Independent Auditor's Report

To the Plan Administrator
Triconic Corporation and Subsidiary Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Triconic Corporation and Subsidiary Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of February 28, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Triconic Corporation and Subsidiary Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended February 28, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Triconic Corporation and Subsidiary Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tronicom Corporation and Subsidiary Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tronicom Corporation and Subsidiary Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tronicom Corporation and Subsidiary Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of
the Tronicom Corporation and Subsidiary Retirement Savings Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Tronicom Corporation and Subsidiary Retirement Savings Plan as of February 28, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of February 28, 2021, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Triconom Corporation and Subsidiary Retirement Savings Plan

Notes to Financial Statements

February 28, 2022

1. Description of the Plan

The following brief description of the Triconom Corporation and Subsidiary Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established effective February 28, 1979 and was most recently restated effective July 1, 2019. The Plan sponsor is Triconom Corporation (the Company). The Plan covers all employees except union employees covered by a collective bargaining agreement and certain nonresident aliens. There are no age or service requirements to join the Plan. Employee participation in the Plan is voluntary.

Contributions

Employees may contribute up to the lesser of 90 percent of eligible compensation or the amount permitted by Internal Revenue Service (IRS) regulations, which was \$19,500 in calendar year 2021. Effective July 1, 2018 the Plan permitted Roth contributions. Employees who meet certain age requirements are also permitted to make catch up contributions. The Plan also permits rollover contributions. The Company may make percentage matching contributions as outlined by the Plan agreement, as well as nonelective contributions. During the year ended February 28, 2022, the Company made matching contributions of fifty percent of employee deferrals up to five percent of eligible compensation. All contributions are subject to maximum amounts as permitted by the Internal Revenue Service (the IRS).

Participant Accounts

All Plan investments are participant directed. Plan participants have the option of having their contributions invested in a variety of mutual funds or a managed income portfolio. Each participant's account is credited with the participant's contributions, and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) loan, distribution or other administrative expenses, if applicable.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or longer if for a primary residence. The loans are secured by the balance in the participant's account and bear interest at reasonable rate comparable to similar loans issued by financial institutions at the time the loan is originated. Principal and interest are paid through payroll deductions.

Vesting

Under the provisions of the Plan, participants are immediately 100 percent vested in their contributions plus actual earnings thereon. Employer matching and nonelective contributions are 20 percent vested after two years of service, 40 percent after three years of service, 60 percent at four years of service, 80 percent at five years of service, and 100 percent vested at six or more years of service, as defined. Forfeitures of terminated nonvested participant accounts are used to reduce future Company matching contributions.

Benefits

On termination of service or upon death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Installment payments may be made for the purpose of required minimum distributions. The Plan permits in-service and hardship withdrawals under certain conditions.

Administrative Expenses

Substantially all the costs of administering the Plan are paid by the Plan. Participants pay certain transaction related fees, such as for withdrawals or loans. The Plan also incurs investment advisory fees. These net amounts are recorded in the financial statements. Investment related expenses and other administrative costs are allocated to participants based on their account balances.

1. Description of the Plan (continued)

Forfeitures

At February 28, 2022 and 2021, forfeited nonvested employer matching contributions available for future use were \$5,454 and \$2, respectively. During the year ended February 28, 2022, forfeitures of approximately \$38,883 were used to reduce employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Fidelity Managed Income Portfolio II, or MIP II, is a common/collective trust that holds fully benefit-responsive investment contracts and are stated at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

Purchases and sales of securities are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest from investments is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are included in the balance of the note

2. Summary of Significant Accounting Policies (continued)

receivable from participants. No allowance for credit losses has been recorded as of February 28, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Investment Information Certified by the Custodian

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at February 28, 2022 and 2021, and net (depreciation) in fair value of investments, interest from investments, dividends, investment expenses and interest from participant notes receivable for the year ended February 28, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the custodian.

4. Fair Value Measurements

The Plan follows accounting standards which establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under accounting standards are described as follows:

Tronicom Corporation and Subsidiary Retirement Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the quoted market prices which represent the net asset value of shares held by the Plan at year end. There are no restrictions on the redemption of these investments.

The following table sets forth by level, within the fair value hierarchy, the net assets of the Plan which are presented at fair value, as of February 28, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$20,365,954	\$ -	\$ -	\$20,365,954
Total net assets, at fair value	\$20,365,954	\$ -	\$ -	\$20,365,954

4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the net assets of the Plan which are presented at fair value, as of February 28, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$22,279,127	\$ -	\$ -	\$22,279,127
Total net assets, at fair value	\$22,279,127	\$ -	\$ -	\$22,279,127

5. Investment in Fully Benefit Responsive Contracts

The underlying assets of MIP II are a pool of fixed income securities that include U.S. Government and U.S. Government agency obligations, publicly traded investment grade corporate debt, asset-backed securities and other debt securities. The securities are “wrapped” by synthetic investment contracts that provide liquidity for participant withdrawals by maintaining a constant net asset value. The issuers of the wrap contracts guarantee a minimum rate of return and provide full benefit responsiveness. Wrap contracts are purchased from issuers rated in the top three long-term rating categories (A- or the equivalent and above). At February 28, 2022 and 2021, there were no reserves against the wrap contracts carrying value due to the credit risk of the issuers. The interest crediting rate for MIP II at February 28, 2022 and 2021 was 1.15% and 1.49%, respectively.

The contract value of MIP II is determined by the Trustee and is equal to the sum of all of the benefits owed to participants. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in MIP II at contract value. The MIP allows for daily liquidity with no additional notice required for redemption. There are no unfunded commitments as of February 28, 2022. Certain employer-initiated events could limit the ability of participants to transact at the contract value.

6. Income Tax Status

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The prototype plan document has been amended since receiving the determination letter. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements. The plan administrator has indicated they will take any necessary steps to maintain the Plan’s tax qualified status.

Tronicom Corporation and Subsidiary Retirement Savings Plan

Notes to Financial Statements (continued)

6. Income Tax Status (continued)

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of February 28, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company provides to the Plan certain accounting and administrative services for which no fees are charged. These transactions qualify as party-in-interest transactions.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at February 28 of each respective year to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$22,128,662	\$23,679,441
Contributions receivable on financial statements but not on the 5500	-	(9,025)
Adjustment from contract value in financial statements to fair value in the 5500 for the MIP II	(17,136)	29,867
Net assets available for benefits per the Form 5500	<u>\$22,111,526</u>	<u>\$23,700,283</u>

Tronicom Corporation and Subsidiary Retirement Savings Plan
Notes to Financial Statements (continued)

8. Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended February 28, 2022 to the Form 5500:

	<u>2022</u>
Net (decrease) in net assets available for benefits per the financial statements	\$(1,550,779)
Adjustment for change in adjustment on the fair value of the MIP II	(47,003)
Adjustment for current year contribution receivable that was included on prior year financial statements but in current year Form 5500	<u>9,025</u>
Net (decrease) in assets available for benefits per the Form 5500	<u><u>\$ (1,588,757)</u></u>

Certain immaterial amounts in the Form 5500 vary from the statement of changes in net assets available for benefits due to rounding and classification. This did not impact the net decrease in net assets available for benefits.

9. Subsequent Events

Management has evaluated all subsequent events through December 7, 2022, which represents the date the financial statements were available to be issued.
