INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
Signal Peak Energy, LLC 401(k) Savings and Investment Plan, Plan No. 001
Roundup, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Signal Peak Energy, LLC 401(k) Savings and Investment Plan, Plan No. 001 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Signal Peak Energy, LLC 401(k) Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Signal Peak Energy, LLC 401(k) Savings and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Signal Peak Energy, LLC 401(k) Savings and Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Signal Peak Energy, LLC 401(k) Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Signal Peak Energy, LLC 401(k) Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
Signal Peak Energy, LLC 401(k) Savings and Investment Plan, Plan No. 001
Roundup, Montana

We were engaged to audit the accompanying financial statements of Signal Peak Energy, LLC 401(k) Savings and Investment Plan, Plan No. 001 (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 2, which was certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the custodians as of December 31, 2020, that the information provided to the Plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SIGNAL PEAK, LLC 401(K) SAVINGS
AND INVESTMENT PLAN (PLAN NO. 001)
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION AND SIGNIFICANT ACCOUNTING POLICIES

The following description of the Signal Peak Energy, LLC 401(k) Savings and Investment Plan, Plan No. 001 (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution profit sharing plan qualifying under Section 401(k) of the Internal Revenue Code (IRC) of 1986. It covers substantially all employees of Signal Peak Energy, LLC, the Plan sponsor, who have completed 90 days of service and are age 19 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is a single employer plan and the original effective date of the Plan is August 1, 2006.

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB), and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Participant Accounts

Each participant's account is credited with the participant's contributions and Plan sponsor contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to have a portion of their compensation contributed to the Plan on a pre-tax basis. Each participant's deferrals contributed in any taxable year may not exceed the statutory limit of \$19,500 in 2021 and 2020, as defined by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions not to exceed \$6,500 in 2021 and 2020. Participants may also contribute amounts representing rollovers from other qualified plans.

The Plan sponsor contributes a safe harbor match equal to 100% of the participants' elective deferral contributions up to 6% of eligible compensation, subject to federal statutory limitations. Additional amounts may be contributed at the discretion of the Plan sponsor; however, no discretionary contributions were made for the years ended December 31, 2021 and 2020.

NOTE 1. PLAN DESCRIPTION AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Contributions (Continued)

Participants may direct the investment of their contributions and the Plan sponsor's contributions into various investment options offered by the Plan. The Plan currently offers a variety of options, including pooled separate account investments, collective investment trusts, and a guaranteed investment contract.

Vesting

Participants are immediately 100% vested in their elective deferrals, rollover contributions, and safe harbor match contributions, plus earnings thereon. Vesting in the Plan sponsor's discretionary contributions, plus actual earnings thereon, is based on years of continuous service as disclosed in the vesting schedule below. A participant's account is 100% vested after 5 years of credited service.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow a minimum of \$1,000, up to a maximum of \$50,000 or 50% of the vested balance of the participant's account, whichever is less. Participants may have one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest set at 5%. Principal and interest are paid ratably with bi-weekly payroll deductions. Loans must be paid within 5 years. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Under the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) participants were allowed to borrow up to \$100,000 or 100% of their vested account balance between March 27, 2020 and September 22, 2020. Individuals with an outstanding loan from the Plan on or after March 27, 2020, were allowed to defer loan payments between March 27, 2020 and December 31, 2020 for up to one year.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding \$5,000 in the Plan. As of December 31, 2021 and 2020, there were no significant amounts due to participants who had withdrawn from the Plan but not yet paid. Participants may also take hardship withdrawals from the participant's elective deferral contributions in their account for immediate and severe financial needs only. Age 59½ withdrawals are permitted for qualifying participants. Benefit payments to participants are recorded when paid.

Coronavirus-related distributions permitted under the CARES Act were allowed during the Plan year ended December 31, 2020 for participants meeting the specified qualifications in section 2202 of the CARES Act. Minimum required distributions for those age 72 or older were suspended for 2020, except upon participant request.

Forfeitures

Account balances forfeited under the vesting schedule are used to reduce sponsor contributions and pay plan expenses. Unallocated forfeited non-vested accounts amounted to \$-0- as of December 31, 2021 and 2020. There were no forfeitures used to offset employer contributions for the years ended December 31, 2021 and 2020.

Investment Valuation and Income Recognition

The Plan's investments in collective investment trusts and pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment in Principal's Fixed Income Guaranteed Investment Contract is fully benefit-responsive and is reported at contract value. See Note 3 for a discussion of the fully benefit-responsive contract and Note 4 for discussion of fair value measurements.

The Plan's investments are subject to the risk of value fluctuations that are inherent in the market. As such, the value of the Plan's assets may change frequently. To help manage this risk, the Plan utilizes professional investment managers who oversee the Plan's portfolio and may make changes as they see fit.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 1. PLAN DESCRIPTION AND SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses

The Plan sponsor pays some administrative expenses for operating the Plan. Generally, those expenses include audit and miscellaneous administration fees and are not reimbursed by the Plan. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to distribution of benefit payments and administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management expenses are also included in administrative expenses.

Income Tax Status

The prototype plan document adopted by the Plan received a favorable determination letter from the IRS dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by federal and state tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Reclassifications

Certain reclassifications have been made to the December 31, 2020 financial statements to conform to the December 31, 2021 presentation. Such reclassifications have had no effect on previously reported net assets available for benefits or changes in net assets available for benefits.

NOTE 2. CERTIFIED CUSTODIAN INFORMATION (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians as of December 31, 2021 and 2020, except for comparing such information certified by the qualified institutions to information included in the Plan's financial statements and supplemental schedule. The custodians are qualified institutions that prepared and certified the information in accordance with 29 CFR 2520.103-5.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data prepared and certified as complete and accurate by the custodians as of and for the years ended December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Collective investment trusts, fair value	\$ 14,476,610	\$ 11,188,370
Pooled separate accounts, fair value	3,303,167	3,063,668
Guaranteed investment contract, contract value	<u>1,311,599</u>	<u>852,774</u>
Total certified investments	<u>\$ 19,091,376</u>	<u>\$ 15,104,812</u>
Net appreciation in fair value of investments	\$ 2,336,308	\$ 2,024,954
Interest and dividend income	<u>-</u>	<u>7,848</u>
Total certified investment income	<u>\$ 2,336,308</u>	<u>\$ 2,032,802</u>

NOTE 3. PRINCIPAL FIXED INCOME GUARANTEED OPTION INVESTMENT CONTRACT

The Plan invests in the Principal Fixed Income Guaranteed Option group annuity contract. Balances under the contract were \$1,311,599 and \$852,774 at December 31, 2021 and 2020, respectively. The Principal Fixed Income Guaranteed Option is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. This contract meets the fully benefit-responsive contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate.

**NOTE 3. PRINCIPAL FIXED INCOME GUARANTEED OPTION INVESTMENT
CONTRACT (CONTINUED)**

By definition, the Principal Fixed Income Guaranteed Option group annuity contract is an insurance contract. As a result, the Plan may transact according to the terms defined in the contract at any time. Certain events limit the ability of the Plan to transact at contract value with the issuer, such as the premature termination of the contract by the Plan or the termination of the Plan. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers, and that also would limit the ability of the Plan to transact at contract value with the participant.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three input levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

AND INVESTMENT PLAN (PLAN NO. 001)

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Collective investment trusts: Valued at the net asset value (NAV) of the units of the collective investment trust (CIT). The NAV, as provided by the custodians, is used as a practical expedient to estimate fair value and is the basis for transactions. The CIT can be redeemed at NAV as of the measurement date. The NAV is calculated in a manner consistent with GAAP for investment companies.
- Pooled separate accounts: Represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using the NAV provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan’s investments at fair value, as of December 31, 2021 and 2020.

Investments at Fair Value as of December 31, 2021				
Description	Total	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 3,303,167	\$ 3,303,167	\$ -	\$ -
Collective investment trusts *	<u>14,476,610</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total investments at fair value	<u>\$17,779,777</u>	<u>\$ 3,303,167</u>	<u>\$ -</u>	<u>\$ -</u>

(*) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE 5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan sponsor provides the Plan with certain accounting and administrative services for which no fees are charged to the net assets of the Plan. Principal Trust Company provides the Plan with investment management services. Principal Trust Company is the custodian and record-keeper for the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan paid fees to Principal Trust Company during the years ended December 31, 2021 and 2020, which are included in the statements of changes in net assets available for benefits.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since December 31, 2021. The markets continue to evolve rapidly, and Plan management is not able at this time to estimate the full impact on the Plan's financial statements.

NOTE 8. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through October 3, 2022, the date which the financial statements were available to be issued.

Effective February 18, 2022, the Plan sponsor adopted Principal Financial Group's pre-approved document for savings plans and restated the Plan's adoption agreement to include legislative requirements the Plan administrator had authorized during the 2020 plan year. The Plan document received a favorable determination letter from the IRS dated June 30, 2020.
