- the information in the accompanying 2022 and 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2022 and 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2022 and 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 and 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Emphasis of Matter - Plan Merger**

As discussed in Note 1 to the financial statements, the Plan was merged into Minnesota Life Insurance Company Securian Pooled Employer Plan and Trust effective March 1, 2022. Our opinion has not been modified with respect to this matter.

**Emphasis of Matter – ERISA Bond**

For the period from January 1, 2022 to March 1, 2022 and during the year ended December 31, 2021, the Plan was not covered by a fidelity bond, as required by ERISA. Our opinion has not been modified with respect to this matter.

**Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**United Paradyne Corporation 401(k) Plan**  
**Notes to Financial Statements**  
**March 1, 2022 and December 31, 2021**

**Note 1: Description of Plan**

The following description of the United Paradyne Corporation (the Company / Employer) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a type of defined contribution plan under which each participant has a specific account balance. The Plan covers substantially all employees of the Company who have attained at least twenty one years of age. Ineligible employees of the Company nonresident aliens, leased employees, and employees who are residents of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan including the appropriateness of the Plan's investment offerings.

**Plan Merger**

Effective March 1, 2022, the Company approved a resolution to merge the Plan into the Minnesota Life Insurance Company Securian Pooled Employer Plan and Trust (Affiliated Plan). All assets of the Plan, totaling \$6,620,618, were transferred to the Affiliated Plan during March 2022.

**Contributions**

Participants may contribute to the Plan through salary deductions up to 90% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans as a rollover contribution. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may also elect, at its discretion, to make a profit sharing and/or matching contribution to the Plan; however, no discretionary contributions were made during the year ended December 31, 2021. Certain Company employees receive prevailing wage contributions due to provisions of the California Department of Labor Relations. For the period from January 1, 2022 to March 1, 2022 and for the year ended December 31, 2021, the Company made a prevailing wage contribution of \$6,580 and \$61,849, respectively.

**Note 1: Description of Plan (Continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contribution via salary reductions and an allocation of (a) the Company's contributions and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeitures**

Participants are immediately vested in their voluntary contributions and the Company's profit sharing and prevailing wage contributions plus actual earnings thereon. Company matching contributions are vested over a six-year period. To their account plus earnings thereon is based on years of continuous service. A participant is 20 percent vested after two years of credited service, increasing 20 percent per year, with 100 percent vested after six years of credited service. Forfeitures of discretionary, matching contributions are to be used to reduce Company contributions. During the period from January 1, 2022 to March 1, 2022, and year ended December 31, 2021, no forfeitures were used to reduce Company contributions. As of March 1, 2022, and December 31, 2021 and 2020, forfeited non-vested accounts were \$0, \$259, and \$255, respectively.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$500 up to a maximum of \$50,000 equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable are secured by the balance in the participant's account and bear interest at prime plus 2%, as of the loan date. Principal and interest are paid through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's loan balance is reduced, and a deemed distribution is recorded.

**Payment of Benefits**

Upon termination of employment, a participant may elect to receive a distribution equal to the value of the participant's vested interest in their account. The Plan has a required minimum distribution for participants who have attained age 70 ½ and an in-service distribution available for participants who have attained age 59 ½. Hardship distributions are permitted upon demonstration of financial hardship. Benefits may be paid in one of the following forms of payment, or in a combination: (1) single lump sum or (2) installments over a period not to exceed the participant or participant's beneficiary's life expectancy or (3) partial withdrawals or (4) any form acceptable to the participant and the plan administrator.

**Note 2: Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. There were no notes receivables from participants as of March 1, 2022. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**Fair Value Measurement and Income Recognition**

*Fair Value Measurements and Disclosures Topic* of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (the Topic), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the reporting date. The Topic also established a three-tier hierarchy, which prioritizes the inputs used in the valuation methodologies in measuring fair value.

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Page 4**

**Note 2: Summary of Significant Accounting Policies (Continued)**

*Level 2:* Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Registered Investment Companies (Mutual funds):* Investments in mutual funds are valued at the daily closing price as reported by the fund. Money market funds held by the Plan are open-ended funds that are registered with the Security Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the period/year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Payment of Benefits**

Benefits are recorded when paid.

**Plan Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses paid by the Plan were \$15,358 for the period from January 1, 2022 to March 1, 2022 and \$34,368, for the year ended December 31, 2021.

#### **Note 3: Information Prepared and Certified by Custodian**

The Plan's asset information as of March 1, 2022, December 31, 2021 and 2020, and for period from January 1, 2022 to March 1, 2022, and for the year ended December 31, 2021, included in the accompanying financial statements and supplemental schedule was prepared or derived from information provided by the custodian and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that the following information is complete and accurate:

- Investments, at fair value and contract value, and notes receivable from participants reflected on the accompanying statements of net assets available for Plan benefits as of March 1, 2022 and December 31, 2021 and 2020.
- Net (depreciation) appreciation in fair value of investments, dividends, other income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for Plan benefits for the period from January 1, 2022 to March 1, 2022 and the year ended December 31, 2021.
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this information which appears through the financial statements and supplemental schedule.

#### **Note 4: Tax Status**

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of American require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 5: Investment in Fully Benefit-Responsive Contracts**

The Plan holds investments in a fully benefit-responsive investment contract (Standard Stable Asset Fund) with Reliance Trust Company which maintains the contributions in a general account. At March 1, 2022, December 31, 2021 and 2020, the contract value of the fund was \$0, \$1,255,142, and \$1,341,547, respectively. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with Reliance Trust Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

#### **Note 6: Related-Party Transactions**

Certain plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value investments.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The current economic environment due to COVID-19 has increased the degree of uncertainty (see Note 8 for additional information).

**Note 8: COVID-19 Pandemic**

During the first quarter of 2020, the World Health Organization declared COVID-19 to be a public health emergency. COVID-19 has led to increased short-term market volatility and may have adverse long-term effects on U.S. and world economies and markets in general. Due to the uncertainty surrounding the recent COVID-19 pandemic, the length and severity of the outbreak, and the volatility in the world investment markets, there is increasing uncertainty as to how these events will affect results of operations and the financial position of the Plan going forward.

**Note 9: Subsequent Events**

Events subsequent to March 1, 2022, have been evaluated through November 16, 2022, which is the date the financial statements were available to be issued. Management did not identify any subsequent events that required disclosure.
