Independent Auditor's Report

To the Participants and Administrator of the
Italmatch USA 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Italmatch USA 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Report on Compiled 2020 Financial Statement

Management is responsible for the accompanying 2020 financial statement of Italmatch USA 401(k) Plan, which comprises the statement of net assets available for benefit as of December 31, 2020, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. A compilation is limited to presenting in the form of financial statements information that is the representation of management. We did not audit or review the statement of net assets available for benefits as of December 31, 2020, nor were we required to perform any procedures to verify the accuracy or completeness of information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial statement.

Italmatch USA 401(k) Plan

Notes to Financial Statements

December 31, 2021 (Audited) and 2020 (Compiled)

Note 1: Description of Plan

The following description of the Italmatch USA 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, effective July 1, 2003, covering substantially all eligible employees of Italmatch USA Corporation (the Company). Compass Chemical International LLC, a wholly-owned subsidiary of the Company, is the Plan Sponsor. Employees are permitted to enter the Plan on the first day of each month following the date that 30 days of service is completed. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2021, the Company rolled all eligible employees from three of their subsidiaries from a separate Detrex Corporation Plan (Detrex Plan) into the Plan. This was treated as a plan termination and transfers were rollovers into the Plan. The employees who rolled over into the Plan pursuant to this transaction were granted the service earned through the Detrex Plan.

Contributions

The Plan includes a provision under Internal Revenue Code (IRC) Section 401(k) whereby participants may make pretax or Roth after-tax contributions to the Plan from 1% to 75% of their eligible compensation, as defined in the Plan Document and subject to aggregate limits imposed by the Internal Revenue Service (IRS) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Aggregate limits as prescribed by the IRS were \$19,500 for participants under the age of 50 and \$26,000 for participants age 50 and older in 2021. Participants direct their contributions into various investment options offered by the Plan. The Plan also accepts rollovers from other qualified plans.

The Plan makes Safe Harbor matching contributions equal to 100% of the first 3%, plus 50% of the next 2% of each participant's compensation contributed to the Plan. The Company's Safe Harbor contributions totaled \$591,768 for the year ended December 31, 2021, which is net of forfeitures totaling \$13,297.

In addition to the Safe Harbor matching employer contributions, the Plan Sponsor may make discretionary contributions to participants, under a non-integrated method, to participants employed on the last day of the Plan year. During 2021, the Plan Sponsor elected not to make any discretionary contributions.

Administration

Fidelity Management Trust Company (Fidelity or the Trustee) serves as the trustee and custodian of the Plan. The Trustee receives all contributions made under the Plan, holds all Plan assets, and pays benefits to participants as directed by the Plan administrator (Note 3).

The Company serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The Plan administrator engaged Fidelity as a third-party administrator to assist in the administration of the Plan.

Participant Accounts

Each participant account is credited with the participant's contributions, the participant's share of investment income or loss and any Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options selected by the Plan administrator.

Vesting

Participants are 100% vested in their contributions plus any allocated earnings thereon, as well as the Company match. Participants are immediately vested upon termination of the Plan, death, total disability or upon reaching normal retirement age of 65.

Payment of Benefits and Withdrawals

The Plan provides for benefit distributions to participants or beneficiaries of their vested account balance upon termination of employment, disability, death or attainment of age 59 ½. If the value of the vested account is not greater than \$5,000 when employment is terminated or thereafter, the benefit may be automatically distributed in accordance with the terms of the Plan Document at the end of the quarter following termination. A terminated participant with a balance of less than \$1,000 may be automatically paid out of the Plan. A terminated participant with a balance between \$1,000 and \$5,000 may be automatically paid out of the Plan into a qualified retirement account.

In general, a participant may withdraw a minimum of \$500 and up to 100% of the participant's pre-tax and rollover contributions in the event of a participant's immediate and heavy financial hardship, as defined in the Plan Document.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited upon the complete distribution of the vested portion of their account, subject to the possibility of reinstatement before the end of five consecutive breaks in service, as defined in the Plan Document. Forfeitures of terminated employees' non-vested accounts are used to pay administrative expenses of the Plan, restore non-vested amounts to re-employed participants, or to reduce Plan Sponsor contributions, as defined in the Plan Document.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable transactions are treated as a transfer to (from) the investment funds from (to) the participant's note receivable fund. Note receivable terms range from 1 to 5 years for nonresidential loans and 10 years for residential loans. The notes receivable are secured by the balance in the participants' accounts and bear interest at a rate commensurate with the interest rate charged by persons in the business of lending money for loans made under similar circumstances. For purposes of this Plan, the Wall Street Journal's Prime Interest Rate plus two percentage points is used. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Administrative expenses of the Plan are obligations of the Plan, but may be paid by the Company. These expenses include, but are not limited to, legal, accounting, recordkeeping fees, and investment expenses. For administrative expenses not paid by the Company, a proportionate share of fees and expenses paid by the Plan is charged to each participant's account.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements for the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4).

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, and dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains on investments bought and sold as well as held during the year.

Payment of Benefits and Rollover Distributions

Benefit payments and rollover distributions are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document.

Subsequent Events

The Plan Sponsor has evaluated for subsequent events between the date of the statement of net assets available for benefits as of December 31, 2021, and the report date, which is the date these financial statements were available for issuance. Management has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

Note 3: Information Certified by Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value:		
Mutual funds	\$ 25,248,255	\$ 10,193,509
Common collective trust	429,275	373,921
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	1,710,553	
Interest and dividends	1,112,473	

Note 4: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Input to the valuation methodology includes:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of the input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for these items, as well as the general classification of such items pursuant to the fair value hierarchy of ASC 820.

Mutual funds - Valued at the net asset value (NAV) of shares held by the Plan at year end, which is equivalent to quoted market prices as provided by the Trustee, and are classified within Level 1 in the fair value hierarchy table.

Common collective trust – The Plan holds an investment in a common collective trust fund (the Fidelity Managed Income Portfolio Class I or MIP). The investment in the MIP is presented at fair value which reflects the NAV of the fund. The NAV of the MIP is based on the fair value of the underlying securities plus the contract value of the fully benefit responsive wrapper contract. The MIP's NAV represents the Plan's fair value since this is the amount of which the Plan transacts with the fund. A participant's ownership of the MIP is represented by units. Units are issued and redeemed daily at the MIP's constant NAV of \$1 per unit. Although it is the policy of the MIP to use its best efforts to maintain a stable NAV of \$1 per unit, there is no guarantee that the MIP will be able to maintain that value. The MIP allows for daily liquidity with no additional notice required for redemption.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or a reflection of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at fair value as of December 31, 2021:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 25,248,255	\$ -	\$ -	\$ 25,248,255
Common collective trust	429,275	-	-	429,275
Total investments at fair value	<u>\$ 25,677,530</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,677,530</u>

Investments at fair value as of December 31, 2020:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,193,509	\$ -	\$ -	10,193,509
Common collective trust	373,921	-	-	373,921
Total investments at fair value	<u>\$ 10,567,430</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,567,430</u>

Note 5: Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 6: Risks and Uncertainties

The Plan's invested assets are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts presented in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

Note 7: Plan Failures

During 2021, one plan failure occurred due to improperly implemented deferral elections filed by the participant and one plan failure occurred due to improperly entering in a participant into the Plan. As a result, employee deferrals were not properly deducted and deferred from certain participants' gross wages. The Plan Sponsor intends to take corrective action with the IRS and DOL related to these plan failures and submit a Qualified Non-Elective Contribution to the Plan on behalf of the affected participants equal to the sum of 50% of the difference between their elected deferral percentage and the actual amount deferred for each affected participant representing the lost opportunity to defer their salary into the Plan. In addition, the Plan Sponsor plans to make a restoration contribution to the Plan for lost earnings on the deferrals. The Plan Sponsor does not expect this contribution to have a material impact on the financial statements.

Note 8: Prohibited Transactions

During 2021, the Plan Sponsor deducted, via payroll withholding, an aggregate of \$190,467 from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with DOL regulations. The Company intends to file a Form 5330 with the IRS, pay the required excise tax and make a restoration contribution to the Plan to restore lost earnings.

Note 9: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on the Form 5500 to the accompanying financial statements is as follows:

Net Assets Available for Benefits	2021	2020
Net assets, as reported on Form 5500	\$ 26,146,464	\$ 10,727,674
Adjustments to accrue current year:

2020 Employee Contributions receivable not recorded on Form 5500	(12,176)
2020 Employer Contributions receivable not recorded on Form 5500	(4,554)
Adjustment from NAV to fair value for Fidelity Managed Income Portfolio Fund	9,315
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 15,422,804</u>

Note 10: Party-in-Interest Transactions

The Trustee performs services for, and sells products to, the Plan for which fees are charged to the Plan. Party-in-interest transactions also include notes receivable from participants.

Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 11: Plan Termination

Although it has expressed no intent to do so, the Company reserves the right to change or terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the value of each participant's account as of the date of termination shall immediately become non-forfeitable and fully vested.
