Independent Auditors' Report

To the Trustees of the
Innovative Consulting & Management Services LLC 401(K) Plan
Rockville, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Innovative Consulting & Management Services LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Innovative Consulting & Management Services LLC 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a John Hancock Life Insurance Company as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section of our report. We are required to be independent of Innovative Consulting & Management Services LLC 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Consulting & Management Services LLC 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Innovative Consulting & Management Services LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Consulting & Management Services LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether

they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part VI, Question-4a-Schedule of Delinquent Participant Contributions and Schedule H Part IV, Question 4i- Schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by John Hancock Life Insurance Company agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INNOVATIVE CONSULTING & MANAGEMENT SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Innovative Consulting & Management Services LLC. ("Company") 401(K) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General Information - The Plan is a defined contribution and profit sharing plan covering all full-time employees, excluding union employees, after 60 days of services beginning the closest to one of the following quarterly dates: January 1st, April 1st, July 1st and October 1st and who are age twenty-one or older. The Plan was originally effective January 1, 2016 and was restated effective January 1, 2021. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to the maximum allowed by law, as defined in the Plan, subject to federal limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows for Roth deferrals. The Plan currently offers various pooled separate accounts managed by registered investment companies. Participants are eligible for a safe harbor non-elective employer contribution of 3% of gross earnings per pay period after 60 days of service beginning the closest to one of the following quarterly dates: January 1st, April 1st, July 1st and October 1st. Additionally the plan offers a discretionary profit sharing contribution. For 2021 \$156,718 was contributed as a safe harbor non-elective employer contribution and \$50,000 was contributed as a employer profit sharing.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of plan earnings based on participant earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivables from Participants - Loans are not permitted in the plan.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Additionally participants are vested immediately in their safe harbor non-elective employer contributions. Vesting in the Company's profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account balance or receive partial withdrawals. For termination of service due to other reasons, a participant may receive the value of his or account as a lump-sum distribution. A terminated participant's account balance of less than \$5,000 does not require any participant's consent and is automatically rolled over to an IRA account.

Forfeited Accounts - Forfeitures of non-vested Company contributions are used to offset Plan expenses, reduce employer contributions or be reallocated as employer contribution. As of December 31, 2021 there was \$4,307 in the forfeiture account.

INNOVATIVE CONSULTING & MANAGEMENT SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review – Subsequent events were evaluated through November 23, 2022, which is the date the financial statements were available to be issued. There were no subsequent events noted.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Policy Change – During the year ended December 31, 2017, the plan had adopted the provisions Part 1 of the ASU 2015-12, which designates contract value as the only required measure for fully benefit-responsive investment contracts. Prior to the issuance of ASU 2015-12, fully benefit-responsive investment contracts were required to be measured at fair value with an adjustment to net assets when fair value differed from contract value. FASB determined that measurement at contract value maintains the relevant information while reducing the cost and compacity of reporting for fully benefit-responsive investments contracts.

In addition, the plan adopted the provisions of Part II of the Accounting Standards Update (ASU) 2015-12 issued by the Financial Accounting Standards Board (FASB). Prior to the issuance of this update, U.S. generally accepted accounting principles required plans to disclose (1) individual investments that represented 5 percent or more of net assets available for benefits, (2) the net appreciation or depreciation for investments by general type, and (3) fair value measurements by asset class. FASB determined that these disclosures did not provide decision-useful information and often resulted in inconsistent presentations within the financial statements. As a result, ASU 2015-12 eliminated the requirement for these disclosures. Accordingly, these disclosures are not presented in these financial statements as of December 31, 2021.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Party-in-Interest Transactions- Certain plan assets are in investment funds managed by John Hancock Life Insurance Company or its affiliates. John Hancock Life Insurance Company is the record keeper of the Plan; therefore, these transactions, are considered as party-in-interest transactions as defined under ERISA 3(14).

Risk and Uncertainties - The Plan invests in variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits

Operating Expenses - All expenses of maintaining the Plan are paid by the Company.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S RECORD KEEPER

As of December 31, 2021 the Plan's investments were held by the record keeper. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Fidelity Management Trust Company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Non- Interest-Bearing Deposits	\$ 4,307
Employer Contribution Receivable	61,561
Investments at Fair Value:	
Pooled Separate Accounts	1,580,368
Investment Income:	
Net Appreciation in Fair Value of Investments	178,889

NOTE 4 – TAX STATUS

The Internal Revenue Service has issued a volume submitter letter dated June 30, 2020 to the third-party administrator, the Plan administrator believes that the plan is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

NOTE 5 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompany statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs are unobservable and have the lowest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The plan did not have any level 1 and level 3 investments.

INNOVATIVE CONSULTING & MANAGEMENT SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

NOTE 5 - FAIR VALUE MEASUREMENT (Continued)

Level 1 Fair Value Measurements – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements – The fair value of the common collective trust is based on the closing price reported on the active market where the individual securities are traded.

As of December 31, 2021:

	<u>Fair Value</u> <u>(Level 1)</u>	Significant Other Observable <u>Inputs (Level 2)</u>	Significant Unobservable <u>Inputs (Level 3)</u>
Pooled Separate Accounts	-	\$ 1,580,368	-
Total	-	\$ 1,580,368	-

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participants' accounts and distributed in such a manner as the Company may determine.
