INDEPENDENT AUDITORS' REPORT

The Administrative Committee
UBG 401(K) – Alliance Ag & Grain
313 N. Main
Spearville, Kansas 67876

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of UBG 401(K) – Alliance Ag & Grain, Spearville, Kansas, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of UBG 401(K) – Alliance Ag & Grain's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4—Summary of Information Certified by Trustees of Plan Under Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974. The Following Information Included in the Accompanying Financial Statements and Supplemental Schedule was Obtained From Data That has Been Prepared and Certified to as Complete and Accurate by the Trustees as of December 31, to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UBG 401(K) – Alliance Ag & Grain and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(K) – Alliance Ag & Grain's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness UBG 401(K) – Alliance Ag & Grain's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(K) – Alliance Ag & Grain's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1—DESCRIPTION OF PLAN

The following description of UBG 401(K) – Alliance Ag & Grain (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all employees of Alliance Ag and Grain, LLC (the Company). Employees are eligible to participate in the Plan when they have completed three months of service and have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

Each year, participants may elect to defer not less than 1% and not more than 75% of eligible compensation, as defined in the Plan, subject to the maximum amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to make after-tax (Roth) contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Company Contributions

The Company may make a discretionary contribution equal to a uniform percentage or dollar amount of participant elective deferrals each payroll period. Each year, the Plan sponsor will determine the formula for the discretionary matching contribution. For the year ended December 31, 2021, the Company matched 50% of the first 6% of compensation that the participant contributed to the Plan.

In addition to discretionary matching contributions, the Company may make a discretionary nonelective contribution to the Plan. For the year ended December 31, 2021, no discretionary nonelective contribution was made.

Investment Options

Participants direct the investment of their contributions as well as the Company's contributions into various investment options offered by the Plan. The Plan currently offers Mutual Funds, Fixed Annuities, and Common Collective Trust Funds as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's contributions, an allocation of Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

Upon attainment of normal retirement age, death, or disability of the participant, all amounts are fully vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance the participant had during the previous 12-month period or 50% of their vested account balance. The loans are secured by the balance of the participant's account and bear a commercially reasonable rate of interest. Loans used to purchase a residence may be repaid over fifteen years. Loans for all other purposes must be repaid within five years. Principal and interest is paid ratably through payment terms specified in each note agreement.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments. Participants with a vested benefit not exceeding \$5,000, will be distributed as a single lump sum payment.

In-service distributions are allowed by meeting certain conditions, including attaining age 59½ incurring a financial hardship, or incurring a disability.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested account balances totaled \$21,853 and \$18,650, respectively. For the year ended December 31, 2021, no forfeitures were used to reduce Company contributions.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Delinquent participant loans, if any, are classified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See also Note 3—Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are included in benefits paid to participants.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Operating Expenses

Certain administrative expenses of maintaining the Plan are paid by the Company.

Date of Management's Review

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds: are valued at the daily closing price as reported by the fund. Mutual Funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The Mutual Funds held by the Plan are considered to be actively traded.

Fixed Annuities: this is a GWI Fixed Account that is backed by the general account assets of Great-West Life & Annuity. The reported values are reported daily as calculated by the annuity provider.

Common Collective Trust Funds: are valued at the NAV as determined by the trustee of such funds based upon the underlying securities stated at fair value. The NAV as provided by the trustee of the fund is used as a practical expedient to estimate fair value.

The following table sets forth the Plan's assets at fair value as of December 31, 2021:

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Mutual Funds	\$ 6,159,649	\$ 6,159,649	\$ -
Fixed Annuities	75,415	-	75,415
Investments measured at net asset value per share (a)	<u>686,463</u>	<u>-</u>	<u>-</u>
Total investments at fair value	<u>\$ 6,921,527</u>	<u>\$ 6,159,649</u>	<u>\$ 75,415</u>

The following table sets forth the Plan's assets at fair value as of December 31, 2020:

Mutual Funds	\$ 4,442,089	\$ 4,442,089	\$ -
Investments measured at net asset value per share (a)	<u>569,414</u>	<u>-</u>	<u>-</u>
Total investments at fair value	<u>\$ 5,011,503</u>	<u>\$ 4,442,089</u>	<u>\$ -</u>

- (a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4—SUMMARY OF INFORMATION CERTIFIED BY TRUSTEES OF PLAN UNDER SECTION 29 CFR 2520.103-8 OF THE DEPARTMENT OF LABOR'S RULES AND REGULATIONS FOR REPORTING AND DISCLOSURE UNDER THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974. THE FOLLOWING INFORMATION INCLUDED IN THE ACCOMPANYING FINANCIAL STATEMENTS AND SUPPLEMENTAL SCHEDULE WAS OBTAINED FROM DATA THAT HAS BEEN PREPARED AND CERTIFIED TO AS COMPLETE AND ACCURATE BY THE TRUSTEES AS OF DECEMBER 31

The trustees of the Plan held all of the Plan's investment assets and executed transactions therein. Financial information relating to those assets is included in the accompanying financial statements based on information provided by the trustees. The Plan administrator has obtained certification from the trustees, as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate. That information which has not been audited by independent accountants, is summarized as follows:

- Investment balances and transactions
- Participant loan balances and transactions
- Investment income and accrued income
- Realized and unrealized appreciation in fair value of investments

NOTE 5—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6—TAX STATUS

The Plan has adopted a prototype-standardized plan designed to qualify under Section 401(k) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the prototype plan has received an opinion letter dated June 30, 2020, that this Plan is relying on. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, exempting it from federal income taxes.

NOTE 7—RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8—RELATED PARTY TRANSACTIONS

The Company absorbs significant expenses of administering the Plan, including general administration and recordkeeping costs.

The Plan's administrative and investment advisory fees include payments to Alerus Financial, N.A., a trustee of the Plan, of \$21,218.
