INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Global Maritek Systems, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Global Maritek Systems, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Global Maritek Systems, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF PLAN

The following description of Global Maritek Systems, Inc. 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all full-time employees of Global Maritek Systems, Inc. (the "Company"). Employees are eligible to participate in the Plan immediately upon employment and without age restrictions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Federal income taxes on amounts contributed by the employees are deferred in accordance with Internal Revenue Code ("IRC") Section 401(k).

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible compensation on a pre-tax basis or after-tax basis ("Roth") to the Plan. For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [\$19,500 in 2021 and if over 50 years of age, the participant may contribute an additional \$6,500 as determined by the Internal Revenue Service ("IRS")]. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company matches 100% of each \$1 of a participant's contributions up to 3% of the participant's eligible compensation per pay period, and 50% of each \$1 of a participant's contributions greater than 3%, but not to exceed 5%, of the participant's eligible compensation per pay period. In addition, the Company may make a discretionary profit-sharing contribution to participants. No discretionary profit-sharing contributions were made for the year ended December 31, 2021.

The Company also makes quarterly additional true up contributions to certain employees who did not meet the Service Contract Act ("SCA") requirement for the shortfall of fringe benefits. The true up contributions made for the year ended December 31, 2021 were not material.

NOTE A--DESCRIPTION OF PLAN--Continued

Plan Amendments: On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. Plans were permitted to adopt CARES Act provisions applicable to retirement Plans immediately provided the Plan document is retroactively amended on or before December 31, 2022. The plan document was restated as of January 1, 2022, to retroactively implement the changes per the provisions of the CARES Act. The CARES Act provisions implemented by the Plan allow Plan participants to receive coronavirus-related distributions from eligible retirement plans, as defined by the IRC Section 402(c)(8)(B). A coronavirus-related distribution is subject to certain requirements and limitations as set forth in the CARES Act.

The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of \$50,000 or 50% of a Plan participant's vested account balance; to a maximum equal to the lesser of \$100,000 or 100% of a Plan participant's vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus-related loans are to be repaid over a five-year period; however, if repayments began prior to December 31, 2020, such repayment period was extended for an additional year. No coronavirus-related loans were obtained during the year ended December 31, 2020. The CARES Act also temporarily waived the required minimum distribution rules for 401(k) plans for calendar year 2020.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to their accounts into the various investment options offered by the Plan. The Plan offers investments in mutual funds (Note D) and a Guaranteed Interest Fund (Note E).

Participant Accounts: Each participant's account is credited with the participant's contribution, an allocation of safe harbor employer matching contributions, employer matching, discretionary profit-sharing contributions, Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All Plan investments are participant directed.

Vesting: Participants are immediately vested in their elective contributions, safe harbor employer matching contributions, employer matching, and discretionary profit sharing contributions, plus actual earnings thereon.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Notes Receivable from Participants: Except for the CARES Act provisions in effect during 2020, participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to a maximum of one loan outstanding at any time. Loan terms range from 0-5 years or longer for the purchase of a primary residence. The loans are secured by a maximum of 50% of the non-forfeitable balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loan is approved. Principal and interest are paid ratably through payroll deductions. Interest rates on participant loans outstanding at December 31, 2021 range from 3.25% to 6.50%.

Payment of Benefits: Upon termination of service due to death, disability, retirement, or any other reason, a participant or their beneficiary is entitled to receive a distribution of his or her vested account balance in the form of a lump-sum payment. The normal retirement age is 65 and the early retirement age is 55 years of age. An in-service participant may also receive a distribution if they experience undue financial hardship as defined by the IRC. Effective April 2020, the Plan implemented certain provisions of the CARES Act which allowed participants to take coronavirus-related distributions subject to certain requirements and limitations as set forth in the CARES Act.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value except for the guaranteed interest fund, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition--Continued: between market participants on the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees for processing loans are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to participant's accounts. Investment related expenses are included in net appreciation in fair value of investments. Recordkeeping and investment advisory fees were paid by the Plan and are included in administrative expenses.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Subsequent Events: The Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 31, 2022, the date the financial statements were available to be issued.

NOTE C--INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively "Empower"), the custodians of the Plan.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value at December 31, 2021 and 2020.

Mutual Funds: Fair value is based on quoted net asset values of the shares as reported by the funds. The funds must publish their daily NAV and transact at that price. The funds held by the Plan are considered to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>December 31, 2021</u>			
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE E--GUARANTEED INVESTMENT CONTRACT

The Plan is invested in a Guaranteed Interest Fund (the "Fund"), a fully benefit-responsive investment contract through Great-West Life & Annuity Insurance Company. The Fund consists primarily of high-quality bonds with short to intermediate term maturities.

The investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. The average and actual average yield earned by the Plan both were 1.15% and 1.28% for the years ended December 31, 2021 and 2020, respectively.

The Fund is included in the financial statements at contract value, which approximates fair value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings or losses, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to, the following: (1) amendments to the plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the Plan's participants are probable of occurring.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE F--CONCENTRATIONS

As of December 31, 2021 and 2020, three of the Plan's investment options held accounted for approximately 39% and 40%, respectively, of the Plan's total investments.

NOTE G--PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments in mutual funds and Guaranteed Interest Fund were managed by Empower. Empower is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest.

Aggregate fees paid to service providers during the year ended December 31, 2021 amounted to approximately \$65,000. This amount has been included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

Administrative expenses, such as professional fees, amounting to approximately \$29,000 were paid by the Company in 2021 on behalf of the Plan.

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I--TAX STATUS

The Plan is a prototype non-standardized profit sharing plan which is pre-approved by the IRS. The IRS determination letter, dated March 31, 2014, for such Plans and related trusts, as then designed, was in compliance with applicable sections of the IRC. Subsequent to this determination by the IRS, the Plan was amended.

The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GLOBAL MARITEK SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE I--TAX STATUS--Continued

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effect of a tax position is recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.
