INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Riggs, Counselman, Michaels & Downes, Inc.
Thrift and Profit Sharing Plan and Trust

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDITS

We performed audits of the accompanying financial statements of the Riggs, Counselman, Michaels & Downes, Inc. Thrift and Profit Sharing Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of January 31, 2022 and December 31, 2021, the related Statements of Changes in Net Assets Available for Benefits for the period from January 1, 2022 to January 31, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of and for the periods ended January 31, 2022 and December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE FINANCIAL STATEMENTS

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

NOTE 1 **DESCRIPTION OF PLAN**

The following brief description of the Riggs, Counselman, Michaels & Downes, Inc. Thrift and Profit Sharing Plan and Trust (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

GENERAL

The Plan is a defined-contribution plan covering substantially all full-time employees of Riggs, Counselman, Michaels & Downes, Inc. and its subsidiary, RCM&D Self-Insured Services Company, Inc. (collectively referred to as the Company). Employees are eligible to participate on the first day of the month following employment by directing contributions into various investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On December 31, 2020, the Plan sponsor merged with Oswald Companies. Effective January 1, 2022, the Plan merged into the James B. Oswald Co. 401(k) Plan & Trust. Participants' account balances were automatically transferred into new accounts established with the new Plan administrator and mapped to the appropriate target date fund based on the participant's birth date and an assumed retirement age of 65. Participants were able to reallocate their investments once the blackout period was lifted in 2022.

THRIFT COMPONENT

Contributions

The Plan provides for voluntary contributions of up to 100% of pretax salary or basic wages as defined by the Plan with a maximum limit defined by the Internal Revenue Code (IRC). Effective November 1, 2019, the Plan was amended to include automatic deferrals of 5% of a participant's pretax salary or base wages, unless the participant makes an election to the contrary. In addition, the Plan was amended to include voluntary Roth contributions of up to 100% of salary or basic wages as defined by the Plan with a maximum limit defined by the IRC. Participants may also contribute amounts representing distributions from other qualified defined-contribution plans (rollover). The Company contributes 3% of the participant's base compensation and overtime, per pay period. Additional amounts may be contributed at the option of the Company's board of directors.

(See Independent Auditors' Report)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and the participant's share of Plan earnings, subject to certain limitations. Earnings and market value changes are credited to each account daily based on the ratio of the participant's account to the total of all account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, Company matching contributions, and actual earnings thereon.

PROFIT-SHARING PLAN COMPONENT

Contributions

Each year, the Plan provides for contributions by the Company in such amounts as may annually be determined by the board of directors based on the profitability of the Company, but in no event shall any annual contribution, plus any forfeitures, during such year exceed 15% of the annual compensation of all participants as defined by the Plan. No discretionary contribution was made for the period ended January 31, 2022. A discretionary contribution of \$449,307 was made for the year ended December 31, 2021.

Participant Accounts

Any Company profit-sharing contributions are allocated based on a number of factors, including a participant's compensation and age, in a manner which complies with federal law. The participant's account is also credited with the net increase in earnings of the investments based on the ratio a participant's respective investment account bears to the total of all participants' accounts at the allocation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the participant's account plus actual earnings thereon is based on years of continuous service. A participant's account becomes vested in the profit-sharing contributions generally over a six-year period.

(See Independent Auditors' Report)

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are valued at fair value. See Note 6 for a discussion of fair value measurements. Purchases and sales of securities are recorded on the trade-date basis. Interest income is accrued as earned. Dividends are recorded on the ex-dividend dates.

In the Statements of Changes in Net Assets Available for Benefits, the Plan presents the net changes in the fair value of its investments, which consist of the realized gains and losses and the unrealized appreciation or depreciation of those investments during the year.

The investment committee meets annually to review the investment options to ensure they are appropriate for the Plan.

CONTRIBUTIONS

The participants' elective contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. The Company's discretionary contributions are recorded as determined by the Company.

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(See Independent Auditors' Report)

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through November 4, 2022 the date the financial statements were available to be issued.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

ADMINISTRATIVE EXPENSES

Effective November 1, 2019, recordkeeping fees of the Plan are paid by the Plan and are included in the accompanying statements. Fees related to the management of the fund assets are paid by the participants in the form of an investment management fee paid by all shareholders of the mutual funds. Loan origination fees are paid by each participant who elects to borrow from the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan agreement.

NOTE 3 FORFEITED ACCOUNTS

At December 31, 2021, forfeitures amounted to \$46,520. A total of \$39,810 was allocated to participant accounts in 2021.

NOTE 4 NOTES RECEIVABLE FROM PARTICIPANTS

The Plan has a loan provision whereby participants may borrow up to 50% of their elective contribution account balances not to exceed \$50,000. Loan terms are for a maximum of five years and not to exceed 30 years if used to acquire a dwelling unit and must be repaid in equal installments not less than quarterly. Loans bear interest at Wall Street Journal's prime rate plus 1% at the time of the loan and are fixed for the term of the loan. The interest rates on all outstanding loans range from 3.75% to 6.0% as of December 31, 2021. Principal and interest are paid through payroll deductions. Loan balances are due and payable in full when a participant terminates employment.

(See Independent Auditors' Report)

NOTE 5 PAYMENT OF BENEFITS

Participants who retire, die, become totally or permanently disabled, or terminate employment are entitled to receive, or their beneficiaries are entitled to receive, the full value of their vested interest in their account in a lump sum or installments. Participants become fully vested in their account balance upon death or disability.

NOTE 6 INVESTMENTS

Great-West Trust Company, LLC is the Trustee for the Plan. Financial information related to those investments is included in the accompanying financial statements based on information certified as complete and accurate by the Trustee. The information was not audited by the Plan's independent auditors. As of January 31, 2022 and December 31, 2021, certified investment information consisted of the following:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ -	\$ 52,417,543

During 2022 and 2021, certified investment income consisted of the following:

	<u>2022</u>	<u>2021</u>
Net Appreciation in Fair Value of Mutual Funds	\$ 29,774	\$ 4,771,902
Dividends	898	1,580,397
	<u>\$ 30,672</u>	<u>\$ 6,352,299</u>

VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:

(See Independent Auditors' Report)

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at January 31, 2022 and December 31, 2021.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market. These assets are classified as Level 1 within the fair value hierarchy.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 TAX STATUS

The Plan received a letter from the Trustee dated March 31, 2014 stating that the Plan met the qualifications under Code Section 401(a) of the IRC. The Plan since was amended. The Plan sponsor and tax counsel believe the Plan is designed and currently operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

(See Independent Auditors' Report)

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of January 31, 2022.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

The Plan pays investment management and recordkeeping fees to parties in interest. The Plan paid \$127,998 to parties in interest for the year ended December 31, 2021. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
