## **Independent Auditors' Report**

### **The Plan Administrator of Farmer Bros. Co. Amended and Restated Employee Stock Ownership Plan**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Farmer Bros. Co. Amended and Restated Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of January 7, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to January 7, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of January 7, 2022 and December 31, 2021, and for the period from January 1, 2022 to January 7, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions for the period from January 1, 2022 to January 7, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Farmer Bros Co. Amended and Restated  
Employee Stock Ownership Plan**

Notes to Financial Statements  
January 7, 2022

**1. Plan Description**

The following description of the Farmer Bros. Co. Amended and Restated Employee Stock Ownership Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan was established on January 1, 2000 and is an employee stock ownership plan covering substantially all employees of Farmer Bros. Co. (the "Company" or "Employer") who had attained an age of eighteen. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan purchased shares of Company common stock using the proceeds of the loans from the Company and held the stock in a trust established under the Plan. The borrowings were repaid by Company contributions to the Plan, and as the Plan made principal payments on the loans. Accordingly, an appropriate percentage of stock was allocated to eligible employees' accounts in accordance with applicable regulations under the Internal Revenue Code. As of December 31, 2018, the loans were paid in full.

The loans were collateralized by the unallocated shares of common stock held by the Plan. The Company had no rights against shares once shares were allocated under the Plan. Accordingly, the financial statements of the Plan as of January 7, 2022 and December 31, 2021 and for the period from January 1, 2022 to January 7, 2022, separately present the assets and liabilities and changes therein pertaining to:

- The accounts of employees with rights in allocated common stock (allocated) and
- Common stock not yet allocated to employees (unallocated).

Effective December 31, 2018, the Company froze the Plan such that (i) no employees of the Company may commence participation in the Plan on or after December 31, 2018; (ii) no Company contributions will be made to the Plan with respect to services performed or compensation received after December 31, 2018; and (iii) the Plan accounts of all individuals who are actively employed by the Company and participating in the Plan on December 31, 2018 will be fully vested as of such date.

Effective January 7, 2022, all Plan assets were merged into the Farmer Bros. Co. 401(k) Plan. There were no remaining assets as of this date.

***Eligibility and Participant Accounts***

Prior to December 31, 2018 all qualifying employees of the Company, who had attained age 18 where eligible to participate in the Plan upon hire. Employees covered by a collective bargaining agreement, which did not provide for their membership in the Plan, were not eligible to participate in the Plan.

**Farmer Bros Co. Amended and Restated  
Employee Stock Ownership Plan**

Notes to Financial Statements  
January 7, 2022

**1. Plan Description (*continued*)**

***Eligibility and Participant Accounts (continued)***

Each participant's account was credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the trustee from the unallocated account and forfeitures of terminated participants' non-vested accounts. Only those participants who were eligible employees of the Company as of the last day of the Plan year and have completed 1,000 hours of service received an allocation. Allocations were based on a participant's eligible compensation, relative to total compensation. Plan earnings were allocated to each participant's account based on the ratio of the participant's account balance.

Through December 31, 2018, a participant was entitled to share in the allocation of contributions and forfeitures for each year in which they completed 1,000 or more hours of service and was still employed by the Company at the end of the Plan year. A participant automatically participated in contributions and forfeitures in the year of normal retirement, disability or death. Allocations of contributions and forfeitures were based upon the ratio of participants' covered compensation to total covered compensation of all eligible participants.

***Contributions***

Before December 31, 2018, the Company made contributions to the Plan, in cash or by cancellation of indebtedness which, when aggregated with the Plan's interest and dividends, was in amounts sufficient to permit the Plan to make timely payments of principal and interest due under the terms of its loans. During 2022, the Company made no contributions, as indebtedness was fully repaid as of December 31, 2018.

***Payment of Benefits***

Upon termination of service due to death, disability, retirement or other reason, a participant was entitled to receive a lump-sum amount equal to the value of the participant's vested interest in their account. The distribution was made no later than ninety days following the latter of a break in service or the employees' sixty-fifth birthday. The amount to be distributed was based upon the immediately preceding valuation date. Distributions were made in shares of Company stock, cash, or in the form of Company stock plus cash for any fractional share of common stock.

***Diversification***

Diversification was offered to participants close to retirement so that they had the opportunity to move part of the value of their investments in Company common stock into investments that are more diversified. Participants who were at least age fifty-five, with at least ten years of participation in the Plan, could elect to diversify a portion of their account either in the form of a distribution or to the Farmer Bros. Co. 401(k) Plan (the "Affiliated Plan"). Diversification was offered to each eligible participant over a six year period. Participants who elected to diversify received a cash distribution. The election to diversify was made subsequent to year-end based upon the shares of Company stock in the participant's account at year-end.

**1. Plan Description (*continued*)**

***Forfeitures***

Forfeitures of non-vested shares were allocated to current participants based upon the ratio of participants' covered compensation for all eligible participants. As of January 7, 2022 and December 31, 2021, there were no forfeitures. No forfeitures were allocated to participants in 2022.

***Vesting***

As of December 31, 2018, all participants are 100% vested.

***Voting Rights***

Each participant was entitled to exercise voting rights attributable to important matters that affect the Company. Participants received proxy voting cards with the annual financial reports.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. All of the Plan's investments that were valued at fair value, were valued using Level 1 inputs.

***Investment Valuation and Income Recognition***

All of the Plan's investments were stated at fair value. The common stock was valued at the closing price reported on the active market on which the security is traded.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employee Stock Ownership Plan**

Notes to Financial Statements  
January 7, 2022

**2. Summary of Significant Accounting Policies (*continued*)**

***Payment of Benefits***

Benefits were recorded when paid.

***Expenses***

Administrative expenses of maintaining the Plan could be paid by the Company or the Plan, at the Employer's discretion. Certain administrative fees were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation (depreciation) in fair value of investments.

***Allocations***

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to the accounts of employees with rights in allocated common stock ("allocated"), and common stock not yet allocated to employees ("unallocated"), including shares that were committed to be released. Shares were released from collateral and became allocated generally in the period in which debt service is actually paid. All shares are allocated as loans have been paid off in full during the year ended December 31, 2018. Amounts in the unallocated account were used to pay Plan expenses.

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is November 15, 2022.

**3. Information Certified (Unaudited)**

The Plan invested in Company common stock which is a related party transaction for the Plan. GreatBanc was the trustee and Principal was the custodian of the Plan; such providers are parties-in-interest under ERISA.

**6. Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer by a letter dated September 15, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP required plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2019; however, there are currently no examinations for any tax periods in progress.
