Independent Auditors' Report

Board of Trustees
Johnson Haller Inc. 401(k) Plan
Roseville, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Johnson Haller Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Johnson Haller Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Johnson Haller Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit

evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnson Haller Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Johnson Haller Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnson Haller Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Johnson Haller Inc. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in these financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Johnson Haller 401(k) Plan
Notes to the Financial Statements
December 31, 2021

Note 1. Description of Plan

The following description of Johnson Haller 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement, as amended, for more complete descriptions of Plan provisions.

General

The Plan is a participant-directed, defined contribution Plan covering all employees of Johnson Haller Inc. who have completed twelve months of service and are 21 years of age or older. The Plan allows for enrollment upon attainment of the service and age requirements. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Johnson Haller Inc. is the Plan's sponsor and serves as Plan administrator.

Contributions

Participation in the Plan is voluntary. Participants may elect to contribute up to the maximum allowable under current Internal Revenue Service limits to the Plan each year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution Plans.

The Company may make an additional contribution to the plan. The employer may make a flexible discretionary matching contribution equal to a percentage of the employee's annual contribution to the Plan. Each year the employer will determine the amount of the flexible discretionary match percentage and the employer will provide a separate notice after the last match payment is made for the plan year. The flexible discretionary match percent may range from 100% to 0% and is determined based on the company's operational and financial results for the year. The employee contributions, the employer contributions and any investment gains and losses belong 100% to the employee.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1. Description of Plan, Continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 and a maximum equal to the lesser of $50,000 or 50% of their vested account balance, limited to a maximum of two loans at any one time. The loans are secured by the vested balance in the participant's account and bear interest rates prime plus 2%. Principal and interest are paid ratably through regular payroll deductions over a period not to exceed five years, unless it is for the acquisition of a primary residence.

Vesting

Participants are fully vested in their salary deferrals plus actual earnings thereon. Employer may make a discretionary match. Employer contribution percentage is immediately vested.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account balance. Benefits are recorded when paid. In 2021 there were $1,035 in benefit payments.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures attributable to other than employer matching contributions and non-elective contributions may be used to reduce, at the discretion of the Plan Administrator, either the discretionary matching contribution that satisfies the "ACP test safe harbor" provisions, or any combination thereof, for the current Plan year or a future Plan year without affecting the Plan's top-heavy exemption. At December 31, 2021 forfeited non-vested accounts balance is $0.

Note 2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value (see Note 4). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets, or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the measurement date.

Investments are stated at fair value. Shares of mutual funds are valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted market price in an active market and is classified within Level 1 of the valuation hierarchy. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Note 2. Summary of Significant Accounting Policies, Continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Plan Termination

Although it has not expressed any intent to do so, and notwithstanding any other provision of the Plan to the contrary, upon the date of either full or partial termination of the Plan, or, if applicable, upon the date of complete discontinuance of profit sharing Plan contributions to the Plan, an affected participant's right to his accrued benefit shall be 100 percent vested.

Plan Expenses

The Plan's major expenses, operating and investment, including plan audit fees are absorbed by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan management and administration have reviewed the subsequent events through November 11, 2022, the date of issuance of the financial statements and noted no significant events.

Note 3. Party in Interest Transactions

The Plan employs Hinton Burdick, PLLC as independent auditors in the annual audit of the Plan's financial statements which qualifies Hinton Burdick, PLLC as a party-in-interest. As mentioned in Note 2, plan audit fees are paid by the Plan sponsor.

Note 4. Investments (Unaudited)

The following tables present the Plan investments within the fair value hierarchy as previously discussed in Note 2:

	Investments Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	$ 43,113	-	-	$ 43,113
Total investments	$ 43,113	$ -	$ -	$ 43,113

The Trustees of the Plan administer the Plan's investments. Investment decisions are made in accordance with the Plan agreement and assets of the Plan are invested in various mutual funds purchased through Reliance Trust Company. Investments representing 5% or more of net assets available for benefits consist of the following as of December 31:

	2021	2020
Investments:		
FREEDOM INDEX 2030 PREMIER	$ 10,126	1,604
FREEDOM INDEX 2055 PREMIER	9,340	810
FREEDOM INDEX 2050 PREMIER	9,227	1,244
FREEDOM INDEX 2025 PREMIER	5,858	206
FREEDOM INDEX 2060 PREMIER	3,274	105
FREEDOM INDEX 2035 PREMIER	3,114	112
FREEDOM INDEX 2045 PREMIER	2,174	124
Total investments	$ 43,113	$ 4,205

Note 5. Certified Information

In accordance with 29 CFR 2520-103-59(c), the Plan Trustee, Reliance Trust Company, has certified the accuracy and completeness of the 2020 information contained in the financial statements and Supplement Schedules as of December 31, 2021, stated:

	2021
Investments, at fair value	$ 43,113
Investment gains/losses	1,595

Note 6. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 9, 2021, the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ 43,113	$ 4,205
Amounts allocated to withdrawing participants	-	-
Employer contribution receivable not included on Form 5500	-	-
Participant contribution receivable not included on Form 5500	-	-
Other investment increases not included on Form 5500	-	-
Net assets available for benefits per the Form 5500	$ 43,113	$ 4,205

Note 7. Reconciliation of Financial Statements to Schedule H of Form 5500, Continued

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021 to Form 5500:

	2021
Benefits paid to participants per the financial statements	$ 1,035
Add: Amounts allocated to withdrawing participants at December 31, 2020	-
Less: Amounts allocated to withdrawing participants at December 31, 2021	-
Benefits paid to participants per the Form 5500	$ 1,035

Note 8. Fidelity Bond

The Plan continues to have a Fidelity Bond in place for employees who handle Plan assets as required by Department of Labor and ERISA statutes.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
