Artur Express, Inc. 401(k) Plan

***Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements***

We have performed an audit of the financial statements of Artur Express, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion On The 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion On The 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities For The Audit Of The 2021 Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required By ERISA***

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report On The 2020 Financial Statements*

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 And 2020**

### **1. Description Of The Plan**

The following description of the Artur Express, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

#### **General**

The Plan is a defined contribution profit sharing plan sponsored by Artur Express, Inc. (the Company) for the benefit of eligible employees of the Company, as defined below. The Plan became effective January 1, 2011 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Eligibility**

Under the terms of the Plan, all employees who are 18 or older may participate in the salary deferral contribution components of the Plan immediately upon hire. Employees who have completed 1,000 hours of service within 12 consecutive months are eligible to participate in the Company matching and profit sharing components of the Plan. Employees immediately begin participation following the completion of the service requirements.

#### **Contributions**

Eligible employees may contribute up to 88% of their annual compensation, as defined by the Plan Agreement, or certain limitations as defined by the Internal Revenue Service (IRS). Participants age 50 and older may also contribute amounts representing catch-up contributions. The Plan allows participants to make both pre-tax and after-tax (Roth) contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution and defined benefit plans (rollover).

The Plan provides for automatic enrollment in the Plan at an elective deferral rate of 2% of eligible compensation, unless otherwise elected. Furthermore, these automatic elective deferrals will be increased by 1% on the first day of each Plan year, up to a maximum of 7%, unless otherwise elected by the participant.

The Company matches 100% of employee pre-tax and Roth contributions, up to a maximum of 2% of eligible compensation.

### Notes To Financial Statements *(Continued)*

Additionally, the Company has the discretion to make profit sharing contributions on behalf of participants, based on the ratio of each qualifying participant's compensation for the Plan year compared to the total compensation of all qualifying participants for the Plan year. There were no profit sharing contributions for the years ended December 31, 2021 or 2020.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, Company matching contributions and an allocation of (i) Company profit sharing contributions and (ii) Plan earnings, and is charged with an allocation of Plan expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions, plus earnings thereon, is based on years of service as follows:

| <b><u>Years Of Service</u></b> | <b><u>Vesting<br/>Percentage</u></b> |
|--------------------------------|--------------------------------------|
| Less than 2                    | 0%                                   |
| At least 2, but less than 3    | 20%                                  |
| At least 3, but less than 4    | 40%                                  |
| At least 4, but less than 5    | 60%                                  |
| At least 5, but less than 6    | 80%                                  |
| 6 or more                      | 100%                                 |

Upon attainment of normal retirement age (age 65), death or disability of the participant, all amounts become fully vested.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance the participant had during the previous 12-month period or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's accounts and bear annual interest at the prime rate in effect in the month the loan is initiated plus 1%. Loans used to purchase a residence may be repaid over thirty years. Loans for all other purposes must be repaid within five years. Principal and interest are paid ratably through periodic payroll deductions.

### Notes To Financial Statements (*Continued*)

#### **Payment Of Benefits**

On termination of service, participants may elect to receive their vested benefits as a lump-sum amount, as a direct rollover to a qualified plan or individual retirement account, or apply their vested benefits towards the purchase of an annuity contract.

#### **In-Service Withdrawals**

Withdrawals may be made to a participant who has not separated from service provided the participant has attained the age of 65.

The Plan provides for hardship withdrawals, as set forth in accordance with applicable sections of the Internal Revenue Code (the Code), not to exceed a participant's actual contributions to the Plan, which must result from an immediate financial need of the participant as determined on a nondiscriminatory basis by the Plan Administrator.

#### **Forfeitures**

Forfeitures of a participant's Company contributions shall be applied to reduce future Company contributions. There were no forfeitures used to reduce Company contributions for the years ended December 31, 2021 or 2020. Forfeited nonvested balances available for future use totaled \$55,314 and \$26,361 as of December 31, 2021 and 2020, respectively.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

## **2. Summary Of Significant Accounting Policies**

#### **Basis Of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

**Use Of Estimates In The Financial Statements**

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States. Those estimates and assumptions affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could vary from those estimates.

**Investment Valuation And Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net change in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

**Notes Receivable From Plan Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Agreement.

**Benefits Payments**

Benefits are recorded when paid.

**Subsequent Events**

Management evaluates subsequent events through the date the financial statements were available for issue, which is the date of the Independent Auditors' Report.

#### 3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule of assets held at end of year, that was prepared by or derived from information certified by Ascensus, as Ascensus Trust Company's agent, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Ascensus that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule of assets held at end of year related to the following assets as of December 31:

|                                    | <b>2021</b>         | 2020         |
|------------------------------------|---------------------|--------------|
| Mutual funds                       | <b>\$ 3,412,493</b> | \$ 2,376,410 |
| Money market fund                  | <b>144,574</b>      | 96,158       |
| Notes receivable from participants | <b>29,586</b>       | 10,308       |

Ascensus also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

|                                                       | <b>2021</b>       | 2020       |
|-------------------------------------------------------|-------------------|------------|
| Net change in fair value of investments               | <b>\$ 286,887</b> | \$ 292,556 |
| Interest and dividends                                | <b>71,382</b>     | 41,989     |
| Interest income on notes receivable from participants | <b>994</b>        | 599        |

#### 4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

## ARTUR EXPRESS, INC. 401(k) PLAN

---

### Notes To Financial Statements (*Continued*)

The three levels of the fair value hierarchy are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

#### **Mutual Funds And Money Market Fund**

Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

## ARTUR EXPRESS, INC. 401(k) PLAN

### Notes To Financial Statements (*Continued*)

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

|                            | December 31, 2021 |         |         |              |
|----------------------------|-------------------|---------|---------|--------------|

|----------------------------|-------------------|---------|---------|--------------|
|                            | Level 1           | Level 2 | Level 3 | Total        |
| Mutual funds               | \$ 2,376,410      | \$ —    | \$ —    | \$ 2,376,410 |
| Money market fund          | 96,158            | —       | —       | 96,158       |
| Total assets at fair value | \$ 2,472,568      | \$ —    | \$ —    | \$ 2,472,568 |

There have been no changes in the valuation methodology used at December 31, 2021 or 2020.

## 5. Party In Interest Transactions

Plan investments are managed by The Vanguard Group, Inc. (Vanguard). Vanguard has retained Ascensus, Inc. as a subcontractor to provide the services under the record-keeping agreement on behalf of Vanguard. Fees incurred by the Plan for investment management services are included within net change in fair value of investments as they are paid through revenue sharing rather than a direct payment.

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020.

These transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA.

**6. Tax Status**

The Plan adopted a volume submitter plan document sponsored by Ascensus. Ascensus received an opinion letter from the IRS dated June 30, 2020, which states that the volume submitter document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. As such, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

**8. Risks And Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
