INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Investment Committee
P.A.M. Transport, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of P.A.M. Transport, Inc. 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of January 18, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits for the period from January 1, 2022 through January 18, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution, as of January 18, 2022 and December 31, 2021, and for the period from January 1, 2022 through January 18, 2022, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, the Company executed an agreement to merge the Plan into the Aon Pooled Employer Plan (Aon PEP) sponsored by Aon Consulting, Inc. All Plan assets were transferred to Aon PEP on January 18, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

January 18, 2022 and December 31, 2021

Note 1 – Description of the Plan

P.A.M. Transport, Inc. (the Company or Employer) sponsored the P.A.M. Transport, Inc. 401(k) Retirement Savings Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Company executed an agreement to merge the Plan into the Aon Pooled Employer Plan (Aon PEP) sponsored by Aon Consulting, Inc. Plan assets in the amount of \$16,953,857 were transferred to the Aon PEP as of January 18, 2022. The merger does not impact participant benefits as the benefit provisions were incorporated in the Aon PEP.

General

The Plan was a defined contribution plan established for the benefit of the Company's employees, except for union employees, nonresident aliens with no United States of America-sourced income, and leased employees. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was administered by the Investment Committee, which was a committee appointed by the Company's board of directors. Minnesota Life Insurance Company (Minnesota Life) held the Plan's assets. Securian Financial Group (Securian) served as the recordkeeper of the Plan. Minnesota Life is an affiliate of Securian. Certain officers of the Company served as the Plan's trustees.

Eligibility

Nonexcluded employees who had reached 18 years of age and had completed two months of service, during which at least one hour of service is completed, as defined in the Plan document, were eligible to participate in the Plan. Participants were eligible to enroll in the Plan on the first day of the month after satisfying eligibility requirements. In order to be eligible to receive Employer contributions, participants had to complete one year of service, as defined in the Plan document, and must have been employed on the last day of the Plan year, unless termination was due to death, disability, or retirement.

Contributions

Participants could contribute up to 100% of their compensation, as defined in the Plan document, as pretax deferrals. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans.

The Plan provided for Employer matching contributions equal to 50% of deferrals up to 1.5% of a participant's compensation. Additional amounts could be contributed by the Employer under the Plan's profit sharing provisions at the discretion of the Company's board of directors. Allocations of Employer profit sharing contributions were based on the proportion of each participant's compensation to the total of all eligible participants' compensation. There were no Employer profit sharing contributions for the period from January 1, 2022 through January 18, 2022.

Participants directed the investment of their contributions into various investment options offered by the Plan. Contributions were subject to certain limitations of the Internal Revenue Code (the Code).

Participant accounts

Each participant's account was credited with participant contributions, Employer matching contributions, and allocations of Employer profit sharing contributions and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions, plus actual earnings thereon. Vesting in Employer contributions was based upon years of continuous service as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
One, but less than two	20%
Two, but less than three	40%
Three, but less than four	60%
Four, but less than five	80%
Five years or more	100%

Participants automatically became 100% vested upon normal retirement (attainment of age 65), disability, or death. Participants who terminated for any other reason were entitled to the vested amount of their accounts.

Notes receivable from participants

Participants could borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the excess of the highest outstanding loan balance during the preceding 12-month period over the current outstanding loan balance on the date of the loan, or 50% of their vested account balance. The loans were secured by the balance in the participant's account and bore interest at rates that ranged from 4.25% to 5.75%, which was based on prime rate plus 1% on the date of origination. Participants could only have one general loan and one principal residence loan outstanding at any given time. Terms ranged from one to five years or up to 30 years for the purchase of a primary residence. Payments of principal and interest were remitted directly to Securian by the borrower.

Payment of benefits

Upon retirement, termination, disability, or death, a participant, or his or her beneficiary in the event of death, could elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, participants could take in-service distributions upon reaching age 59½. Upon termination, automatic distributions were required for balances of less than \$1,000. Generally, certain minimum distributions were required for participants who had separated from service and had reached age 72. The Plan allowed hardship withdrawals, subject to account balance limits and applicable laws.

Forfeitures

Forfeitures could be used to reduce Employer contributions or to pay Plan administrative expenses. For the period from January 1, 2022 through January 18, 2022, forfeitures in the amount of \$850 were used to pay Plan administrative expenses. The Plan had \$0 and \$4,174 in unallocated forfeitures as of January 18, 2022 and December 31, 2021, respectively.

Administrative expenses

The Plan allowed certain administrative expenses to be paid from Plan assets. Investment expenses netted against investment income represent amounts associated with the net expense ratios of the investments in the Plan's fund lineup.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by Minnesota Life. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

Refund of excess contributions

The Plan failed to pass the Average Deferral Percentage compliance test for the year ended December 31, 2021. Refund of excess contributions is reported as a liability on the accompanying statements of net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of January 18, 2022 and December 31, 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before year-end that were not paid.

Subsequent events

The Plan administrator has evaluated subsequent events through November 15, 2022, the date the financial statements were available to be issued.

Note 3 – Information Certified by Minnesota Life

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of January 18, 2022 and December 31, 2021;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the period from January 1, 2022 through January 18, 2022;
- Investment information included in the footnotes as of January 18, 2022 and December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 4 – Fair Value Measurements and Investments Measured Using the Net Asset Value Per Share as a Practical Expedient

Investments held by the Plan consist of pooled separate accounts. There has been no change in the methodology used as of January 18, 2022 and December 31, 2021. Following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

Pooled separate accounts – Stated at fair value as determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments, which is valued at the net asset value (NAV) as a practical expedient to estimate fair value. The practical expedient would not be used if it was determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value on a recurring basis is measured using the NAV per share as a practical expedient as of January 18, 2022 and December 31, 2022:

Investments	Fair value		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	January 18, 2022	December 31, 2021			
Pooled separate accounts	\$ -	\$ 17,192,325	n/a	Daily	n/a

Note 5 – Related Party and Party-in-Interest Transactions

Certain administrative expenses, totaling approximately \$3,200, were paid by the Company on behalf of the Plan for the period from January 1, 2022 through January 18, 2022. The Company does not expect reimbursement from the Plan for these expenses. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

The Plan's investments were managed by Minnesota Life. The Plan also held notes receivable from participants. These transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan are included in net depreciation in fair value of investments.

Note 6 – Tax Status

The Company adopted a Nonstandardized Preapproved Profit Sharing Plan (the Preapproved Plan) sponsored by Minnesota Life. The Internal Revenue Service has determined and informed the Preapproved Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Preapproved Plan is designed in accordance with the applicable sections of the Code. The Preapproved Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Note 7 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of January 18, 2022 and December 31, 2021:
