INDEPENDENT AUDITOR'S REPORT

To the Navajo Nation Gaming Enterprise Audit Committee of
Navajo Nation Gaming Enterprise 401(k) Savings Plan
Church Rock, New Mexico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Navajo Nation Gaming Enterprise 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4I - Schedule of Assets for the period ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Navajo Nation Gaming Enterprise 401(k) Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 13, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NAVAJO NATION GAMING ENTERPRISE 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 - SUMMARY OF THE PLAN

Plan Description:

The following description of the Navajo Nation Gaming Enterprise 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan, which was adopted July 1, 2009, is a defined contribution plan covering all employees of Navajo Nation Gaming Enterprise ("NNGE"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration:

The Plan is administered by the Company. Wells Fargo Bank, N.A. was the Custodian of the Plan's assets between January 1, 2021 and June 18, 2021. Principal Life Insurance Company ("Principal") is the custodian (the "Custodian") of the Plan's assets after Principal Financial Group completed the integration of the Wells Fargo Institutional Retirement business on June 18, 2021.

Eligibility:

Employees who complete six months of service and have attained the age of 21 are eligible to participate in the Plan. Once the eligibility requirements have been met, employees may enter the Plan on that date.

Contributions:

Each year, participants may elect to defer a percentage of their compensation, as defined by the Plan, up to the maximum allowable limits established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The total deferral may not exceed the maximum dollar limit allowed by the IRC of \$19,500, plus \$6,500 if the employee is age 50 or older for 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. There is an automatic enrollment feature whereby eligible employees are enrolled in the Plan at a 3% deferral contribution rate unless the employee affirmatively opts out or elects a different rate. Effective January 1, 2016, the Plan was restated and amended to include an automatic increase of 1% per year up to a maximum of 8% of compensation.

For the years ended December 31, 2021, and 2020, NNGE made safe harbor matching contributions to eligible participants of 100% of the first 3% contributed and 50% of every dollar contributed in excess of 3%, limited to 5% of each participant's eligible compensation. In addition, NNGE may contribute a discretionary amount that may be fixed in terms of dollars or as a percentage of elective deferrals. For the years ended December 31, 2021, and 2020, no such discretionary contributions were made by NNGE. Matching contributions are subject to certain limitation.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of (a) the matching contribution and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administration expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting:

Participants are immediately vested in their contributions and NNGE's safe harbor matching contributions plus actual earnings thereon. Vesting in NNGE's discretionary nonmatching contribution is based on years of service as defined by the Plan. Vesting is at 100 percent at normal retirement age, early retirement age, or if a participant incurs a severance from employment as a result of death or disability.

<u>Year(s) of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
2	50%
3	100%

Revenue Sharing:

The Plan allows for revenue sharing fees in excess of the amounts needed for Plan administrative and other proper expenses, to be used to pay future expenses. For the years ended December 31, 2021, revenue sharing totaled \$272.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the vested interest in the participant's account or installments over a period of not more than the assumed life expectancy of the participant or the beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, In-service withdrawals are available in certain circumstances, as defined by the Plan. Hardship withdrawals are allowed. Benefits are recorded when paid.

Notes Receivable from Participants:

The Plan does not allow for participant loans.

Forfeited Accounts:

Forfeitures are used to reduce the employer's contribution or to reduce the Plan's administrative expenses. The outstanding forfeiture balances at December 31, 2021 and 2020 were \$0 and \$152, respectively.

NAVAJO NATION GAMING ENTERPRISE 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"), as determined by the Financial Accounting Standards Board ("FASB"), and present the net assets available for benefits as of December 31, 2021 and 2020 and changes in net assets available for benefits for the year ended December 31, 2021.

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Plan administrative expenses are paid by the Plan, unless paid by the Company.

CARES Act Amendments

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") became law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. During 2020, the Plan adopted the following provisions to the Plan for qualified individuals, those who themselves or whose spouse/dependent was diagnosed with COVID-19 or experienced adverse financial consequences due to COVID-19:

- In-service withdrawals of up to \$100,000 of vested balance available through December 31, 2020, after first taking all available loans from the Plan.

- A temporary allowance for employees to defer loan repayments through December 31, 2020 for one year.

Plan management has formally amended the Plan regarding the above provisions by the required deadline of December 31, 2025. If the Plan is not formally amended for the above provisions, it will not be in compliance with the Internal Revenue Code ("IRC").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For the purposes of the Statement of Net Assets Available for Benefit, the Plan considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE – (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Principal Life Insurance Company (“Principal”) for the year ended December 31, 2021 and Wells Fargo Bank, N.A for the year ended December 31, 2020, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	December 31,	
	2021	2020
Mutual funds	\$ 18,057,895	\$ 15,965,137
Common/collective trusts	376,462	417,099
	<u>\$ 18,434,357</u>	<u>\$ 16,382,236</u>

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (“ASC”) 820, Fair Value Measurement provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NAVAJO NATION GAMING ENTERPRISE 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the assets or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques must maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Common/collective trusts:

Common Collective Trusts are valued using the NAV per share as a practical expedient and are valued at the NAV of units held by the Plan at year-end. The NAV, as provided by the trustee of the common collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transaction (purchases and sales) may occur daily.

Mutual Funds

Mutual funds are valued at their daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily quoted net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Plan's investments in mutual funds were classified as Level 1 investments at December 31, 2021 and 2020.

NAVAJO NATION GAMING ENTERPRISE 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021		
	<u>Level 1</u>	<u>Level 2 and 3</u>	<u>Total</u>
Mutual funds	\$ 18,057,895	\$ -	\$ 18,057,895
Investments measured at NAV (practical expedient method)			<u>376,462</u>
Total investments at fair value	<u>\$ 18,057,895</u>	<u>\$ -</u>	<u>\$ 18,434,357</u>

	Assets at Fair Value as of December 31, 2020		
	<u>Level 1</u>	<u>Level 2 and 3</u>	<u>Total</u>
Mutual funds	\$ 15,965,137	\$ -	\$ 15,965,137
Investments measured at NAV (practical expedient method)			<u>417,099</u>
Total investments at fair value	<u>\$ 15,965,137</u>	<u>\$ -</u>	<u>\$ 16,382,236</u>

There are no assets valued using Level 2 or 3 fair value inputs.

In accordance with subtopic 820-10, certain investments that were measured at net asset value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such transfers, the transfer is reported at the beginning of the reporting period. The significance of transfers between levels is based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the years ended December 31, 2021 and 2020.

NAVAJO NATION GAMING ENTERPRISE 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and funds held in the Plan insurance company general account managed by Principal. Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the earnings on each fund.

NOTE 6 - PLAN TERMINATION

Although no intent to terminate the Plan has been expressed, the Employer has the right to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in the Employer contribution portion of their accounts.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, which are also impacted from the volatility from the COVID-19 pandemic, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The COVID-19 pandemic impacted the United States during 2020 and significantly disrupted financial markets, economies, and continues to have impacts subsequent to December 31, 2021. As described above, investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 - TAX STATUS

The United States Department of Treasury, Internal Revenue Service ("IRS") has determined and informed the Employer that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Employer has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is also subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan has evaluated and determined that no other events have occurred subsequent to the date of the statement of net assets available for benefits through November 15, 2022, the date which the financial statements were available to be issued, which require recording or disclosure in these financial statements.
