INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in
- accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan

NOTES TO THE FINANCIAL STATEMENTS

Note A - Description of the Plan

The following description of the Fashion Glass & Mirror, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective February 15, 1992 as a defined contribution plan for the benefit of eligible employees of Fashion Glass & Mirror, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Income Security Act of 1974 ("ERISA").

Administration

MassMutual Life Insurance Company has been appointed the Custodian (the "Custodian") of the Plan. Resource Benefits Administrators has been appointed Third Party Administrator ("TPA") of the Plan.

Eligibility

Employees of the Company, who have completed 6 months of service and attained the age of 21, are generally eligible to participate in the Plan. The entry date of the Plan for eligible participants is on the first day of the 1st and 7th month of the plan year following the date that a participant first satisfies eligibility requirements.

The Plan excludes from participation collectively bargained employees, non-resident aliens and leased employees.

Contributions

Each year participants may contribute a percentage of their pre-tax annual compensation not to exceed the limitation (\$19,500 and \$19,500 in 2021 and 2020 respectively) set forth in Section 402(g) of the Internal Revenue Code ("IRC"). Participants may make after-tax Roth contributions. Participants who are (or will be) age 50 or older by the end of the calendar year may make pre-tax catch-up contributions that exceed the annual elective deferral limit. Participants' total catch-up contributions during 2021 and 2020 cannot exceed \$6,500 and \$6,500, respectively.

Note A - Description of the Plan, continued

The Company may contribute a discretionary matching contribution. During 2021 and 2020, the Company made \$68,553 and \$70,731 in matching contributions, respectively.

The Plan also provides for discretionary Company profit sharing contributions. During 2021 and 2020, the Company made no discretionary employer profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution and an allocation of any non-elective contribution and earnings (losses) on the investments selected by the participant. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Company's contributions into various investments offered by the Plan.

Vesting

Participants are vested immediately in their elective contributions and rollover contributions plus any earnings on such contributions. The vesting of discretionary Company contributions plus any earnings thereon is based on years of continuous service (as defined) accrued by the participant while in covered employment. Participants become 100% vested on a six-year graded vesting schedule.

Participant Loans

Participants may borrow from their accounts on a pro-rata basis from all contribution sources up to a maximum equal to the lesser of \$50,000.00 or 50% of the participant's vested account balance. Loan terms must not exceed five (5) years unless the loan is to be used in the financing of the participant's homestead in which case the loan may be payable in terms of similar length provided by conventional lending institutions. The loans are secured by the vested balance in the participant's account and bear an interest rate of 3.25% to 5.50%. Principal and interest payments are made by means of payroll withholdings according to the terms of the promissory note. A participant may have only one loan outstanding at any time. Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Note A - Description of the Plan, continued

Payment of Benefits

Upon termination of employment due to death, disability, attainment of age 59 ½ or retirement a participant (or his/her designated beneficiary in the event of death) may elect to receive a lump-sum amount. For termination of employment due to other reasons, the vested interest in his or her account may be distributed as rollover to another plan, a lump-sum distribution or it may be left in the Plan if the account balance is greater than \$1,000.

Forfeited Accounts

All employer contributions credited to a participant's account, but not vested, are forfeited by the participant upon his/her termination from the Plan. Per the Plan document forfeitures may be used to offset future employer contributions. As of December 31, 2021, there were \$26,179 of forfeitures that have not yet been applied.

Administrative Expenses

Fees and expenses of the Plan for legal, accounting, and other administrative services may be paid directly by the Company, or, at the Company's discretion, may be paid in whole or in part from Plan assets.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for the benefits and changes therein. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan provides for various investment options. These investment options are exposed to market risk, which generally means the risk of loss in the value to certain investment securities due to changes in interest rates, commodity prices and general market conditions. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Note B – Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Investments in fully-benefit responsive investment contracts are reported at contract value as discussed in Note C.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

The Plan has evaluated subsequent events through December 8, 2022, the date which the financial statements were available to be issued. No events have occurred subsequent to the date of the statement of net assets available for benefits that would require adjustment to, or disclosure in, the financial statements.

Contributions

Contributions from Plan participants and the matching contribution, if any, from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit sharing contributions, if any, are recognized upon authorization and in the year the underlying compensation is recognized. All participant and employer contributions are participant-directed.

Benefit Payments

Benefits are recorded when paid.

Note C – Insurance Investment Contract

In 2005, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with MassMutual Retirement Services ("MMRS") totaling \$1,113,783 at December 31, 2021. MMRS general investment account investment option for defined contribution plans is a guaranteed interest account provided through a group annuity contract. Under the terms of the group annuity contract, a crediting rate is established for amounts invested in the guaranteed interest account and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. Contract value is also often referred to as "book value." MMRS considers this investment option to be fully-benefit responsive notwithstanding the liquidation value events under the contract that limit the ability to the plan to transact at contract value.

Note C – Insurance Investment Contract, continued

The contract value, as reported to the Plan by MMRS, represents contributions made under the contract plus earnings, less participant withdrawals, and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

All bona-fide participant-initiated withdrawals from the GIA, including benefit payments at termination or retirement, loans, and transfers to other non-competing investment options, are paid at book value. Similar to other stable value alternatives, transfers to competing fixed income investments are not allowed. Employer-initiated events such as layoffs, a sale of a business unit, a company merger, or a change in the stable value option offered under a plan are considered market value events and are subject to the plan sponsor liquidity

Upon full or partial contract or plan termination and certain other sponsor-initiated events, distributions from the GIA may be subject to a liquidation value (market value) adjustment pursuant to a formula specified in the contract. The market value formula may produce a value that is more or less than the book value of the plan's investment in the GIA

Note D - Fair Value Measurements

Accounting Standards Codification 820 "Fair Value Measurements and Disclosures" (ASC 820) establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan has adopted ASU No. 2015-07 which removed the requirement to categorize and disclose investments for which fair value is measured using the NAV per share as the practical expedient within the fair value hierarchy. As of December 31, 2021 and 2020, the plan's investments that are measured using NAV as a practical expedient leveling, in accordance with ASC 820, does not apply.

The following is a description of the valuation methodologies used for investments measured at fair value.

Pooled separate accounts: Valued at net asset value as a practical expedient. The net asset value is based on the fair value of the underlying assets owned by the fund. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different for the report net asset value.

The underlying securities in the pooled separate accounts are listed on the national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company.

It is possible that the redemptions rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic

Note D - Fair Value Measurements, continued

environment may significantly affect the net asset value of the pooled separate accounts and, the fair value of the Plan's investments.

The preceding methods described may produce a value that may not be indicative of the net realizable value or reflective of the future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using net asset value per share as a practical expedient as of December 31, 2021 and 2020.

DECEMBER 31, 2021

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (a)</u>	<u>Redemption Notice</u>

Pooled Separate Accounts	\$2,144,374	n/a	Daily	None
Total	<u>\$2,144,374</u>			

(a) Participant transactions (purchases and sales) may occur daily subject to any short-term trading policies of the Plan Sponsor. Additional restrictions may be imposed at the request of the fund company of an underlying fund as outlined in their prospectus.

Note E – Information Certified by the Custodian (Unaudited)

At December, 2021 and 2020, the Plan's investments were held by the custodian. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of

Note E – Information Certified by the Custodian (Unaudited), continued

Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Massachusetts Mutual Life Insurance Company also certified to the completeness and accuracy (including gains and losses on investments bought and sold, as well as held during the year) of \$331,965 of net appreciation in the fair value of investments, \$32,086 in other income and \$4,962 of interest for the year ended December 31, 2021.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G – Tax Status

The IRS has determined and informed the Company by an opinion letter dated September 30, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H – Party-in-Interest Transactions

The plan invests in participant loans. These transactions qualify as party-in-interest transactions. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

Certain Plan investments are funds managed by the Trustee and the Custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment

Note H – Party-in-Interest Transactions, continued

management services and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note I – Prohibited or Non-Exempt Transactions

During 2021, the Company failed to submit \$115,622 in deferral contributions and loan repayments in a timely manner. The failure to submit employee contributions and loan repayments were in technical violation of the provisions of ERISA even though the Company did not profit from the transactions. At the issue date of this report this prohibited transaction has not been corrected.

Note J – Benefit Claims Payable

At December 31, 2021 and 2020, there was no benefit claims payable for distributions requests made prior to year-end.

Note J – Recent Accounting Pronouncements

Recent accounting pronouncements issued by the FASB did not or are not believed by management to have a material impact on the Plan's present or future financial statements.
