INDEPENDENT AUDITORS' REPORT

**To the Administrative Committee
The Beistle Company 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Beistle Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 31, 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the January 31, 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended January 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on the audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Beistle Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Beistle Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the January 31, 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Beistle Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Beistle Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the January 31, 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV Line 4i – Schedule of Assets (Held at End of Year) as of January 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Supplemental Schedule Required by ERISA (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee The Beistle Company 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of The Beistle Company 401(k) Plan as of January 31, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the January 31, 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus Trust Company, trustee of the Plan, except for comparing information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of January 31, 2021, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the January 31, 2021 financial statement. Accordingly, we do not express an opinion on the January 31, 2021 financial statement.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

**Report on Form and Content in Compliance with DOL Rules and Regulations for January 31, 2021
Financial Statement**

The form and content of the information included in the January 31, 2021 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Beistle Company 401(k) Plan

Notes to Financial Statements

January 31, 2022 and 2021

Note 1 - Description of Plan

The following brief description of The Beistle Company 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for complete information.

General

The Plan was established February 1, 2005. The Plan is a contributory defined contribution plan, which permits participant contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of The Beistle Company (the Company) are eligible after completing three consecutive months beginning on the employee's date of hire, during which time, the employee completes 500 hours of service and attaining age 18 or older. An employee is not eligible for the Plan if they are covered by a collective bargaining unit, a non-resident alien, or a leased employee.

An employee becomes a participant in the Plan on the first day of the month after the eligibility requirements are met.

Service Rules

Employees are credited with a year of service for each plan year during which they have at least 1,000 hours of service.

Plan Amendment

Effective April 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020. Plan participants can take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after February 1, 2020, and before December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Effective July 1, 2021, the Plan document and adoption agreement were restated in accordance with standard plan restatement regulations. No changes were made to the provisions of the Plan as part of the restatement.

Contributions

There are five types of contributions that can be added to a participant's account: an employee salary deferral contribution, a rollover contribution, a safe harbor matching contribution, a discretionary employer matching contribution, and a discretionary profit-sharing contribution. Participants may contribute up to 100% of their annual pre-tax compensation by way of salary deferral contribution. Roth contributions are permitted. Employee elective deferral percentages can only be changed as of the first day of the month. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The participants may direct their accounts into several different investment options. Contributions are subject to certain limitations. Safe harbor employer matching contributions in the amount of \$290,091 and \$303,308 were made for the Plan years ended January 31, 2022 and 2021, respectively. No discretionary employer matching or profit-sharing contribution was made for the Plan years ended January 31, 2022 or 2021.

Note 1 - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The participant's salary deferral accounts, rollover accounts, and safe harbor employer contribution accounts are 100% vested at all times. Vesting of discretionary employer matching contributions and discretionary profit-sharing contributions occurs at the end of three years of service. In the case of death or total disability, regardless of length of service, a participant's account becomes 100% vested.

Payment of Benefits

Upon retirement, disability, or death, distributions will be paid as soon as administratively possible in a lump sum. Upon termination of service other than by retirement, disability, or death, a participant will receive a lump sum payment if the total of their vested account balance, excluding rollovers, does not exceed \$5,000. If the account balance exceeds \$5,000, the assets will generally be held in a trust until the participant's normal or early retirement date. However, terminated participants may elect to receive their vested accounts as soon as administratively feasible.

Administrative Costs

Plan expenses attributable to a specific participant's account under the Plan have been charged to such accounts as permitted by law. Investment related expenses are included in net appreciation in fair value of investments. Recordkeeping fees paid by the Plan were direct expenses from Plan assets for the years ending January 31, 2022 and 2021.

Pending Withdrawals

There was \$-0- allocated to the accounts of persons who as of January 31, 2022 and 2021 have elected to withdraw from the Plan but have not been paid.

Forfeited Accounts

Forfeitures of any discretionary employer matching and discretionary profit-sharing non-vested accounts are used to pay the Plan's ordinary and necessary administrative expenses in the year of the forfeitures. Any forfeiture attributable to the discretionary contributions not used by the Plan for administrative expenses will be allocated to participants eligible to share in the discretionary contribution in the same proportion that their compensation bears to the total compensation of all such participants in the year of the forfeitures. There were no forfeitures during the years ended January 31, 2022 or 2021.

Note 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. Contributions from employees are recorded in the period in which the Company makes authorized payroll deductions from Plan participants.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Mutual Funds

Net investment returns reflect certain fees paid by the mutual funds to their affiliated investment advisors, transfer agents, and others as further described in each fund or account prospectus. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Income Taxes

The Plan is exempt from federal income taxes under the Internal Revenue Code.

Employer Contributions

Employer contributions to the Plan are recognized in the period when the Plan sponsor has made a formal commitment to fund such amounts for the period. Contribution receivables include legal or contractual requirements for the employer to make contributions applicable to past periods. Management has determined that an allowance for doubtful accounts is not necessary at January 31, 2022 and 2021.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 - Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 - defined as observable inputs such as unadjusted quoted prices in active markets for identical assets

Level 2 - defined as inputs other than quoted prices for similar assets in active markets that are either directly or indirectly observable

Level 3 - defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at January 31, 2022 and 2021.

Level 1: Fair Value Measurements

Investments in mutual funds are recorded at fair value based on quoted prices in the relevant active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of January 31:

2022				
Assets at Fair Value Using:				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	<u>\$ 11,119,903</u>	<u>\$ 11,119,903</u>	<u>\$ ---</u>	<u>\$ ---</u>

	2021			
	<u>Fair Value</u>	<u>Assets at Fair Value Using:</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual Funds	\$ <u>10,823,878</u>	\$ <u>10,823,878</u>	\$ <u>---</u>	\$ <u>---</u>

Note 4 - Information Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from the data that has been prepared and certified to as complete and accurate by Ascensus Trust Company, the trustee of the Plan, for the years ended January 31, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Investments with Trust Company	\$ 11,119,903	\$ 10,823,878
Investment Income	1,069,809	1,611,104

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and distribution is to be made by the Trustee.

Note 6 - Income Tax Status

The Plan is operating under an adoption agreement of the prototype defined contribution plan document prepared by Ascensus, Inc. The Internal Revenue Service (IRS) has determined by a letter dated June 30, 2020 that the Ascensus, Inc. prototype plan document was designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's advisors believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to the year ending January 31, 2020.

The Beistle Company 401(k) Plan

Notes to Financial Statements

January 31, 2022 and 2021

Note 7 - Related Party and Party-in-Interest Transactions

All of the Plan's investments are shares in various mutual fund accounts which are managed by the Plan's trustee or an affiliated entity. Administrative maintenance charges are paid to the trustee based on the closing market value of the Funds in the mutual fund account as well as the number of participants with account balances. All transactions which may be considered parties-in-interest transactions relate to normal Plan management, investment and administrative services, and the related payment of fees.

Note 8 - Risks and Uncertainties

Investments of the Plan are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term could materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.

Note 9 - Subsequent Events

Management has evaluated subsequent events through October 21, 2022, the date the financial statements were issued. Events or transactions occurring after January 31, 2022, but prior October 21, 2022, that provided additional evidence about conditions that existed at January 31, 2022 have been recognized in the financial statements for the year ended January 31, 2022.
