### **Board of Directors**

### **Gateway Rehabilitation Center 401(k) Retirement Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Gateway Rehabilitation Center 401(k) Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Other Matters

### 2021 Supplemental Schedule Required by ERISA

The supplemental schedule Schedule H Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021 we indicated that (a) because of the significance of the information that we did not

audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### **1. Plan Description**

Gateway Rehabilitation Center (Company) is a not-for-profit corporation organized for the purpose of providing a system of comprehensive drug, alcohol, and behavioral health rehabilitation programs through both inpatient and outpatient care facilities concentrated primarily in western Pennsylvania and eastern Ohio. On January 1, 1999, the Gateway Rehabilitation Center 401(k) Retirement Plan (Plan), a contributory defined contribution pension plan, was established for the purpose of providing retirement benefits to the employees of the Company. Employees of Neil Kennedy Recovery Centers, the Company's wholly-owned subsidiary, are also provided retirement benefits under the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document, including any amendments, for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all employees of the Company subject to eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Eligibility and Contributions

Employees become eligible participants once they have attained age 21 and have completed one year of service, as defined by the Plan. Participants may contribute, pre-tax, a portion of their compensation from one percent up to a maximum allowable by the Plan document and in accordance with other limiting provisions of the Internal Revenue Code (Code) and other applicable legal limits. All eligible participants are automatically enrolled in the Plan in the amount of 3% of eligible compensation. Such amounts shall be deducted from the participant's compensation each payroll period. Employees have the right to opt out of the automatic deferral or elect a different deferral amount by notifying the Company.

The Company makes discretionary, qualified non-elective contributions on behalf of participants representing 2% of the participants' compensation subject to certain contribution limitations prescribed by the Code. In addition, the Company makes discretionary matching contributions to each participant based on the participant's elective contribution in a percentage set by the Company prior to the end of each plan year. The

---

matching contribution percentage was 25% of the first 6% of base compensation that each participant contributes to the Plan in 2021 and 2020.

#### Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had excess contributions payable to participants of \$22,853 and \$8,727 in 2021 and 2020, respectively.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and qualified non-elective contributions, and the participant's share of Plan earnings or losses thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, and direct charges for distributions or participant loans. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching, qualified non-elective, and profit sharing portion of their accounts plus actual earnings thereon is based on years of credited service, as defined. Participants are 100% vested in all contributions made by the Company after three years of credited service.

#### Forfeitures

Forfeitures represent participant account balances that are not vested upon termination. Forfeitures may be used in order for the following items: the restoration of the account balances for former terminated participants, payment of plan expenses, and the reduction of employer contributions. The balances of the forfeiture account at December 31, 2021 and 2020 were \$684 and \$250, respectively. During 2021, plan expenses and employer contributions were reduced by \$0 and \$9,465, respectively, from forfeited non-vested

accounts. During 2020, plan expenses and employer contributions were reduced by \$0 and \$25,165, respectively, from forfeited non-vested accounts.

#### Notes Receivable from Participants

The maximum amount that participants may borrow is equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may have no more than one loan outstanding at any one time. The minimum amount a participant may borrow is \$1,000. The loans are collateralized by up to one-half of the participant's vested account balance and bear interest at rates commensurate to market, defined as prime rate plus 1%. Principal and interest are paid through payroll deductions. The term of the loan cannot exceed five years except in the case of a loan for the purpose of acquiring a primary residence.

#### Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payout equal to the value of the participant's vested interest in his or her account or may purchase a life annuity from another third party.

Upon termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Effective April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

#### Investment Options

Upon enrollment in the Plan, a participant may direct all participant and employer contributions into the various investment options of the Plan. All participant and employer contributions are allocated to the respective participant's individual investment account.

### **2. Summary of Significant Accounting Policies**

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

## NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### Payment of Benefits

Benefits are recorded when paid. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2021 or 2020.

### Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account. Investment-related expenses are included in net appreciation of fair value of investments.

### Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

## 3. Fair Value Measurements

Fair values of assets measured on a recurring basis as of December 31, 2021 and 2020 are as follows:

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments in mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

Investments measured at net asset value consist of a Common Collective Trust (Trust) which invests in cash equivalents, traditional guaranteed investment contracts, separate account guaranteed investment contracts, and synthetic guaranteed investment contracts. The objective of the Trust is the stability of principal and high current income.

The Trust attempts to maintain a stable price per unit of \$10; however, there can be no assurance that the value of the units in the Trust will not fluctuate. The principal value per unit of the Trust is determined at the end of each day by dividing net assets by the number of units outstanding. Participants may purchase units of the Trust daily, based on the

# **GATEWAY REHABILITATION CENTER 401(k) RETIREMENT PLAN**

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

---

established unit value. There are no unfunded commitments as of December 31, 2021 and 2020.

Participants may redeem units of the Trust for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the plan to another investment election or paying Trustee fees. Participants may make withdrawals from the Trust for other purposes generally only upon twelve months' advance written notice to the Trustee.

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2021 and 2020, respectively:

| <b>Instrument</b>          | <b>Fair Value at<br/>12/31/21</b> | <b>Unfunded<br/>Commitments</b> | <b>Redemption<br/>Frequency (if<br/>currently<br/>eligible)</b> | <b>Redemption Notice<br/>Period</b> |

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## **NOTES TO FINANCIAL STATEMENTS**

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### **4. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **5. Tax Status**

The IRS has determined and informed the company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. In addition, the Plan annually files a Form 5500.

### **6. Information Certified by the Plan's Trustee and Custodian**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company (Reliance), except for comparing such information certified by the trustee and custodian to information included in the Plan's financial statements. The trustee and custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020, the statements of changes in net assets available for plan benefits for the years ended December 31, 2021 and 2020, and the information reflected on the supplemental schedules for the year ended December 31, 2021.

# **GATEWAY REHABILITATION CENTER 401(k) RETIREMENT PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

### **7. Related-Party and Party-In-Interest Transactions**

Recordkeeping and administrative services for the Plan are performed by Transamerica Life Insurance Company (Transamerica). Custodial services are performed by Reliance. As transaction fees and other fees are paid to these entities, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Administrative expenses paid by the Plan for the years ended December 31, 2021 and 2020 were approximately \$91,000 and \$75,000, respectively.

### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

### **9. Subsequent Events**

Subsequent to year-end, on July 1, 2022, Gateway Rehabilitation Center acquired Greenbriar Treatment Center. As a result, any Greenbriar Treatment Center employees deemed eligible were enrolled in the Plan after the acquisition.
