INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of
Caring People Alliance Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Caring People Alliance Defined Contribution Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Caring People Alliance Defined Contribution Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of Caring People Alliance Defined Contribution Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

Caring People Alliance Defined Contribution Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Caring People Alliance Defined Contribution Retirement Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caring People Alliance Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Caring People Alliance Defined Contribution Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Caring People Alliance Defined Contribution Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Caring People Alliance Defined Contribution Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, Caring People Alliance Defined Contribution Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Caring People Alliance Defined Contribution Retirement Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 13, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

CARING PEOPLE ALLIANCE DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Caring People Alliance Defined Contribution Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution 403(b) Plan covering substantially all employees of Caring People Alliance (the “Organization”). Employees are immediately eligible to be participants in the Plan upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is administered by the Retirement Plan Committee (the “Committee”). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

CORONAVIRUS AID, RELIEF AND ECONOMIC SECURITY ACT

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2025. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants including:

- Increased loan limits up to the lesser of 100% the vested account balance or \$100,000
- Loan repayment extension allowing payments to be deferred up to one year
- Coronavirus-related distributions up to the lesser of vested account balance or \$100,000
- Waivers of Required Minimum Distributions that would otherwise have been payable during 2020.

The provisions of the CARES Act were effective and operationalized immediately, prior to amending the Plan document. The Committee intends to formally adopt the “CARES Act” amendments upon a future restatement of the Plan before December 31, 2025.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan and subject to limitations of the Internal Revenue Code ("IRC" or the "Code"), which was \$19,500 for the year ended December 31, 2021 (\$26,000 for participants age 50 and older). The Plan also allows for after-tax Roth contributions and after-tax Roth catch-up deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contributions plans ("rollover contributions").

The Organization has designed the Plan to be a safe harbor plan and matches 100% of the participant's contributions to the Plan up to 4% of the individual participant's compensation as defined in the Plan. The Organization may also make a discretionary contribution to each participant's account. The Organization made no discretionary contributions during 2021. All contributions are subject to certain IRS limitations.

PARTICIPANT ACCOUNTS

Individual participant accounts are credited with the participants' contributions and the Organization's matching contributions, as well as allocations of the Organization's discretionary contribution, if any, and Plan earnings. Participants' accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions and the Organization's contributions plus actual earnings thereon.

INVESTMENT OPTIONS

Participants direct the investment of contributions into various mutual fund investment options offered by the Plan. The Plan currently offers various mutual fund investment options to participants. Participants may change their investment elections at any time. Prior to transfer of assets from OneAmerica to Principal, a participant directed contributions among a fixed account offered by American United Life Insurance Company under a group annuity contract and thirty mutual funds with varying risk levels to allow participants to meet their individual investment objectives.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may not have more than one loan outstanding at any time. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and earn interest at a rate determined by the plan administrator at the time the loan is taken, which commensurate with other commercial lenders for loans of comparable risk on similar terms. At December 31, 2021 interest rates on open loans are from 4.25% to 6.00%. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service for any reason, a participant may receive the value of the participant's vested interest in his or her account in the form of a lifetime annuity, unless the participant signs a waiver to receive a lump sum distribution or installments over various periods under the guidelines set forth in the Plan. Participants with a balance less than \$5,000 will receive a lump sum distribution.

The Plan allows rollover contributions to be withdrawn from the Plan at any time. Upon reaching age of 59 ½ in-service distributions are allowed under the Plan. In the event of financial hardship, a participant may elect to withdraw all or a portion of their account balance to satisfy their financial need.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 3 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Prior to May 24, 2021, the Plan invested in a fully benefit-responsive group annuity contract with American United Life Insurance Company ("AUL"), in which funds were held in a general account of AUL and totaled \$461,361 as of December 31, 2020. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay principal and a specified interest rate that was guaranteed to the Plan.

This contract met the fully benefit responsive investment contract and therefore was reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The contract was terminated upon the transfer of Plan assets from AUL to Principal Life Insurance Company. Liquidation of such investment occurred at contract value.

DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans bear interest on the unpaid principal at prevailing market rates for similar type loans at the time the loan is granted. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make a note repayment and the plan administrator deems the note to be a distribution, the note receivable balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

EXCLUDED ANNUITY AND CUSTODIAL ACCOUNTS

Plan management has elected to exclude annuity and custodial accounts from Plan assets as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. These contracts were issued prior to January 1, 2009. The Organization has no obligation to make contributions and ceased making contributions to the accounts before January 1, 2009. All of the rights and benefits under the accounts are legally enforceable against the insurer by the individual owner of the account without any involvement by the Organization. The individual owner of the account is fully vested in the contract.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

LEVEL 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

CARING PEOPLE ALLIANCE DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Fair Value
Mutual Funds	<u>\$5,389,376</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$5,389,376</u>
	<u>\$5,389,376</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$5,389,376</u>
December 31, 2020	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Fair Value
Mutual Funds	<u>\$4,428,899</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$4,428,899</u>
	<u>\$4,428,899</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$4,428,899</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in appreciation in fair value of investments in the statement of changes in net assets available for benefits.

There were no transfers between levels of investments during the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE/CUSTODIAN

Effective May 15, 2021, the Organization authorized the appointment of Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company in replacement of American United Life Insurance Company. As result, American United Life Insurance Company held the Plan's investment assets and executed investment transactions through May 24, 2021 and Principal Trust Company holds the Plan's investment assets and executes investment transactions thereafter.

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, certified the completeness and accuracy of the investments and notes receivable from participants reported in the statement of net assets available for benefits as of December 31, 2021 and the supplemental schedule of assets (held at end of year) as of December 31, 2021, as well as net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits for the period from May 24, 2021 to December 31, 2021.

American United Life Insurance Company, the previous custodian of the Plan, certified the completeness and accuracy of the investments and notes receivable from participants reported in the statement of net assets available for benefits as of December 31, 2020 and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits for the period from January 1, 2021 to May 25, 2021.

The plan administrator instructed the independent auditors not to perform and they did not perform, any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The Plan paid \$31,799 to various service providers for custodial, recordkeeping, investment advisory, third party administration and other professional services. These transactions qualify as party-in-interest transactions exempt from prohibited transaction rules.

The Plan allows participants to take loans from their accounts in the Plan. These notes receivable from participants qualify as party-in-interest transactions and totaled \$97,817 and \$53,181 as of December 31, 2021 and 2020, respectively.

NOTE 7 - TAX STATUS

On March 31, 2017, the Internal Revenue Service (“IRS”) issued an opinion letter stating that the 403(b) prototype plan adopted by the Plan (see Note 1), as then designed, was in compliance with the applicable requirements of the Code. Although the Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. The Plan administrator will take the appropriate actions, if any, for the Plan to maintain its qualified status.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosures in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

The Plan administrator will be taking the appropriate action to made necessary corrections. Additional internal controls will be implemented to regularly review the loans outstanding for compliance with the provisions of the Plan document.
