## **INDEPENDENT AUDITOR'S REPORT**

Retirement Plan Investment Advisory Committee  
Tallahassee Memorial Healthcare  
401(a) Retirement Savings Plan  
Tallahassee, Florida

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Tallahassee Memorial Healthcare 401(a) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Retirement Plan Investment Advisory Committee  
Tallahassee Memorial Healthcare  
401(a) Retirement Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan Investment Advisory Committee  
Tallahassee Memorial Healthcare  
401(a) Retirement Savings Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# **TALLAHASSEE MEMORIAL HEALTHCARE 401(a) RETIREMENT SAVINGS PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**Year Ended December 31, 2021**

### **NOTE 1 - PLAN DESCRIPTION**

The following description of Tallahassee Memorial Healthcare 401(a) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan was established effective January 1, 2005 and is a defined-contribution plan covering substantially all full-time employees (excluding certain leased employees, employees whose employment is governed by terms of a collective bargaining agreement, and non-resident aliens, if any) of Tallahassee Memorial Healthcare, Inc. (the “Organization”/“Employer”), who have completed one year of service, as defined by the Plan, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### **Contributions**

Employees are not permitted to make contributions to the Plan. The Organization will make a minimum, annual matching contribution to the Plan equal to the first 2% of compensation that an eligible participant contributes to the Organization’s 403(b) retirement savings plan. In addition, the Organization may also make discretionary contributions to the Plan. During the year ended December 31, 2021, the Organization also contributed to the Plan an amount equal to 4% of eligible participants’ compensation.

#### **Participant Accounts**

Each participant’s account is credited with an allocation of the Employer’s contribution, interest earned, administrative expenses, and investment gains and losses. Participants direct the investment of their accounts into various investment options offered by the Plan.

#### **Unallocated Accounts**

Credits received from investment funds may be used to pay eligible Plan expenses or are allocated to participants. These unallocated credits approximated \$141,000 and \$123,000 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, approximately \$384,000 of investment credits were used to pay Plan expenses. Credits received from the Plan’s investment funds approximated \$402,000 during the year ended December 31, 2021.

Forfeitures and other unallocated accounts may be used to reduce future Employer contributions or to pay eligible Plan expenses. These unallocated funds approximated \$459,000 and \$453,000 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, approximately \$5,000 of these funds was used to reduce Employer contributions to the Plan.

## NOTE 1 - PLAN DESCRIPTION *(Continued)*

### **Vesting**

The vesting schedule with respect to the Employer's contributions made to participants' accounts is as follows:

| <b>Years of<br/>Service</b> | <b>Percentage<br/>Vested</b> |
|-----------------------------|------------------------------|
| Less than 3                 | 0%                           |
| 3 or more                   | 100%                         |

If, while an employee, the participant dies, the beneficiary is entitled to 100% of the account balance, to be paid in either a lump-sum payment or installments. If the participant becomes disabled while employed, they are entitled to 100% of their account balance, and are paid as though retired.

### **Participant Loans**

Participant loans are not permitted by the Plan.

### **Payment of Benefits**

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the participant's account, or installments over a period of time, not to exceed the life expectancy of the participant/designated beneficiary, or to purchase a different form of annuity. If employment is terminated for reasons other than death, disability or retirement, the participant is entitled to receive only their vested percentage of their account balance. If the participant's vested balance is less than \$5,000, the balance will be distributed in a single, lump-sum payment as soon as practicable after the date employment is terminated.

### **Plan Termination**

Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, or complete discontinuance of contributions, all participants' accounts become 100% vested. Upon such termination of the Plan, the Organization will direct complete distribution of the assets of the Plan to the participants, in cash, subject to the participant and spousal consent provisions of the Plan.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

### **Investment Valuation and Income Recognition**

The Plan's investments held in registered investment companies are stated at fair value. The Plan's investments held in stable value funds are stated at contract value. The fair value of the registered investment companies is based upon the reported net asset values of the individual funds on the last business day of the Plan year. Net asset value is based upon the fair market value of the funds' underlying investments, less any fund liabilities. Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

In accordance with the Plan's policy of stating its investments at fair value, the change for each year is reflected in the statement of changes in net assets available for benefits as net change in fair value of investments.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest.

The Plan's investment lineup includes The Standard Stable Asset Fund II (the "Standard Stable Fund"), which is an insurance contract provided under a group annuity contract issued by The Standard Insurance Company, and is deemed to be fully benefit-responsive and is, therefore, stated at contract value. The Standard Stable Fund's contract value is a general liability of The Standard Insurance Company. The Plan does not own any underlying securities of this fund; rather, the Plan has guaranteed benefits under the terms of the contract. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. There are no wrap contracts supporting the liquidity of the fund. The crediting rates are set quarterly and will never be below 1%. Certain Plan-initiated events may limit the ability of the Plan to transact at contract value, such as termination of the contract, Plan termination, etc.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Investment Valuation and Income Recognition (Continued)

The Plan holds unallocated funds in the TFLIC Stable Fund, which is a traditional investment contract provided by Transamerica Financial Life Insurance Company ("TFLIC"). The Plan does not own any underlying securities of this fund; rather, the Plan has guaranteed benefits under the terms of the contract. The fund does not have maturity dates and distributions are paid at contract value; however, distributions due to Employer-initiated events, as defined, may be subject to a 6% withdrawal charge. The crediting interest rate is determined by TFLIC, but may not be less than the minimum guaranteed rate. The TFLIC Stable Fund is deemed to be a fully benefit-responsive fund and is, therefore, stated at contract value. Contract value equals deposits made to the TFLIC Stable Fund, plus interest credited under the terms of the contract, less any withdrawals.

Contract value of the stable value funds as of December 31, 2021 and 2020 was as follows:

|                               | <u>2021</u>                 | <u>2020</u>                 |
|-------------------------------|-----------------------------|-----------------------------|
| Standard Stable Asset Fund II | <b>\$ 11,285,636</b>        | \$ 11,056,251               |
| TFLIC Stable Fund             | <b>600,193</b>              | 576,211                     |
|                               | <u><b>\$ 11,885,829</b></u> | <u><b>\$ 11,632,462</b></u> |

There are no allowances against contract values for credit risk of contract issuers or otherwise.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### Payment of Benefits

Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

### Plan Expenses

Certain administrative expenses are paid directly by the Organization and will not be reimbursed by the Plan. Certain investment-related expenses are netted against net change in the fair value of investments.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

### **Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Subsequent Events**

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition through November 10, 2022, , the date the financial statements were available to be issued.

## **NOTE 3 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN**

State Street Bank and Trust Company (the “Plan Custodian”) holds the Plan’s investments and executes all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net change in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

## **NOTE 4 - FAIR VALUE MEASUREMENT**

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**NOTE 4 - FAIR VALUE MEASUREMENT (Continued)**

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021 and 2020:

|                                          | <u>Level 1</u>        | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>          |

**NOTE 5 - RISK AND UNCERTAINTIES**

The Plan has investments that are exposed to risk, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term and that such change could materially affect the amounts reported in these financial statements.

The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investments are not insured or protected by the Plan Custodian, the Organization, the Pension Benefit Guarantee Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with similar investments.

**NOTE 6 - INCOME TAX STATUS**

The Plan is intended to be a qualified trust under Section 401(a) of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan has not requested a determination letter from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of the IRC. The Plan administrator believes that the adopted and amended Plan is currently designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

## **NOTE 7 - COVID-19**

On March 11, 2020, the World Health Organization declared the novel coronavirus (“COVID-19”) a pandemic, triggering volatility in the financial markets and having an impact on the global economy in general. As a result, subsequent to December 31, 2021, the Plan’s investments may experience significant volatility. While the fair value of the Plan’s investments fluctuates in response to changing market conditions, the amount of losses that may be recognized in subsequent periods, if any, cannot be determined.
