## Independent Auditor's Report

The Plan Administrator  
Fluent, LLC 401(k) Profit Sharing Plan and Trust 003  
New York, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Fluent, LLC 401(k) Profit Sharing Plan and Trust 003 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following brief description of the Fluent, LLC 401(k) Profit Sharing Plan and Trust 003 (the Plan), provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all eligible employees of Fluent, LLC (Company or Employer) who have satisfied the Plan's eligibility requirements. The Plan was effective December 31, 2016 and was restated January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective July 1, 2019, the name of the Plan was changed from Cogint, Inc. 401(k) Profit Sharing Plan and Trust 003 to the Fluent, LLC 401(k) Profit Sharing Plan and Trust 003 and the name of the Employer was changed to Fluent, LLC. Additionally, employees of Q Interactive, LLC and AdParlor Acquisition, LLC became participating employers, with their employees being eligible to participate in the Plan.

Reliance Trust Company is the Trustee of the Plan and Automatic Data Processing, Inc. (ADP) is the recordkeeper for the Plan.

#### *Eligibility*

An employee is eligible to participate in the Plan and receive Employer safe-harbor matching contributions on the first day of the month once the employee has reached the age of 21 and has completed three months of service. Employees are eligible for employer profit sharing contributions after reaching at least 1,000 hours of services and 12 months of employment.

#### *Contributions*

Participants may elect to defer up to 90% of eligible compensation in the Plan. Contributions may be made to the Plan on a pre-tax and/or after-tax Roth salary deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Contributions are subject to certain annual limitations, as imposed by the Internal Revenue Code (IRC).

The Company makes safe-harbor matching contributions equal to 100% of employee contributions up to 3% of compensation and 50% of employee contributions in excess of 3%, to a maximum of 5% of compensation for a maximum employer match of 4%. The Company made safe-harbor matching contributions of \$725,110 for the year ended December 31, 2021. Each year, the Company may make a discretionary profit-sharing contribution to the Plan. During 2021, the Company did not make a discretionary profit-sharing contribution.

#### *Participant Accounts*

Participants may direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment elections at any time. Each participant's account is credited with the participant's contributions, the Company's safe-harbor matching

contributions, and discretionary profit-sharing contributions, if any, as well as allocations of the Plan's investment earnings thereon. Participant accounts are charged for withdrawals and certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their salary deferral, rollover, and the Company's safe-harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing portion of their accounts, plus actual earnings thereon, is as follows:

| Years of Service | Vesting (%) |
|------------------|-------------|
| Less than 2      | -           |
| 2                | 20          |
| 3                | 40          |
| 4                | 60          |
| 5                | 80          |
| 6                | 100         |

### ***Notes Receivable from Participants***

Participants may borrow from their account balance a minimum of \$1,000, up to a maximum equal to the lesser of 50% of the participant's vested balance or \$50,000 reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the one-year period. The loan is secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% above prime rate, as defined. A participant may have a maximum of one loan outstanding at any time. The loans are re-paid semi-monthly through payroll deductions. The term of the loan is five years or less, unless the funds are utilized to acquire a principal residence, in which case the administrator may permit a longer repayment term.

### ***Payment of Benefits***

A participant is eligible to receive a distribution of their vested account balance under the following circumstances: (a) retirement, (b) termination of employment, (c) disability, and (d) death. A participant also is eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59½ years of age and hardship withdrawals.

Payments of benefits are in the form of a lump-sum distribution, annuity contracts, installments, or have the payment paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan.

If the value of a participant's vested interest in their account is \$5,000 or less, the participant's account will be "cashed out" by distributing the participant's vested interest by a single-sum payment or by direct rollover to an individual retirement account or other eligible retirement plan as soon as reasonably practicable following the date the participant's employment terminates. The participant's account will be cashed out even if the participant does not consent to the distribution.

### ***Forfeitures***

Upon termination of employment, participants forfeit their non-vested balances. Forfeiture allocations may be used to pay administrative expenses or to reduce Company contributions, in accordance with the Plan document. There were no forfeited non-vested accounts at December 31, 2021 and 2020.

### ***CARES Act***

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to the plan participants under the CARES Act and has implemented the following provisions for 2020:

- Special coronavirus distributions up to \$100,000 before December 31, 2020.
- Increase the available loan amount, as described above, to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020..
- Extend the period for loan repayments, if applicable, up to one year for loan payments due from March 27, 2020 through December 31, 2020.
- Suspended required minimum distributions for 2020 calendar year.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting. in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### ***Use of Estimates***

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of asset and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by ADP. See Note 5 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance has been recorded as of December 31, 2021 and 2020.

### *Payment of Benefits*

Benefit payments to participants are recorded when paid.

### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

## **3. Risks and Uncertainties**

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **4. Certified Investments**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments at fair value, and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest income on notes receivable from participants, and dividend income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

If the asset or liability has a specified (contractual) term, then the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

*Mutual Funds* - These assets are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held the Plan are actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodologies of these items held at December 31, 2021 and 2020.

The Plan had no financial assets that were measured at fair value on a non-recurring basis during the years ended December 31, 2021 and 2020.

## 6. Party-in-interest Transactions

Certain Plan investments are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to the Trustee by the plan amounted to \$29,612 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions. Such transactions are permitted under the Plan and are exempt from the prohibition of party-in-interest transactions.

## 7. Tax Status

The Plan adopted the ADP, LLC Prototype Non-Standardized Profit Sharing Plan with a Cash or Deferred Arrangement. The Internal Revenue Service (IRS) determined and informed ADP, LLC by a letter dated July 16, 2014 that the Plan was designed in accordance with the applicable sections of the IRC and that the Plan was permitted to rely on that opinion letter.

Effective July 1, 2019, the Plan was restated and adopted the ADP, LLC Non-Standardized Pre-Approved Profit Sharing Plan with Money Purchase/Cash or Deferred Arrangement. Accordingly, the Plan is permitted to rely on the opinion letter dated October 6, 2020 from the IRS which stated the plan is designed in accordance with the applicable sections of the IRC. Although the plan has been amended since receiving the letter, the Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of

## Notes to Financial Statements

---

ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

### **9. Subsequent Events**

The Plan's management has performed subsequent event procedures through November 3, 2022, which is the date the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures as stated herein.
