Independent Auditor's Report

Plan Sponsor
Hassan & Sons, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hassan & Sons, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of Hassan & Sons, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified retirement plan that contains a cash or deferred arrangement and covers all eligible employees who have rendered a minimum of one year of service for the following companies (collectively, Plan Sponsor): (1) Hassan & Sons, Inc.; (2) Station Services, Inc.; (3) C Store Services, Inc.; (4) Colonial Energy, LLC; (5) H&S Energy Products, LLC and, (6) PNW Payroll Services, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute to the Plan each payroll period up to the maximum amount allowable under the Internal Revenue Code. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may make Actual Deferral Percentage (ADP) safe harbor matching contribution to the Plan that is equal to the sum of (a) 100% of an eligible participant's contributions that do not exceed 3% of his or her compensation for the allocation period, plus (b) 50% of the participant's contributions that exceed 3% of his or her compensation for the allocation period but not to exceed 5% of his or her compensation for the allocation period.

The Plan Sponsor may also make non-safe harbor matching contributions to the Plan at its discretion.

Participant Accounts

Each participant's account is credited (charged) with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings (losses), and charged with participant-directed administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested for their entire contributions plus actual earnings thereon.

The Plan Sponsor's safe harbor matching contribution plus actual earnings thereon are vested immediately, while the vesting in the Plan Sponsor's non-safe harbor matching contribution plus actual earnings thereon is based on years of continuous service. For the Plan Sponsor's non-safe harbor matching contribution, a participant vests 100% upon the completion of six years of service.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (Continued)

<u>Years of Service</u>	<u>Percentage of Vesting</u>
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Termination of employment prior to attaining six years of service will result in the forfeiture of the nonvested account balance.

Participants are automatically 100% vested upon reaching the age of 65 while employed, death, disability (as defined in the Plan), or termination of the Plan.

Notes Receivable from Participants

Loans are permitted under this Plan with the following limitations:

- Loans will be treated as Participant directed investments.
- All outstanding loan balances will become due and payable in their entirety upon severance of employment.
- Loans are repaid by payroll deduction.
- The minimum loan will be \$1,000.
- The maximum number of Plan loans outstanding at any one time is 1.

Payment of Benefits

If the employment of the participant is terminated for any reason other than death, the vested interest will be distributed within a feasible time after the payment is requested. The vested interest will be distributed in a lump sum which can be paid to the participant or, at the participant's election, can be rolled over to another qualified retirement plan or to an individual retirement account. There is also the option of not receiving the lump sum and instead electing partial payments in amounts that are requested from time to time.

The vested interest will be distributed to the participant's beneficiary as soon as administratively feasible after the death of the participant.

Change in Plan Custodians and Third-Party Administrator

Effective March 2021, the Plan changed its custodian and third-party administrator from Mutual of America Life Insurance Company (Mutual of America) to Reliance Trust Company (Reliance), custodian, and Automatic Data Processing, Inc (ADP), third-party administrator. Consequently, the Plan assets amounting to \$3,384,627 were transferred from Mutual of America to Reliance in July 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments, other than those that are fully benefit-responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Investments in annuity contract, which is considered fully benefit-responsive contract, is valued at contract value. See Note 4.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Forfeitures

Forfeited accounts are used to reduce future employer matching contributions and to pay administration fees of the Plan. The changes in the Plan's forfeiture account balance for the years ended December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Balance, January 1	\$ 1,270	\$ 4,813
Forfeitures during the year	-	2,016
Investment gain	-	3
Forfeitures used during the year to reduce employer contributions	<u>(1,270)</u>	<u>(5,562)</u>
Balance, December 31	<u>\$ -</u>	<u>\$ 1,270</u>

Administrative Expenses

Generally, expenses incurred in the administration of the Plan are paid by the Plan Sponsor. Participant-directed fees such as loan set-up fees are charged against the participant's account.

NOTE 3 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, quoted prices for similar assets or liabilities in active markets and/or quoted prices for identical or similar assets or liabilities in inactive markets.
- Level 2* - Inputs to the valuation methodology include inputs other than quoted prices that are observable for the asset or liability and/or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies – Investments in registered investment companies are valued at the closing price reported in the active market in which the individual securities are traded. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts – Investments in pooled separate accounts are valued using the NAV provided by the custodian of the funds. The NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits.

Common Collective Trust – Investments in common collective trusts are valued at NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investment Category	2021			Total
	Level 1	Level 2	Level 3	
Assets in the fair value hierarchy				
Registered investment companies	\$ 3,183,284	\$ -	\$ -	\$ 3,183,284
Investments measured at NAV ^(a)				
Common collective trust				332,707
Total investments at fair value				\$ 3,515,991

Investment Category	2021			Total
	Level 1	Level 2	Level 3	
Assets in the fair value hierarchy				
Registered investment companies	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV ^(a)				
Pooled separate accounts				2,640,624
Total investments at fair value				\$ 2,640,624

^(a)In accordance with Subtopic 820-10, the common collective trust and pooled separate accounts are measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 4 INVESTMENTS CONTRACT WITH AN INSURANCE COMPANY

The Plan has an annuity contract with Mutual of America, which is considered fully benefit-responsive contract. Amounts placed in the annuity contract are credited with interest at a rate determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The annuity contract is supported by Mutual of America's general account assets which are primarily invested in cash and investment grade fixed income securities.

As of December 31, 2021 and 2020, the contract value of the Plan's annuity contract was \$0 and \$273,668, respectively.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Reliance and Mutual of America, the custodians of the Plan as of and for the years then ended December 31, 2021 and 2020, respectively. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Notes receivable from participants, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2021;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 6 INCOME TAX STATUS

The Plan Sponsor adopted a Volume Submitter Profit Sharing Plan, which states that the Plan and related trust were designed in accordance with the applicable requirements of the Internal Revenue Code. The Plan Sponsor believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 8 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds, pooled separate accounts, common collective trust and annuity contract either managed or issued through Reliance and Mutual of America. Reliance and Mutual of America are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest that are exempt under ERISA. Fees paid by the Plan to the custodians amounted to \$10,347 and \$1,154 in 2021 and 2020, respectively.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 IMPACT OF COVID-19 TO THE PLAN'S OPERATIONS

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the United States.

It is unknown how long these conditions will last and what the complete financial effect will be to the Plan. However, the Plan Administrator believes that the financial impact, if any, did not materially affect the December 31, 2021 financial statements.

NOTE 10 IMPACT OF COVID-19 TO THE PLAN'S OPERATIONS (CONTINUED)

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act provided plan sponsors the ability to offer qualifying participants penalty-free distributions up to \$100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived the required minimum distributions for terminated participants in the calendar year 2020. The Plan Administrator has implemented these legislative changes and plans to formally execute the required plan amendments reflecting their implementation by the deadline, which is the last day of the plan year beginning on or after January 1, 2022.

NOTE 11 SUBSEQUENT EVENTS

The Plan Sponsor has evaluated events subsequent to December 31, 2021 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through October 14, 2022, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
