INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
YF FC Operations, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the YF FC Operations, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from Voya Retirement Insurance and Annuity Company (Voya Financial), the Trustee and Custodian of the Plan as of December 31, 2021 and for the period of September 27, 2021 through December 31, 2021 and Massachusetts Mutual Life Insurance Company (MassMutual), the Trustee and Custodian of the Plan, as of December 31, 2020 and for the period of January 1, 2020 through September 26, 2021, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that Voya Financial holds the Plan's investment assets and executes investment transactions as of December 31, 2021 and for the period of September 27, 2021 through December 31, 2021. We have been informed by the Plan administrator that MassMutual held the Plan's investment assets and executed investment transactions as of December 31, 2020 and for the period of January 1, 2020 through September 26, 2021. The Plan administrator obtained certifications from the Trustees and Custodians as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report-

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the YF FC Operations, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing

standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the YF FC Operations, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the YF FC Operations, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated, November 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We have been informed by the Plan administrator that MassMutual held the Plan's investment assets and executed investment transactions as of December 31, 2020 and for the period of January 1, 2020 through September 26, 2021. The Plan administrator obtained certifications from the Trustees and Custodians as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report-

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the YF FC Operations, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing

standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the YF FC Operations, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the YF FC Operations, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated, November 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

YF FC OPERATIONS, LLC 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the YF FC Operations, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the standardized 401(k) Adoption Agreement and Summary Plan Description (the Plan Documents) for a comprehensive description of the Plan's provisions.

General

YouFit Health Clubs, LLC established the Plan effective January 1, 2015. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On November 9, 2020, YouFit Health Clubs, LLC filed a Chapter 11 Voluntary Petition in the Delaware District of U.S. Bankruptcy Court (the Court). On November 10, 2020, YF FC Acquisition, LLC, and its 100%-owned subsidiary, YF FC Operations, LLC, collectively (the Buyers) entered into an Asset Purchase agreement with YouFit Health Clubs, LLC, and on December 28, 2020, the Buyers received an approved sale order from the Court. The Buyers agreed to purchase certain assets and assume certain liabilities of YouFit Health Clubs, LLC, including the You Fit, LLC 401(k) Profit Sharing Plan and Trust. On February 15, 2021, the You Fit, LLC 401(k) Profit Sharing Plan and Trust was amended to allow the assumption of the Plan by YF FC Operations, LLC as the new plan sponsor, and the Plan was renamed YF FC Operations, LLC 401(k) Profit Sharing Plan (the Plan).

On January 1, 2022, the Plan was amended to modify the safe harbor provisions and for purposes of calculating the safe harbor contribution, the Participant's compensation and deferrals will be calculated on a quarterly basis.

Eligibility

The Plan covers all employees of the Company who are residents of the United States of America except collective bargaining (union) employees and non-resident aliens. Participants over 21 years old are eligible to participate in the Plan upon completion of one year of service. Employees may enter the Plan quarterly upon meeting the eligibility requirements. Effective July 1, 2021, the Plan was amended to reduce the minimum service requirement from the completion of one year of service to the completion of six months of service and monthly entry dates apply instead of quarterly entry dates. In connection with the amendment, anyone hired prior to July 1, 2021, that had not met the prior minimum service requirement of one year, but had completed six months of service became eligible on July 1, 2021.

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN – cont’d.

Participant Contributions

Participants may make pre-tax or after-tax (Roth) contributions to the Plan up to 100% of their annual compensation, as defined by the Plan. Participants’ Roth elective contributions will be allocated to a separate account maintained for such contributions. Participant contributions are subject to Internal Revenue Code (the Code) limits, which totaled \$19,500 for each of the years ended December 31, 2021 and 2020.

Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to the limitations imposed by the Code, which totaled \$6,500 for each of the years ended December 31, 2021 and 2020. Participants are permitted to make rollover contributions to the Plan.

Company Contributions

The Plan provides for Company safe harbor matching contributions equal to 100% of the first 3% of participants’ contributions and 50% of the next 2% of participants’ contributions. The Company’s safe harbor matching contributions are calculated and submitted on a per-payroll basis and are invested in the same manner as those directed by the participant.

Company safe harbor matching contributions totaled \$348,913 and \$380,055 during the years ended December 31, 2021 and 2020, respectively. The Company safe harbor matching contributions are invested in the same manner as those directed by the participant. As the Company makes safe harbor matching contributions each pay period, the participants are entitled to a “true-up” safe-harbor matching contribution to the extent that the participant did not receive a safe harbor matching contribution based on their salary deferrals and plan compensation for the entire plan year, as the plan document defines the contribution period as annual. The Company made true-up safe harbor matching contributions totaling \$29,999 and \$24,449 during the years ending December 31, 2021 and 2020, respectively.

The Company may also, at its discretion, elect to match a portion of eligible participants’ contributions on a per-payroll basis. Participants are eligible to receive discretionary Company matching contributions if they are actively participating in the Plan at the time of contribution. The discretionary Company matching contributions are invested in the same manner as those directed by the participant. The Company did not make any discretionary matching contributions during the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is participant-directed and credited with the participant, Company, and rollover contributions, withdrawals, and allocations of (a) Plan earnings and (b) administrative expenses. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF THE PLAN – cont’d.

Vesting

Participants are immediately vested in their contributions plus earnings thereon and are immediately vested in Company safe harbor matching contributions plus earnings thereon. Participants vest in Company discretionary matching contributions plus earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Upon attaining the normal retirement age of 65, or early retirement of 60 and the completion of four years of service, participants shall be entitled to receive the full value of their accounts. The full value of participants' accounts will also be paid in the event of death or total permanent disability.

Forfeitures

Forfeitures of non-vested Company contributions can be used to reduce future Company contributions or administrative expenses. During the years ended December 31, 2021 and 2020, there were no forfeitures applied to reduce Company contributions or administrative expenses. As of December 31, 2021, forfeitures available to the Plan totaled \$2,514. There were no forfeitures available to reduce future Company contributions or administrative expenses as of December 31, 2020.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000, and a participant can have no more than one note outstanding at any given time. The notes are secured by the vested balance in the participant's account and bear interest at rates commensurate with commercial rates in the local lending area for similar note types at the time of loan origination (prime plus 2%). Principal and interest is paid ratably through payroll deductions. Notes must be paid back within five years, unless for the purchase of a primary residence or the participant temporarily delayed loan repayments under the Coronavirus Aid, Relief, Economic and Security (CARES) Act (Note 7), resulting in the extension of the maturity date by one year.

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN – cont'd.

Payment of Benefits

Upon termination of service, retirement, death, disability or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.

Plan Expenses

All administrative expenses are paid with the assets of the Plan, unless paid by the Company, at its discretion. For the years ended December 31, 2021 and 2020, the Company elected to pay a portion of the Plan's direct expenses. Expenses that are paid directly by the Company are excluded from the Plan's financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to participant accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation in fair value of investments.

Unallocated Revenue Sharing Account

The Plan's Service Agreement with MassMutual required the Plan to pay an amount equal to a specific percentage per participant, payable on an annual basis (the Annual Revenue Requirement). Investment-related expenses, as defined in the Plan Service Agreement, charged in excess of the Annual Revenue Requirement are remitted back to the Plan and were held in an unallocated revenue sharing account. Amounts held in the unallocated revenue sharing account, as applicable, may be applied to pay administrative expenses, be allocated to Plan participants on either a pro-rata or per-capita basis, or reduce future Company contributions. During the year ended December 31, 2021, there were no unallocated revenue sharing fees applied to reduce Plan expenses. During the year ended December 31, 2020, unallocated revenue sharing fees totaling \$14,633 were applied to reduce Plan expenses. As of December 31, 2021 and 2020, there were no funds held in the unallocated revenue sharing account.

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Interest income is recorded on an accrual basis. Delinquent notes are treated as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Notes receivable from participants totaled \$109,666 and \$133,913 as of December 31, 2021 and 2020, respectively.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

YF FC OPERATIONS, LLC

Notes to the Financial Statements
For the Years Ended December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Guaranteed investment account: Valued by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Since participants may transact at contract value or surrender value, the fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, Plan management evaluated a variety of factors including existing contract provisions (crediting rate and minimum rate), economic conditions and contract value.

Interests in pooled separate accounts: Valued using the net asset value (NAV) practical expedient of the pooled separate account as provided by the issuer. The NAV practical expedient is based on the value of the underlying assets owned by the fund, less its liabilities, and divided by the number of units outstanding.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 4,968,698	\$ -	\$ -	\$ 4,968,698
Interests in guaranteed investment account	-	37,297	-	37,297
Total investments, at fair value	\$ 4,968,698	\$ 37,297	\$ -	\$ 5,005,995

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Interests in pooled separate accounts ^(a)	n/a	n/a	n/a	\$ 4,899,933
Total investments, at fair value	\$ -	\$ -	\$ -	\$ 4,899,933

(a) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table presents investments, measured at net asset value using a practical expedient as of December 31,:

	2021	2020	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in pooled separate accounts ^(b)	\$ -	\$ 4,899,933	Daily	Daily	None

(b) Funds are invested in various types of domestic and international stocks, equities and fixed-income securities, and debt securities to achieve a long-term rate of return while preserving capital.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through November 21, 2022, the date the financial statements were available to be issued and determined that there were no material events that warrant disclosure, except as disclosed in Note 1.

3. INVESTMENTS

All investment information contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2021 and 2020, and interest and dividend income and net realized and unrealized appreciation in fair value of investments for the years then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Voya Financial, the Trustee and Custodian of the Plan, as of December 31, 2021, and for the period of September 27, 2021 through December 31, 2021 and MassMutual, the Trustee and Custodian of the Plan, as of December 31, 2020 and for the period of January 1, 2020 through September 26, 2021. Notes receivable from participants as of December 31, 2021 and activity for the period September 27, 2021 through December 31, 2021 has not been certified by Voya Financial.

4. PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2021, the Plan invests in a fund managed by an affiliate of Voya Financial, who acts as the Custodian to the Plan for this fund. As of December 31, 2020, the Plan invested in funds that were managed by MassMutual. The Plan loans funds to its participants according to the applicable provisions of the Plan document. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Plan Vendor Change

On September 27, 2021, the Plan entered into an agreement to change Trustees and Custodians from MassMutual to Voya Financial. The Plan investments were transferred from MassMutual to Voya Financial on September 29, 2021. As a result to the change in Trustees and Custodians, a blackout period was in effect from September 27, 2021 through October 22, 2021, for loans, distributions, transfers, and investment elections. During this time, participants were unable to access their accounts, direct or diversify their investments, obtain a new loan or receive a distribution from the Plan. However, participants were able to make contributions and loan repayments to the Plan during this period.

YF FC OPERATIONS, LLC 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

5. INCOME TAX STATUS

The Plan adopted a volume submitter profit share plan / 401(k) plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Effective September 30, 2021, the Plan adopted a restated pre-approved plan, in conjunction with the new Trustee and Custodian, Voya Financial, with a deferral arrangement, which received a favorable opinion from the IRS dated June, 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.
