To the Administrative Committee
My Wireless 401(k) Plan
Santa Ana, California

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of My Wireless 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company ("RTC"), the trustee of the Plan, except for comparing the information with the related information included in the 2020 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Other Matter – Supplemental Schedule
The supplemental schedule titled Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2019 Financial Statement
The financial statement of the Plan as of December 31, 2019, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated October 9, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2020
The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan was established for the benefit of the employees of Digital PCS Nevada Inc. and certain related entities (collectively, the "Company"). The Plan is a contributory 401(k) profit sharing plan under sections 401(a) and 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The CARES Act, which among other things, included several relief provisions available to tax qualified retirement plans and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management evaluated the relief provisions available under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to $100,000 beginning January 1, 2020 through December 31, 2020;
- Increased the available loan amount to the lesser of $100,000 or 100% of the participant's vested account balance;
- Extended the period for loan repayments, if applicable, up to one year;
- Temporary waiver in processing Required Minimum Distributions for 2020.

Eligibility

Each employee of the Company who is at least age 21 and has completed 12 months of service is eligible to participate in the Plan. The entry date is the first day of the quarter coinciding with or following the completion of the eligibility requirements. Union employees and non-resident aliens are excluded from participation in the Plan.

YEARS ENDED DECEMBER 31, 2020 AND 2019

1. PLAN DESCRIPTION AND RELATED INFORMATION (Continued)

Plan Administration

Reliance Trust Company ("RTC") serves as the Plan's trustee as of December 31, 2020 and 2019 and for the year ended December 31, 2020. Digital PCS Nevada, Inc. is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA. Certain administrative functions are performed by officers or employees of the Company. However, no such officer or employee received compensation from the Plan. While certain administrative expenses are paid by the Plan, other administrative expenses are paid directly by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable are charged directly to participant accounts. Investment related expenses are included in net appreciation of fair value of investments.

Contributions

Participants may elect to contribute pre-tax or Roth contributions up to 90% of compensation, not to exceed the maximum contribution permitted under Section 402(g) of the IRC. Participants who attain age 50 by the end of the plan year or are older, are eligible to make additional "catch-up" contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes matching contributions equal to 50% of the participant's elective deferrals up to 6% of the participant's compensation. Profit sharing contributions may be made to the Plan at the discretion of the Company. No profit sharing contributions were made for the year ended December 31, 2020. Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. PLAN DESCRIPTION AND RELATED INFORMATION (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service in accordance with the following schedule:

Years of Service	Vesting Percentage
1 year or less	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants will be fully vested in the Company's contributions upon death, total and permanent disability, or the attainment of normal retirement age.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, reduced by the excess of the highest outstanding loan balance during the previous 12 months over the current outstanding loan balance on the date of the loan, as defined in the plan agreement. Participants may have only one loan outstanding at any given time. All loans must be repaid within five years unless the proceeds are used to purchase a primary residence, in which case a longer repayment period of up to thirty years may be allowed. The loans are secured by the balance in the participant's account and bear interest at prime plus 1.00%, currently from 4.25% to 6.25%. Principal and interest are paid ratably through payroll deductions. Loans mature in various years through 2025.

Payment of Benefits

Upon termination of service, a participant is entitled to receive their vested account balance. Upon death, total and permanent disability, or attainment of normal retirement age of 65, a participant will receive the total value of their account balance in a lump sum payment. Hardship withdrawals are permitted if certain criteria are met. In-service withdrawals are not permitted.

Forfeited Accounts

Forfeited non-vested accounts at December 31, 2020 and 2019 totaled $5,168 and $12,130, respectively. Under the plan agreement, forfeitures of non-vested Company contributions may be used to pay the Plan's expenses or reduce Company contributions. During 2020 and 2019, $27,422 and $10,479, respectively, were used toward Company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

New Accounting Standards

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, Fair Value Measurement: Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement. This amendment removes the disclosure requirements for the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy, the policy for timing of transfers between levels, the valuation processes for Level 3 fair value measurements and the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. Further, the entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities and for investments in certain entities that calculate net asset value, the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly. The amendment also clarifies that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurements at the reporting date. This amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 31, 2019. The adoption of this standard had no effect on the Plan's financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Standards (Continued)

In July 2018, the FASB issued ASU 2018-09, Codification Improvements, which among other things, amends an illustrative example of a fair value hierarchy disclosure to indicate that a certain type of investment should not always be considered eligible to use the net asset value per share practical expedient. Also, it further clarifies that an entity should evaluate whether a readily determinable fair value exists or whether those investments may qualify for the net asset value per share practical expedient in accordance with Accounting Standards Codification ("ASC") 820, Fair Value Measurement. Adoption of the amended guidance, which is to be applied prospectively, affects the fair value disclosures, but does not change the fair value measurement of the investments. This amendment is effective for annual periods beginning after December 15, 2019. The adoption of this standard had no effect on the Plan's financial statements.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist principally of notes receivable from participants. Credit risk is limited due to limitations on the maximum number of loans a participant may have outstanding at any one time, as well as the remaining vested account balance which serves as collateral.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and paid when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are reclassified as distributions based on the terms of the plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Reclassifications

Certain 2019 financial information has been reclassified to conform with the 2020 presentation with no effect on previously reported net assets available for benefits.

3. CERTIFICATION

The plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosure under ERISA. As permitted under such election, certain information prepared and certified by the trustee need not be subjected to independent audit, except for comparing such information to the information included in the Plan's financial statements and supplemental schedule. The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared and furnished to the Plan administrator by RTC for total investments, notes receivable from participants and the aggregate of net appreciation in fair value of investments, dividend income, and interest income on notes receivable from participants. This information was provided by RTC as of December 31, 2020 and 2019 and for the year ended December 31, 2020. Currently, RTC holds the Plan's investment assets and executes its investment transactions.

(a) Schedule of Assets (Held at End of Year) - December 31, 2020

(b) Investments at December 31:

	2020	2019
Total investments	$ 2,846,335	$ 2,398,321
Notes receivable from participants	50,588	41,122
Net appreciation in fair value of investments	220,148	-
Dividend income	95,242	-
Interest income on notes receivable from participants	2,125	-

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4. FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust: Valued at the net asset value (NAV) of units of the collective trust as provided by the trustee. The unit value is based on the fair value of the underlying investments held by the trust, adjusted for certain amounts including expenses, charges, reserves, liabilities, accrued income, gains and losses, etc., as defined by the trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions may occur daily. Withdrawals that are not participant initiated require a 12-month redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurements at the End of the Reporting Period		
	Level 1	**Level 2**	**Total**
December 31, 2020:			
Mutual funds	$2,566,847	$ -	$2,566,847
Common collective trust	-	279,488	279,488
Total Investments at Fair Value	$2,566,847	$279,488	$2,846,335
December 31, 2019:			
Mutual funds	$2,120,509	$ -	$2,120,509
Common collective trust	-	277,812	277,812
Total Investments at Fair Value	$2,120,509	$277,812	$2,398,321

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments were managed by RTC. RTC is the trustee of the Plan and ADP Retirement Services (ADP) is the third-party administrator and recordkeeper for the Plan. As a result, these transactions qualify as party-in-interest transactions. The fee schedule applied to the Plan is based on ADP's service agreement with the Plan and the service agreement between ADP and RTC. The service agreement with RTC stipulates that all fees for services rendered to the Plan by RTC will be paid to RTC by ADP.

Notes receivable from participants of the Plan and the related interest income are considered party-in-interest transactions.

7. TAX STATUS

The Plan has adopted a Prototype Non-Standardized 401(k) Profit Sharing Plan ("Prototype Plan") preapproved by the Internal Revenue Service ("IRS"). The IRS reviewed the Prototype Plan document and opined in a letter dated July 16, 2014, that the Prototype Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended and restated since receiving the opinion letter, the Plan administrator and Plan's advisors believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and to recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. RISKS AND UNCERTAINTIES (Continued)

On March 11, 2020, the World Health Organization declared the outbreak of the coronavirus ("COVID-19") a pandemic and declared the outbreak to constitute a "Public Health Emergency of International Concern". The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries on a global scale. The extent of the impact of COVID-19 on the Plan's financial performance will depend on certain developments, including the duration and spread of the outbreak and any new strains of the virus, and impacts on the Company, participants and financial markets, all of which are uncertain and cannot be predicted. While management expects further disruptions to be temporary, at this point, the extent to which COVID-19 may impact the Plan's overall financial condition is uncertain. Because the values of the Plan's individual investments have and will fluctuate in response to the changing market conditions, the full impact of the COVID-19 outbreak that will be recognized in subsequent periods cannot be determined at this time.

9. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 13, 2022, the date the financial statements were available to be issued.

Effective July 1, 2022, the Plan was amended and restated to comply with legislative and regulatory requirements under IRS Notice 2017-37.
