Independent Auditors' Report

To the Trustees
Team Horner 401(k) Profit Sharing Plan
Fort Lauderdale, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit – 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Team Horner 401(k) Profit Sharing Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion – 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles in the United States of America ("GAAP").
- the information in the accompanying 2021 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Continued from previous page

Basis for Opinion – 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management – 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit – 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Continued from previous page

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

Continued from previous page

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for plan benefits as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 12, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Team Horner 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1 – Description of Plan

General

The Team Horner 401(k) Profit Sharing Plan (the “Plan”) was established on January 31, 1976, to allow eligible employees of the Team Horner Group, Inc. (the “Sponsor”), to defer a portion of their compensation to supplement retirement income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The following is a brief description of the Plan and is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions, which is available to all participants upon request.

Plan Amendments

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2022.

Plan management is reviewing the following provisions for adoption:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan (or from any other eligible retirement plan) may repay all or any portion of the distribution to the plan within the three-year period beginning on the date after the distribution.
- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments be deferred through December 31, 2020. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

Plan Administration

Under the terms of the Plan, the Sponsor acts as the Plan Administrator. The Sponsor contracted with John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) to serve as the Custodian, John Hancock Retirement Services (“John Hancock RS”) the record-keeper and Blue Ridge ESOP Associates as the third-party administrator (“TPA”) of the Plan.

Eligibility

An employee of the Sponsor is eligible for participation in the Plan immediately upon hire. The participant may enter the Plan on January 1st or July 1st following the date of hire.

Note 1 – Description of Plan, continued

Contributions

Each year, a participant may defer up to 100% of compensation through periodic payroll deductions, up to contribution limits specified by the Internal Revenue Code ("IRC"). The maximum pre-tax contribution for the year ended December 31, 2021 was \$19,500. In addition, participants over 50 years of age are permitted to make additional annual catch-up contributions of \$6,500 for the year ended December 31, 2021. A participant may change or resume a deferral election on January 1st, April 1st, July 1st, or October 1st and may terminate his or her election to participate at any time.

The Plan Sponsor can make discretionary matching contributions and profit-sharing contributions to each participant's account. Participants must be employed on the last day of the Plan year and have completed at least 1,000 hours of service to receive the discretionary match or profit-sharing contributions. The profit-sharing contributions will be allocated to participants based on compensation. There was no profit-sharing contribution in 2021.

Rollovers

The Plan accepts rollover contributions from eligible retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contribution and the Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

On March 27, 2020, Congress enacted the CARES Act, which allows Plan participants who have been diagnosed with Covid-19 ("COVID-19"), including a spouse or dependent, or participants who have suffered financial hardship due to the pandemic the ability to receive COVID-19 related distributions from their 401(k) accounts. This relief requires that a participant certify they have been impacted by COVID-19 in order to qualify. Qualified participants had the option to take a COVID-19 distribution from June 2, 2020 to December 31, 2020 from their vested account balances. They were able to take as many COVID-19 distributions as they so chose; however, the aggregate amount was not to exceed the lesser of \$100,000 or the participant's vested account balances. The COVID-19 distributions were not subject to the early distribution penalty or mandatory income tax withholding. Participants still employed by the Company or a subsidiary may elect to repay all or a portion of the COVID-19 distribution to the Plan within three (3) years.

Additionally, the CARES Act waived the required minimum distributions from 401(k) accounts for 2020. As a result, the required minimum payments were not made automatically, however Plan participants had the option to elect to receive their minimum payment. Plan participants who had already received their required minimum distribution in 2020 prior to the enactment of the CARES Act had the opportunity to roll those funds back into their 401(k) account.

Note 1 – Description of Plan, continued

Vesting

Participant contributions are fully-vested and non-forfeitable at all times. Participants' vesting of discretionary employer matching, profit sharing and non-elective contributions plus actual earnings thereon are based on years of credited services at the following rates: a year of service is a twelve (12) month consecutive period in which a participant is credited with a minimum of 1,000 hours of service.

<u>Years of Service</u>	<u>Vesting Percentages</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant is 100% percent vested after six (6) years of credited service.

Investment Options

The Plan currently offers various mutual funds held in pooled separate accounts and guaranteed interest accounts as investment options through a group annuity contract. Upon enrollment in the Plan, a participant may direct employee and employer contributions any of the investment options offered by the Plan. Participants have online access to their accounts and may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow a minimum loan amount of \$1,000 up to a maximum loan amount of the lesser of \$50,000 or 50% of the participant's vested account balance in their contributions and discretionary employer contributions. The loan term must not exceed five (5) years, except for a home loan for which the term is determined by the Plan Administrator in a non-discriminatory manner.

The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% (which was 4.25% at December 31, 2021 and 2020, respectively). All loans must have a definite repayment period for the loan to be amortized on a level basis over a reasonable period of time. Principal and interest are repaid through payroll deductions. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. As a result of the CARES Act, the Plan allowed participants to elect to defer loan payments until January 1, 2021.

Note 1 – Description of Plan, continued

Payment of Benefits

Participants may elect to receive lump-sum or installment distributions. Participants are eligible for distribution upon termination, retirement, disability, death, or attainment of age 59½. The Plan automatically distributes participant accounts with balances less than \$5,000 within twelve (12) months following termination of employment. Any vested balance under \$1,000 may be distributed as soon as administratively feasible following termination of employment. As a result of the CARES Act, the Plan allowed participants to take COVID-19 distributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Forfeited Accounts

Forfeited non-vested balances are applied to reduce future employer contributions or pay Plan expenses. Accumulated non-vested forfeitures held in the Plan totaled \$6,830 and \$5,822 at December 31, 2021 and 2020, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimated.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Note 2 – Summary of Significant Accounting Policies, continued

Benefit Payments

Benefit payments to participants are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through November 14, 2022, which is the date the financial statements were available to be issued.

Note 3 – Information Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, John Hancock, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020 and the schedule of assets (held at end of year) at December 31, 2021, and the related investment activity reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

Note 4 – Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are defined as follows:

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4 – Fair Value Measurements, continued

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds held in Pooled Separate Accounts: Valued at fair value established by the Custodian on the last business day of the Plan year.

Guaranteed Investment Account: Valued at fair value by the estimated market value determined by the Custodian in accordance with the contractual market value formula.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	As of December 31, 2021			
	Fair Value	Level 1	Level 2	Level 3
Guaranteed income accounts	\$ 250,679	\$ 250,679	\$ -	\$ -
Pooled separate accounts	29,309,002	29,309,002	-	-
Total investments, at fair value	<u>\$ 29,559,681</u>	<u>\$ 29,559,681</u>	<u>\$ -</u>	<u>\$ -</u>

	As of December 31, 2020			
	Fair Value	Level 1	Level 2	Level 3
Guaranteed income accounts	\$ 244,290	\$ 244,290	\$ -	\$ -
Pooled separate accounts	24,314,951	24,314,951	-	-
Total investments, at fair value	<u>\$ 24,559,241</u>	<u>\$ 24,559,241</u>	<u>\$ -</u>	<u>\$ -</u>

Note 5 – Related Party and Party-in-Interest Transactions

Because John Hancock qualifies as a party-in-interest, some of the investments and investment activity presented in the accompanying financial statements are considered party-in-interest transactions according to DOL guidelines. However, these transactions are exempt from the prohibited transaction rules under ERISA. Administrative fees paid by the Plan amounted to \$122,101 for the year ended December 31, 2021. The Plan Sponsor directly pays any other fees related to the Plan's operations.

Certain participants of the Plan have outstanding loans (notes receivable from participants) with the Plan as of December 31, 2021 and 2020. These loans are considered party-in-interest transactions according to the DOL guidelines. Total notes receivable from participants as of December 31, 2021 and 2020 were \$263,003 and \$264,454, respectively.

Note 6 – Income Tax Status

The Plan is a volume submitter profit sharing plan, sponsored by the TPA and designed in accordance with applicable sections of the IRC. The TPA received an opinion letter from the Internal Revenue Service (“IRS”) dated March 31, 2014 stating that the Plan is qualified under section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan, as amended, is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities, however, there are currently no audits for any of the tax periods in process.

Note 7 – Risks and Uncertainties

Investment Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in the Sponsor's discretionary contributions and their related earnings.
