## Independent Auditor's Report

To the Plan Administrator and Participants  
KELC 401(k) Savings Plan  
Lewisville, North Carolina

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of KELC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of January 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of January 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# KELC 401(k) Savings Plan

## Notes to Financial Statements

---

### 1. Description of Plan

The following description of the KELC 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering substantially all employees of Kaplan Early Learning Company, Inc. (“KELC”), and its wholly owned subsidiaries, AlphaBEST Education, Inc. and Gryphon House, Inc., and affiliated company, Guidecraft USA, Inc. (collectively, the “Company” or “Employer”). Employees who have attained age 18 or older and have completed six months of service with at least 83 hours worked each month are eligible to participate in the Plan. Employees may begin participation as of the first day of the month coinciding with or following the date on which they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Effective October 1, 2022, the Plan’s eligibility requirements were modified to age 18 with three months of service with at least 249 hours.

#### **Contributions**

Eligible employees are automatically enrolled to defer 3% of pre-tax compensation, which will increase by increments of 1% to a maximum of 6%, unless they elect an alternative deferral percent or decline participation in the Plan. Participants may otherwise elect to contribute a percentage of their pre-tax or after-tax compensation, as defined by the Plan, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company will make safe harbor matching contributions equal to 100% of each participant’s deferral up to 1% plus 50% of the next 5% up to 6% of compensation. Profit sharing contributions to the Plan are discretionary and are determined by the Board of Directors. No profit sharing contribution was made during 2022 and 2021.

Upon enrollment in the Plan, a participant may direct participant contributions in any of the investment options offered through the Plan. Participants may change their investment options at any time.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings and administrative expenses. Participants may direct the investment of their account balances into various investment options offered by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### **Vesting**

Participants are immediately vested in their voluntary contributions and any income or loss thereon. Vesting in the Company’s matching portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 100% vested in Company’s safe harbor matching contributions after two years of service.

#### **Payment of Benefits**

Upon termination of service, a participant may elect to receive a lump-sum amount or installment payments equal to the value of the participant’s vested interest in his or her account. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship in accordance with provisions specified in the Plan.

### 1. Description of Plan (Concluded)

#### ***Forfeitures***

Forfeitures of terminated participants' non-vested amounts may be used to reduce Company contributions or offset plan expenses. Forfeitures of \$45,471 and \$36,089 were used to reduce Company matching contributions in 2022 and 2021. Forfeited non-vested accounts of \$22,532 and \$59,233 were available at January 31, 2022 and 2021.

#### ***Notes Receivable from Participants***

Participants may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Terms are generally up to five years and only one note may be outstanding at a time. The notes are secured by the participant's vested account balance and bear interest at the prime rate plus 1% at the date of the application for the note. Principal and interest are paid through payroll deductions.

#### ***Administrative Expenses***

The Company absorbs certain expenses incidental to the administration of the Plan, including internal administrative costs. Distribution and loan fees are paid from affected participant accounts. Other fees, including trustee, recordkeeping, and asset fees, are paid by the Plan.

#### ***Coronavirus Aid, Relief, and Economic Security Act ("CARES Act")***

In 2020, the Plan adopted certain provisions of the CARES Act, which allowed eligible participants negatively impacted by COVID-19 to receive Coronavirus-related distributions and loans. Distributions of up to \$100,000 could be taken through December 30, 2020, with the portion repaid in full or part within three years not subject to tax. Loans of up to \$100,000 or 100% of the participant's vested account balance could be taken through September 22, 2020. Participants could also suspend payments on new or existing loans for payments due between March 27, 2020 and December 31, 2020 for up to one year.

### 2. Summary of Significant Accounting Policies

#### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting.

#### ***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are primarily stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through the Great-West Investments Fixed Account and Key Guaranteed Portfolio Fund, respectively (Note 9).

### 2. Summary of Significant Accounting Policies (Concluded)

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Subsequent Events**

Management has evaluated events occurring subsequent to the date of the financial statements through November 10, 2022, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

### 3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at January 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended January 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company ("Great-West") and Wells Fargo Bank, N.A. ("Wells Fargo"), the respective trustees of the Plan.

### 4. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 5. Income Tax Status

The Plan has adopted a prototype plan document sponsored by Great-West Trust Company, LLC ("GWTC"). The IRS has determined and informed GWTC by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants' accounts will become fully vested and nonforfeitable.

*See accompanying independent auditor's report.*

## Notes to Financial Statements

### 7. Party-in-Interest Transactions

Certain plan investments are managed by an affiliate of Great-West. Great-West is the trustee and recordkeeper as defined by the Plan and, therefore, those transactions qualify as party-in-interest. Fees paid to Great-West by the Plan for trustee and other administrative services were \$80,607 and \$57,871 in 2022 and 2021.

Fees paid by the Plan to Oppenheimer & Co., Inc. for investment advisory services were \$36,538 and \$26,688 in 2022 and 2021.

Fees paid by the Plan to Advised Assets Group, LLC for investment management services were \$6,779 in 2022.

### 8. Fair Value Measurements

The Plan adopted Accounting Standards Codification, "Fair Value Measurements and Disclosures" ("ASC 820") which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

#### **Basis of Fair Value Measurements**

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at January 31, 2022 and 2021.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the investments by level as defined within the fair value hierarchy as of January 31, 2022.

|              | Investment Assets at Fair Value |         |         |               |
|--------------|---------------------------------|---------|---------|---------------|
|              | Level 1                         | Level 2 | Level 3 | Total         |
| Mutual funds | \$ 31,041,242                   | \$ -    | \$ -    | \$ 31,041,242 |
|              | \$ 31,041,242                   | \$ -    | \$ -    | \$ 31,041,242 |

## Notes to Financial Statements

### 8. Fair Value Measurements (Concluded)

The following table summarizes the investments by level as defined within the fair value hierarchy as of January 31, 2021.

### 9. Investments at Contract Value

The Great-West Investment Fixed Account ("GWI") is a general account product of Great-West offered through a group annuity contract. Principal and accumulated interest are fully guaranteed by the general account assets of Great-West. Each quarter an interest rate is established for all money invested in the GWI, regardless of when it was originally deposited. The average yield was 1.13% for 2022. Participants may transfer their account balance from the GWI to any other investment option offered under the Plan at any time without restrictions or penalties. Certain events limit the ability of the Plan to transact at contract value with the issuer. However, the plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

During 2021, the Plan invested in the Key Guaranteed Portfolio Fund ("KGPF"), which was also a general account product of Great-West offered through a group annuity contract. Principal and accumulated interest were fully guaranteed by the general account assets of Great-West. Each quarter an interest rate was established for all money invested in the KGPF, regardless of when it was originally deposited. The average yield was 1.01% for 2021.
