year ended December 31, 2021 the Company self-corrected the 2020 and 2019 late remittances with contributions totaling \$336 in lost earnings. The lost earnings include the amount the participants should have earned from the date the deferred contributions should have been made through the date of correction. The 2021 late remittance have not yet been corrected. The Company intends to self-correct these remittances in the subsequent period and does not expect the amount of lost earnings to be material.

The Company has not estimated the amount of potential fines or penalties related to these prohibited transactions.

10. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions from the Plan relating to 2020 were distributed to the applicable participants in May 2021.

11. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.
