INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Rainbow of Challenges, Inc. Retirement Plan
Hope, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Rainbow of Challenges, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rainbow of Challenges, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rainbow of Challenges, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rainbow of Challenges, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standard, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rainbow of Challenges, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about Rainbow of Challenges, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule G, Part I - Schedule of Loans or Fixed Income Obligations in Default or Classified as Uncollectible and Schedule H, Line 4i - Schedule of Assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 1023(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Rainbow of Challenges, Inc. Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Rainbow of Challenges, Inc. Retirement Plan, which comprise the statements of net assets available for benefits as of June 30, 2021 and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by OneAmerica, Metropolitan Life Insurance Company, American Funds and the Variable Annuity Life Insurance Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodians as of and for the year ended June 30, 2021, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule G, Part I - Schedule of Loans or Fixed Income Obligations in Default or Classified as Uncollectible and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended June 30, 2021 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RAINBOW OF CHALLENGES, INC. RETIREMENT PLAN
Hope, Arkansas

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of Rainbow of Challenges, Inc. Retirement Plan, "the Plan", provides only general information. Rainbow of Challenges, Inc. (the "Employer") is a not-for-profit organization as described in section 501(c)(3) of the Internal Revenue Code (IRC). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan, which provides retirement benefits for substantially all employees of Rainbow of Challenges, Inc. The plan was established and effective September 1, 1994. The Plan was restated on January 1, 2014. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Custodians – OneAmerica acts as the Plan's primary custodian pursuant to the custodial agreement effective January 22, 2020, and was credited with all participant deferrals and employer contributions for the plan year ending June 30, 2022. Prior contracts were issued by Metropolitan Life Insurance Company ("MetLife") and The Variable Annuity Life Insurance Company ("VALIC"). In addition, the Plan holds investments with the American Funds Service Company ("American Funds").

Participant Eligibility – Participants working more than 20 hours per week may enter the Plan and begin making deferral contributions beginning on their first day of employment. Participants are eligible for matching contributions following the completion of one year of service, defined as 1,000 hours during the first year of employment, and be employed for three consecutive months during that period. There is no minimum age requirement for plan eligibility.

Plan Funding – The Plan provides that the employer will make a matching contribution on a payroll basis for all participants who elect to make salary deferral contributions to the Plan. The matching contribution for the year ended June 30, 2022 and 2021 was equal to 6% of each participant's eligible compensation. Amounts received as a bonus and overtime payments are excluded from eligible compensation.

Each participant may make elective salary deferral contributions in an amount not to exceed the lesser of \$20,500 (2022) or their earned compensation less required withholding taxes for the years. In addition, any participant who is or turns fifty years of age by the end of the tax year is allowed an additional catch-up contribution. The catch-up limit was \$6,500 for each eligible participant for 2022. Employees with fifteen years or more of service at a qualifying institution (same employer) may make an additional elective salary deferral up to \$3,000 per year (\$15,000 max lifetime). Employees may be eligible for both the age 50 and 15 year catch-up provisions.

All elective salary deferred contributions must be authorized by the participant in writing, made by payroll deduction or any other method designated by the plan administrator, and is paid over to the custodian within a reasonable period following the date of deduction from the participant's pay, but in no event later than the 15th day of the month following the close of the month in which the amount was withheld from the participant's pay. A participant's salary deferred contribution is credited to such participant's salary deferred account and treated as an employee contribution for purposes of their deductibility and tax treatment under the Internal Revenue Code (IRC). Such elective salary deferrals are at all times 100% vested to the participant.

RAINBOW OF CHALLENGES, INC. RETIREMENT PLAN
Hope, Arkansas

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 1: DESCRIPTION OF THE PLAN - CONTINUED

Plan Funding, Continued – The Employer has established uniform and nondiscriminatory rules governing the manner and method by which participants' salary deferred contributions shall be made. Such rules include the method and frequency with which a participant may change or discontinue his contributions, and when contributions may be made. Total participant and employer contributions are subject to an overall annual limitation equal to the lesser of 100% of the participant's compensation or \$61,000 for 2022.

Participant Accounts – Investments are participant directed. Each participant in the Plan may select from a variety of professionally managed investment funds. Participants may make changes to their investment choices at any time. Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Costs – For the years ended June 30, 2022 and 2021, administrative expenses paid by the Plan, including basic services and investment fees, were \$28,901 and \$29,960, respectively. Additional administrative expenses were paid by the plan sponsor.

Vesting – All participant contributions are at all times 100% vested and nonforfeitable. Vesting in the employer's contribution portion is based on years of service as shown below:

<u>Completed Years of Service at Date Of Termination of Employment</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts – Forfeited accounts are remitted by the custodian to the plan sponsor. These amounts may be used by the plan sponsor to reduce future employer contributions. Forfeitures for the year ended June 30, 2022 and 2021 totaled \$7,225 and \$59,925 respectively.

Payment of Benefits – Prior to a participant's separation from service, the participant's vested account balance shall be available for distribution when attaining age 59 ½ or attaining normal retirement age. Upon termination of employment, death or disability, participants may elect to receive their account balances distributed in a lump sum.

Participants Loans – The plan document currently provides no provisions for participant loans.

Hope, Arkansas

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 1: DESCRIPTION OF THE PLAN - CONTINUED

Fixed Interest Accounts – The Plan maintains investments in fixed interest contracts with OneAmerica, MetLife, and VALIC, which are held in the respective insurance company's general account. The accounts are credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed interest accounts contain certain restrictions on the ability of plan participants to transact some or all of the balances to other investment options available to them. Given these restrictions, the Fixed Accounts are not considered fully benefit-responsive and therefore an adjustment from fair value to contract value on the statements of net assets available for benefits is not necessary. The average interest rate credited to participants for the year ended June 30, 2022 was 1.0%, 3.0% and 5.5-6.0% for OneAmerica, MetLife, and VALIC, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits – Distribution of Plan benefits are recognized for accounting purposes when funds are actually paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to benefit payments and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

- The fair value of registered investment company shares held by OneAmerica are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).
- The fair values of accumulation units held by the Plan in MetLife accounts (pooled separate accounts) are managed by the individual investment adviser for each fund. MetLife variable accounts are not exchange traded and are classified within Level 2 of the fair value hierarchy. Data for NAVs are changed daily and available to plan administrators and client investors on MetLife's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily mutual funds. There are no unfunded commitments from participants in the Plan who invest in these accounts.
- The fair values of accumulation units held by the Plan in VALIC accounts (pooled separate accounts) are managed by the individual investment adviser for each fund. VALIC variable accounts are not exchange traded and are classified within Level 2 of the fair value hierarchy. Data for NAVs are changed daily and available to plan administrators and client investors on MetLife's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily mutual funds. There are no unfunded commitments from participants in the Plan who invest in these accounts.

RAINBOW OF CHALLENGES, INC. RETIREMENT PLAN
Hope, Arkansas

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

- The fair values of accumulation units held by the Plan in American Funds accounts (pooled separate accounts) are managed by the individual investment adviser for each fund. VALIC variable accounts are not exchange traded and are classified within Level 2 of the fair value hierarchy. Data for NAVs are changed daily and available to plan administrators and client investors on MetLife's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily mutual funds. There are no unfunded commitments from participants in the Plan who invest in these accounts.
- Investments in OneAmerica's "AUL Stable Value Account" contracts, MetLife's "Fixed Interest Account" contracts and VALIC's "Fixed Account Plus" contracts are reported at contract value, which approximates fair value. As these investments are contract-based, observable prices for identical or similar investments do not exist and, accordingly, these investments are valued using unobservable inputs (Level 3). The contract values equal the accumulated cash contributions and interest credited to the contract, less any withdrawals. Liquidity restrictions may apply to certain types of contracts that could impact the value realized upon exiting the contract.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at June 30, 2022 and 2021:

<u>Fair Value Measurement at June 30, 2022</u>				
<u>Description of Asset</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 4: INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA)*. The Plan custodians OneAmerica, MetLife, American Funds and VALIC have certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a) Investments as shown in the statements of net assets available for benefits.
- b) Net appreciation in fair value of investments, dividends and interest from the fixed interest accounts as shown in the statement of changes in net assets available for benefits.
- c) Investment information as disclosed in Note 3 and on Schedule H, Part IV, line 4(i) – Schedule of Assets (Held at End of Year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 5: RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments are managed by OneAmerica, American Funds, MetLife, and VALIC. OneAmerica, American Funds, MetLife and VALIC are the custodians as defined by the Plan and, therefore, these investment and investment transactions qualify as party-in-interest transactions. Fees paid during the year for administrative services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain legal, accounting, and administrative expenses relating to the maintenance of the Plan are paid by the Employer.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the Plan once the IRS opens such a program for individual plans. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). Therefore, no provision for income tax has been included in the Plan's financial statements. The plan is subject to routine audits by taxing jurisdictions and there are currently no audits in progress.

NOTE 8: PARTICIPANT LOANS

The plan document currently provides no provision for participant loans. However, loans have been available to participants through custodians MetLife and VALIC, subject to certain limitations. MetLife issues loans directly from funds owned by MetLife and loan proceeds are not removed from a participant's account balance. At June 30, 2022 and 2021, participants had outstanding plan loan balances of \$4,582 and \$4,448, respectively. VALIC issues loans directly from funds owned by VALIC and loan proceeds are reclassified from a participant's investment account balance to loan collateral or escrow fund account for tracking purposes. Issuance of these plan loans has no impact on the statement of net assets available for benefits. At June 30, 2022 and 2021, participants had outstanding plan loan balances due to VALIC of \$41,859 and \$39,546, respectively. All participant loans are in default status at June 30, 2022.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There was one reconciling item between the financial statements and the Form 5500, Schedule H, as of June 30, 2022 and 2021. The American Funds balance was reported on a calendar year end instead of the Plan's fiscal year end.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 18, 2022, which is the date the financial statements were available to be issued. Management has concluded that no additional material subsequent events have occurred through this date that requires recognition or disclosure in the financial statements.
